- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
 - a. Scope of Work**

The purpose of this ordinance is to accept a \$500,000 grant from FEMA for the FY10-11 Incident Management Team Pilot Project. The IMT Pilot Project is a grant that provides funding for training of Incident Management Teams throughout the FEMA region VIII area. This ordinance will allow us to begin procuring training using these funds.
 - b. Duration**

07/15/2010 – 09/30/2011
 - c. Location**

FEMA Region VIII – Colorado, Montana, North Dakota, South Dakota, Utah and Wyoming
 - d. Affected Council District**

All
 - e. Benefits**

This grant allows Denver to manage the fiscal aspects of a ground breaking pilot project in FEMA. We are involved in coordinating and collaborating Incident Management Team responses and trainings throughout FEMA region VIII. This funding was awarded to the project as the first of its kind in the nation. This is the second round of funding we have received and are continuing the regional training approach through these funds. This project allows Denver and the State of Colorado an opportunity to lead the way in this new concept while creating strong working relationships with our other local, state and federal partners.

f. Costs

: There are costs associated with managing the funds out of the OEM office. 3% of the grant can be used to cover Management and Administrative costs associated with this grant.

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.

None we are aware of.
