## BAC-6372

### Contact Information

Contact Name	Ryan Lawless	Home Address	10079 Blue Blood Pl
Preferred Phone	315-527-3649	Home City	Littleton
Preferred Email	ryan.lawless@dhha.org	Home State	CO
Other Phone		Home Zip	80125
Other Email	ryan.lawlessmd@gmail.com	County	Douglas
DOB	[REDACTED]	Race/Ethnicity	Caucasian
SSN	[REDACTED]	Salutation	Dr.
Gender	Male	Party Affiliation	Republican
Other Gender			

### Board Information

Board Name	Regional Emergency Medical and Trauma Advisory Council (RETAC)	Other boards or commissions served	
Status	New	Resigned	
Term Start Date			
Term End Date			

### Work Information

Employer	Denver Health & Hospital Authority	Work Address	777 Bannock St
Position	Trauma Surgeon	Work City	Denver
Business Phone #	303-602-5000	Work State	CO
Work Email		Work Zip	80204

### Additional Information

Are you a registered voter?	Yes	Other Ethnicity	
If so, what county?	Douglas	Objection to appointment?	No
Denver City Council District No	N/A	Special Information	

### Education and General Qualifications

Name of High School	Frankfort-Schuyler High School	Name of Graduate School	SUNY Upstate Medical University
Location of High School	Frankfort, NY	Location of Graduate School	Syracuse, NY
# of Years Attended High school	4	# of Years Attended Graduate School	4
Did you Graduate	Yes	Did you Graduate	Yes

## High School

Graduate Major    Medicine

Name of College    St. Lawrence University  
 Location of College    Canton, NY  
 # of Years Attended College    4  
 Did you Graduate College    Yes  
 Undergrad Major    Neuroscience

# CURRICULUM VITAE

**NAME:** Ryan Anthony Lawless, MD, FACS

**UPDATED:** 2/14/2020

**PRESENT TITLE:** Associate Trauma Medical Director  
Surgical Director, Progressive Care Unit  
Staff Surgeon  
Ernest E. Moore Shock Trauma Center at Denver Health  
  
Assistant Professor of Surgery  
University of Colorado, School of Medicine

**ADDRESS:** 777 Bannock St.  
MC 0206  
Denver, CO 80204  
303-602-6000

---

**CONTACT:** [ryan.lawless@dhha.org](mailto:ryan.lawless@dhha.org)

## UNDERGRADUATE EDUCATION:

8/2000 – 5/2004 St. Lawrence University  
Canton, NY  
Bachelor of Science  
Major: Neuroscience

## GRADUATE EDUCATION:

6/2004 – 5/2008 SUNY Upstate Medical University  
Syracuse, NY

## POST-GRADUATE TRAINING:

6/2008 – 6/2013 Lehigh Valley Health Network  
Allentown, PA  
General Surgery Residency

7/2013 – 6/2014 University of Texas Health Science Center at Houston  
Houston, TX  
Surgical Critical Care Fellowship

## LICENSURE AND SPECIALTY CERTIFICATION

2018	PALS Certified
2017	Rural Trauma Team Development Course Instructor
2017	STOP the Bleed Instructor
2017	Fellow of the American College of Surgeons
2016	ASSET Course Director
2016	ATLS Course Director
2016	Florida Medical License (Full: ME 130001) - current
2016	Colorado Medical License (Full: DR 56216) - current
2015	Basic Endovascular Surgery for Trauma (BEST)
2015	ACLS/BLS Certified
2014	ASSET Instructor
2014	ATLS Instructor recertified
2014	ABLS Certified
2014	American Board of Surgery – Surgical Critical Care - #003496
2014	American Board of Surgery – General Surgery - #058871
2013	Texas Medical License (Full: P6991) - current
2013	ASSET (Advanced Surgical Skills for Exposure in Trauma)

## HOSPITAL APPOINTMENTS:

3/2018 - present	Vail Health 181 W. Meadow Drive Vail, CO 81657
10/2016 – present	UC Health - Yampa Valley Medical Center 1024 Central Park Drive Steamboat Springs, CO 80487
2/2016 – present	Denver Health Medical Center 777 Bannock St. MC 0206 Denver, CO 80204
10/2013 – 10/2015	Memorial Hermann Hospital Texas Medical Center 6411 Fannin St. Houston, TX 77030
12/2013 – 8/2016	M.D. Anderson Cancer Center Texas Medical Center Houston, TX 77030
10/2013 – 9/2015	Memorial Hermann Hospital – Northwest 1635 North Loop W Houston, TX 77008

## HOSPITAL POSITIONS/COMMITTEES

2020 – present	Member, Medical Staff Quality Review Committee
2016 – present	Member, Informed Consent Committee
2016 – present	Member, Procedural Sedation Committee
2017 – 2020	Ex-Officio Member, Medical Staff Executive Committee
2017 – 2019	Chair and Founding Member of Medical Staff Quality Review Committee
2017 – 2019	Founding Member, Credentialing/Privileging Committee
2016 – present	Surgical Director of Progressive Care Unit
2016 – 2019	Director of 4 <sup>th</sup> year Surgery and Critical Care Clerkship

## HONORS AND AWARDS

EAST Leadership Development Workshop Scholarship - 2018  
 5280 Top Doc – General Surgery - 2018  
 5280 Top Doc – Colon & rectal Surgery - 2017  
 Wall of Honor – Frankfort-Schuyler High School - 2017  
 Humanism in Medicine Award - 2017  
 Resident as Medical Student Teacher of the Year – 2013  
 Stahler-Rex Surgical Research Award – 2012  
 Paul R. Bosanac Research and Publication Award – 2011  
 Surgical Jeopardy 2012 ACS Clinical Congress Participant  
 Surgical Jeopardy 2011 Keystone ACS winner  
 Schaeffer Surgical Society Academic Presentation Award – 2010  
 Surgical Jeopardy 2010 Keystone ACS participant

## TEACHING EXPERIENCE

Rural Trauma Team Development Course	2018 – present
Stop the Bleed Course	2018 – present
Long-term Integrated Care Clerkship	2016 – present
General Surgery Mock Oral Examination	2013 – present
Physical Diagnosis Preceptorship	2014 – 2016
Advanced Surgical Skills for Exposure in Trauma	2013 – present
Advanced Trauma Life Support	2010 – present
LVHN Sterile Field Video Instructor	2011
LVHN Surgical Residency Conference	2009 – June 2013
Surgical Skills Laboratory Instructor	2012 – 2013
Student, Resident, Fellow Lectures	2009 – present

## CURRENT INVOLVEMENT

1. Colorado Department of Public Health and Environment Trauma Center Verification Reviewer
2. Development of Trauma/Acute Care Surgery Practice management guidelines at Denver Health, 4 completed in 2019.

3. Preparation for American College of Surgeons and State of Colorado Level I Trauma Center Site Survey in February 2021.
4. Preparation and planning for Regional Trauma Conference: Rocky Mountain Trauma/Emergency Medicine Conference, Beaver Creek, June 2020
5. Development and Implementation of Whole Blood resuscitation Program at Denver Health in conjunction with Trauma Service, Emergency Department, and Blood Bank
6. Whole Blood Consortium with UHealth Campuses in Fort Collins, Aurora, and Colorado Springs
7. Multicenter, prospective, observation study evaluating antibiotic compliance in simple appendicitis. EAST Multicenter Trial, Site PI
8. Development and Implementation of Extracorporeal Life Support Service at Denver Health
9. A Phase IV, multicenter, prospective, randomized, controlled clinical study to compare the IrriSept system versus Standard of Care (SoC) on the prevalence of Surgical Site Infection (SSI) in patients with abdominal trauma or acute surgical abdomen. (on hold for data review)
10. Multicenter, prospective, observation study evaluating Appendicitis in North America. EAST Multicenter Trial, Site PI (data being reviewed and updated)
11. Prospective, observational study of temporary intravascular shunts in trauma. EAST Multicenter Trial, Site PI (closed and submitted for publication)
12. EAST Committee: Patient Safety and Quality
13. EAST Practice Management Guideline: Pelvic Fracture Management – Pelvic Packing and Angio-embolization – presented at EAST 2019 PMG Plenary Session by Nikolay Bugaev, MD (submitted for publication)
14. CDPHE: review of TNCC and ATCN for equivalency – completed 2018
15. CDPHE: Neurosurgery Scope of Care: Trauma Revisions – completed 2018

## PRESENTATIONS

1. **Lawless RA.** Denver Health REBOA Algorithm. Presented at Endovascular Trauma Management Symposium. Denver, CO: November 2019
2. **Lawless RA.** Extracorporeal Life Support. Presented at University of Colorado Surgical Critical Care Grand Rounds. Denver, CO: July 2019.
3. **Lawless RA.** Hypothermia and ECLS. Presented at the Rocky Mountain Trauma and Emergency Medicine Conference. Vail, CO: June 2019
4. Wallace B, Werner N, Burlew CC, Holland M, Cohen MJ, **Lawless RA.** Not all hoofbeats are horses: Coronary dissection following blunt trauma. Presented at Western Trauma Association Annual Meeting, Snowmass, CO: March 2019.
5. **Lawless RA.** REBOA: History, Physiology, & Future. Presented at Vail Health/Eagle County Paramedic Conference. Edwards, CO: December 2018
6. **Lawless RA.** Damage Control Resuscitation: the open abdomen. Presented at Boulder Community Health EMS Conference. Boulder, CO: October 2018

7. **Lawless RA.** REBOA: History, Physiology, & Advancement. Presented at Improving Outcomes Critical Care Conference, Denver, CO: October 2018
8. **Lawless RA.** REBOA. Presented at Boulder Community Hospital Grand Rounds, Boulder, CO: July 2018
9. **Lawless RA.** REBOA and other adjunct to Damage Control Surgery. Presented at the Rocky Mountain Trauma and Emergency Medicine Conference. Vail, CO: June 2018
10. **Lawless RA.** Direct Oral Anticoagulants and Trauma. Presented at Neurosurgery in the Rockies, Beaver Creek, CO: March 2018.
11. **Lawless RA,** Nehler M. Faculty Development Series. Invited Panelist. University of Colorado Health Science Center, Aurora, CO: March 2018
12. **Lawless RA.** Core Curriculum Lecture: Nutritionist. Presented at the teaching conference for the University of Colorado Surgical Residency, Aurora, CO: August 2018
13. **Lawless RA.** Core Curriculum Lecture: Trauma IV. Presented at the teaching conference for the University of Colorado Surgical Residency, Aurora, CO: July 2018
14. **Lawless RA.** Reversal of Direct Oral Anticoagulants. Presented at Panel Discussion at the American College of Surgeons Clinical Congress, San Diego, CA: October 2017
15. **Lawless RA.** Adjuncts to Damage Control Resuscitation. Presented at the Rocky Mountain Trauma and Emergency Medicine Conference, Beaver Creek, CO: June 2017
16. **Lawless RA.** Adjuncts to Damage Control Surgery. Presented at Surgical Grand Rounds at Kendall Regional Medical Center, Miami, FL: March 2017
17. **Lawless RA,** Nehler M. Faculty Development Series. Invited Panelist. University of Colorado Health Science Center, Aurora, CO: March 2017
18. **Lawless RA.** Core Curriculum Lecture: Nutritionist. Presented at the teaching conference for the University of Colorado Surgical Residency, Aurora, CO: August 2016
19. **Lawless RA.** Core Curriculum Lecture: Trauma IV. Presented at the teaching conference for the University of Colorado Surgical Residency, Aurora, CO: July 2016
20. **Lawless RA.** REBOA: Teaching Old Dogs New Tricks. Presented at the Educational Conference for the University of Pennsylvania Traumatology Service, Philadelphia, PA; September 2015.
21. **Lawless RA.** REBOA: Teaching Old Dogs New Tricks. Presented at the University of Texas - Department of Surgery Grand Rounds, Houston, TX; April 2014.
22. **Lawless RA.** Aortic Occlusion for Hemorrhage. Presented at the Fellows Video Teleconference, Houston, TX; November 2013.
23. **Lawless RA.** Pancreatic Cystic Neoplasms. Presented at Surgical Grand Rounds, Lehigh Valley Health Network, Allentown, PA; March 2013.

24. **Lawless RA.** Surgical Nutrition in Pancreatic Cancer. Presented at Nutrition Grand Rounds, Lehigh Valley Health Network, Allentown, Pennsylvania; September 2012
25. **Lawless RA,** Dangleben DA, Scagliotti C, Olenwine J, Hong JJ, Whalen TV, Badellino MM. Experience of Resident Assistant Does Not Influence Incidence of Common Bile Duct Injuries during Laparoscopic Cholecystectomy (poster). Presented at American College of Surgeons, Annual Meeting, San Francisco, CA; October 2011.
26. **Lawless RA,** Hardin W. A Case of Blunt Abdominal Trauma: Not Just a Bellyache. Presented at John M. Templeton Jr. Pediatric Trauma Symposium - Challenging Cases in Pediatric Trauma II; Pittsburgh, PA; March 2011
27. **Lawless, RA.** Blunt Abdominal Trauma. Presented at Trauma 2010: A Continuum of Care; DeSales University; Allentown, PA; March 2011
28. **Lawless RA,** Hardin W. A Case of Blunt Abdominal Trauma. Presented at The Annual Day of Trauma; Philadelphia, PA; December 2010
29. **Lawless RA,** Dangleben DA. Caval agenesis with hypoplastic left kidney in a trauma patient on warfarin for deep vein thrombosis (poster). Presented at American College of Surgeons, Keystone Chapter Annual Meeting; Harrisburg, PA; November 2010
30. **Lawless RA,** Badellino M. Case Presentation: Penetrating Chest Trauma. Presented at The Annual Day of Trauma; Philadelphia, PA; December 2009
31. **Lawless RA,** Van der Meer T. A Case of Emphysematous Gastritis (poster). Presented at American College of Surgeons, Keystone Chapter Annual Meeting; State College, PA; November 2007

## **PRACTICE MANAGEMENT GUIDELINES**

1. Initiation and Maintenance of Venous Thromboembolism Prophylaxis, Denver Health Medical Center – Trauma/Acute Care Surgery Guideline; in process
2. Guideline for the Initial Management of the OB Trauma Patient – Trauma/Acute Care Surgery Guideline, completed 2019
3. Trauma Adult Rib Fracture Practice Management Guideline – Trauma/Acute Care Surgery Guideline, complete 2019
4. Management of Spinal Cord/Column Injuries, Denver Health Medical Center – Trauma/Acute Care Surgery Guideline; completed 2019
5. Management of Severe Traumatic Brain Injury, Denver Health Medical Center – Trauma/Acute Care Surgery Guideline; completed 2019.

6. Indication and Utilization of Hemodynamic Transesophageal Echocardiography (hTEE™) in STICU, Texas Trauma Institute Trauma/Critical Care Guidelines; July 2015.

## **ORGANIZATIONS**

2019 – present	American Association for the Surgery of Trauma
2008 - present	American College of Surgeons, Fellow 2016
2014 - present	Eastern Association for the Surgery of Trauma
2014 - 2016	Association for Academic Surgery
2014 - 2015	Univ. of Texas Health Science Center at Houston Faculty Senate

## **COURSES ATTENDED**

2019	EAST Leadership Development Workshop: Strategic Professional Development
2019	EAST Short-course: Insider's Guide to Kickstarting Your Research Career
2018	ACS Surgeons as Leaders: from the operating room to the boardroom
2018	Trauma Medical Director Course – TCAA Conference
2014 – 2015	Grants 102
2014	Grants 101

## **SURGICAL EDUCATION APPS**

Surgery Education Network Administrator – 2012-13  
Surgical Radiology 5/2011  
ABSITe Surgery Quiz – 2011  
Lower Endoscopy – 11/2011  
Trauma Scenarios – 8/2011

1998-2002

High School                      Northville High School  
Northville, MI  
1994-1998

---

---

## Postgraduate Training

---

---

Residency                      General Surgery  
Department of Surgery, University of Cincinnati  
Cincinnati, Ohio  
Chair: Jeffrey B. Mathews, MD, Michael Nussbaum, MD, and  
Michael J. Edwards, MD  
July 2006-June 2013

Fellowships                      Surgical Research  
Department of Surgery, University of Cincinnati  
Cincinnati, Ohio  
July 2009-June 2011

Surgical Critical Care, Trauma, and Acute Care Surgery  
Department of Surgery, University of California San Francisco/  
San Francisco General Hospital  
San Francisco, CA  
July 2013-June 2015

---

---

## Certification and Licensure

---

---

Medical Licensure:              Colorado DR.0055624

Board Certification:              American Board of Surgery, General Surgery  
October 2013 Certificate # 058470

American Board of Surgery, Surgical Critical Care  
September 2014 Certificate #003490

Other Certifications:              Advanced Trauma Life Support Instructor  
  
Advanced Cardiac Life Support Provider  
  
Tactical Combat Casualty Care Instructor

Stop the Bleed Instructor

---

---

**Academic Appointments**

---

---

2006-2013	Volunteer Instructor of Clinical Surgery, Department of Surgery, University of Cincinnati, Cincinnati, OH
2013-2015	Surgical Critical Care and Trauma Surgery Fellow Department of Surgery University of California San Francisco/ San Francisco General Hospital, San Francisco CA
2015-Present	Assistant Professor of Surgery Department of Surgery, University of Colorado, Denver Denver Health Medical Center Denver, CO

---

---

**University/Hospital Service**

---

---

2014-2015	Member, Disaster Committee San Francisco General Hospital
2014-2015	Member, Trauma Systems Performance Improvement Committee San Francisco General Hospital
2014-2015	Member, Critical Care Committee San Francisco General Hospital
2016-Present	Member, Emergency Preparedness Committee Denver Health Medical Center
2016-Present	Member, Acute Care Committee Denver Health Medical Center
2016-Present	Member, Executive Committee on Patient Safety and Quality Denver Health Medical Center
2016-Present	Member, Risk Management Committee Denver Health Medical Center
2017-Present	Member, Orthopaedic Director of Service Search Committee Denver Health Medical Center

---

---

## Professional Society Memberships

---

---

2002-2003	Galens Medical Society
2003-2006	Wilderness Medical Society Student Section
2006-present	American College of Surgeons
2015-present	Eastern Association for the Surgery of Trauma Fellow Member
2015-present	Association for Academic Surgery Member
2015-present	National Association of Emergency Medical Technicians Member
2016-present	Southwestern Surgical Congress
2016-present	Vice Chair, Colorado Committee on Trauma
2016-2017	Executive Committee, Program Chair, Denver Academy of Surgery
2016-2018	Stop the Bleed Workgroup, American College of Surgeons Committee on Trauma
2017-2018	Executive Committee, Treasurer, Denver Academy of Surgery
2018-present	Executive Committee, Secretary, Denver Academy of Surgery
2017-present	Member, Communications Committee, Southwestern Surgical Congress
2018-present	Stop the Bleed Outreach and Dissemination Workgroup, American College of Surgeons Committee on Trauma
2018-present	Executive Committee, Member, Colorado American College of Surgeons

---

---

## Teaching Activities

---

---

Lecturer and preceptor to medical students and residents. Topics have included suture tying, gastroesophageal reflux disease, burns, blunt cardiac injury, fluid and electrolytes, gallbladder cancer, and the approach to traumatic injury.

Supervision and teaching of medical students and residents on ICU and General Surgery services.

University of Cincinnati Disaster Day 2011 group leader

Urban Shield 2013 EMS evaluator and instructor

Tactical Combat Casualty Care instructor for San Francisco Fire Department

---

---

## Honors and Awards

---

---

1998-2002 Presidential Scholar. Eastern Michigan University 1998-2002

2010 Second place, Annual Resident Research Forum, Basic Science Category, Ohio Chapter of the American College of Surgeons

- 2018 "Top Docs" 5280 Magazine Denver, CO
- 2018 Colorado Young Surgeon Award, Colorado American College of Surgeons
- 2019 "Top Docs" 5280 Magazine Denver, CO

## Presentations

---

---

1. Goodman MD, **Campion EM**, Makley AT, Huber NL, Clarke CN, Friend LA, Schuster RM, Bailey SR, Lentsch AB, Dorlac WC, Johannigman JA, Pritts TA. The inflammatory response after blunt traumatic brain injury is aggravated by hypobaric hypoxia in mice. Scientific exhibit, ATACCC 2009 Conference, St Pete Beach, Florida, August 2009.
2. **Campion EM**, Goodman MD, Makley AT, Huber NL, Clarke CN, Friend LW, Schuster RM, Bailey SR, Lentsch AB, Dorlac WC, Johannigman JA, Pritts TA. Hypobaric hypoxia exacerbates the inflammatory response after blunt traumatic brain injury. Oral presentation. Association for Academic Surgery, San Antonio, Texas, February 2010.
3. Earnest RE, Sonnier DI, Makley AT, **Campion EM**, Bailey SR, Lentsch AB, Pritts TA, Johannigman JA, Dorlac WC. Effect of altitude on caprine wound infection: a complex musculoskeletal model. Oral presentation. Society of Air Force Clinical Surgeons. San Antonio, Texas, April 2010
4. Makley AT, **Campion EM**, Goodman MD, Friend LW, Johannigman JA, Dorlac WC, Lentsch AB, Pritts TA. Damage control resuscitation with a 1:1 ratio of plasma to packed red cells attenuates inflammation and capillary leak following hemorrhage in mice. Oral (plenary session) and poster presentations. Advanced Technology Applications for Combat Casualty Care (ATACCC) 2010 Conference, St Pete Beach, Florida, August 2010
5. Makley AT, **Campion EM**, Sonnier DI, Friend LA, Schuster RM, Bailey SR, Johannigman JA, Dorlac WC, Lentsch AB, Pritts TA. Hypobaric hypoxia does not increase early inflammatory response to resuscitation following hemorrhagic shock in mice. Poster presentation. Advanced Technology Applications for Combat Casualty Care (ATACCC) 2010 Conference, St Pete Beach, Florida, August 2010.
6. Earnest RE, Mahoney CR, Sonnier DI, Makley AT, **Campion EM**, Wenke JC, Bailey SR, Lentsch AB, Pritts TA, Johannigman JA, Dorlac WC. Supplemental oxygen decreases wound bacterial growth after simulated aeromedical evacuation in goats. Poster presentation. Advanced Technology Applications for Combat Casualty Care (ATACCC) 2010 Conference, St Pete Beach, Florida, August 2010.
7. **Campion EM**, Goodman MD, Makley AT, Lentsch AB, Pritts TA. Treatment with ethanol after traumatic brain injury decreases cerebral MIP1- $\alpha$  and serum neuron specific enolase in mice. Oral presentation. Ohio Chapter of the American College of Surgeons Resident Research Competition, May 2010.

8. Makley AT, **Campion EM**, Goodman MD, Friend LW, Johannigman JA, Dorlac WC, Lentsch AB, Pritts TA. Crystalloid Resuscitation Exacerbates Systemic Inflammation Following Combined Hemorrhagic Shock and Traumatic Brain Injury in Mice. Poster presentation. American Association for the Surgery of Trauma Annual Meeting, Boston, MA, September 2010.
9. **Campion EM**, Goodman MD, Gangidine M, Makley AT, Lentsch AB, Pritts TA. Ethanol treatment decreases the inflammatory response to traumatic brain injury in mice. Oral presentation. Surgical Forum, American College of Surgeons, Washington, DC, October 2010.
10. Belizaire RM, Makley AT, **Campion EM**, Prakash PS, Friend LA, Lentsch AB, Caldwell CC, Pritts TA. Red blood cell storage is associated with increased leukocyte activation in mice. Oral Presentation. Region 5 Committee on Trauma Resident Research Paper Competition, November 2010.
11. **Campion EM**, Makley AT, Friend L, Lentsch AB, Pritts TA. Hemorrhagic shock resuscitation with Hextend as compare to Hespan decreases serum CCL3 and CCL5 levels in mice. Oral presentation. Association for Academic Surgery, Huntington Beach, CA, February 2011.

---

12. Gangidine MM, **Campion EM**, Lentsch AB, Dorlac WC, Johannigman JA, Pritts TA. Ethanol treatment after traumatic brain injury decreases systemic inflammation and improves functional recovery in mice. Poster presentation. Advanced Technology Applications for Combat Casualty Care (ATACCC) 2011 Conference, Fort Lauderdale, Florida, August 2011
13. Belizaire RM, Makley AT, **Campion EM**, Sonnier DI, Johannigman JA, Dorlac EC, Friend LA, Lentsch AB, Pritts TA. Washing aged packed red blood cell units results in decreased concentrations of pro-inflammatory cytokines. Poster presentation. Advanced Technology Applications for Combat Casualty Care (ATACCC) 2011 Conference, Fort Lauderdale, Florida, August 2011
14. Sonnier DI, **Campion EM**, Bailey SR, Johannigman JA, Lentsch AB, Pritts TA. Macrophage inflammatory protein 1 alpha increases adhesion molecule expression on endothelial cells in vitro. Poster presentation, American Association for Surgery of Trauma, Chicago, Illinois, September 2011
15. **Campion EM**, Pritts TA, Dorlac WD, Nguyen AQ, Fraley SM, Hanseman D, Robinson BR. Implementation of a military derived damage control resuscitation strategy in a civilian trauma center decreases acute hypoxia in massively transfused patients. Poster presentation. Ohio Chapter of the American College of Surgeons Resident Research Forum. Toledo, OH May 2012.
16. **Campion EM**, Pritts TA, Dorlac WD, Nguyen AQ, Fraley SM, Hanseman D, Robinson BR. A military derived damage control resuscitation strategy in a civilian trauma center decreased acute hypoxia in massively transfused patients. Poster presentation. Military Health System Research Symposium. Fort Lauderdale, Florida. August 2012

17. **Campion EM.** Separating the Myths from the Facts: Surgical Treatment of Peptic Ulcer Disease in the Current Era. Invited Oral Presentation, Grand Rounds, Department of Surgery, University of Cincinnati. May 2013.
18. **Campion EM,** Juillard C, Callcut RA, Knudson MM. Trauma Disaster Cases From the Asiana Airlines Crash. Invited Oral Presentation, Grand Rounds, Department of Surgery, University of California, San Francisco. June 2014.
19. **Campion EM.** Cardiac Trauma: Diagnosis and Management. Invited Oral Presentation, Totally Trauma by the Sea. Monterey, CA November, 2014.
20. **Campion EM,** Kornblith LZ, Fiebig EW, Redick BJ, Callcut RA, Stiles JL, Hubbard A, Cohen MJ. Total Hospital Blood Use has Decreased in the Era of Hemostatic Resuscitation. Oral Presentation. Academic Surgical Congress. Las Vegas, NV. February 2015.
21. **Campion EM.** San Francisco Plane Crash: Teamwork in Action & Lessons Learned. Invited Oral Presentation. San Francisco Bay Area Emergency Nurses Association Conference. San Francisco, CA. February 2015.
22. **Campion EM.** Privette AR, Kornblith LZ, Redick B, Howard BM, Crane JM, Moyer J, Evans A, Cohen MJ, Callcut RA. Effect of Operating Room Inefficiency on Hospital Charges for Urgent Laparoscopic Cholecystectomy. E-Poster Oral Presentation. Pacific Coast Surgical Association. Monterey, CA. February 2015.
23. **Campion EM.** Asiana Crash: Lessons Learned From a Major Airline Disaster. Invited Oral Presentation. Improving Outcomes...Saving Lives Critical Care Conference. Denver, CO. October 2015.
24. **Campion EM.** Mountain Bike Crash Case Review. Invited Oral Presentation. Yampa Valley Medical Center Annual Trauma Mini-Conference. Steamboat Springs, CO November 2015.
25. **Campion EM.** Lessons Learned From a Major Airline Disaster. Invited Oral Presentation. DH Trauma Outreach Series. Denver, CO. December 2015.
26. **Campion EM,** Orr V, Conroy A, Gurney J, Cohen MJ, Callcut RA. Assessing the Safety and Efficacy of EMS Tourniquet Application: Too Often or Just Right?. Oral Presentation. Academic Surgical Congress. San Antonio, TX. January 2016.
27. **Campion EM,** Glass NE, Pierraci FM, Moore EE, Biffi WL, Johnson JL, Fox CJ, Burlew CC. Take Out the Tube! Patients with an Open Abdomen can be Safely Extubated. Oral Presentation. Southwestern Surgical Congress. Coronado, CA. April 2016.
28. **Campion EM.** The Crash of Asiana 214: Lessons learned from a Major Airline Disaster. Invited Oral Presentation 43<sup>rd</sup> Annual Rocky Mountain Trauma and Emergency Medicine Conference. Denver, CO. June 2016.

29. **Campion EM.** Modern Management of Cardiac Trauma. Invited Oral Presentation 43<sup>rd</sup> Annual Rocky Mountain Trauma and Emergency Medicine Conference. Denver, CO. June 2016.
30. **Campion EM.** Management of Hemodynamically Unstable Pelvic Fractures. Invited Oral Presentation. Trauma Care Update 2016. Washington Regional Medical Center Fayetteville, AR. June 2016.
31. **Campion EM.** Asiana Crash: Response to a Major Aviation MCI. Invited Oral Presentation. World Trauma Symposium. New Orleans, LA October 2016.
32. **Campion EM.** REBOA: Clinical Vignettes and the Prehospital Perspective. Invited Oral Presentation. World Trauma Symposium. New Orleans, LA October 2016.
33. **Campion EM.** Introduction of a Novel Rib Fracture Admission Protocol Decreases Time to SICU Admission. Oral Presentation. ACS Clinical Congress October, 2017
34. **Campion EM.** The Crash of Asiana Flight 214: Lessons Learned from a Major Aviation MCI. Invited Presentation at Denver International Airport. Denver, CO October 2018
35. **Campion EM.** Blunt Mass Casualty Incidents: Asiana Flight 214. Trauma Quality Improvement Program Conference. Anaheim, CA November 2018
36. **Campion EM,** End Tidal Carbon Dioxide Underestimates Plasma Carbon Dioxide During Emergent Trauma Laparotomy Leading to Hypoventilation and Misguided Resuscitation: A Western Trauma Association Multicenter Study. Western Trauma Association. Snowmass, CO March 2019.

## **SUMMARY:**

Dynamic Healthcare Leader and Management Professional with a proven track record of building operational change. Strategic leader who orchestrates innovative new program development, maximizes fiscal opportunities, and optimizes operational efficiency. A forward thinking leader who possesses the ability to set creative vision and lead change.

## **PROFESSIONAL EXPERIENCE:**

### **Chief Paramedic**

April 2016-Present

Organizes and directs the activities of the Paramedic Division including Operations, Education, Communications and Administration. Oversight of EMS command staff and specialized staff to ensure operational efficiency. Establishes organizational goals; evaluates programs to ensure effectiveness; and establishes and maintains relationships with Denver Metro agencies. Manages finances and develops strategic plans for the Paramedic Division to meet the future needs of the community.

- Extensive knowledge of emergency medical services principles and techniques, laws, regulation, and ordinances.
- Extensive knowledge of managing emergency medical response system major incidents.
- Successfully manages a high performance EMS system with over 300 employees, responding to over 120,000 EMS calls annually, while working within the confinement of a \$28m budget

### **Deputy Chief Paramedic**

November 2014-April 2016

Denver Health and Hospital Authority- Paramedic Division

Denver, CO

Responsible for the oversight of all aspects of the Paramedic Division's Administration to include: Budget/Finance, Fleet, Equipment and Supplies, Internal and External Training and Education, and all Business Development activities and planning for the Paramedic Division. Accountable for the oversight of operations management functions and activities to ensure that business is operated in a legal and efficient manner that provides maximum support to the Denver Health Paramedic Division mission. Accountable for developing short and long range planning of operational needs to ensure smart growth, negotiation and execution of vendor contracts, and oversight of FML, Workers Compensation, and USERRA laws.

- Successfully executed the expansion of Denver Health Paramedics with the Denver Fire Department into the City of Englewood.
- Accomplished a \$1.1M net income while implementing City of Englewood the expansion, and a general growth expansion totaling an increase of 14% in FTE's.
- Guided the Critical Care Transport Program and Fleet Services to Tier I, and Paramedic Division to a Tier II Employee Engagement status using StuderGroup and 4DX tools and principles.
- Lean Academy Faculty

### **Assistant Chief Paramedic**

January 2009-November 2014

Denver Health and Hospital Authority- Paramedic Division

Denver, CO

Managed the operations budget, and facilitates increased revenue capture through process improvement. Responsible for human resource management of greater than 240 employees to include payroll, FML, and policy/procedure enforcement. Oversight of the City's EMS system of 90,000 plus responses and directs management of unit hour utilization, response time compliance, and overflow rate.

- Worked in collaboration with the Chief Paramedic and Medical Director to successfully meet Paramedic Division objectives and ensure smart growth.
- Reduced operational cost by \$1,500,000 while increasing revenue in excess of \$2,000,000 utilizing LEAN principles.
- Accountable for day-to-day and process improvement as related to operational and administrative areas.

**Captain**

April 2007-January 2009

Denver Health and Hospital Authority- Paramedic Division

Denver, CO

Responsible for system management and daily operations of a high-performance EMS system responding to 80,000 E-911 calls annually. Developed the Planning and Preparedness program for medical coverage of special events, as well as response to Biological, Nuclear, Incendiary, Chemical, and Explosives (BNICE) events.

- Medical Branch (ESF-8) Chief Planning Officer for the Democratic National Convention.
- Primary author of the Democratic National Convention Medical Plan.
- Developed the first CHEMPack deployment protocol adopted by the Colorado Department of Public Health and presented to the US Department of Health and Human Services.

**Senior Paramedic**

September 1999-April 2007

Denver Health and Hospital Authority- Paramedic Division

Denver, CO

Extensive pre-hospital career with experience in all operational levels, to include training of new paramedics and employees. Experienced in numerous extra duty assignments within the Paramedic Division, to include the Denver 911 Communications Center, Denver International Airport, special event venues, and membership on the nation's first All Terrain Medical Unit (A.T.M.U) bike team.

- Emergency Medical Dispatch and Tri-Tech CAD proficient
- Founding member of the Tactical Emergency Medical Services Team (TEMS) providing EMS coverage for Denver S.W.A.T., FBI-Hostage Rescue Team, and the US Secret Service.
- Awarded numerous commendations demonstrating strong, sustainable, interagency relationships.

**Paramedic**

January 1998-September 1999

Denver Health and Hospital Authority- Paramedic Division

Denver, CO

Functioned as an Emergency Medical Technician-Paramedic in a dedicated 911 system exceeding 70,000 EMS calls annually. Utilized Denver Metro protocols with medical control through Denver Health Medical Center, Rocky Mountain Regional Level 1 Trauma Center.

meetings
- 6/2011 Rocky Mountain Trauma and Emergency Medicine Conference,  
Breckenridge, CO (regional and national)  
Preconference Airway Workshop
- 6/26/2012 Rocky Mountain Trauma and Emergency Medicine Conference,  
Breckenridge, CO (regional and national)  
Preconference Airway Workshop
- 6/2012 Rocky Mountain Trauma and Emergency Medicine Conference,  
Breckenridge, CO (regional and national)  
Preconference Airway Workshop  
EMS Experts Question and Answer Panel for Presentation
- 2/20/2013 Gathering of Eagles, Impact of Alcohol on Denver 911, national  
presentation, <http://www.jems.com/articles/supplements/special-topics/live-coverage-2013-eagles-conference.html>
- 11/7/2013 Emergency Medical Services Association of Colorado (EMSAC)  
Anatomy-based Cadaver Lab, Keystone, Colorado. Coordinated logistics  
and led this full-day, pre-conference workshop for emergency medical  
technicians, paramedics, nurses, and emergency medical services providers.
- 2/8/2014 Management of Pediatric Agitation, Brian Schimpf Memorial Pre-Hospital  
Pediatric Care Conference, national conference held at Denver Health

7/8-10/2014	Rocky Mountain Trauma and Emergency Medicine Conference, Breckenridge, CO (regional and national) Preconference Airway Workshop EMS Experts Question and Answer Panel for Presentation
11/6/2014	Emergency Medical Services Association of Colorado (EMSAC) Cadaver Lab, Keystone, Colorado
11/5/2015	Emergency Medical Services Association of Colorado (EMSAC) Cadaver Lab, Keystone, Colorado

---

## TEACHING RECORD

### Graduate and Medical Students

#### Residents

12/2010 - Present	Pre-hospital Morbidity and Mortality (M&M) Conferences; 1.5 hour conference quarterly. Provide mentorship on course content
1/2012	EM3 PGY3 Residents, EMS Communications Workshop, 5 hours, Course Director
7/11/2012	EM3 PGY3 Residents, Speed and Efficiency in Emergency Department, 2-hour lecture and workshop
7/25/2012	EM3 PGY3 Residents, Emergency Medical Dispatch lecture
1/16/2013	EM3 PGY3 Residents, EMS Communications Workshop
3/5 - 6/2013	EM2 PGY2 Residents Airway Lecture and Skill Lab, 4 hours, course director
3/2013	Airway Management Workshop, directed curriculum development
8/20/2014	EM2 PGY2 Residents Airway Lecture and Skill Lab, 4 hours, course director
4/8/2015	EM3 PGY3 Residents, EMS Communications Workshop
8/19/2015	EM2 PGY2 Residents, Airway Workshop

#### Postdoctoral

#### Emergency Medical Services (EMS) Fellowship

2005 - 2008	Fellowship Director, Emergency Medicine Services Fellowship
2008 - 2010	Mentor and consultant to Emergency Medical Services Fellowship
12/2010 - 2012	Fellowship Director, Emergency Medicine Services Fellowship
2012 - Present	Oversight of Emergency Medicine Services Fellowship – direct supervision of Fellowship Director. Aaron Eberhardt, Fellowship Director

<b>Fellows - EMS and Disaster Medicine Fellows</b>		
<b>YEARS</b>	<b>NAME</b>	<b>CURRENT POSITION</b>
2005-2006	Carl Bonnett, MD	Emergency Medicine Physician, San Antonio, Texas
2008-2009	Aaron Eberhardt, MD	Assistant Professor, Associate Medical Director, Denver Health Paramedic Division, Denver Fire Department; Emergency Medicine Physician, Denver, Colorado
208-2009	Josh Gaither, MD	Associate Professor, Associate Medical Director, Banner-UMCD Tucson Base Hospital, EMS Fellowship Director
2009-2010	Gina Soriya, MD	Emergency Medicine Physician, St. Anthony's Hospital, Lakewood, Colorado
2009-2010	Ashley Mull, MD	Emergency Medicine Physician, Fremont, California
2011-2012	Erica Douglass, MD	Associate Medical Director, EMS Children's Colorado; Keynote Speaker at AirLife 2015 EMS Conference
2012-2013	Marlow Macht, MD	Emergency Medicine Physician, Vancouver, Washington
2012-2013	Whitney Barrett, MD	Associate Medical Director, Denver Health Paramedic Division; Staff Physician Denver Health Medical Center; Assistant Professor, University of Colorado School of Medicine
2014-2015	Elaina Garcia, MD	Emergency Medicine Physician, Longmont Colorado
2014-2015	Karl Marzec, MD	Emergency Medicine Physician; Denver Health; Instructor, University of Colorado School of Medicine
2016	Dan Joseph, MD	Emergency Medicine Fellow, University of Colorado School of Medicine
2016	Sam Smith, MD	Emergency Medicine Fellow. University of Colorado School of Medicine

<b>Mentees - University of Colorado Faculty Mentees</b>		
<b>YEARS</b>	<b>NAME</b>	<b>CURRENT POSITION</b>
2010-Present	Aaron Eberhardt, MD	Associate Medical Director, Denver Health Paramedic Division, Denver Fire Department Staff Physician, Denver Health Medical Center Assistant Professor, University of Colorado School of Medicine
2013-Present	Whitney Barrett, MD	Associate Medical Director, Denver Health Paramedic Division; Staff Physician Denver Health Medical Center Assistant Professor, University of Colorado School of Medicine
2014-Present	Lara Rapaport, MD	Denver Emergency Center of Children, Denver Health medical Center Associate Director, Denver Paramedics Associate Professor, University of Colorado School of Medicine

### **Denver Paramedic School**

- 12/2010 - Present Arrange, create and deliver continuing education to EMS providers (EMT Basics and EMT Paramedics). Direct supervision of Chief of EMS Education and staff of 17. Personally and directly provide EMS education to Denver Paramedics and EMT professionals for annual required hours
- 12/2010 - Present Direct EMS Field Training; provides direct over-site to Denver Paramedic School Medical Director Peter Pons (2010-2014); Whitney Barrett (2014 - present)
- 12/2010 - Present Teach quarterly Clinical Care and Leadership Forum: for 40 participants. Advanced airway, cardiac resuscitation, pediatric resuscitation, and medical decision-making in austere environments
- 8/2011 - Present Presented annual lectures on Pulmonary Disease Emergencies and Geriatric Emergencies

---
