EXECUTIVE SUMMARY

Project Title: 2014-0588-01 Curious Theatre Staircse

Description of Proposed Project: A Resolution granting a revocable permit to Curious Theatre Company to encroach into the right-of-way with a steel landing & stairway system into the Acoma St right-of-way at 1080 Acoma St.

Explanation of why the public right-of-way must be utilized to accomplish the proposed project: To improve safety, the front stairway requires a comfortable top landing, so that patrons are not “pushed” down the stairs by others exiting behind them. Likewise, the existing stairs are simply too steep for older and marginally disabled patrons to use safely and comfortably. It is not feasible for the interior of the facility to be reconfigured to permit a deeper landing and longer stairway, thus the Public ROW is our only option to accomplish our goal of improved safety & accessibility.

Has a Temp MEP been issued, and if so, what work is underway: No

What is the known duration of an MEP: Permanent

Will land be dedicated to the City if the vacation goes through: N/A

Will an easement be placed over a vacated area, and if so explain: N/A

Will an easement relinquishment be submitted at a later date: N/A

Additional information: The Denver Office of Disability Rights has visited the site and has found the site’s accessibility acceptable.
