1. PARTIES

This Contract is entered into by and between Contractor named on the Signature and Cover Pages for this Contract (the “Contractor”), and the STATE OF COLORADO acting by and through the Department of Human Services (the “State” or “CDHS”). Contractor and the State agree to the terms and conditions in this Contract.

2. TERM AND EFFECTIVE DATE

A. Effective Date

This Contract shall not be valid or enforceable until the “Effective Date”, which shall be upon approval by the State Controller or designee and upon full execution of substantially the same agreement with all counties listed in this Contract. The State shall not be bound by any provision of this Contract before the Effective Date, and shall have no obligation to pay Contractor for any Work performed or expense incurred before the Effective Date or after the expiration or sooner termination of this Contract.

B. Initial Term

The Parties’ respective performances under this Contract shall commence on the Contract Performance Beginning Date shown on the Signature and Cover Pages for this Contract and shall terminate on the Initial Contract Expiration Date shown on the Signature and Cover Pages for this Contract (the “Initial Term”) unless sooner terminated or further extended in accordance with the terms of this Contract.

C. Extension Terms - State’s Option

If the Signature and Cover Pages for this Contract shows that the State has the Option to Extend Term, then the State, at its discretion, shall have the option to extend the performance under this Contract beyond the Initial Term for a period, or for successive periods, at the same rates and under the same terms specified in the Contract (each such period an

“Extension Term”). In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to §21 “Sample Option Letter.” The State may include and incorporate a revised budget with the option letter, as long as the revised budget does not unilaterally change rates or terms specified in the Contract. Except as stated in §2.D, the total duration of this Contract, including the exercise of any options to extend, shall not exceed 5 years from its Performance Beginning Date, or the number of years specified on the Signature and Cover Pages if such number is less than 5 years, absent prior approval from the Chief Procurement Officer in accordance with the Colorado Procurement Code.

D. End of Term Extension

If this Contract approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Contractor as provided in §15, may unilaterally extend such Initial Term or Extension Term for a period not to exceed 2 months (an “End of Term Extension”), regardless of whether additional Extension Terms are available or not. The provisions of this Contract in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement contract or modification extending the total term of the Contract.

E. Early Termination in the Public Interest

The State is entering into this Contract to serve the public interest of the State of Colorado as determined by its Governor, General Assembly, or Courts. If this Contract ceases to further the public interest of the State, the State, in its discretion, may terminate this Contract in whole or in part. A determination that this Contract should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Contract by the State for breach by Contractor, which shall be governed by §12.A.i.

i. Method and Content

The State shall notify Contractor of such termination in accordance with §15. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Contractor shall be subject to the rights and obligations set forth in §12.A.i.a.

iii. Payments

If the State terminates this Contract in the public interest, the State shall pay Contractor an amount equal to the percentage of the total reimbursement payable under this Contract that corresponds to the percentage of Work satisfactorily completed and accepted, as determined by the State, less payments previously made. Additionally, if this Contract is less than 60% completed, as determined by the State, the State may reimburse Contractor for a portion of actual out-of-pocket expenses, not otherwise reimbursed under this Contract, incurred by Contractor which are directly attributable to the uncompleted portion of Contractor’s obligations, provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

M. Severability

Exhibit A – Statement of Work

A. Background

For purposes of this Exhibit A, Contractor may also be referred to as “County.” The State has entered into a contract (Exhibit B – Universal Membership Agreement - 16 IHEA 83111) with TALX Corporation, a provider of Equifax Verification Services (“EVS”) and intends to execute an amendment Exhibit C – Amendment 9 - 22 IHGA 169011) to the Universal Membership Agreement (collectively “Work Number Agreement”). The Work Number Agreement allows EVS to provide employment verification services directly to Colorado counties. The State acts only as a pass-through entity, meaning that EVS will bill the State for fees incurred by the counties, and the State will then bill the counties individually.

The Work Number Agreement is between the State and EVS with participating counties each signing Participation Agreements (see Exhibit 1 to Universal Membership Agreement). The Work Number Agreement obligates the counties collectively and Contractor individually to pay EVS via the State for services rendered so the State and County are entering into this Contract to memorialize the State’s and County’s responsibilities as they relate to the Work Number Agreement.

B. Payment

County shall pay the State for County’s use of services within the scope of the Work Number Agreement. The State shall promptly pass through County’s payments to EVS in accordance with the Work Number Agreement. Except within its role as a pass through entity, the State is not liable for County’s obligations incurred under this Contract or the Work Number Agreement. The State shall provide each County an invoice at least 30 days prior to the date the payment is due to EVS. The State shall ensure that any payment to the State is paid over to EVS prior to the date that payment is due to EVS.

C. Annual Minimum

The Work Number Agreement by the terms of the Schedule A obligates each Participating County, through the State as the pass-through entity, to pay the Participating County’s proportionate share of the Annual Minimum Payment as set forth in this Contract and Exhibit 1 to the Schedule A. The Minimum Payment for the period of June 1, 2021 to May 31, 2022 is \$3,419,800.00, which is based upon an estimated 535,000 income verification requests at \$6.28 per income verification request, plus a \$5,000 per month service fee. County’s responsibility for its share of any deficiency survives termination of this Contract or the Work Number Agreement.

County is responsible for its percentage of the Annual Minimum Payment based upon the following formula:

$$\frac{[\text{County's Minimum Usage}]}{[\text{Total Participating counties' Previous Usage}]} = \text{County Percentage}$$

$$[\text{County Percentage}] \times [\text{Annual Minimum Payment}] + [\text{Admin Fee}] = \text{County Financial Obligation}$$

IF County’s Actual Annual Payment is less than County’s Financial Obligation, THEN County is considered a Deficient County and shall pay any deficiency according to the following formula:

$$[\text{Annual Minimum Payment}] - [\text{Total Actual Annual Payment}] = \text{Total Deficiency}$$

$$[\text{County Financial Obligation}] - [\text{County Actual Annual Payment}] = \text{County Deficiency}$$

$$[\text{County Deficiency}] / [\text{Total counties' Deficiency}] = \text{Deficient County Percentage}$$

$$[\text{Deficient County Percentage}] \times [\text{Total Deficiency}] = \text{Deficient County Payment to State}$$

This table represents each county's financial obligation:

County	Minimum Usage (Jun. 1, 2021 - May 31, 2022)	Minimum Cost	Admin. Fee	Total Financial Obligation

D. Miscellaneous Provisions

1. State is acting as a fiscal agent for County, passing through payment of all costs from County to EVS, including the Annual Minimum Payment. The State shall not be liable for any debt or payment obligation, including the Annual Minimum Payment, incurred by County pursuant to this Contract or the Work Number Agreement, provided, however, that any failure by the State to pass through such payments from County shall constitute a breach of this Contract by the State. The State shall be obligated to pay over to EVS any funds received from a County. Upon breach of this agreement by the State, the County shall have the right to terminate this Contract upon written notice and at least thirty (30) days in which the State may cure the breach or any other remedy allowed by law. If County fails to pay the State for County's costs incurred under this Contract or the Work Number Agreement, the State shall have the right to terminate this Contract upon written notice and at least thirty (30) days in which County may cure the breach.
2. The Work Number Agreement is for the benefit of County. Any amendments or changes to the Work Number Agreement or any new Schedule A or amendments to Schedule A must be signed by or approved by a person authorized by the governing body for each County in accordance with the County's local procedures prior to the amendment or change being effective as to a participating county. The State shall not execute amendments or revisions to the Work Number Agreement or Schedule A that bind any participating county without the participating counties' consent as provided herein.
3. County's liability for any unpaid fees owed under this Contract or the Work Number Agreement shall survive termination of this Contract as to County who has not paid all required fees until the State receives payment from County.
4. Annual Termination: Unless specified elsewhere in this Contract or the Work Number Agreement, the State or County may only terminate this Contract, upon 60 days written notice, so as to align with the end of an annual term stated in the Work Number Agreement. If a County elects to terminate it shall not be obligated to expend any funds, including any annual minimum payment, for the years following its termination.
5. The State may execute similar agreements with new counties not originally part of this Contract or the Work Number Agreement. If the State executes a similar agreement with a new county or counties, the State and County will recalculate the annual minimum for the subsequent annual term.
6. County hereby grants the State authority to do the following:

This Universal Membership Agreement (the "Agreement") is entered into by and between TALX Corporation (a provider of Equifax Verification Services), a Missouri Corporation, located at 11432 Lackland Road, St. Louis, Missouri ("EVS"), and the State of Colorado, Colorado Department of Human Services ("CDHS").

RECITALS:

- A. EVS operates The Work Number®, a service used to verify employment and income information about an individual ("Consumers"), and various other services used to verify certain Consumer information (EVS's services are collectively referred to herein as the "Service"); and
- B. CDHS wishes to have Participating Counties use use the Service to verify certain Consumer information.

NOW, THEREFORE, EVS and CDHS agree as follows:

1. **SCOPE OF THE AGREEMENT.** EVS agrees to allow Colorado's counties to use the Service pursuant to the terms of this Agreement. In that regard, this Agreement shall be considered a "master agreement" allowing the said Colorado counties to participate, provided such counties individually execute a Participation Agreement ("Participation Agreement") in the form of Exhibit 1 attached hereto (including Attachment 1 to Exhibit 1), along with an applicable Schedule A. It is further acknowledged by the parties that while this Agreement is with the State of Colorado Department of Human Services, the use by the said counties will be done by each under its status as an individual political subdivision of the State and as a separate legal entity pursuant to the terms of this Agreement; and the Participation Agreement and Schedule A executed by said counties. All references herein, or any applicable Schedule A, to "party" or "parties" and all references to "Participating County", shall apply equally and separately to each county executing a Participation Agreement and Schedule A (the "Participating County").

This Agreement consists of the general terms set forth in the body of this Agreement, Exhibit 1, Exhibit 2, and each Schedule A executed by the parties which may contain additional terms. If there is a conflict between the general terms and conditions of this Agreement and any Exhibit or Schedule, the provisions of the Exhibit or Schedule will govern and control. This Agreement specifically supersedes and replaces any agreement between the parties that predates this Agreement and which relates to the Service as provided in each Schedule A, even if the prior agreement contains an "entire agreement" or "merger" clause, and any such agreements are terminated.

2. **EVS OBLIGATIONS.** The Service will provide Participating County with automated access to certain employment and/or income data ("Data") furnished to EVS by employers.
3. **PARTICIPATING COUNTY OBLIGATIONS.**
 - a. Participating County shall comply with the terms set forth in this Agreement which includes Exhibits 1 and 2, and also each Schedule A executed by the parties which may contain additional terms.
 - b. CDHS shall pay for the Services on behalf of the Participating Counties and shall promptly notify EVS of any failure by any Participating County to provide CDHS with sufficient funds to cover the cost of Services. Upon notification from CDHS of such failure, EVS will suspend and/or terminate the Services for such Participating County.

Except to the extent that Agency has provided an exemption certificate, direct pay permit or other such appropriate documentation, EVS shall add to each invoice any sales, use, excise, value-added, gross receipts, services, consumption and other similar transaction taxes however designated that are properly levied by any taxing authority upon the provision of the Services, excluding, however, any state or local privilege or franchise taxes, taxes based upon EVS's net income and any taxes or amounts in lieu thereof paid or payable by EVS as a result of the foregoing excluded items.

If payment is made by credit card, EVS will charge the credit card each month for transactions completed in the prior month. CDHS will be invoiced electronically through Equifax's Electronic Invoice Presentation & Payment (EIPP) program. Requests for paper billing are available upon CDHS's request and are subject to additional monthly fees. Such fees are subject to modification by EVS at intervals of no less than one year, upon prior written agreement between CDHS and EVS.

EVS and CDHS understand and agree that CDHS is acting as a fiscal agent for the Participating Counties, passing through payment of all costs from the Participating Counties to EVS. CDHS shall not be liable for any debt or payment obligation incurred by a Participating County pursuant to this Agreement or any Participation Agreement, provided, however, that any failure by CDHS to obtain and pass through such payments from any Participating County shall constitute a breach of this Agreement by such Participating County; and EVS shall have the right to terminate this Agreement with respect to such Participating County upon written notice and at least thirty (30) days in which CDHS may cure the breach. In order to appropriately allocate costs among Participating Counties using the Service, EVS will provide to CDHS an itemized invoice, detailing activity by each Participating County.

- c. Participating County certifies that it will order Data from the Service only when Participating County intends to use the Data (i) in accordance with the Fair Credit Reporting Act ("FCRA") and all state law FCRA counterparts as though the Data is a consumer report, and (ii) for one of the following FCRA permissible purposes: (1) in connection with a credit transaction involving the Consumer on whom the Data is to be furnished and involving the extension of credit to, or review or collection of an account of, the consumer, (2) in connection with a determination of the consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant's financial responsibility or status, or (3) when Participating County otherwise has a legitimate business need for the information either in connection with a business transaction that is initiated by the Consumer, or to review an account to determine whether the Consumer continues to meet the terms of the account; and for no other purpose.

Participating County agrees to only use the Data consistent with the obligations of users of consumer reports as provided for in the Consumer Financial Protection Bureau (the "CFPB")'s Notice Form attached as Exhibit 1.

- d. To the extent Participating County orders any Data relating to Vermont residents, Participating County certifies that it will comply with applicable provisions under Vermont law. In particular, Participating County certifies that it will order Data relating to Vermont residents only after Participating County has received prior Consumer consent in accordance with VFCRA Section 2480e and applicable Vermont Rules. Participating County further certifies that the attached copy of VFCRA Section 2480e applicable Vermont Rules as referenced in Exhibit 2 was received from EVS.
- e. Participating County may use the Data provided through the Service only as described in this Agreement. Participating County may reproduce or store the Data obtained from the Service solely for its own use in accordance with this Agreement, and will hold all Data obtained from the Service under this Agreement in strict confidence and will not reproduce, reveal, or make it accessible in whole or in part, in any manner whatsoever, to any others unless required by law, or unless Participating County first obtains EVS's written consent; provided, however, that Participating County may discuss Consumer Data with the Data subject when Participating County has taken adverse action against the subject based on the Data. Participating County will not provide a copy of the Data to the Consumer, except as may be required or permitted by law or approved in writing by EVS, except in any state where this contractual prohibition would be invalid. Participating County will refer the Consumer to EVS whenever the Consumer disputes the Data disclosed by Participating County. Participating County will not interpret the failure of EVS to return Data as a statement regarding that consumer's credit worthiness, because the failure may result from one or more factors unrelated to credit worthiness.
- f. Participating County may access, use and store the Data only at or from locations within the territorial boundaries of the United States, Canada, and the United States territories of Puerto Rico, Guam and the Virgin Islands (the "Permitted Territory"). Participating County may not access, use or store the Data or EVS Confidential Information at or from, or send the Data or Confidential Information to, any location outside of the Permitted Territory without Participating County first obtaining EVS's written permission.
- g. Participating County represents and warrants it (i) is administering a government funded benefit or program, (ii) has been given the legal authority to view the Data by the Consumer or by operation of law, and (iii) is requesting the Data in compliance with all laws.
- h. Participating County acknowledges it shall employ decision making processes appropriate to the nature of the transaction in accordance with commercially reasonable standards and will utilize the Data as part of its process.

- i. Participating County represents and warrants it has written authorization from the Consumer to verify income. Participating County need not use any particular form of authorization or obtain a separate signature for verifying income provided that the form constitutes Consumer authorization. Notwithstanding the foregoing, in the event Participating County is using the Service to collect on defaulted child support obligations, Participating County is not required to obtain such authorization.
- j. Participating County may not allow a third party service provider (hereafter "Service Provider") to access, use, or store the Service or Data on its behalf without first obtaining EVS's written permission and without the Service Provider first entering into a Client Service Provider Information Use and Nondisclosure Agreement with EVS.
- k. In order to ensure compliance with this Agreement, applicable law and EVS policies, EVS may conduct reviews of Participating County activities, from time to time, during normal business hours, at all locations containing relevant records, with respect to Participating County's requests for Data and/or its use of Data. Participating County shall provide documentation within a reasonable time to EVS as reasonably requested for purposes of such review. Participating County (i) shall cooperate fully with any and all investigations by EVS of allegations of abuse or misuse of the Services and allow EVS to access its premises, records, and personnel for purposes of such investigations if EVS deems such access is necessary to complete such investigation(s), (ii) agrees that any failure to cooperate fully and promptly in the conduct of any audit constitutes grounds for immediate suspension of the Service and/or termination of the Agreement, and (iii) shall promptly correct any discrepancy revealed by such investigation(s). Participating County shall include the name and email address of the appropriate point of contact to whom such request should be made in the space provided in Participating County's Participation Agreement. Participating County may change its contact information upon written notice.
- l. Additional representations and warranties as may be set forth in each Schedule A.

4. PARTICIPATING COUNTY USE OF SERVICE.

Data on the Service may be accessed by Participating County to verify Consumer's employment status ("The Work Number[®] Employment Verification") or income ("The Work Number[®] Income Verification") for the purposes of determining eligibility for receipt of public aid or assistance, prevention or identification of fraud, overpayments associated with the receipt of public aid or assistance, or the establishment and enforcement of child support orders and collecting on defaulted obligations that are in effect and valid.

5. DATA SECURITY. This Section 5 applies to any means through which Participating County orders or accesses the Service including, without limitation, system-to-system, personal computer or the Internet. For the purposes of this Section 5, the term "Authorized User" means a Participating County employee that Participating County has authorized to order or access the Service and who is trained on Participating County's obligations under this Agreement with respect to the ordering and use of the Service, and the Data provided through same, including Participating County's FCRA and other obligations with respect to the access and use of Data.

- a. Participating County will, with respect to handling any Data provided through the Service:
 - 1. ensure that only Authorized Users having a need to know can order or have access to the Service for an authorized purpose,
 - 2. ensure that Authorized Users do not order Data for personal reasons or provide Data to any third party except as permitted by this Agreement,
 - 3. inform Authorized Users that unauthorized access to Data may subject them to civil and criminal liability under the FCRA and other state and federal privacy laws punishable by fines and imprisonment,
 - 4. ensure that all devices used by Participating County to order or access the Service are placed in a secure location and are accessible only by Authorized Users, and that such devices are secured when not in use through such means as screen locks, shutting power controls off, or other commercially reasonable security procedures,
 - 5. take all necessary measures to prevent unauthorized ordering of or access to the Service by any person other than an Authorized User for permissible purposes, including, without limitation, (i) limiting the knowledge of the Participating County security codes, user names, User IDs, and any passwords Participating County may use, to those individuals with a need to know. In addition, the User IDs must be unique to each person, and the sharing of User IDs or passwords is prohibited.

6. change Participating County's user passwords at least every ninety (90) days, or sooner if an Authorized User is no longer responsible for accessing the Service, or if Participating County suspects an unauthorized person has learned the password. Additionally, perform at least quarterly entitlement reviews to recertify and validate Authorized User's access privileges,
7. adhere to all security features in the software and hardware Participating County uses to order or access the Services, including the use of IP restriction,
8. implement secure authentication practices when providing User ID and passwords to Authorized Users, including but not limited to using individually assigned email addresses and not shared email accounts,
9. in no event access the Services via any unsecured wireless hand-held communication device, including but not limited to, web enabled cell phones, interactive wireless pagers, personal digital assistants (PDAs), mobile data terminals and portable data terminals
10. only use assets such as personal computer hard drives or portable and/or removable data storage equipment or media (including but not limited to laptops, zip drives, tapes, disks, CDs, and DVDs) owned by Participating County to store the Data. In addition, Data must be encrypted when not in use and all printed Data must be stored in a secure, locked container when not in use, and must be completely destroyed when no longer needed by cross-cut shredding machines (or other equally effective destruction method) such that the results are not readable or useable for any purpose. In either case, commercially reasonable practices for the type of Data received from EVS must be employed,
11. if Participating County sends, transfers or ships any Data, encrypt the Data using the following minimum standards, which standards may be modified from time to time by EVS: Advanced Encryption Standard (AES), minimum 128-bit key or Triple Data Encryption Standard (3DES), minimum 168-bit key, encrypted algorithms,
12. not ship hardware or software between Participating County's locations or to third parties without deleting all EVS Participating County number(s), security codes, User IDs, passwords, Participating County user passwords, and any consumer information, or Data,
13. monitor compliance with the obligations of this Section 5, and immediately notify EVS if Participating County suspects or knows of any unauthorized access or attempt to access the Service, including, without limitation, a review of EVS invoices for the purpose of detecting any unauthorized activity,
14. if, subject to the terms of this Agreement, Participating County uses a Service Provider to establish access to the Service, be responsible for the Service Provider's use of Participating County's user names, security access codes, or passwords, and Participating County will ensure the Service Provider safeguards Participating County's security access code(s), User IDs, and passwords through the use of security requirements that are no less stringent than those applicable to Participating County under this Section 5,
15. use commercially reasonable efforts to assure data security when disposing of any Data obtained from EVS. Such efforts must include the use of those procedures issued by the federal regulatory agency charged with oversight of Participating County's activities (e.g. the Federal Trade Commission, the applicable banking or credit union regulator) applicable to the disposal of consumer report information or records,
16. use commercially reasonable efforts to secure Data when stored on servers, subject to the following requirements: (i) servers storing Data must be separated from the Internet or other public networks by firewalls which are managed and configured to meet industry accepted best practices, (ii) protect Data through multiple layers of network security, including but not limited to, industry-recognized firewalls, routers, and intrusion detection/prevention devices (IDS/IPS), (iii) secure access (both physical and network) to systems storing Data, which must include authentication and passwords that are changed at least every ninety (90) days; and (iv) all servers must be kept current and patched on a timely basis with appropriate security-specific system patches, as they are available,
17. not allow Data to be displayed via the Internet unless utilizing, at a minimum, a three-tier architecture configured in accordance with industry best practices,
18. use commercially reasonable efforts to establish procedures and logging mechanisms for systems and networks that will allow tracking and analysis in the event there is a compromise, and maintain an audit trail history for at least three (3) months for review,

19. provide immediate notification to EVS of any change in address or office location and are subject to an onsite visit of the new location by EVS or its designated representative, and
 20. in the event Participating County has a security incident involving EVS Confidential Information, Participating County will fully cooperate with EVS in a security assessment process and promptly remediate any finding.
- b. If EVS reasonably believes that Participating County has violated this Section 5, EVS may, in addition to any other remedy authorized by this Agreement, with reasonable advance written notice to Participating County and at EVS's sole expense, conduct, or have a third party conduct on its behalf, an audit of Participating County's network security systems, facilities, practices and procedures to the extent EVS reasonably deems necessary, including an on-site inspection, to evaluate Participating County's compliance with the data security requirements of this Section 5.
6. **CONFIDENTIALITY.** Each party acknowledges that all materials and information disclosed by a party ("Disclosing Party") to another party ("Recipient") in connection with performance of this Agreement consist of confidential and proprietary data ("Confidential Information"). Each Recipient will hold those materials and that information in strict confidence, and will restrict its use of those materials and that information to the purposes anticipated in this Agreement. If the law or legal process requires Recipient to disclose confidential and proprietary data, Recipient will notify the Disclosing Party of the request. Thereafter, the Disclosing Party may seek a protective order or waive the confidentiality requirements of this Agreement, provided that Recipient may only disclose the minimum amount of information necessary to comply with the requirement. Recipient will not be obligated to hold confidential any information from the Disclosing Party which (a) is or becomes publicly known, (b) is received from any person or entity who, to the best of Recipient's knowledge, has no duty of confidentiality to the Disclosing Party, (c) was already known to Recipient prior to the disclosure, and that knowledge was evidenced in writing prior to the date of the other party's disclosure, or (d) is developed by the Recipient without using any of the Disclosing Party's information. The rights and obligations of this Section 6 with respect to (i) confidential and proprietary data that constitutes a "trade secret" (as defined by applicable law), will survive termination of this Agreement for so long as such confidential and proprietary information remains a trade secret under applicable law; and (ii) all other confidential and proprietary data, will survive the termination of this Agreement for the longer of two (2) years from termination, or the confidentiality period required by applicable law. Notwithstanding the foregoing, EVS acknowledges that the terms of this Agreement (excluding any Schedules attached) may be subject to release under the Colorado Open Records Act (the "Act") or similar acts that may apply to government agencies. If Participating County is compelled to disclose any Confidential Information under the Act, Participating County will provide EVS with prompt written notice so that EVS may seek protection of its Confidential Information which may be exempt from disclosure under the Act. If such protection is not obtained by the date that Participating County must comply with the request, Participating County will furnish only that portion of the Confidential Information that it is advised by counsel that it is legally required to furnish, and Client will exercise commercially reasonable efforts to obtain confidential treatment of the Confidential Information so disclosed.
7. **TERM AND TERMINATION.** This Agreement shall be for an initial 90-day trial term ("Trial Term") to allow CDHS to evaluate the Service. Should CDHS elect to continue using the Service beyond such Evaluation Term, the Term of this Agreement shall be for an annually renewable term, and shall be automatically renewed for successive one year terms unless either party provides notice to the other party of its intent not to renew the Agreement at least ninety (90) days prior to the conclusion of the then current term. CDHS may terminate this Agreement or any Schedule(s), at any time upon thirty (30) days prior written notice to EVS. Any Participating County may likewise terminate its Participation Agreement upon thirty (30) days notice to EVS. Unless otherwise provided for in the relevant schedule, EVS may, with thirty (30) days notice, (i) change the price of the Service once annually, and/or (ii) change the Service Schedule and/or Description as deemed necessary, in EVS's sole discretion. CDHS's or Participating County's use of the Service after such thirty (30) day period shall constitute its agreement to such change(s), without prejudice to its right to terminate this Agreement as provided above. If EVS believes that CDHS or Participating County has breached an obligation under this Agreement, EVS may, at its option and reserving all other rights and remedies, terminate this Agreement and/or any Schedules executed by Participating County immediately upon notice to CDHS and/or Participating County.
8. **RIGHTS TO SERVICE.** The Service and the Data, including all rights thereto, are proprietary to EVS.

- 9. WARRANTY.** EVS warrants that the Service will be performed in all material respects in a reasonable and workmanlike manner and in compliance with laws and regulations applicable to EVS's performance thereof. CDHS and Participating County each acknowledge that the ability of EVS to provide accurate information is dependent upon receipt of accurate information from employers. EVS does not warrant that the Service will be error free. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH HEREIN, EVS MAKES NO OTHER WARRANTIES AS TO THE SERVICE OR THE DATA, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF GOOD TITLE, MERCHANTABILITY, AND/OR FITNESS FOR A PARTICULAR PURPOSE EVEN IF EVS KNOWS OF SUCH PURPOSE.
- 10. LIMITATION OF LIABILITY.** In no event shall EVS be liable to CDHS or any Participating County for indirect, special, incidental, economic, consequential or punitive damages, including but not limited to lost revenue, lost profits, replacement goods, loss of technology rights or services, loss of data, or interruption or loss of use of software or any portion thereof regardless of the legal theory under which such damages are sought. Except for (i) death, personal injury, and property damage, and (ii) EVS's indemnification obligations found herein, damages of any kind payable by EVS shall not exceed the sum paid by Participating County during the twelve months prior to the act or occurrence which gives rise to the claim.
- 11. INDEMNIFICATION.** EVS agrees to indemnify, defend and hold harmless ("Indemnify") CDHS, the Participating Counties and their elected officials, officers, agents, and employees (each, an "Indemnified Party"), from and against claims, demands, liabilities, suits, damages, expenses and costs, including reasonable attorneys', experts' and investigators' fees and expenses ("Claims") brought by third parties against the Indemnified Party and arising from EVS's or its directors', officers' or employees' (i)-negligent or intentional, wrongful act or omission, (ii) violation of applicable law or (iii) infringement on third party proprietary rights.
- 12. APPLICABLE LAW.** This Agreement shall be governed by the laws of the State of Colorado, without giving effect to the principles of conflict of laws thereof.
- 13. FORCE MAJEURE.** Neither party will be liable to the other for any delay, or interruption in performance as to any obligation hereunder resulting from governmental emergency orders, judicial or governmental action, emergency regulations, sabotage, riots, vandalism, labor strikes or disputes, acts of God, fires, electrical failure, major computer hardware or software failures, equipment delivery delays, acts of third parties, or delays or interruptions in performance beyond its reasonable control.
- 14. INSURANCE:** EVS shall maintain through the Term of this Agreement, at EVS's sole cost and expense, (i) all insurance coverage required by federal and state laws, including worker's compensation and employer's liability all with statutory minimum limits, (ii) general and auto liability coverage, and (iii) professional liability (Errors and Omissions) insurance, with insurance companies with an A.M. Best Rating of at least A-VIII in amounts no less than those currently in place as of the execution date of this Agreement. Prior to start of work, EVS shall provide a certificate or adequate proof of the foregoing insurance. Upon execution of this Agreement, EVS shall add CDHS as additional insured on all applicable policies except Workers Compensation and Errors and Omissions.
- 15. MISCELLANEOUS.** This Agreement sets forth the entire agreement between the parties regarding the Service. Except as otherwise provided in this Agreement, this Agreement may be amended only by a subsequent writing signed by both parties. This Agreement may not be assigned or transferred by Participating County without EVS's prior written consent. This Agreement shall be freely assignable by EVS and shall inure to the benefit of and be binding upon the permitted assignee of either CDHS or EVS. If any provision of this Agreement is held to be invalid or unenforceable under applicable law in any jurisdiction, the validity or enforceability of the remaining provisions thereof shall be unaffected as to such jurisdiction and such holding shall not affect the validity or enforceability of such provision in any other jurisdiction. To the extent that any provision of this Agreement is held to be invalid or unenforceable because it is overbroad, that provision shall not be void but rather shall be limited only to the extent required by applicable law and enforced as so limited. Any notice under this Agreement shall be effective upon personal delivery by an overnight or other courier or delivery service, or three (3) days after pre-paid deposit with the postal service, in either case to the party's address in the first sentence of this Agreement or any substitute therefore provided by notice.
- 16. COUNTERPARTS/EXECUTION BY FACSIMILE.** For the convenience of the parties, copies of this Agreement and Schedules hereof may be executed in two or more counterparts and signature pages exchanged by facsimile. The parties intend that counterpart copies signed and exchanged as provided in the preceding sentence

shall be fully binding as an original handwritten executed copy hereof and thereof and all of such copies together shall constitute one instrument.

CDHS and the Participating County each acknowledge receipt of Exhibit 1, "Notice to Users of Consumer Reports Obligations of Users". Furthermore, CDHS and the Participating County have read "Notice to Users of Consumer Reports Obligations of Users" which explains Participating County's obligations under the FCRA as a user of consumer report information (to be initialed by the person signing on behalf of Participating County). (Participating Entities only)

TALX Corporation, a provider of Equifax Verification Services (“EVS”) shall maintain an employment and income verification database (“The Work Number®” or “TWN”) and “Web” Service that provides real-time responses to queries from Participating Entities via system-to-system integration delivery between EVS and the State’s application, the Colorado Benefits Management System (“CBMS”).

- I. The Web Service shall:
 - A. Accept query requests from CBMS; and
 - B. Provide a real-time response to each query as described below.

- II. For each Web Service query, EVS shall return matching employment and income records (“records”) from TWN, except for those records that EVS would return for the same query to the Centers for Medicare and Medicaid Services (“CMS”) as the provider of TWN employment and income data (“Data”) for the CMS Federal Data Services Hub (“FDSH”) Current Sources of Income and Employment Verification Service (“CSIVS”). At the present time, records not returned to CMS generally fall into one or more of the following three categories:
 - A. Records in which CMS-required data element(s) are not available;
 - B. Records in which the "As Of Date" is older than 90 days; and
 - C. Records not conforming to other technical criteria, such as XML schema validation.

- III. EVS shall provide ongoing operational support as follows:
 - A. Web Service must be available and return a valid response to requests for at least 99.9% of the seconds in each month, exclusive of EVS planned outages and maintenance windows; and, update the Web Service to ensure 24x7 operations, with the exception of planned outages and maintenance windows. This includes personnel to troubleshoot and resolve operational or technical issues pertaining to the Web Service.
 - B. Standard monthly usage reports to verify all transactions via the Web Service. At a minimum, these reports shall include the following elements:
 1. Total number of queries from CBMS to TWN via the Web Service;
 2. Total number of responses returned from TWN via the Web Service to CBMS;
 3. Total number of queries in which no record was returned from TWN via the Web Service;
 4. Average time to return a response from TWN via the Web Service to CBMS;
 5. Total number of responses returned from TWN via the Web Service divided by the total number of queries from CBMS (“Web Service Rate of Return”); and

These reports may also include the following elements, as allowable by CMS:

 1. Total number of queries from CBMS to TWN via CMS FDSH;
 2. Total number of responses returned from TWN via CMS FDSH to CBMS; and
 3. Total number of responses returned from TWN via CMS FDSH divided by the total number of queries from CBMS (“CMS FDSH Rate of Return”);
 - C. Regular status meetings once per month, as deemed necessary by EVS and Participating Entities.

1. Initial status meetings will occur twice per month between EVS and Participating Entities, as agreed upon and deemed necessary, to enable discussion of agreed upon tasks.

D. Upgrades to the Web Service as EVS may reasonably require, such as the following:

1. Upgrades that are necessary to support CMS, and to mirror the Web Service for CBMS, will be made at no charge to the State of Colorado, Colorado Department of Human Services (“CDHS”) or its Participating Entities; and
2. Any custom development requested beyond the established Web Service as outlined in the Interface Control Document may result in separate fee item(s).

IV. Out of Scope:

Multiple use of TWN Data by any other agency, division, program, entity or political subdivision (even if named in the Agreement), after being used by the State’s medical assistance programs, is prohibited unless the parties mutually agree in writing to multi-use decisioning in the future.

The provisions of this Amendment shall only supersede, govern, and control over the Special Provisions contained in the Contract to the extent that this Amendment specifically modifies those Special Provisions.

Exhibit A-1 – Statement of Work

A. Background

For purposes of this Exhibit A, Contractor may also be referred to as “County.” The State has entered into a contract (Exhibit B – Universal Membership Agreement - 16 IHEA 83111) with TALX Corporation, a provider of Equifax Verification Services (“EVS”) and intends to execute an amendment (Exhibit C – Amendment 11 - 22 IHGA 175559) to the Universal Membership Agreement (collectively “Work Number Agreement”). The Work Number Agreement allows EVS to provide employment verification services directly to Colorado counties. The State acts only as a pass-through entity, meaning that EVS will bill the State for fees incurred by the counties, and the State will then bill the counties individually.

The Work Number Agreement is between the State and EVS with participating counties each signing Participation Agreements (see Exhibit 1 to Universal Membership Agreement). The Work Number Agreement obligates the counties collectively and Contractor individually to pay EVS via the State for services rendered so the State and County are entering into this Contract to memorialize the State’s and County’s responsibilities as they relate to the Work Number Agreement.

B. Payment

County shall pay the State for County’s use of services within the scope of the Work Number Agreement. The State shall promptly pass through County’s payments to EVS in accordance with the Work Number Agreement. Except within its role as a pass through entity, the State is not liable for County’s obligations incurred under this Contract or the Work Number Agreement. The State shall provide each County an invoice at least 30 days prior to the date the payment is due to EVS. The State shall ensure that any payment to the State is paid over to EVS prior to the date that payment is due to EVS.

C. Annual Minimum

The Work Number Agreement by the terms of the Schedule A obligates each Participating County, through the State as the pass-through entity, to pay the Participating County’s proportionate share of the Annual Minimum Payment as set forth in this Contract and Exhibit 1 to the Schedule A. The Minimum Payment for the period of June 1, 2022 to May 31, 2023 is \$4,857,250.00, which is based upon an estimated 725,000 income verification requests at \$6.65 per income verification request, plus a \$3,000 per month service fee. County’s responsibility for its share of any deficiency survives termination of this Contract or the Work Number Agreement.

County is responsible for its percentage of the Annual Minimum Payment based upon the following formula:

$$\frac{[\text{County's Minimum Usage}]}{[\text{Total Participating counties' Previous Usage}]} = \text{County Percentage}$$
$$[\text{County Percentage}] \times [\text{Annual Minimum Payment}] + [\text{Admin Fee}] = \text{County Financial Obligation}$$

IF County’s Actual Annual Payment is less than County’s Financial Obligation, THEN County is considered a Deficient County and shall pay any deficiency according to the following formula:

$$[\text{Annual Minimum Payment}] - [\text{Total Actual Annual Payment}] = \text{Total Deficiency}$$

$$[\text{County Financial Obligation}] - [\text{County Actual Annual Payment}] = \text{County Deficiency}$$

$$[\text{County Deficiency}] / [\text{Total counties' Deficiency}] = \text{Deficient County Percentage}$$

$$[\text{Deficient County Percentage}] \times [\text{Total Deficiency}] = \text{Deficient County Payment to State}$$

This table represents each county's financial obligation:

County	Minimum Usage (June 2022 - May 31, 2023)	Minimum Cost (June 2022 - May 31, 2023)	Account Service Fee (June 2022 - May 31, 2023)	Total Financial Obligation (June 2022 - May 31, 2023)

The State shall not be liable for any debt or payment obligation, including the Annual Minimum Payment, incurred by County pursuant to this Contract or the Work Number Agreement, provided, however, that any failure by the State to pass through such payments from County shall constitute a breach of this Contract by the State. The State shall be obligated to pay over to EVS any funds received from a County. Upon breach of this agreement by the State, the County shall have the right to terminate this Contract upon written notice and at least thirty (30) days in which the State may cure the breach or any other remedy allowed by law. If County fails to pay the State for County’s costs incurred under this Contract or the Work Number Agreement, the State shall have the right to terminate this Contract upon written notice and at least thirty (30) days in which County may cure the breach.

2. The Work Number Agreement is for the benefit of County. Any amendments or changes to the Work Number Agreement or any new Schedule A or amendments to Schedule A must be signed by or approved by a person authorized by the governing body for each County in accordance with the County’s local procedures prior to the amendment or change being effective as to a participating county. The State shall not execute amendments or revisions to the Work Number Agreement or Schedule A that bind any participating county without the participating counties’ consent as provided herein.

3. County’s liability for any unpaid fees owed under this Contract or the Work Number Agreement shall survive termination of this Contract as to County who has not paid all required fees until the State receives payment from County.

4. Annual Termination: Unless specified elsewhere in this Contract or the Work Number Agreement, the State or County may only terminate this Contract, upon 60 days written notice, so as to align with the end of an annual term stated in the Work Number Agreement. If a County elects to terminate it shall not be obligated to expend any funds, including any annual minimum payment, for the years following its termination.

5. The State may execute similar agreements with new counties not originally part of this Contract or the Work Number Agreement. If the State executes a similar agreement with a new county or counties, the State and County will recalculate the annual minimum for the subsequent annual term.

6. County hereby grants the State authority to do the following:
