24 by the Permit. Should the relocation or replacement of any drainage facilities for water and sewage

34 indemnify and save the City harmless and to repair or pay for the repair of any and all damages to  
35 said sanitary sewer, or those damages resulting from the failure of the sewer to properly function as

1 (e) Permittee shall comply with all requirements of affected utility companies and pay for  
2 all costs of removal, relocation, replacement or rearrangement of utility company facilities. Existing  
3 telephone facilities shall not be utilized, obstructed or disturbed.

4 (f) All construction in, under, on or over the Encroachment Area shall be accomplished in

13 be constructed so that it can be removed and replaced without affecting structures within the  
14 Encroachment Area.

15 (h) Permittee shall pay all costs of construction and maintenance of the Encroachments.

21 become broken, damaged or unsightly during the course of construction. In the future, Permittee  
22 shall also remove, replace or repair any street/alley paving, sidewalks, and curb and gutter that

24 by the activity of the Permittee within the Encroachment Area. All repair work shall be accomplished  
25 without cost to the City and under the supervision of the City Engineer.

26 (j) The City reserves the right to make an inspection of the Encroachments contained  
27 within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

28 (k) This revocable Permit shall not operate or be construed to abridge, limit or restrict the  
29 City in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as  
30 public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to  
31 construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent  
32 rights-of-way.

1 (l) During the existence of the Encroachments and this Permit, Permittee, its successors  
2 and assigns, at its expense, and without cost to the City, shall procure and maintain a single limit  
3 comprehensive general liability insurance policy with a limit of not less than \$500,000.00. All  
4 coverages are to be arranged on an occurrence basis and include coverage for those hazards  
5 normally identified as X.C.U. during construction. The insurance coverage required herein  
6 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or  
7 lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All  
8 insurance coverage required herein shall be written in a form and by a company or companies  
9 approved by the Risk Manager of the City and authorized to do business in the State of Colorado.  
10 A certified copy of all such insurance policies shall be filed with the Executive Director, and each  
11 such policy shall contain a statement therein or endorsement thereon that it will not be canceled or  
12 materially changed without written notice, by registered mail, to the Executive Director at least thirty  
13 (30) days prior to the effective date of the cancellation or material change. All such insurance policies  
14 shall be specifically endorsed to include all liability assumed by the Permittee hereunder and shall  
15 name the City as an additional insured.

16 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination in  
17 Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions  
18 and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of  
19 the City and County of Denver. The failure to comply with any such provision shall be a proper basis  
20 for revocation of this Permit.

21 (n) The right to revoke this Permit is expressly reserved to the City.

22 (o) Permittee shall agree to indemnify and always save the City harmless from all costs,  
23 claims or damages arising, either directly or indirectly, out of the rights and privileges granted by this  
24 Permit.

25 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council  
26 of the City and County of Denver shall determine that the public convenience and necessity or the  
27 public health, safety or general welfare require such revocation, and the right to revoke the same is  
28 hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council  
29 action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its  
30 successors and assigns, to be present at a hearing to be conducted by the City Council upon such  
31 matters and thereat to present its views and opinions thereof and to present for consideration action  
32 or actions alternative to the revocation of such Permit.
