(who, what, why)

The Flock Group (25-0413) agreement illuminated Denver's concern for privacy protection, data usage, and data access. License plate readers (LPR) are proven to help solve crimes, hold individuals accountable for breaking the law, and make Denver safer. Axon will provide license plate reader (LPR) services along public streets with an extensive set of privacy protections. The safeguards will protect immigrants, women seeking reproductive healthcare, and the Constitutional rights of Denverites.
