Studio Technician/Stage Manager/Media  
August 2008 - Present

As a studio technician, I run one of many cameras for the Denver Nuggets, Colorado Avalanche and Colorado Rapids games. I also promote and market for the on air talent as far as social media. With this, I manage facebook, twiller and vimeo accounts. This creates a larger range of audience and viewers for Allitude Sports and its broadcasters. On multiple occasions, I am a stage manager at the Pepsi Center and in the Allitude Production Studio. The stage manager position requires that I assure contact is maintained with the entire production staff in order to communicate the various bits of information pertaining to production. This position obligates timely decisions and guidance for the talent and production teams.
