### 5. General description or background of proposed request. Attach executive summary if more space needed:

This bill request is for a bill to amend the Denver Revised Municipal Code; however, it would only be effective if a charter amendment is approved by voters at the special municipal election. It would make conforming changes throughout the Denver Revised Municipal Code wherever the Department of Excise and Licenses or Executive Director are mentioned, updating the name of the Department and the title of Manager. This bill contains no substantive policy changes.

The corresponding charter amendment bill would place a charter change question on the ballot this November during the special municipal election. The question posed to voters would be a consideration of an agency name change for the Department of Excise and Licenses. The Department proposes to change its name to the Department of Licensing and Consumer Protection and make conforming changes to charter language without modifying the Department's existing authority, power, or duties. The changes also align the title of the Executive Director with city naming conventions by changing the title to Manager, and clarify that the Manager and the Department are considered part of the Mayor's cabinet.

6. **City Attorney assigned to this request (if applicable):** Anshul Bagga and Jonathan Griffin, with support from Reginald Nubine and Jessica Allen

7. **City Council District:** citywide
