**5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**

**a. Scope of Work**

This Concession Agreement comes within the special circumstances described in Executive Order 8B. Contracts that require a concessionaire to make significant capital investment to meet the City's needs, like some concession agreements. This agreement contains an annual MAG of \$168,273.00 or a percentage of compensation of 13%, whichever is greater. It will require a \$367,515.00 capital investment and a mid-term refurbishment of \$73,503.00. The term is 7 years in order for the concessionaire to amortize the investment. CI/EL-ROI RMCF, JV d/b/a Rocky Mountain Chocolate Factory is a joint venture partnership between Concessions International and El-Roi Fashion Jewelry (a certified ACDBE company with 40% interest in the joint venture).

DIA collaborated with many of its concessionaire partners to develop and implement the Premium Value Concessions program (PVC). The program established an internal competition to recognize the top performing concessions. These top performers are awarded the Program Benefit which is the opportunity to bypass the competitive Request for Proposal (RFP) process and begin lease negotiations with the airport. For those concessions not earning the Program Benefit, DIA will RFP and competitively bid those concession locations.

**e. Benefits**

DIA worked with its concessionaires to design the Premium Value Concession Program (PVCP). The program is a competitive, merit-based program that rewards excellence resulting in better customer service and higher revenue to DIA. Concessionaires who are in the top third of their defined categories obtain the opportunity to execute a new agreement at the end of their current one and are not required to go through an RFP process (the "Benefit"). CI/EL ROI RMCF, JV has been determined to receive the Benefit of a new concession agreement during Phase 1 of PVCP.
