GOALS

- Goals are not applicable
- On August 18, 2014, the Division of Small Business Opportunity determined this contract's scope of services does not fall under provisions of Denver's Construction Empowerment Initiative (CEI) Ordinance and therefore will not have a goal assigned to the project.

CONTRACT TERMS AND AMOUNT

- Term: May 3, 2016 to May 2, 2019
- Contract Value:
 - Original Amount: \$ 2,500,000
 - Amendment Amount: \$ 2,500,000
 - Total Contract Value: \$5,000,000
- Kforce Technology, LLC. currently participates in providing professional services on an as-needed basis for staff augmentation, project-related services, and initiatives.
- We anticipate participation from Kforce in the agreement including the continuity of services from an experienced, Strategic Partner; professional consulting services to assist with the Great Hall Program and the Gate Expansion Projects; and, operational support for Business Technologies Cyber Security Program.

BUSINESS CASE SUMMARY

- This On-Call Contract enables Business Technologies to competitively recruit technology positions for staff augmentation, project-related services, consulting services for initiatives, and day-to-day operational tasks.
- Business Technologies engages awarded consultants on an as-needed basis based on overall value and experience that best serves the specific needs of DEN.
- The benefits DEN would receive by amending this agreement include the continuity of services from an experienced, Strategic Partner; professional consulting services to assist with the Great Hall Program and the Gate Expansion Projects; and, operational support for Business Technologies Cyber Security Program.
