3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured must notify the Company promptly in writing if the Insured has Knowledge of:

- (a) any litigation or other matter for which the Company may be liable under this policy; or
- (b) any rejection of the Title as Unmarketable Title.

If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under this policy is reduced to the extent of the prejudice.

4. PROOF OF LOSS

The Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, adverse claim, or other matter insured against by this policy that constitutes the basis of loss or damage and must state, to the extent possible, the basis of calculating the amount of the loss or damage.

The Company may take any appropriate action under the terms of this policy, whether or not it is liable to the Insured. The Company's exercise of these rights is not an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under Condition 5(b), it must do so diligently.
- (c) When the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court having jurisdiction. The Company reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

- (a) When this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured will secure to the Company the right to prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose.

When requested by the Company, the Insured, at the Company's expense, must give the Company all reasonable aid in:

No information designated in writing as confidential by the Insured Claimant provided to the Company pursuant to Condition 6 will be later disclosed to others unless, in the reasonable judgment of the Company, disclosure is necessary in the administration of the claim or required by law. Any failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in Condition 6(b), unless prohibited by law, terminates any liability of the Company under this policy as to that claim.

- (i) To pay or otherwise settle with parties other than the Insured for or in the name of the Insured Claimant. - (ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay.

This policy is not an abstract of the Title, report of the condition of the Title, legal opinion, opinion of the Title, or other representation of the status of the Title. All claims asserted under this policy are based in contract and are restricted to the terms and provisions of this policy. The Company is not liable for any claim alleging negligence or negligent misrepresentation arising from or in connection with this policy or the determination of the insurability of the Title.

- (a) The extent of liability of the Company for loss or damage under this policy does not exceed the lesser of:

- (c) If, at the Date of Policy, the Title to all of the Land is void by reason of a matter insured against by this policy, then the Insured Claimant may, by written notice given to the Company, elect to use the Date of Policy as the date for calculating the fair market value of the Title in Condition 8.a.ii.
- (d) If the Company pursues its rights under Condition 5(b) and is unsuccessful in establishing the Title, as insured;
- (i) the Amount of Insurance will be increased by 15%; and
 - (ii) the Insured Claimant may, by written notice given to the Company, elect, as an alternative to the dates set forth in Condition 8(b) or if it applies, 8(c), to use either the date the settlement, action, proceeding, or other act described in Condition 5(b) is concluded or the date the notice of claim required by Condition 3 is received by the Company as the date for calculating the fair market value of Title in Condition 8(a)(ii),
- (e) In addition to the extent of liability for loss or damage under Conditions 8(a) and 8(d), the Company will also pay the costs, attorneys' fees, and expenses incurred in accordance with Conditions 5 and 7.

9. LIMITATION OF LIABILITY

- (a) The Company fully performs its obligations and is not liable for any loss or damage caused to the Insured if the Company accomplishes any of the following in a reasonable manner:
- (i) removes the alleged defect, lien, encumbrance, adverse claim, or other matter;
 - (ii) cures the lack of a right of access to and from the Land; or
 - (iii) cures the claim of Unmarketable Title,
- all as insured. The Company may do so by any method, including litigation and the completion of any appeals.
- (b) The Company is not liable for loss or damage arising out of any litigation, including litigation by the Company or with the Company's consent, until a State or federal court having jurisdiction makes a final, non-appealable determination adverse to the Title.
- (c) The Company is not liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.
- (d) The Company is not liable for the content of the Transaction Identification Data, if any.

10. REDUCTION OR TERMINATION OF INSURANCE

All payments under this policy, except payments made for costs, attorneys' fees, and expenses, shall reduce the Amount of Insurance by the amount of the payment.

11. LIABILITY NONCUMULATIVE

The Amount of Insurance will be reduced by any amount the Company pays under any policy insuring a Mortgage to which exception is taken in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is executed by an Insured after the Date of Policy and which is a charge or lien on the Title, and the amount so paid will be deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS

When liability and the extent of loss or damage are determined in accordance with the Conditions, the Company will pay the loss or damage within 30 days.

13. COMPANY'S RECOVERY AND SUBROGATION RIGHTS UPON SETTLEMENT AND PAYMENT

- (a) If the Company settles and pays a claim under this policy, it is subrogated and entitled to the rights and remedies of the Insured Claimant in the Title and all other rights and remedies in respect to the claim that the Insured Claimant has against any person, entity, or property to the fullest extent permitted by law, but limited to the amount of any loss, costs, attorneys' fees, and expenses paid by the Company. If requested by the Company, the Insured Claimant must execute documents to transfer these rights and remedies to the Company. The Insured Claimant permits the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies.
- (b) If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company defers the exercise of its subrogation right to recover until after the Insured Claimant fully recovers its loss.
- (c) The Company's subrogation right includes the Insured's rights to indemnity, guaranty, warranty, insurance policy, or bond, despite any provision in those instruments that addresses recovery or subrogation rights.

14. POLICY ENTIRE CONTRACT

- (a) This policy together with all endorsements, if any, issued by the Company is the entire policy and contract between the Insured and the Company. In interpreting any provision of this policy, this policy will be construed as a whole. This policy and any endorsement to this policy may be evidenced by electronic means authorized by law.
- (b) Any amendment of this policy must be by a written endorsement issued by the Company. To the extent any term or provision of an endorsement is inconsistent with any term or provision of this policy, the term or provision of the endorsement controls. Unless the endorsement expressly states, it does not:
 - (i) modify any prior endorsement,
 - (ii) extend the Date of Policy,
 - (iii) insure against loss or damage exceeding the Amount of Insurance, or
 - (iv) increase the Amount of Insurance.

15. SEVERABILITY

In the event any provision of this policy, in whole or in part, is held invalid or unenforceable under applicable law, this policy will be deemed not to include that provision or the part held to be invalid, all other provisions will remain in full force and effect.

16. CHOICE OF LAW; AND CHOICE OF FORUM

- (a) Choice of Law:

The Company has underwritten the risks covered by this policy and determined the premium charged in reliance upon the State law affecting interests in real property and the State law applicable to the interpretation, rights, remedies, or enforcement of policies of title insurance of the State where the Land is located. The State law of the State where the Land is located, or to the extent it controls, federal law, will determine the validity of claims against the Title and the interpretation and enforcement of the terms of this policy, without regard to conflicts of law principles to determine the applicable law.
- (b) Choice of Forum:

Any litigation or other proceeding brought by the Insured against the Company must be filed only in a State or federal court having jurisdiction.

(m) lend money, invest and reinvest the Company's funds, and receive and hold the Company's property as security for repayment, including, without limitation, loan money to, and otherwise help the Member, officers, employees, and agents of the Company;

(n) pay compensation or additional compensation to the Member and employees for services previously rendered to the Company, whether or not an agreement to pay compensation was made before such services were rendered;

(o) participate in operating agreements, partnership agreements, joint ventures, or other associations of any kind with any Person or Persons, and serve as manager or general partner or in a similar capacity under such agreements;

(p) indemnify the Member(s) or any other Person; and

(q) do and perform all other acts as may be necessary or appropriate to carry out the Company's business.

5.2 Restrictions on Authority of the Manager. Notwithstanding Section 5.1 above, no Manager has any authority to take any of the following actions without the prior written approval of the Member(s) owning at least two-thirds of the Membership Interests:

(a) admit an additional Member;

(b) approve a merger, conversion, or dissolution of the Company, or the application of any statute (the application of which is elective) to the Company;

(c) take any act which would make it impossible to fulfill the purpose of the Company;

(d) amend this Operating Agreement or take any action in violation of this Operating Agreement;

(e) cause the Company to voluntarily initiate a proceeding under which the Company would become a debtor under the United States Bankruptcy Code;

(f) sell, exchange, or otherwise dispose of all, or substantially all, of the Company's property other than in the ordinary course of the Company's business; pledge any assets of the Company to secure any indebtedness of the Company or any other Person, or guaranty any obligations of any Person; or

(g) other actions as may be reserved solely to Members under other provisions of this Operating Agreement.

5.3 Liability of Member and Manager. Neither the Member nor the Manager are to be liable as the Member or Manager for the liabilities of the Company. The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business or affairs under this Operating Agreement or the Act are not grounds for imposing personal liability on the Member or Manager for liabilities of the Company.

5.4 Exculpation. Neither the Member nor a Manager shall have any liability under a judgment, decree, or order of a court, or in any other manner, for any debt, obligation, or liability of the Company. The Company shall indemnify and hold harmless the Member and the Manager for all costs, losses, liabilities, and damages paid or accrued by the Member or the Manager in connection with the business of the Company to the fullest extent allowed by law unless such loss, liability, or damage results from such person's willful misconduct or gross negligence. Any such indemnification shall be paid only from the assets of the Company, and no Manager, employee, or third party shall have recourse against the Member for such indemnification. In addition, the Manager shall cause the Company to advance costs of participation in any Proceeding to the Manager or the Member. "**Proceeding**" means any judicial or administrative trial, hearing, or other activity, civil, criminal or investigative, the result of which may be that a court, arbitrator, or governmental agency may enter a judgment, order, decree, or other determination which, if not appealed and reversed, would be binding upon the Company, a Member, or other Person. The Manager may, with the consent of the Member, indemnify employees and agents of the Company for costs, losses, liabilities, and damages paid or accrued by the agent or employee in connection with the business of the Company to the fullest extent allowed by law.

5.5 Conflicts of Interest.

(a) The Manager may enter into transactions that compete with, or a business opportunity that may be beneficial to, the Company.

(b) Subject to any other provision of this Operating Agreement, the fact that the Manager is directly or indirectly affiliated or connected with any Person shall not prohibit the Manager from dealing with that Person.

(c) A Manager does not violate a duty or obligation to the Company merely because the Manager's conduct furthers the Manager's own interest. A Manager may lend money to and transact other business with the Company. The rights and obligations of a Manager who lends money to or transacts business with the Company are the same as those of a Person who is not a Manager.

5.6 Management Fees and Reimbursements. The Company shall reimburse the Member and Manager for all reasonable out-of-pocket expenses incurred on behalf of the Company. The Company shall also compensate the Manager in a reasonable amount to be determined by the Member.

5.7 Standard of Care of Manager. The Manager shall devote such time to the business of the Company as the Member deems necessary for the efficient carrying on of the Company's business. Each Manager's duty of care in the discharge of his duties to the Company is limited to refraining from engaging in grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law. A Manager who so performs his duties shall not have any liability by reason of being or having been a Manager. In discharging his duties, each Manager shall be fully protected in relying in good faith upon the records required to be maintained under this Operating Agreement and upon such information, opinions, reports, or statements by its agents, or by any other Person, as to matters the Manager reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company, including information, opinions, reports, or statements as to the value and amount

of the assets, liabilities, profits, or losses of the Company or any other facts pertinent to the existence and amount of assets from which Distributions to the Member may be paid.

5.8 Tenure, Removal, and Qualifications. A Manager shall hold office until he resigns, dissolves, dies, becomes bankrupt or incompetent, or is removed by the Member. If a Manager or its successor resigns, dissolves, dies, becomes bankrupt or incompetent, or is removed by the Member, the Member may elect someone else to fill the vacancy and serve as Manager.

5.9 Reliance by Third Parties. No third party dealing with the Company shall be required to ascertain whether a Manager is acting in accordance with the provisions of this instrument. All third parties, other than a third party who is an affiliate of a Manager, may rely upon a document signed by the Member or a Manager as binding the Company. If a Manager acts without authority, the Manager shall be liable to the Member for all damages arising out of its unauthorized actions.

5.10 Removal. A Manager may be removed at any time, with or without cause, by the Member.

5.11 Resignation. A Manager may resign at any time by giving written notice of resignation to the Member. Unless otherwise specified in the notice, the resignation shall take effect upon receipt by the Member and an acceptance of the resignation by it shall not be necessary to make it effective.

5.12 Insurance. The Company shall maintain for the protection of the Company and its Member such insurance as the Manager, in its sole discretion, deem necessary for the operations being conducted.

ARTICLE VI ACCOUNTING AND RECORDS

6.1 Books. The Manager shall maintain complete and accurate books of account at the registered office of the Company. The Company shall provide the Member with any information requested by the Member relating to the business of the Company.

6.2 Reports. The books of account shall be closed promptly after the end of each calendar year. As soon as practicable thereafter, the Manager shall prepare a written report which shall include a statement of receipts, expenditures, profits and losses for the year, and such additional statements with respect to the status of the Company's assets and the distribution of Company funds as are necessary to advise the Member properly about its investment in the Company.

6.3 Records. The Manager shall maintain the following records at the principal office or principal place of business of the Company:

- (a) the full name and business address of the Member;
- (b) a copy of the Articles and all amendments, together with executed copies of any powers of attorney pursuant to which the Articles have been executed;

(c) if filed, copies of the Company's tax returns and reports (or the portions of the returns of others showing the taxable income deductions, gain, loss, and credits of the Company), for the three most recent years;

(d) copies of this Operating Agreement, including all amendments; and

(e) copies of the Company's financial statements, if any, for the three most recent years.

ARTICLE VII CAPITAL CONTRIBUTIONS; LOANS

7.1 Initial Capital Contribution. The Member shall make an initial Capital Contribution of \$100 contemporaneously with the execution of this Operating Agreement. No interest accrues on any Capital Contribution, and the Member may not withdraw or be repaid for any Capital Contribution except as provided in this Operating Agreement. No Member has any obligation to make any additional Capital Contributions.

7.2 Member Loans and Other Debt. The Company may borrow funds from any source, including the Member. Any loan made by the Member to the Company shall be represented by a promissory note and shall be payable out of the first available funds, including proceeds from the sale of all or any portion of the assets of the Company.

7.3 Return of Capital Contributions. Capital contributions shall be expended in furtherance of the business of the Company. All costs and expenses of the Company shall be paid from its funds. No interest shall be paid on capital contributions. No Manager shall have any personal liability for the repayment of any capital contribution to the Member.

7.4 Enforcement of Capital Contribution Obligations. Except as expressly agreed in writing by the Member, no person other than a Member shall have the right to enforce any obligation the Member may undertake to contribute capital to the Company, and specifically, no lender or other third party shall have any such right.

ARTICLE VIII DISTRIBUTIONS

Except as provided by non-waivable provisions of the Act, the Company may make Distributions to the Member at such times and in such amounts as determined by the Manager.

ARTICLE IX TAXES

9.1 Elections. The Manager may make any tax elections for the Company allowed under the Internal Revenue Code, as amended, or the tax laws of any state or other jurisdiction.

9.2 Taxes. The Company may withhold and pay over to any governmental authority the amount of tax, penalty, and interest required to be withheld or paid with respect to any Membership Interest. Any tax payments shall be treated as a Distribution for the purposes of Article VII.

9.3 Method of Accounting. The Manager shall maintain the records of the Company on the same method of accounting as that of the Member.

9.4 Fiscal and Taxable Years. The fiscal and taxable years of the Company are the same as those of the Member.

9.5 Determination of Profit and Loss. Profit and loss shall be determined on an annual basis and for such other periods as may be required.

9.6 Allocation of Profit and Loss. The Company is and at all times shall be a business entity that, solely for federal income tax purposes, is disregarded as an entity separate from its owner. All items of Company profit, loss, income, gain, loss, deduction and credit shall, for federal income tax purposes, be attributed to the Member.

**ARTICLE X
DISPOSITION OF MEMBERSHIP INTEREST
AND ADMISSION OF ASSIGNEES AND ADDITIONAL MEMBERS**

10.1 Disposition. A Member may transfer its Membership Interest, in whole or in part, either voluntarily or by operation of law. A Member may dispose of all or a portion of the Member's Membership Interest. Notwithstanding any provision of the Act to the contrary, upon the disposition of the Member's entire Membership Interest, the Company shall admit the transferee without further action. Upon the transfer of a Member's entire Membership Interest (other than a temporary transfer or transfer as a pledge or security interest), the Member will cease to be a Member and will have no further obligations under this Operating Agreement.

10.2 Admission of Additional Members. The Member may admit additional Members and determine the Capital Contributions of such additional Members by written amendment of this Operating Agreement executed by the Member.

**ARTICLE XI
DISSOLUTION AND WINDING UP**

11.1 Dissolution. The Company is to be dissolved and its affairs wound up upon the determination of the Member. Notwithstanding any contrary provision of the Act, the Company does not automatically dissolve as a result of the death, retirement, resignation, expulsion, bankruptcy, or dissolution of any Member or any other event that terminates the continued membership of any Member.

11.2 Final Accounting. In the event of the dissolution of the Company, a proper accounting shall be made as provided in Section 11.3 from the date of the last previous accounting to the date of dissolution.

11.3 Liquidation. Upon the dissolution of the Company, the Manager, or if the Manager is unable to act, a person selected by the Member, shall act as liquidator to wind up the Company. The liquidator shall have full power and authority to sell, assign, and encumber any or all of the Company's assets and to wind up and liquidate the affairs of the Company in an orderly and businesslike manner. All proceeds from liquidation shall be distributed in the following order of

priority: (i) to the payment of debts and liabilities of the Company and the expenses of liquidation, including loans made by the Member to the Company; (ii) to the setting-up of such reserves as the liquidator may reasonably deem necessary for any contingent liabilities of the Company; and (iii) to the Member.

11.4 Distribution in Kind. The liquidator, in its absolute discretion, may distribute one or more of the Company's assets in kind to the person or entity entitled to receive the proceeds from such asset.

11.5 Statement of Dissolution. Upon the completion of the distribution of the Company's assets as provided in this Article, the Company shall be terminated, and the Person acting as liquidator shall file statement of dissolution and shall take such other actions as may be necessary to terminate the Company.

ARTICLE XII AMENDMENT

This Operating Agreement may be amended or modified only by a written instrument executed by the Member.

Section 2.3 Meetings and Manner of Acting. The Voting Member shall not be required to hold an annual meeting. At the sole discretion of the Voting Member, if regular or special meetings are deemed necessary, the same provisions governing meetings of the directors as well as the notice requirements associated therewith, as set forth below in Article III, shall govern all meetings of the Voting Member. Whenever the vote of the Voting Member is required or permitted, such action may be taken without a meeting by the signed written consent of the Voting Member.

**ARTICLE III
BOARD OF DIRECTORS**

Section 3.1 General Powers. When not delegated by the Voting Member to the board of directors, the business and affairs of the corporation shall be managed by the Voting Member; provided, however that such exercise of authority is not contrary to the corporation's articles of incorporation or the Act.

A director appointed to fill a vacancy shall be appointed for the unexpired term of such director's predecessor in office.

Section 3.7 Regular Meetings. An annual meeting of the board of directors shall be held at the time and place within Colorado, determined by the board of directors, for the purpose of transacting any business as may come before the meeting. If mailed, such notice shall be deemed to be given when deposited in the United States mail, with postage thereon prepaid. If transmitted by email or facsimile, such notice shall be deemed to be given when the transmission is completed. Neither the business to be transacted at, nor the purpose of, any meeting of the board of directors need be specified in the notice or waiver of notice of such meeting unless otherwise required by statute.

Section 3.11 Presumption of Assent. A director of the corporation who is present at a meeting of the board of directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless such director's dissent shall be entered in the minutes of the meeting or unless the director shall file a written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Such participation shall constitute presence at the meeting.

Section 3.16 Action Without a Meeting. Any action required or permitted to be taken at a meeting of the directors or any committee thereof may be taken without a meeting if written consent, setting forth the action so taken, shall be signed by all of the directors or committee members entitled to vote with respect to the subject matter thereof. The action undertaken hereunder as well as the requisite written consent (which may be signed in counterparts) shall have the same force and effect as a unanimous vote of the directors or committee members. All of the writings necessary for the consent and the action undertaken pursuant to the authority set forth in this section may be provided via regular mail, email, facsimile, or other form of wire or wireless communication. For purposes of this section, communications to the Corporation are not effective until received.

ARTICLE IV COMMITTEES

Section 4.1 Committees. The board of directors or the Voting Member may designate committees as deemed necessary or desirable. The board of directors or the Voting Member shall

appoint the members and the chair of such additional committees in the manner, for the terms and with such duties and functions as may be prescribed by the board of directors or the Voting Member.

Notice of the date, time and place of each meeting of the committee shall be given to each member of the committee either in person, by mail, email, facsimile, or telephone, no later than one (1) day prior to the meeting; such notice need not state the purpose or purposes of the meeting. The committee shall keep regular minutes of its meetings and proceedings.

Section 4.4 Quorum. At any meeting of a committee, a majority of members thereof shall constitute a quorum. The acts of a majority of the members of the committee at a meeting at which a quorum is present shall be the acts of the committee.

Section 4.5 Vacancies. Vacancies on any committee shall be filled by the board of directors acting at a regular meeting of the board or at any special meeting called for that purpose, or by the Voting Member.

ARTICLE V OFFICERS

Section 5.1 Type, Number and Qualifications. The executive officer of the Corporation shall be the Executive Director. The board officers shall include a secretary and a treasurer. The Executive Director shall serve as an *ex-officio* director and shall not have any voting rights unless otherwise approved in advance by the Voting Member.

Section 5.4 Election and Term of Board Officers. The board officers shall be nominated and elected by the board of directors at each annual meeting of the board. If the election of board officers is not held at such meeting, such election shall be held as soon as convenient thereafter. Each board officer shall hold office until the officer's successor shall have been duly nominated and elected, or until the officer's earlier death, resignation or removal.

Section 5.5 Compensation. The compensation of the officers shall be as fixed from time to time by the Voting Member and no officer shall be prevented from receiving a salary or other compensation as an officer by reason of the fact that such board officer is also a director of the Corporation. No officer serving in such capacity that is not otherwise employed by the Voting Member or the Corporation shall receive compensation other than reimbursement of out of pocket expenses associated with such officer position.

Section 5.6 Removal. Officers shall be removable as permitted under Colorado law or at the discretion of the Voting Member.

Section 5.7 Resignation & Vacancies. A vacancy in any office, however occurring, may be filled pursuant to the terms set forth in this Article V for the unexpired portion of the term.

Section 5.8 Authority and Duties of Board Officers. The board officers shall have the authority and shall exercise the powers and perform the duties specified below and as may be additionally specified by the Voting Member, the board of directors, or these bylaws, except that in any event each board officer shall exercise such powers and perform such duties as may be required by law.

- (a) *Chairperson*. The chairperson, if elected, shall (i) preside at all meetings of the board of directors; (ii) see that all orders and resolutions of the board of directors are carried into effect; and (iii) perform all other duties incident to the office and as from time to time may be assigned to the chairperson by the Voting Member, the Executive Director, or the board of directors. The chairperson shall not have authority to legally bind the Corporation unless such authority is specifically delegated in writing by the Voting Member or the board of directors;
- (b) *Secretary*. The secretary shall be nominated and elected by the board of directors. Once elected, the Secretary shall: (i) keep the minutes of the proceedings of the board of directors and all committees of the board; (ii) see that all notices are duly given in accordance with the provisions of these bylaws or as required by law; (iii) be custodian of the corporate records and of the seal of the Corporation; and (iv) in general, perform all duties incident to the office of secretary and such other duties as from time to time may be assigned by the Voting Member or the board of directors.

- (c) *Treasurer.* The treasurer shall be nominated and elected by the board of directors. Once elected, the treasurer shall: (i) review and present to the board at least quarterly the reports on the financial status and activities of the Corporation; (ii) serve on the finance committee; and (iii) review and present to the board all corporate resolutions of a financial nature which require board action or approval.

Section 5.9 Surety Bonds. The board of directors shall not be required to, but may as appropriate, require any officer or agent of the Corporation to execute to the Corporation a bond in such sums and with such sureties as shall be satisfactory to the board, conditioned upon the faithful performance of such person's duties and for the restoration to the corporation of all books, papers, vouchers, money and other property of whatever kind in such person's possession or under such person's control belonging to the corporation.

ARTICLE VI INDEMNIFICATION

Section 6.1 Definitions. For purposes of this Article VI, the following terms shall have the meanings set forth below:

- (a) "*Corporation*" means the corporation and, in addition to the resulting or surviving corporation, any domestic or foreign predecessor entity of the corporation in a merger, consolidation or other transaction in which the predecessor's existence ceased upon consummation of the transaction.
- (b) "*Expenses*" means the actual and reasonable expenses, including attorneys' fees, incurred by a party in connection with a proceeding.
- (c) "*Liability*" means the obligation to pay a judgment, settlement, penalty, fine (including an excise tax assessed with respect to a private corporation or an employee benefit plan) or expense incurred with respect to a proceeding.
- (d) "*Official Capacity*" when used with respect to a director of the Corporation means the office of director in the Corporation, and when used with respect to a person in a capacity other than as a director (even if such person is also a director) means the office in the Corporation held by the officer or the employment relationship undertaken by the employee on behalf of the corporation in the performance of his or her duties in his or her capacity as such officer or employee. "Official capacity" does not include service for any other foreign or domestic corporation or for any partnership, joint venture, trust, other enterprise or employee benefit plan when acting directly on behalf of such other corporation, partnership, joint venture, trust, enterprise or plan as a director, officer, employee, fiduciary or agent thereof.
- (e) "*Party*" means any person who was, is, or is threatened to be made, a named defendant or respondent in a proceeding by reason of the fact that such person is or was a director, officer or employee of the Corporation, and any person who, while a director, officer or employee of the corporation, is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, fiduciary or agent of any other foreign or domestic corporation or of any partnership, joint venture, trust, other

enterprise or employee benefit plan. A party shall be considered to be serving an employee benefit plan at the Corporation's request if such party's duties to the corporation also impose duties on or otherwise involve services by such party to the plan or to participants in or beneficiaries of the plan.

- (f) *"Proceeding"* means any threatened, pending or completed action, suit or proceeding, or any appeal therein, whether civil, criminal, administrative, arbitrative or investigative (including an action by the corporation) and whether formal or informal.

Section 6.2 Right to Indemnification.

- (a) *Standards of Conduct.* Except as provided in Section 6.2(d) below, the Corporation shall indemnify any party to a proceeding against liability incurred in or as a result of the proceeding if: (i) such party conducted himself or herself in good faith; (ii) such party reasonably believed (A) in the case of a director acting in his or her official capacity, that his or her conduct was in the Corporation's best interests, or (B) in all other cases, that such party's conduct was at least not opposed to the Corporation's best interests; and (iii) in the case of any criminal proceeding, such party had no reasonable cause to believe his or her conduct was unlawful. For purposes of determining the applicable standard of conduct under this Section 6.2, any party acting in his or her official capacity who is also a director of the Corporation shall be held to the standard of conduct set forth in Section 6.2(a)(ii)(A), even if such party is sued solely in a capacity other than as such director.
- (b) *Employee Benefit Plans.* A party's conduct with respect to an employee benefit plan for a purpose such party reasonably believed to be in the interests of the participants in or beneficiaries of the plan is conduct that satisfies the requirements of Section 6.2(a)(ii)(B). A party's conduct with respect to an employee benefit plan for a purpose that such party did not reasonably believe to be in the interests of the participants in or beneficiaries of the plan shall be deemed not to satisfy the requirements of Section 6.2(a)(i).
- (c) *Settlement.* The termination of any proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, is not of itself determinative that the party did not meet the applicable standard of conduct set forth in Section 6.2(a).
- (d) *Indemnification Prohibited.* Except as hereinafter set forth in this Section 6.2(d), the Corporation may not indemnify a party under this Section 6.2 either: (i) in connection with a proceeding by the Corporation in which the party is or has been adjudged liable for gross negligence or willful misconduct in the performance of the party's duty to the Corporation; or (ii) in connection with any proceeding charging improper personal benefit to the party, whether or not involving action in the party's official capacity, in which the party was adjudged liable on the basis that personal benefit was improperly received by the party (even if the corporation was not thereby damaged). Notwithstanding the foregoing, the Corporation shall indemnify any such party if and to the extent required by the court conducting the proceeding, or any other court of competent jurisdiction to which the party has applied, if it is determined by such court,

upon application by the party, that despite the adjudication of liability in the circumstances in clauses (i) and (ii) of this Section 6.2(d) or whether or not the party met the applicable standard of conduct set forth in Section 6.2(a), and in view of all relevant circumstances, the party is fairly and reasonably entitled to indemnification for such expenses as the court deems proper in accordance with the Act.

- (e) *Claims by Corporation.* Indemnification permitted under this Section 6.2 in connection with a proceeding by the Corporation shall be limited to expenses incurred in connection with the proceeding.
- (f) *Combined Proceedings.* If any claim made by the Corporation against a party is joined with any other claim against such party in a single proceeding, the claim by the corporation (and all expenses related thereto) shall nevertheless be deemed the subject of a separate and distinct proceeding for purposes of this Article.

Section 6.3 Prior Authorization Required. Any indemnification under Section 6.2 (unless ordered by a court) shall be made by the Corporation only if authorized in the specific case after a determination has been made that the party is eligible for indemnification in the circumstances because the party has met the applicable standard of conduct set forth in Section 6.2(a) and after an evaluation has been made as to the reasonableness of the expenses. Any such determination, evaluation and authorization shall be made by the board of directors by a majority vote of a quorum of such board, which quorum shall consist of directors not parties to the subject proceeding, or by such other person or body as permitted by law.

Section 6.4 Success on Merits or Otherwise. Notwithstanding any other provision of this Article VI, the Corporation shall indemnify a party to the extent such party has been successful, on the merits or otherwise, including, without limitation, dismissal without prejudice or settlement without admission of liability, in defense of any proceeding to which the party was a party against expenses incurred by such party in connection therewith.

Section 6.5 Advancement of Expenses. The Corporation shall pay for or reimburse the expenses, or a portion thereof, incurred by a party in advance of the final disposition of the proceeding if: (a) the party furnishes the Corporation a written affirmation of such party's good faith belief that he or she has met the standard of conduct described in Section 6.2(a)(i); (b) the party furnishes the Corporation a written undertaking, executed personally or on behalf of such party, to repay the advance if it is ultimately determined that the party did not meet such standard of conduct; and (c) authorization of payment and a determination that the facts then known to those making the determination would not preclude indemnification under this Article have been made in the manner provided in Section 6.3. The undertaking required by clause (b) must be an unlimited general obligation of the party, but need not be secured and may be accepted without reference to financial ability to make repayment.

Section 6.6 Payment Procedures. The Corporation shall promptly act upon any request for indemnification, which request must be in writing and accompanied by the order of court or other reasonably satisfactory evidence documenting disposition of the proceeding in the case of indemnification under Section 6.4 and by the written affirmation and undertaking to repay as required by Section 6.5 in the case of indemnification under such Section. The right to indemnification and advances granted by this Article shall be enforceable in any court of competent jurisdiction if the Corporation denies the claim, in whole or in part, or if no disposition of such claim is made within ninety

days after written request for indemnification is made. A party's expenses incurred in connection with successfully establishing such party's right to indemnification, in whole or in part, in any such proceeding shall also be paid by the Corporation.

Section 6.7 Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director or officer of another domestic or foreign corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against that liability under Colorado law. The Corporation's payment of premiums with respect to such insurance coverage shall be provided primarily for the benefit of the Corporation. To the extent that such insurance coverage provides a benefit to the insured person, the Corporation's payment of premiums with respect to such insurance shall be provided in exchange for the services rendered by the insured person and in a manner so as not to constitute an excess benefit transaction under section 4958 of the Internal Revenue Code of 1986, as amended (the "**Code**").

Section 6.8 Right to Impose Conditions to Indemnification. The Corporation shall have the right to impose, as conditions to any indemnification provided or permitted in this Article, such reasonable requirements and conditions as may appear appropriate to the board of directors in each specific case and circumstances, including, but not limited to, any one or more of the following: (a) that any counsel representing the party to be indemnified in connection with the defense or settlement of any proceeding shall be counsel mutually agreeable to the party and to the corporation; (b) that the Corporation shall have the right, at its option, to assume and control the defense or settlement of any claim or proceeding made, initiated or threatened against the party to be indemnified; and (c) that the Corporation shall be subrogated, to the extent of any payments made by way of indemnification, to all of the indemnified party's right of recovery, and that the party to be indemnified shall execute all writings and do everything necessary to assure such rights of subrogation to the corporation.

Section 6.9 Other Rights and Remedies. Except as limited by law, the indemnification provided by this Article shall be in addition to any other rights which a party may have or hereafter acquire under any law, provision of the articles of incorporation, any other or further provision of these bylaws, vote of the board of directors, agreement, or otherwise

Section 6.10 Applicability; Effect. The indemnification provided in this Article shall be applicable to acts or omissions that occurred prior to the adoption of this Article, shall continue as to any party entitled to indemnification under this Article who has ceased to be a director, officer or employee of the Corporation or, at the request of the Corporation, was serving as and has since ceased to be a director, officer, partner, trustee, employee, fiduciary or agent of any other domestic or foreign corporation, or of any partnership, joint venture, trust, other enterprise or employee benefit plan, and shall inure to the benefit of the estate and personal representatives of each such person. The repeal or amendment of this Article or of any Section or provision hereof that would have the effect of limiting, qualifying or restricting any of the powers or rights of indemnification provided or permitted in this Article shall not, solely by reason of such repeal or amendment, eliminate, restrict or otherwise affect the right or power of the Corporation to indemnify any person, or affect any right of indemnification of such person, with respect to any acts or omissions that occurred prior to such repeal or amendment. All rights to indemnification under this Article shall be deemed to be provided by a contract between the corporation and each party covered hereby.

Section 6.11 Indemnification of Agents. The corporation shall have the right, but shall not be obligated, to indemnify any agent of the Corporation not otherwise covered by this Article to the fullest extent permissible by the laws of Colorado. Unless otherwise provided in any separate indemnification arrangement, any such indemnification shall be made only as authorized in the specific case in the manner provided in Section 6.3.

Section 6.12 Savings Clause; Limitation. If this Article or any Section or provision hereof shall be invalidated by any court on any ground, then the corporation shall nevertheless indemnify each party otherwise entitled to indemnification hereunder to the fullest extent permitted by law or any applicable provision of this Article that shall not have been invalidated.

Notwithstanding any other provision of these bylaws, the Corporation shall neither indemnify any person nor purchase any insurance in any manner or to any extent that would jeopardize or be inconsistent with the qualification of the Corporation as an organization described in section 501(c)(3) of the Code, or that would result in the imposition of any liability under section 4941 of the Code.

RE: Rezoning Application 831 S. Monaco Pkwy

Dear Mr. Ibanez,

This project narrative is provided to serve as supporting documentation for the Rezone Application filed by Cushing Terrell as an authorized representative of 2800 Midland LLC for property located at 831 S. Monaco Parkway (the "Property"). Cushing Terrell intends to seek approval of a rezone from the current Suburban Mixed Use, three stories (S-MX-3A) to Suburban Multi Unit, three stories (S-MU-3). The rezone will allow the property owner to combine the parcel with 801 S. Monaco (S-MU-3) and create a building site suited for future affordable housing development. S-MU-3 is more restrictive than S-MX-3A and allows the Apartment Building form (as well as other residential forms), where S-MX-3A allows the general building form and other more commercial forms. The building form discrepancy is the primary need for the rezone as the goal of the owner is to develop a residential property across both lots.

The requested district is common in this area of the city, appropriate for the site and is complimentary to the residential neighborhood context to on the west side of Monaco Parkway. The request also aligns with adopted plans for the area in many ways.

The site currently contains an unoccupied single-family home with driveway access from Monaco Parkway. There is no alley access to the property.

DZC Sec 12.4.10.7.A: Consistency with Adopted Plans

The rezone request is appropriate and consistent with surrounding properties. If approved, the rezone will continue to enhance the Suburban Neighborhood Context as it will maintain similar uses already permitted by the existing designation. Ultimately the rezone will match the subject property zoning to the adjacent property at 801 S. Monaco. This consistency will contribute to orderly redevelopment and promote future projects. Further, the rezone will not change the street and block patterns typically found in the Suburb Neighborhood context as uses and building forms are similar across the existing and proposed zoning designations. In addition, any future project will need to align with historic parkway requirements.

Comprehensive Plan 2040

- Equitable, Affordable and Inclusive
 - Goal 1, Strategy A of increasing development of housing units close to transit and mixed-use developments.
 - *The proposed rezone will allow for residential development, including the apartment building form, resulting in future housing on a transit corridor near mixed-use developments.*
 - Goal 2, Strategy A of creating a greater mix of housing options in the neighborhood for all individuals and families.
 - *The proposed rezone will allow for multi-unit residential development, including the apartment building form, resulting in diverse housing options.*
 - Goal 2, Strategy C of fostering communities of opportunity by aligning housing strategies and investments to improve economic mobility and access to transit and services.
 - *The site is on a major thoroughfare with access to regular bus routes. New multifamily development will have to provide bicycle storage and parking as required by code.*
 - Goal 3, Strategy B of using land use regulations to enable and encourage the private development of affordable, missing middle and mixed-income housing, especially where close to transit.
 - *The proposed rezone would enable the private development of multi-family residential housing on a transit corridor. Affordability incentives would allow up to 4-stories.*
- Strong and Authentic Neighborhoods
 - Goal 1, Strategy A of encouraging quality infill development that is consistent with the surrounding neighborhood and offers opportunities for increased amenities.
 - *The rezone of this property will match the adjacent property at 801 S. Monaco Parkway. This will ensure consistency across the block.*
 - *Any future project will need to align with historic parkway requirements, requiring a 25 foot landscaped setback creating a pedestrian amenity along Monaco Parkway.*
- Connected, Safe and Accessible Places
 - Goal 3, Strategy C to protect, enhance and expand Denver's legacy pathways: its historic parkways, boulevards, greenways and trails.

- *The project will conform with the 25 foot required setback and landscaping requirement of the historic Monaco Parkway designation.*
- Goal 8, Strategy B to promote transit-oriented development and encourage higher density development, including affordable housing, near transit to support ridership.
 - *The proposed rezone would allow for the creation of multi-family residential housing on a transit corridor. Affordability incentives would allow up to 4-stories and reduce parking requirements. Encouraging residents to utilize public transit.*
- Environmentally Resilient
 - Goal 8, Strategy A to promote infill development where infrastructure and services are already in place.
 - Goal 8, Strategy C to focus growth by transit stations and along high- and medium-capacity transit corridors.
 - Goal 9, Strategy B of improving Denver’s air by reducing the use of single-occupancy vehicles...supporting mixed-use, walkable neighborhoods.
 - *The proposed rezone would allow for the creation of multi-family residential housing on a transit corridor. Affordability incentives would allow up to 4-stories and reduce parking requirements. Encouraging residents to utilize public transit.*

Blueprint Denver

The project aligns with Place and Street frameworks outlined in Blueprint Denver. The S-MU-3 rezone will match the zoning already in place at 801 S. Monaco Parkway, allow the apartment building form, and will require future development to improvement to the Monaco street frontage. The multi-unit designation will support the development of high-density residential building forms the property and ensure the development includes elements of walkability. It may also encourage continued transit options in the area. All of which support inclusive redevelopment.

Monaco is a designated historical parkway and the rezone will not compromise the character of this important corridor. The proposed zoning will require future development to comply with a 25 foot building setback, compliance with parkway requirements thus creating generous green space along the corridor. Further, the required setback along Monaco will provide an area of refuge for pedestrians.

Future Neighborhood Context

In Blueprint Denver, future neighborhood contexts are used to help understand differences between land use, built form, and mobility at a high scale, between neighborhoods. The subject parcel is identified as a Community Center Future Place in a Suburban Future Neighborhood Context. The Suburban Neighborhood Context is described as the city's most varied development pattern. Ideally areas characterized in the suburban context are predominately urban in nature and while development tends to include more auto-oriented design, residents should still have access to comprehensive multimodal connectivity.

The rezone will not significantly depart from what is already permitted at the property. Similar to the existing zone, S-MU-3 will allow up to a 4-story multi-unit residential apartment building if the project includes the required affordable housing. Further, the required building setbacks associated with the proposed S-MU-3 will complement the lower-rise residential to the west, while future residents will benefit from close proximity and to the commercial district to the east.

Future Place Type

The subject parcel is identified as a Community Center Future Place Type. This place type is characterized by a medium scale of mixed uses and activity levels. A variety of large and small scale buildings, along with variation in setbacks and building heights (generally up to 5 stories) can be found in this place type.

The proposed S-MU-3 zone is consistent with the Blueprint Denver Community Center place type. The S-MU-3 allows for a variety of residential uses and limits building height to three stories (four stories using the affordability bonus). Three and four story building represent an appropriate building scale in an urban metro area. Further, the additional setbacks included with the proposed S-MU-3 zone provide light and air between buildings of varying scale.

Growth Strategy

Blueprint Denver states that the city will direct most growth to key centers and corridors thus contributing to achieving citywide equity goals to benefit all residents. Specifically, Blueprint Denver recognizes a high threat of involuntary displacement in the subject area with a moderate need for housing diversity. The proposed rezone will not contribute to permanent displacement of existing residents. In fact, the proposed rezone is an important element needed to pursue redevelopment of the site into modern affordable housing units.

Street Type

Monaco is designated as a Commercial Arterial and a historical parkway and the rezoning will not compromise the character of this important corridor. The proposed zoning will require future development to comply with a 25-foot building setback, compliance with parkway requirements thus creating generous green space along the corridor. Further, the required setback along Monaco will provide an area of refuge for pedestrians.

New residential development on the site will enhance multi-modal options for residents. New projects will include secured bicycle storage as required by code. The site is along a bus route, with a stop less than a block away.

Near Southeast Area Plan

831 S. Monaco Parkway is located along an Arterial and Balanced Street with Parkway designation. It is within a Community Center, where the recommended building height guidance is up to 5 stories. The proposed rezoning to S-MU-3 allows the apartment building form and up to four-stories if the project provides affordable housing, increasing the number of income restricted units in the area. This aligns with suggested building heights and is appropriate.

The rezoning meets the following goals and recommendations.

2.4.6 Recommendations Multi-unit Residential

LU-6: Provide a variety of high-quality and affordable housing options, ranging from triplexes and townhomes to small apartments and garden courts to large apartment and condominium buildings, while preserving desirable design characteristics and compatibility in Residential Low-Medium, Residential High-Medium and Residential High places.

3.2.1 Recommendations: Affordable and Quality Housing

HE-2: Prioritize new affordable housing and increase housing diversity – particularly in areas near transit, services and amenities to support households of different sizes, ages and incomes in all neighborhoods.

A: Ensure affordable housing meets community needs

1. Housing that is affordable to households earning very low, low and moderate incomes, consistent with adopted city policy.

3. Housing options designed to accommodate a range of households, including families, multi-generational living, aging in place, residents with disabilities and residents needing supportive services.
4. Affordable housing that will remain affordable for the long-term (99 years), consistent with city policy.
5. Affordable housing options that are of equal quality to and indistinguishable from unrestricted market-rate housing in the area.

6.6 Washington Virginia Vale

6.6.2 Key Opportunities

Redevelopment of Leetsdale and Monaco – Encourage redevelopment of retail centers at Leetsdale and Monaco, improvement of corridors and intersections, and multi-unit development in surrounding areas.

6.6.4 Land Use and Built Form

Much of Washington Virginia Vale has retained Former Chapter 59 zoning and zoning standards need to be improved to respond to community needs as older developments start to be updated or redeveloped.

A. Rezone Former Chapter 59 properties into the Denver Zoning Code.

1. Consider zone districts such as S-MU-3 or equivalent for Low-Medium Residential areas.

B. Update zoning standards as appropriate to ensure high-quality design and walkability while allowing flexibility to accommodate the various housing types in Washington Virginia Vale.

1. Ensure updates continue to promote affordability and reduce risk of involuntary displacement.

7.0 Focus Areas and Transformation Projects

7.4 Leetsdale Drive and Monaco Parkway

Conceptual Development:

LU-1: Elements of a Complete Neighborhood & Height - Consistent with adopted citywide policies in Blueprint Denver and in coordination with citywide efforts, direct growth to regional centers, community centers and community corridors with improved infrastructure and design and incorporate elements of complete neighborhoods in areas where additional height beyond existing entitlements is recommended.

DZC Sec 12.4.10.7. B: Public Interest

The proposed rezone is within the public interest. The rezone will match the adjacent property at 801 S. Monaco Parkway allowing the owner to combine the properties. The proposed zone district will also encourage residential redevelopment to occur at an underutilized property. The proposed rezone also furthers the public interest through implementation of the Comprehensive Plan 2024, Blueprint Denver, and the Near Southeast Area Plan.

DZC Sec 12.4.10.7. C: Consistency with Neighborhood Context, Zone District Purpose and Intent (DZC Division 3.1 Neighborhood Context, DZC Sec. 3.2.2.1: General Purpose, & DZC Sec 3.3.3.3 Specific Intent)

The requested rezone is consistent with the suburban neighborhood context, purpose, and intent in the surrounding areas to the north, west and south. The adjacent lot at 801 S. Monaco Pkwy is zoned S-MU-3 and there are several multi-story apartment buildings in the area. The multi-unit designation will allow for consistent residential development along the west side of Monaco, buffering the single-family district to the west of the property from the commercial area on the east side of Monaco. It will ensure any new property will have ample space for sidewalks and pedestrian buffers from the street. The requested height is consistent with multi-unit properties in the area and the new designation will allow for the creation of additional dwelling units on the property utilizing specific residential building forms including apartment buildings. This will increase diversity and availability of housing in the area. The property is also along a bus route with a stop less than one block to the north. This will give future residents multi-modal transportation options and require less reliance on a personal vehicle.

Outreach Summary

Cushing Terrell (CT) initiated a potential future project with the Affordable Housing Review Team (AHRT) in June 2025 which required combining 801 S. Monaco Pkwy with 831 S. Monaco Pkwy. Because of conflicts in allowable building types across the parcels, CT was advised to pursue a rezone of 831 S. Monaco. The project has been accepted into the ARHT program.

In November 2025, the Cushing Terrell team began the rezone process and had the pre-application meeting with Edson Ibanez from Community Planning and Development. Mr. Ibanez informed the project team of the required steps, timeline and fees for the rezone. After this meeting, the project team reached out to the representatives in Council District 5 and 6 as well as the Registered Neighborhood Association.

The project team met with Council District 6 Representative Paul Kashmann and his staff via Teams on December 17th and received positive feedback on the potential future project and rezone. Representative Kashmann’s team gave advice on outreach to neighbors, schools and different communities in the area. They felt reaching out to the local elementary school would be valuable when the project is underway as there is a great need for affordable housing. The project team made multiple attempts to reach Council District 5 with no response. Paul Aceto from the Virginia Vale Registered Neighborhood Association responded by email outlining typical communication and outreach opportunities through the RNO. The project team responded with the informational

postcard and hopes to participate in a future meeting so neighbors can ask questions regarding the rezone.

A postcard was sent to property owners and tenants within 200 yards of the property on Wednesday, January 28th. The postcard includes basic information about the rezone and a comparison between the existing and proposed zoning. The postcard includes an email where recipients can get more information or ask questions, as well as get information in Spanish. As of the date of submission, we have not received any questions or comments.

Hi Megan,

Yes, that is the contact for the Virginia Vale RNO. I'm not sure how much Mcmeen Elementary would need to know for the rezoning, I mentioned them for more after the fact for available housing.

I'll keep thinking if there's anyone else you should reach out to.

Thanks,

Council member Kashman and team –

My name is Megan Cranston, I'm an architectural designer with Cushing Terrell here in Denver. We are working with Catholic Charities Housing to rezone a parcel at 831 S. Monaco Parkway. The goal is to match the zoning at 801 S. Monaco Parkway so we can build 75 units of affordable housing. The new development will have one 4-story apartment building with 1-, 2-, 3- and 4-bedroom rental units.

We are hoping to meet with you or your team to discuss the project and gain insights on the best way to reach out to neighbors to inform them about the project.

Please let us know when you are available over the next few weeks. We can be available over zoom/teams or in person.

Thank you,
Megan Cranston

Hi Paul,

Thanks for following up. We are sending a postcard to neighbors this week with some details on the rezone (see attached). It includes an email address to send questions and get more information. Right now, the primary goal of the rezone is to match the zoning on 801 S. Monaco Parkway so the owner can combine the lots for potential future projects.

Do you currently hold regular meetings? If so, is there an opportunity to participate in the next couple months?

Thanks,
Megan

Hello Megan,

Thank you for the email regarding the upcoming application for a zone district change for 831 S Monaco Pkwy from Mixed Use to Multi-Unit.

I have shared your email with the other board members.

If any renderings have been prepared, please share.

Our standard practice for rezoning applications consists of the following:

1. Present the zone district change request details to residents via 3 platforms; direct email, Nextdoor and Facebook.
2. Offer residents the opportunity to meet with the developer and their team for a Q and A session.

3. Request of residents to present their questions via email and to provide feedback by a specified deadline.
4. Prepare a letter on behalf of the residents reporting the efforts made to notify them and the results of our efforts.

We are unable to provide any type of approval on behalf of residents. Reason being is the VVCA represents a limited number of residents within the community. We can not speak on behalf of the entire community.

Thank you, Paul Aceto
VVCA President.

Subject: Request for Rezone 831 S. Monaco Parkway

Hello Paul and members of the Viginial Vale RNO,

On behalf of the owner of 831 S. Monaco Parkway, we are working with the City of Denver to request a rezone of the property from S-MX-3A to S-MU-3. S-MU-3 is a multi-family designation and is more restrictive than S-MX-3 (mixed use), requiring greater setbacks and lower building height. It is the goal of the current owner to combine this lot with the adjacent lot at 801. S Monaco Parkway, which they own and is zoned S-MU-3. This would allow the owner to create a large, income-restricted multifamily project, adding to the affordable options in the neighborhood. Here's a comparison of the current and requested zoning:

	CURRENT	PROPOSED
	S-MX-3 (General Form)	S-MU-3 (Apartment Form)
Stories	3 (4 with incentives)	3 (4 with incentives)
Height	45' (55' with incentives)	40' (50' with incentives)
Primary Setback	25'	25'
Side Street (Min)	0'	5'
Side Interior (Min)	0'	7.5'
Rear, alley/no alley (Min)	0'	10'/20'
Parking:	1.25/unit, bike 1/5 unit (80/20)	1.25/unit, bike 1/5 unit (80/20)

We plan on submitting our application in February 2026 and will begin initial neighbor outreach in the coming weeks. Once our application is submitted, we will begin formal outreach and noticing. We are happy to answer any questions and share details of the potential future project.

Best,

Megan Cranston
