**LICENSE AGREEMENT AND COVENANT**

THIS LICENSE AGREEMENT AND COVENANT ("**License Agreement**") is entered into effective as of the date set forth below on the signature page for the City and County of Denver ("**Effective Date**"), by and between **TROY B. RICHARD and JAMIE I. RICHARD**, two individuals ("**Licensee**") who jointly own the property at 26042 Chief Hosa Road, Golden, Colorado 80401, and the **CITY AND COUNTY OF DENVER**, a Colorado municipal corporation ("**Denver**") whose address is 1437 Bannock Street, Room 350, Denver, Colorado 80202 (jointly referred to as the "**Parties**").

**Recitals**

A. Licensee is the owner of a parcel of property located at 26042 Chief Hosa Road in Jefferson County, Colorado, legally described as set forth in **Exhibit A** (the "**Licensee's Property**").

B. Access to Licensee's Property has been available by Chief Hosa Road which connects to Genesee Drive within Genesee Park, which was acquired by Denver in 1915 and is currently owned and operated by Denver as a Denver Mountain Park (the "**Park**").

C. Chief Hosa Road, as depicted on the drawing and legally described in **Exhibit B** to this License Agreement (the "**Access Way**"), has been the sole means of access for the Licensee's Property to and from public roads.

D. Licensee desires to have Denver affirm Licensee's continued use, to the extent specified in this License Agreement, of the Access Way in the Park.

E. Denver is willing to allow Licensee the continued historic use of the Access Way in the same manner and configuration as it currently exists.

F. In return for allowing this continued use of the Access Way, Licensee agrees on Licensee's own behalf and Licensee's heirs, successors and assigns to abide by the covenants, promises, terms and conditions set forth in this License Agreement.

NOW THEREFORE, in consideration of the Recitals set out above and the license, covenants, promises, terms, and conditions set forth below, the Parties agree as follows:

1. **LICENSE**. Denver hereby grants a revocable, non-exclusive license to Licensee to operate and maintain the Access Way in its current location and configuration as depicted and described in the attachment to this License Agreement solely for the purpose of providing access to and from Licensee's Property through the Park and connecting to Genesee Drive, subject to the terms, conditions, promises, and covenants of this License Agreement. This License shall include the right to place underground utilities within the Access Way to serve Licensee's Property. Notwithstanding any provision to the contrary, no property title, rights or interests, including leases or easements, are granted hereby.

2. **RESTRICTED USE**. Licensee agrees and covenants that, other than as necessary to provide emergency access, no action will be taken by Licensee to acknowledge or extend any access rights under this License Agreement for the benefit or use of any property other than Licensee's Property or any persons other than the owners and tenants of Licensee's Property. Licensee also agrees and covenants that the Access Way: a) shall be as depicted in **Exhibit B** to this License Agreement; b) shall not be expanded or relocated and shall not be materially modified as to paving or construction without the written permission of Denver; and c) shall only be used to provide vehicular, pedestrian, and utility access for common and customary activities associated with residential uses currently occurring on Licensee's Property, including the construction, maintenance, and repair of related improvements thereon, as allowed under Jefferson County zoning and building laws. In addition, Licensee agrees and covenants, as a condition of the License granted herein, that Licensee will not cause, permit or suffer any other encroachments or encumbrances on any portion of the adjoining Park through either unauthorized uses of the Access Way or any use of Licensee's Property that adversely impacts the Park beyond the historic use of the Access Way.

3. **ACCESS LAWFUL**. Licensee represents and agrees that all permits, approvals, and other governmental authorizations required by law to be obtained for the construction, location, and operation of the Access Way have been obtained and are current and, if any others are required in the future, Licensee will diligently take all actions necessary to obtain such permits, approvals, or other governmental authorizations and to comply with the same and to make certain that the same are in compliance with this License Agreement. To the extent that there are any fees, charges, fines, penalties, or other costs or expenses associated with obtaining such permits, approvals, or other governmental authorizations or imposed for failure to obtain or comply with such permits, approvals, or other governmental authorizations, Licensee shall be solely responsible and liable for paying such.

4. **MAINTENANCE & REPAIR**. Licensee agrees and covenants to maintain and repair the Access Way, including any associated drainage, as necessary to assure that the Access Way is functional and safe for use by the public and to protect the Park from erosion or other damage resulting from the use or operation of the Access Way. Prior to initiating any substantial maintenance or repair work on the ground in the Park, Licensee agrees and promises to obtain from the Denver Department of Parks and Recreation the required permits or approvals allowing for such work to be performed on park property and to strictly comply with the terms and

conditions of said permits or approvals. In case of an emergency, Licensee shall promptly notify the Denver Department of Parks and Recreation of the emergency repairs made and obtain the required permits or approvals for the work and any further work. Should Licensee fail to perform any necessary maintenance or repair to the Access Way within the timeframe prescribed in any notice sent by Denver, Denver shall have the right to perform the necessary maintenance or repair and to seek recovery of damages, costs, expenses, and attorney's fees from Licensee by whatever means available under law, including but not limited to the filing and foreclosure of liens against Licensee's Property.

5. **TERM & EFFECT.** The License granted herein shall commence as of the Effective Date of this License Agreement and shall be in effect until revoked as provided herein. The covenants and promises made herein shall commence as of the Effective Date and shall remain in effect and run with the land (Licensee's Property) as long as the License is in effect and, even upon revocation of the License, until all covenants and promises are fully and faithfully performed, to the reasonable satisfaction of Denver and in accordance with this License Agreement.

6. **REVOCATION OR OTHER TERMINATION.** Denver has the right to revoke this License for a material violation of the terms, conditions, promises, and covenants of this License Agreement, provided Licensee has not cured the violation within the reasonable timeframe specified in a written notice from Denver, or upon closure of the Access Way resulting from any lawful order, directive, or edict issued by any governmental entity (other than Denver) or court. Upon revocation by Denver or upon receipt of any lawful order, directive, or edict to close the Access Way, Licensee shall be solely responsible and liable for complying with said notification of revocation or said order, directive, or edict and restoring, at Licensee's sole cost, Denver's property within the Park to a natural condition acceptable to Denver. Notice of violation and notice of revocation shall be in writing signed by the Executive Director of the Department of Parks and Recreation or an authorized representative (the "**Director**").

7. **DAMAGE.** In the event that the Access Way is substantially damaged due to natural or man-made causes, the Access Way may be re-constructed upon submittal of complete and detailed construction plans to the Director and the Director's approval of said plans and issuance of such permits and approvals as may be required for the work on Denver property.

8. **DAMAGE TO PARK PROPERTY.** Licensee agrees and promises that any real or personal property of Denver damaged or destroyed incident to the exercise of this License or upon revocation of this License and removal of the Access Way shall be promptly repaired or replaced by Licensee to the satisfaction of the Director, or in lieu of such repair or replacement, Licensee agrees and promises, if so required by the Director and at the Director's option, and after reasonable written notification, to pay Denver money in an amount sufficient to compensate for the loss sustained or costs incurred by Denver for any damage that may result from any location, construction, repair, maintenance, operation, or removal of the Access Way. For failure or refusal by Licensee to substantially comply with this paragraph, Denver shall have the right to seek recovery of damages, costs, expenses, and reasonable attorney's fees from Licensee by whatever means available under law, including but not limited to the filing and foreclosure of liens against Licensee's Property.

9. **INDEMNIFICATION & GOVERNMENTAL IMMUNITY.** Licensee hereby releases and indemnifies and saves harmless Denver, its officers, agents, and employees from and against any and all loss of or damage to property, or injuries to or death of any person or persons, including property and employees or agents of Denver, and shall defend, indemnify, and save harmless Denver, its officers, agents, and employees from any and all claims, damages, suits, costs, expenses, liability, actions, penalties, or proceedings of any kind or nature whatsoever, including without limitations worker's compensation claims, of or by anyone whomsoever, which with respect to any of the foregoing in any way results, from, or arises out of, directly or indirectly, the use, occupancy, or operation of any portion of the Access Way or performance of any work and other activities specified or allowed under this License Agreement, and including acts and omissions of officers, employees, representatives, suppliers, invitees, contractors and agents of Licensee; provided, that Licensee need not release, indemnify or save harmless Denver, its officers, agents, and employees from damages resulting from the sole negligence of the Denver's officers, agents, and employees. The scope of this indemnification is not limited to third party claims. Any minimum insurance policies held by Licensee shall not be deemed to limit or define the obligations of Licensee under this License Agreement. It is expressly understood and agreed that Denver is relying upon, and has not waived, the monetary limitations and all other rights, immunities and protections provided by the Colorado Governmental Act, C.R.S. § 24-10-101, *et seq.*

10. **CONVEYANCE, TRANSFER, OR ASSIGNMENT.** Licensee acknowledges and covenants that, should Licensee convey, transfer, or assign any right, title, or interest, in whole or part, to Licensee's Property to another person or entity in the future for the purpose, among other things, of using, occupying, maintaining or operating Licensee's Property, Licensee shall include the unqualified and unlimited obligation of said person or entity to comply with and perform the duties and responsibilities of this License Agreement. All references to "Licensee" in this License Agreement shall thereafter be read to mean any person or entity receiving or holding any right, title, or interest in Licensee's Property.
