

CITY COUNCIL ORDINANCE REQUEST SUMMARY – University Corporation for Atmospheric Research (UCAR)

Name: PLANE – 201522205-00 – University Corporation for Atmospheric Research (UCAR)
Term: Three Years – 2022-2024
Amount: \$1,021,449

Scope of Work:

DEN is pursuing an amendment for services currently provided by UCAR. UCAR provides consulting services to DEN which include weather forecasting and pavement condition treatment recommendations for runways, taxiways, ramp areas and roadways at DEN and the use of the Maintenance Decision Support System (MDSS). UCAR will also perform pre-agreed upon Weather forecasting Research and Development (R&D) specifically for DEN.
