ORDINANCE NO.
SERIES OF 2020

COUNCIL BILL NO. CB20-1329
COMMITTEE OF REFERENCE:
Finance & Governance

A BILL

For an ordinance amending Ordinance No. 480 in the Series of 2010 to change the expending authority and fund administering the Clean Energy Loan Program.

WHEREAS, in 2010, the City and County of Denver was awarded the “Energy Efficiency Community Block Grant”, a federal grant passed-through Boulder County to develop and implement projects to improve energy efficiency and reduce energy use and fossil fuel emissions; and

WHEREAS, the name of the grant has since changed to the Clean Energy Loan Program; and

WHEREAS, when the grant was initially awarded in 2010, Ordinance No. 480, Series of 2010, authorized its approval, identifying the Mayor as the grant administrator and establishing the grant in the General Government Fund Series under Fund 11217; and

WHEREAS, due to the nature of the grant, the Department of Public Health and Environment (DDPHE) later began to administer it under Fund 14217 in the Public Health Series; and

WHEREAS, the Office of Climate Action, Sustainability and Resiliency (CASR) was created in 2019; and

WHEREAS, the scope of the grant now aligns more with the scope of work performed by CASR than by DDPHE, which merits moving the grant to CASR; and

WHEREAS, the City desires to amend the Ordinance that originally accepted the grant agreement to change the Fund administering the grant to the Climate Federal Grants Fund, Accounting No. 11010, and the expending authority to the Executive Director of the Office of Climate Action, Sustainability, and Resiliency;
