5. General description or background of proposed request. Attach executive summary if more space needed:

The Welton Corridor Study scope includes a comprehensive corridor assessment, including transit performance, safety, and traffic operations. The study will also evaluate land use context, redevelopment, and equity considerations to ensure recommendations reflect community needs and citywide goals. A central component of the scope is collaboration with the community to develop a shared vision for Welton Street that supports vibrancy for residents and visitors while honoring the corridor's cultural heritage. Through technical analysis, stakeholder engagement, and concept development, the project will define a clear roadmap for investments that enhance safety, accessibility, and multimodal connectivity along Welton.
