5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved

a. Scope of Work

The City Council approves the budget for the upcoming year. The ordinance represents the City's approval for the expenditures necessary to execute the responsibilities of the district as well as the imposition of a mill levy necessary to generate sufficient revenue to pay the district's expenses.

b. Duration

Budget for 2013

c. Location

The district is located in central Denver from Broadway Avenue to the east alley of Josephine Street to 14th Avenue and from 16th Avenue.

d. Affected Council District

Council District #8 – Albus Brooks; Council District #10 – Jeanne Robb

e. Benefits

Business Improvement Districts (BIDs) are organized for the benefit of commercial properties to assist with infrastructure improvements and their maintenance, as well as having the ability to perform marketing and economic development activities. This district was created to provide a mechanism to strengthen the business environment of the east Colfax corridor through advertising and promoting of the businesses within the BID boundaries. The district provides services such as streetscape maintenance and trash receptacles. The district includes only business property.

f. Costs

Districts are self funded with no direct costs to the City. The district has no debt and historically has assessed a mill levy of 7.846 mills. The 2013 budget contemplates leaving the mill levy unchanged from 2012. The mill levy will cover budgetary expenditures for 2013 which are \$477,976.

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.

No.
