

Omar J. Peters, AICP, RSP, I

Highlights

- Fourteen (14) years planning multimodal transportation systems.
- Participated in several non-profit and advisory boards, including the Denver MBAC.
- Certified Road Safety Professional (RSP) experienced collaborating with stakeholders.

Professional Experience

Senior Planner, Toole Design Group, Denver, CO. 3.2022 to Present.

I am managing and supporting transportation projects to help communities deliver mobility options that meet the needs of all people through data analysis, report writing, and community and stakeholder engagement. Relevant projects include:

- Leading review and prioritization of the Albuquerque Vision Zero Action Plan;
- Lead analysis and engagement tasks for Phoenix SR 30 Active Transportation Plan;
- Facilitate stakeholder engagement for the Superior Wayfinding Plan;
- Managed the development of the Fort Collins Vision Zero Action Plan; and
- Managed the Fort Collins 15-minute City Analysis.

Manager of Capital Planning, Valley Metro, Phoenix, AZ. 9.2020 to 3.2022.

As the Capital Planning Manager, I was responsible for managing and coordinating planning projects within the Capital and Service Development Division of Valley Metro, the regional agency providing multimodal transit services in metro Phoenix. My typical duties included:

- Developed and oversaw capital transit plans for Valley Metro member communities;
- Managed a \$6 million per year planning and public involvement support contract;
- Recommended new transit services and improvements to the Leadership Team;
- Supervised four planners by prioritizing and assigning work, mentoring, and training; and
- Prepared financial analyses, budgets, schedules, and scopes of work.

Planner III, Valley Metro, Phoenix, AZ. 8.2015 to 9.2020.

I was on the third level of a three-level Planning series within the Capital and Service Development Division of Valley Metro.

Planner II, Miami Valley Regional Planning Commission, Dayton, OH. 8.2011 to 8.2015.

In this position, I was a member of a four-person planning team responsible for preparing the performance-based long-range transportation plan and assisting in special studies at the metropolitan planning organization in Dayton, Ohio.

Civic Engagement & Advisory Roles

Denver Mayor's Bicycle Advisory Group, 2023-2024

Urban Phoenix Project, 2016-2019

UpDayton, 2013-2015

Education

Master's of Regional Planning with Certificate in GIS Analysis.

University at Albany, State University of New York, 2011.

Bachelor's of Arts in Geography.

University of Delaware, 2009.
