(a) The obligations of the Remarketing Agent under the Remarketing Agreement have been undertaken in reliance on, and shall be subject to, the due performance by the City of its obligations and agreements to be performed hereunder and to the accuracy of and compliance with the representations, warranties, covenants and agreements contained herein, on and as of the date on which the Remarketed Bonds are to be remarketed pursuant to this Remarketing Agreement. The obligations of the Remarketing Agent hereunder with respect to each date on which the Remarketed Bonds are to be remarketed pursuant to this Remarketing Agreement are also subject, in the discretion of the Remarketing Agent, to the following further conditions:

(iv) legislation is enacted by the State of Colorado or the United States or favorably reported to either the United States House of Representatives or the United States Senate or pending in committee of either body or a decision by the United States Tax Court, a court of the United States or a court of the State of Colorado, is rendered, or a ruling or regulation (final, temporary or proposed) is made by or on behalf of the Treasury Department of the United States or the Internal Revenue Service, or a release or Remarketing Statement is issued by the President, the Treasury Department or the Internal Revenue Service of the United States, affecting the federal or Colorado tax status of the City, its property or income, or the interest on its outstanding obligations, bonds or notes (including the Remarketed Bonds);

(vi) any event shall occur or information shall become known, which, in the Remarketing Agent's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the disclosure documents provided to the Remarketing Agent in connection with the performance of its duties hereunder, whether

provided pursuant to Section 5 or otherwise, or causes such documents to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(vii) except as provided in clauses (iv) and (v) of this subparagraph (b), any legislation, resolution, ordinance, rule or regulation is introduced in or is enacted by any governmental body, department or agency of the United States, the State of New York, or the State of Colorado, or a decision by any court of competent jurisdiction within the United States, the State of New York, or the State of Colorado is rendered which, in the opinion of counsel to the Remarketing Agent, such counsel being acceptable to the City, which acceptance shall not be unreasonably withheld, precludes the remarketing of the Remarketed Bonds;

(viii) additional material restrictions not in force as of the date hereof are imposed upon trading in securities generally by any governmental authority or by any national securities exchange which, in the opinion of counsel to the Remarketing Agent, preclude the remarketing of the Remarketed Bonds;

(xii) any of the representations and warranties of the City made hereunder shall not have been true and correct on the date made;

(xiii) the City fails to observe any of the covenants or agreements made herein;

(xiv) any of the rating agencies then rating the Remarketed Bonds or the Bank shall downgrade the ratings assigned to either the Remarketed Bonds or the Bank so that the Remarketed Bonds are not "Eligible Securities" as defined under Rule 2a-7 of the Investment Company Act of 1940, as amended;

(xv) in the reasonable judgment of the Remarketing Agent, the market price or marketability of the Remarketed Bonds or the ability of the Remarketing Agent to enforce contracts for the sale of Remarketed Bonds shall have been materially adversely affected by an amendment of or supplement to the Remarketing Statement, notwithstanding the Remarketing Agent's approval of such amendment or supplement prior to its distribution; or

(xvi) an actual or imminent default or a moratorium in respect of payment of any U.S. Treasury bills, bonds or notes the effect of which in the Remarketing Agent's reasonable judgment makes it impractical to market the Remarketed Bonds or to enforce contracts for the sale of the Remarketed Bonds.

(c) In addition to the foregoing, it shall be a condition to the Remarketing Agent's initial Remarketing of the Remarketed Bonds on or prior to the Conversion Date that the Remarketing Agent shall have received, on or prior to the Conversion Date the following documents, in each case satisfactory in form and substance to the Remarketing Agent:
