The public utility easement of the public sanitary sewer main has been dedicated and recorded (see attached).

Attachment: 2023-DED-0066 (8890 E Lowry Blvd)-FINAL RECORDED Sanitary EASE 2023102516.pdf

Status Date: 04/07/2023
Status: Denied
Comments: Wastewater doe snot object to the project pursuing a permanent non-exclusive public utility easement consistent with the terms of the current easement template. However, the new easement is required to be dedicated prior to Wastewater's relinquishment of the existing easement. The project may submit the proposed easement dedication and the dedication application form to development.services@denvergov.org for its multi-agency review. Please notify me vial email to danny.harris@denvergov.org and reference 2023-relinq-0000008 once the proposed public utility easement has been dedicate and I will update the DES Wastewater relinquishment application denial to approved.
