**3. ENVIRONMENTAL CONDITION.**

a. Environmental Information. By the timeframe set forth in Section 7(a), Seller shall disclose, in writing, to the City all information Seller has actual knowledge of regarding any environmental contamination (including asbestos-contaminated soils) or the presence of any hazardous substances or toxic substances on, under, or about the Property. If Seller acquires any

actual knowledge of any additional information regarding environmental contamination, Seller has the ongoing duty to provide such information to the City up to the time of Closing, and will do so within five (5) days of the receipt of such additional information. For purposes of this Agreement: “hazardous substances” means all substances listed pursuant to regulation and promulgated under the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C., § 9601 *et seq.*, or applicable state law, and any other applicable federal or state laws now in force or hereafter enacted relating to hazardous waste disposal; provided, however, that the term hazardous substance also includes “hazardous waste” and “petroleum” as defined in the Resource Conservation and Recovery Act (“RCRA”), 42 U.S.C. § 6901 *et seq.* §6991(1). The term “toxic substances” means and includes any materials present on the Property that are subject to regulation under the Toxic Substance Control Act (“TSCA”), 15 U. S. C. § 2601 *et seq.*, applicable state law, or any other applicable federal or state law now in force or later enacted relating to toxic substances. The term “toxic substances” includes, but is not limited to, asbestos, polychlorinated biphenyls (PCB’s), and lead-based paints.

b. Environmental Review. City, at its sole option and expense, may conduct or cause to be conducted environmental audits and perform other environmental tests on the Property to identify any existing or potential environmental problems located in, on, or under the Property, including but not limited to, the presence of any hazardous waste, hazardous substances or toxic substances. Seller hereby grants the City and any of its employees and consultants access to the Property to perform such audits and tests.

c. Notice of Unacceptable Environmental Conditions, Cure, City Election. By the deadline set forth in Section 7(b) of this Agreement, the City shall give notice to Seller of any unacceptable environmental condition relating to the Property. Seller may elect (in Seller’s sole discretion), at Seller’s sole cost and expense, to cure such unacceptable environmental conditions by the deadline set forth in Section 7(c) to the City’s satisfaction. In the event Seller declines to cure the unacceptable environmental conditions or fails to respond to City’s notice thereof by the date set forth in Section 7(c) of this Agreement, the City, in its sole discretion, may elect to waive such unacceptable conditions and proceed to Closing by the deadline set forth in Section 7(d) of this Agreement or treat this Agreement as terminated with no further obligation on the part of either Party.

4. INSPECTION/SURVEY. The City has the right to inspect the physical condition of the Property. Seller, at its sole cost and expense, shall provide to the City copies of any surveys of the Property in its possession or under its control in accordance with the delivery schedule set forth in the Section 7 (a) below. In addition, the City, at its sole cost and expense, shall have the right to either update any survey delivered to the City by Seller, or have its own survey completed. This right to inspect is in addition to the right of the City to obtain an environmental audit. The City shall give notice of any unacceptable physical or survey condition of the Property to Seller by the deadline set forth in Section 7(b). Seller may elect (in Seller’s sole discretion) at Seller’s sole cost and expense, to cure such unacceptable physical or survey condition by the deadline in Section 7(c) of this Agreement to the City’s satisfaction. In the event Seller declines to cure the unacceptable physical or survey conditions or fails to respond to the City’s notice thereof by the date set forth in Section 7 (c) of this Agreement, the City, at its sole discretion, may elect to waive such unacceptable physical or survey condition by the date set forth in Section 7(d) of this Agreement and proceed to Closing or terminate this Agreement by providing written notice thereof to Seller in which event this Agreement shall terminate automatically and be of no further force or

effect and neither party shall have any further rights or obligations hereunder (other than pursuant to any provision hereof which expressly survives the termination of this Agreement).

Seller shall, within ten (10) days of the Effective Date, deliver to City copies of any and all existing leases, agreements, contracts or arrangements for management, service, maintenance or operation with respect to the Property, that are currently in Seller's possession ("Service Contracts"). Prior to the expiration of the Due Diligence Period (defined in Section 7(b)(i) below), City shall notify Seller which of the Service Contracts it elects to assume at Closing, if any. In the event City fails to notify Seller of such election the Service Contracts shall be terminated on or before the Closing Date at the sole and exclusive cost of Seller.

## 5. TITLE.

a. Title Review. The City has obtained a commitment for Owner's title insurance policy for the Property, including updates thereto, and all copies or abstracts of instruments or documents identified in the commitment ("**Title Documents**"). The City has the right to review the Title Documents. The City shall provide a copy of the Title Documents to Seller within SEVEN (7) days of the Effective Date of this Agreement.

b. Matters Not Shown by the Public Records. By the deadline set forth in Section 7(a) of this Agreement, Seller shall deliver to the City complete and accurate copies of all survey(s) in Seller's possession pertaining to the Property that are not included in the Title Documents and shall disclose, in writing, to the City all easements, licenses, right to use agreements, liens or other title matters not shown by the public records of which Seller has actual knowledge that are not included in the Title Documents. In addition, Seller shall provide all documents that pertain to the Property and to the extent in Seller's possession, including but not limited to, soil reports, geo tech reports, traffic studies, surveys, leases, and operating expenses for the subject Property.

c. Notice of Unacceptable Condition, Cure, and City Elections. The City shall give notice of any unacceptable condition of title to Seller by the deadline set forth in Section 7(b) of this Agreement. At Seller's sole cost and expense, Seller may cure such unacceptable conditions by the date in Section 7(c) of this Agreement to the City's satisfaction. In the event Seller declines to cure such unacceptable conditions or fails to respond to the City's notice thereof by the date in Section 7(c) of this Agreement, the City in its sole discretion and by the date set forth in Section 7(d) of this Agreement, may elect to waive such unacceptable conditions and proceed to Closing or terminate this Agreement by providing written notice thereof to Seller in which event the Title Company shall return the Deposit to the City and this Agreement shall terminate automatically and be of no further force or effect and neither party shall have any further rights or obligations hereunder (other than pursuant to any provision hereof which expressly survives the termination of this Agreement).

d. Subsequently Discovered Defects. At any time prior to Closing if any matter affecting title to the Property ("Defect") shall arise or be discovered by the City which is not set out in the Title Documents or disclosed to the City by Seller prior to the expiration of the Due Diligence Period, the City shall have the right to object to such Defect by the delivery to Seller of notice of such Defect within five (5) days after the City discovers such Defect provided that, if such Defect is discovered within five (5) days prior to the Closing Date, the Closing shall be extended for such period as may be necessary to give effect to the provisions of this Section 5 (d).

Upon receipt of notice of the City's objection to any such Defect, Seller shall have the right, but not the obligation, to cure such Defect to the satisfaction of the City and the Title Company for a period of five (5) days from the date of such notice. If such cure period extends beyond the Closing Date, the Closing Date shall be extended to three (3) days after the expiration of such cure period. If Seller cures the City's objection to the satisfaction of the City within such cure period, then the Closing shall occur on the original or postponed date of the Closing but otherwise upon the terms and provisions contained herein. If Seller has not cured such Defect to the satisfaction of the City and the Title Company, the City shall either (a) close on such original or postponed date (and the City shall thereby be deemed to have waived such objection); or (b) extend the Closing Date by written notice to Seller to allow such additional time as the parties may agree for Seller to cure the Defect; or (c) terminate this Agreement by giving notice to Seller before such original or postponed date, and this Agreement shall terminate automatically and be of no further force or effect and neither party shall have any further rights or obligations hereunder (other than pursuant to any provision hereof which expressly survives the termination of this Agreement).

## **6. CLOSING PRE-CONDITIONS.**

a. Delivery of title shall be evidenced by the willingness of the Title Company to issue to City, at Closing, an ALTA form of extended coverage owner's policy of title insurance insuring marketable fee simple title to the Property in City in the amount of the Purchase Price, subject only to the permitted exceptions accepted by the City in accordance with Section 5 above (the "**Title Policy**"). Seller shall cooperate with the Title Company by executing, as necessary, reasonable and customary affidavits and provide reasonable assurances necessary for removal of the standard exceptions for defects, liens, mechanic's liens, tax or assessment liens, title insurance, encumbrances, encroachments, prescriptive easements, adverse claims, or similar matters, regarding such matters. The issuance of the Title Policy shall be a condition to City's obligation to close hereunder.

b. Prior to Closing, Seller shall have terminated the Service Contracts unless such Service Contract has been assumed in writing by City. Seller's aforementioned obligation to execute necessary affidavits and provide adequate assurances for the removal of the standard exceptions from title insurance to be issued is a condition precedent to the City's obligation to purchase the Property. If Seller does not provide the adequate assurances by the date in Section 7(d) of this Agreement, then the City may elect to waive the failure to provide the adequate assurances and proceed to Closing or treat this Agreement as terminated with no further obligation on the part of either Party.

c. From the Effective Date until the Closing Date or earlier termination of this Agreement, Seller: (a) shall operate and maintain the Property in the manner that it is currently being operated and maintained by Seller; (b) shall not enter into any new lease, lease modification, lease extension or other occupancy or use agreement without obtaining City's prior written consent, which consent may be withheld or delayed in City's sole and absolute discretion; and (c) shall not enter into any contracts or commitments that will survive the Closing other than a contract that is terminated on less than thirty (30) days' notice.

**7. TIMEFRAMES.**

a. Seller's Disclosure. Except as otherwise provided in this Agreement, Seller shall deliver any documents and make the disclosures required by this Agreement, including as required under Sections 3(a), 4, and 5(b) of this Agreement, no later than three (3) days after the Effective Date.

b. City's Objection Notice and Right to Terminate.

- i. The City shall notify Seller in writing of any unacceptable environmental, physical, survey, title conditions and all other unacceptable matters under Sections 3(c), 4 and 5(c) of this Agreement, above, no later than 5 p.m. local time, **FIVE (5) days** after the Effective Date ("**Due Diligence Period**").
- ii. The City may terminate this Agreement for any reason or no reason at all in the City's sole and absolute discretion by delivering written notice to Seller on or before the expiration of the Due Diligence Period.
- iii. If the City delivers a written termination notice on or before the expiration of the Due Diligence Period, and this Agreement shall terminate and be of no further force or effect and neither party shall have any further rights or obligations hereunder (other than pursuant to any provision hereof which expressly survives the termination of this Agreement).

c. Seller's Cure. Seller shall have until no later than 5 p.m. local time five (5) days from the date of City's objection notice to elect to cure all the unacceptable conditions set forth in any objection notice under Sections 3(c), 4, 5(c) and 7(b) of this Agreement.

d. City's Election. The City, by written notice to Seller, may elect to waive any uncured objections and proceed to Closing or to terminate this Agreement within five (5) days of the deadline to cure established in Section 7(c) of this Agreement, above. In the event the City terminates this Agreement, this Agreement shall terminate automatically and be of no further force or effect and neither party shall have any further rights or obligations hereunder (other than pursuant to any provision hereof which expressly survives the termination of this Agreement).

e. Deadlines. In the event any date for a party's performance occurs on a Saturday, Sunday or national holiday, the date for such performance shall occur on the next regular business day following such weekend or national holiday.

**8. DATE OF CLOSING:** The date of closing will occur on a date as otherwise agreed by the Parties in writing signed by the Director of the Division of Real Estate and the Seller, but in no event later than **June 26, 2024** ("**Closing Date**").

If any payment due in accordance with this Agreement is not paid, honored or tendered when due, or if any other obligation under this Agreement is not performed or waived as provided in this Agreement, then there shall be the following remedies:

a. If City Is In Default. Seller may treat this Agreement as canceled and the Parties shall thereafter be released from all obligations under this Agreement. Seller expressly waives the remedies of specific performance and damages, including delay damages and attorney fees, or both, or any other legal or equitable remedy; provided, however, that in the event the Agreement has not been terminated prior to the expiration of the timeframes set forth in Sections 7 (b) and 7 (d), and the City is in default, Seller may, as its exclusive remedy, terminate this Agreement by written notice to the City, thereby releasing the parties from this Agreement, except for any provision hereof which expressly survives termination.

b. If Seller Is In Default. The City may elect to (i) treat this Agreement as canceled, in which case any things of value received by a Party under this Agreement shall be returned to the providing party, this Agreement shall terminate automatically and the Parties shall thereafter be released from all obligations under this Agreement; or (ii) treat this Agreement as being in full force and effect and seek specific performance and damages, including delay damages and attorney fees, or both, or any other legal or equitable remedy. **18. NO BROKER'S FEES.** The City and Seller represent to each other that they have had no negotiations through or brokerage services performed by any broker or intermediary that would require the City to pay any commission or fees. Any arrangements that Seller has with a broker or other intermediary regarding the sale of the Property shall be solely at the cost of Seller.

**19. SEVERABILITY.** In the event that any provision of this Agreement would be held to be invalid, prohibited, or unenforceable in any applicable jurisdiction for any reason unless narrowed by construction, this Agreement shall, as to such jurisdiction, be construed as if such invalid, prohibited, or unenforceable provision had been more narrowly drawn so as not to be invalid, prohibited, or unenforceable in any jurisdiction for any reason. Such provision, as to such jurisdiction, shall be ineffective to the extent of such invalidity, prohibition, or unenforceability, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

**21. WHEN RIGHTS AND REMEDIES NOT WAIVED.** In no event shall any performance under this Agreement constitute or be construed to be a waiver by either Party of any breach of covenant or condition or of any default that may then exist. The rendering of any such performance when any breach of default exists in no way impairs or prejudices any right of remedy available with respect to the breach of default. Further, no assent, expressed or implied, to any breach of any one or more covenants, provisions, or conditions of this Agreement may be deemed or taken to be a waiver or any other default or breach.

**22. SUBJECT TO LOCAL LAWS; VENUE.** This Agreement is subject to and is to be construed in accordance with the laws of the City and County of Denver and the State of Colorado, without regard to the principles of conflicts of law, including, but not limited to, all matters of formation, interpretation, construction, validity, performance, and enforcement. Venue for any action arising out of this Agreement will be exclusively in the District Court of the City and County of Denver, Colorado.

**29. NO PERSONAL LIABILITY.** No elected official, director, officer, agent or employee of the City nor any director, officer, employee or personal representative of Seller shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Agreement or because of any breach thereof or because of its or their execution, approval or attempted execution of this Agreement.

**30. CONFLICT OF INTEREST BY CITY OFFICER.** Seller represents that to the best of Seller’s information and belief no officer or employee of the City is either directly or indirectly a party to or in any manner interested in this Agreement except as such interest may arise as a result of the lawful discharge of the responsibilities of such elected official or employee.

**31. MERGER.** The terms of this Agreement survive Closing and do not merge into the Deed conveying the Property.

**32. CONSTRUCTION.** This Agreement may not be interpreted in favor of or against either Seller or the City merely because of their respective efforts in preparing it. The rule of strict construction against the drafter does not apply to this Agreement. This instrument is subject to the following rules of construction:
