REASON FOR EASEMENT RELINQUISHMENT:

Describe why you are requesting this relinquishment and why the easement(s) are no longer needed.

The easement provided for in the Easement and Indemnity Agreement dated October 26, 1999, and recorded on October 29, 1999, at Reception No. 990018777 (the "Original Easement"), covers two parcels of property, a commercial parcel (Zone Lot 1) (the "Commercial Parcel") and a residential parcel (Zone Lot 2) (the "Residential Parcel"). This Relinquishment Application is requesting the Original Easement be relinquished as it relates to just the Residential Parcel, due to the recently approved new DTC Multi-Family Planned Building Group (the "Site Plan") and Permanent Non-Exclusive Easement, dated August 9, 2023, and recorded September 7, 2023, at Reception No. 2023086213 ("PNEE"), which provide for easements that replace all easements required under the Original Easement.

3			<input type="checkbox"/>	<input type="checkbox"/>
4			<input type="checkbox"/>	<input type="checkbox"/>
5			<input type="checkbox"/>	<input type="checkbox"/>

Describe the status of the Easement(s):

In the space below, describe each easement status. Include why the easement was originally granted and any additional relevant information

The Original Easement was granted for purposes of providing ingress and egress to the City on private streets, alleys and roadways, and to sewers and drainage facilities in connection with the approval of the original Hines – DTC Planned Development dated February 23, 1998 (the “Original PBG”). The Original PBG has recently been replaced with the approval of the Site Plan for the Residential Parcel. All access easements previously provided for under the Original Easement for the Residential Parcel have been granted to the City through the Site Plan and PNEE (which provides for the maintaining, repairing, and servicing of privately owned wastewater facilities, storm sewer, permanent aboveground water quality pond, and storm sewer outlet pipe). As such, all easements required by the City in connection with the Site Plan have been satisfied as it relates to the Residential Parcel, and the Original Easement is no longer necessary.

Are there utilities are in the Easement(s)? Yes ☒ No ☐

If yes, list each utility and identify utility owner, utility type, and size (e.g. CCD 8-inch Sanitary Sewer); whether it will be removed, relocated, or abandoned in-place; and, expected schedule.

The Original Easement provides for a blanket access easement over the entire property, including the Residential Parcel. Together, the Site Plan and PNEE provide the City with the same blanket access easement over the entire Residential Parcel to service any existing utilities in the Residential Parcel. To the extent there are existing utilities on the Residential Parcel, these will be accommodated as shown on the Site Plan.

THIS AGREEMENT, made and entered into this 26th day of October, 1999, by and between the CITY AND COUNTY OF DENVER, a municipal corporation of the State of Colorado, hereinafter referred to as the "City", Party of the First Part, and DENVER HINES DEVELOPMENT, LLC, a Delaware limited liability company, hereinafter referred to as "Owner(s)", Party of the Second Part.

WITNESSETH:

WHEREAS, the Owner(s) is about to develop, under a Planned Development premises situated in the City and County of Denver, State of Colorado, which property is to be known as 4600 South Syracuse, is referred to herein as the "Development", and is more particularly described as set out on Exhibit "A" attached hereto, and by reference made a part hereof; and

WHEREAS, the Owner(s) will cause to be recorded a Planned Development Plan pertaining to a Planned Development constructed within the Development, which Planned Development Plan will show thereon private streets, drives, alleys, roadways, sewers and drainage facilities and otherwise conform to Standards approved by the City Development Review Committee; and

WHEREAS, J.D. Edwards & Company, a Delaware corporation ("Edwards") owns certain real property in the City upon which will be constructed a private street to be known as Syracuse Street, which property is more particularly described in Exhibit "B" attached hereto, and by reference made a part hereof, as (the "Syracuse Street Access"); and

WHEREAS, the said Syracuse Street Access will be utilized to provide access to the Development and to other property of Edwards unrelated to this Agreement; and

WHEREAS, Owner(s) is charged with the maintenance of the common areas and private streets, drives, alleys, roadways, sewers, and drainage facilities within the Development; and

WHEREAS, the City is a municipal corporation within which the Development is located and which currently provides emergency and other municipal services to premises within the City using the public streets; and

WHEREAS, the streets, drives, alleys and roadways within the Development are private roadways; and

WHEREAS, Owner(s) is desirous of providing ingress and egress to the City on such private streets, drives, alleys and roadways, and to such sewers and drainage facilities, to enable the City to provide emergency and other municipal services in, to, and over the Development;

WHEREAS, by a separate Easement and Indemnity Agreement executed between the City and Edwards, Edwards has granted to the City and to Owner(s) an easement to utilize the Syracuse Street Access to provide emergency and other municipal services in, to, and over the Syracuse Street Access and to the Development;

NOW, THEREFORE, in consideration of the premises and in consideration of the Owner(s) receiving the benefits of emergency and other municipal services from the City, the Parties hereto agree as follows:

SECTION ONE. CONVEYANCE OF EASEMENT.

1. The Owner(s) hereby grants and conveys a non-exclusive easement to the City, for ingress and egress over all private streets, drives, alleys or roadways shown on the Development, above referred to, for the purposes of providing in such areas public safety and other normal and usual municipal services to the citizens of the City and County of Denver, together with any and all rights-of-ways; easements or rights of ingress and egress, necessary or convenient to the City to accomplish such purposes, PROVIDED, HOWEVER, that in non-dedicated streets, drives, alleys, roadways or other public ways and places existing within the Development, the City shall not be obligated or expected to perform any construction, re-construction, maintenance, repair, cleaning, snow removal, street lighting, traffic control or regulation or any other services on such private streets, drives, alleys or roadways or property of the Development which it does not or cannot perform on any other private street, drive, alley, roadway or other property within the City and County of Denver.

2. It is the desire of the Owner(s) that the City use these private streets, drives, alleys or roadways to provide emergency and other municipal services within the Development for so long as the City provides such services generally in the City. The Owner(s) recognize that access to the Development by the City for the performance of such services is subject to the said Entry Road easements.

3. The term Owner(s) as used herein shall be deemed to include the heirs, successors, and assigns of the original Owner(s). All duties and liabilities of the Owner(s) hereunder shall be joint and several as among such original owner(s), and their heirs, successors, and assigns; provided that if an occurrence giving rise to a claim hereunder is proven to be proximately caused by a defined action or omission by Owner(s), its agents, servants or employees which occurred during a specific period of time only those Owner(s) holding fee title to the Development or any portion thereof during such specific period of time shall be jointly and severally liable hereunder.

SECTION TWO. CONSTRUCTION AND MAINTENANCE.

4. It shall be the duty of the Owner(s) to construct, reconstruct, repair and maintain all private streets, drives, alleys or roadways within the Development in such condition so as to be usable by the City for provision of services as set out herein.

5. If, in the sole opinion of the City, the private streets, drives, alleys or roadways are not properly maintained or are closed, blocked, or vacated, the City shall give notice to the Owner(s) and if repairs or corrections are not made within the time designated in such notice, the City is authorized to, and will make or have made repairs or corrections and will charge and collect the cost thereof from the Owner(s).

6. The Owner(s) shall in no way consider or hold the City or its personnel guilty of a trespass in the performance of any of the municipal services, duties or responsibilities referred to herein.

7. The Owner(s) shall neither (a) alter the Development nor (b) close, block or vacate the streets, drives, alleys or roadways in the Development so that as a result of (a) or (b) the provision of the above-stated services to the Development is rendered impossible or materially impaired.

8. The Owner(s) shall comply with all operating rules, regulations and engineering standards of the Denver Board of Water Commissioners as the same shall exist from time to time.

9. No combustible construction shall start in the Development until fire hydrants sufficient in number and location as determined by the Denver Fire Department have been installed and other fire protection facilities have been installed all in accordance with the provisions of the Uniform Fire Code and Uniform Building Code as adopted by the City and County of Denver.

10. The Owner(s) shall pay for and be responsible for all costs of installation and maintenance of sanitary sewers, sanitary sewer detention facilities, if required, storm sewers and storm drainage control facilities within the Development as determined necessary by and according to the specifications of the Department of Public Works of the City and County of Denver. While the City assumes no obligation for the maintenance or operation of such sewers, in the event of a malfunction of such sewers or drainage facilities and the failure of the Owner(s) to correct the malfunction in a reasonable time the Owner(s) authorizes the City to make or have made the correction or repair and to charge and collect the cost thereof from the Owner(s).

SECTION THREE. INDEMNITY AGREEMENT.

11. The Owner(s) agree to: defend, indemnify, and save harmless the City, its officers, agents and employees against any and all claims, liabilities, actions, causes of action, or legal or equitable proceedings for damage to property or injuries to or death of any person or persons which may result from City presence or operations at the Development, provided, however that the Owner(s) need not indemnify or save harmless the City, its officers, agents, and employees from damages as aforesaid proximately resulting from the sole negligence of the City's officers, agents, and employees. By all claims for damages this Agreement specifically includes, but is not limited to:

(A) Any street, drive, alley or roadway deterioration or damage on the Development.

(B) Any structural damage to buildings located on the Development caused by City vehicle weight or size, by vibrations generated by City vehicles, or by any other cause not specifically described.

(C) Any damage to utilities such as water pipes, sewer pipes, gas pipes, electrical power lines, and other communication lines, conduits, or cables.

(D) Any damage to landscaping including but not limited to shrubbery, trees and lawn.

(E) Any bodily injury to any person except a City employee, which is caused directly or indirectly by City presence or operations at the Development, or by delay, or complication or prevention of provision of such operations due to closure, blocking, vacation, or disrepair of the private streets, drives, alleys or roadways referred to herein.

12. The Owner(s) further agrees jointly and severally to reimburse the City for any bodily injury to City personnel, or damages to City property caused by a defective or dangerous condition of the Development.

SECTION FOUR. DISPUTES.

13. Disputes between the City and any Owner(s) regarding any aspect of this Easement and Indemnity Agreement including but not limited to breach or default of the Agreement shall be resolved by administrative hearing pursuant to D.R.M.C. Chapter 56-106.

SECTION FIVE. NO DISCRIMINATION IN EMPLOYMENT; NO THIRD PARTY BENEFICIARIES.

14. In connection with the performance of work under this Agreement, the Owner(s) agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, marital status, or physical or mental disability; and further agrees to insert the foregoing provision in all subcontracts hereunder.

15. It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the City and the Owner(s), and nothing contained in this Agreement shall give or allow any such claim or right of action by any other or third person on such Agreement, including but not limited to subcontractors, subconsultants, and suppliers. It is the express intention of the City and the Owner(s) that any person other than the City or the Owner(s) receiving services or benefits under

this Agreement shall be deemed to be an incidental beneficiary only.

SECTION SIX. EASEMENT AND INDEMNITY AGREEMENT TO RUN WITH LAND.

16. The grant of easement and the covenants and duties contained herein shall run with the land and shall be binding upon, jointly and severally, and shall inure to the benefit of, the parties hereto, their heirs, successors, or assigns, and the Owner(s) agrees that upon sale of any portion of the Development a copy of this Easement and Indemnity Agreement will be given to the purchaser.

17. The Owner(s) agrees to the terms of this Agreement and gives evidence of its voluntary agreement by having the individual(s) below sign their name(s) to the Agreement. The person or persons signing and executing this Agreement on behalf of the Owner(s) do hereby warrant and guarantee that he/she or they have been fully authorized by the Owner(s) to execute this Agreement on behalf of the Owner(s) and to validly and legally bind the Owner(s) to all the terms, performances, provisions and conditions herein set forth.

18. THIS AGREEMENT shall become effective upon its execution by the parties hereto. The Owner(s) shall provide satisfactory evidence to the City of recordation of the Agreement with the Clerk and Recorder of the City and County of Denver.

19. THIS AGREEMENT shall be binding upon any and all heirs, successors, assignees, or transferees of the Parties hereto and shall be considered a covenant running with the land.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the day and year first above written.
