## **H. Land Use and Zoning Action Recommendations**

<b>Action Recommendation</b>	<b>Implementing Groups</b>
LZ-1 Encourage property owners in residential areas to invest time and necessary resources on the beautification of their neighborhood.	Neighborhood Organization Zoning Administration Neighborhood Support Services Keep Denver Beautiful Denver Department of Health and Hospitals (Animal Control) Office of Citizen Response City Councilperson
LZ-2 Encourage commercial and industrial businesses to invest in beautification programs for their own businesses and also invest in neighborhood clean-up programs.	Mayor's Office of Economic Development Denver Planning and Community Development Keep Denver Beautiful
LZ-3 Develop the remaining vacant land in a manner that is compatible with the land use character and density of surrounding land uses and existing zoning.	Public & Private Developers Planning and Community Development Office Zoning Administration
LZ-4 Enforce the placement of landscaping and buffers where industrial development abuts residentially zoned properties as required by the revised industrial zoning regulations (Ordinance #22, 1991)	Planning and Community Development Office Zoning Administration

# Evans Station Area Plan (2009)

- Plan Goals
  - Maintain residential character, encourage development of a full range of housing types and price points
  - Adopt zoning to promote diverse housing choice integrated with employment and shopping opportunities
- Single Family/Duplex Residential
  - Encourage reinvestment in existing residential neighborhoods adjacent to the station
  - Allow a mixture of housing types including single family houses, duplexes and carriage houses
  - Recommends 4,500 SF min lot size

# Review Criteria

## 1. Consistency with Adopted Plans

*CPD finds the rezoning consistent with Comprehensive Plan 2000, Blueprint Denver, Overland Neighborhood Plan and Evans Station Area Plan.*

## 2. Uniformity of District Regulations

*The proposed rezoning to U-TU-B will result in the uniform application of zone district building form, use and design regulations.*

## 3. Further Public Health, Safety and Welfare

*Primarily through the implementation of the City's adopted plans and by increasing density near transit while maintaining compatibility with neighborhood.*

# Review Criteria

- 4. Justifying Circumstances** – Since the date of the approval of the existing Zone District, there has been a change to such a degree that the proposed rezoning is in the public interest. Such change may include:
- a. Changed or changing conditions in a particular area, or in the city generally;

*Changing conditions in the area include a recent rezoning at 2065 S. Cherokee, new duplexes on Bannock, significant commercial development along Broadway.*

# Review Criteria #5- Consistency with Neighborhood Context, Zone District Purpose and Intent

## Neighborhood Context:

- Primarily characterized by single-unit and two-unit residential uses
- Single- and two-unit residential uses are primarily located along local and residential arterial streets

## U-TU Zone District Purpose:

- Two-unit district allowing Urban Houses, detached ADUs, Duplex & Tandem House forms
- Minimum zone lot area of 4,500 square feet (3,000 for Urban House)
- Setbacks & coverage standards similar to U-TU-C
