The Maximum Contract Amount shall not be exceeded unless this Agreement is modified to increase said amount by a duly authorized and written amendment to this Agreement executed by the Parties in the same manner as this Agreement. (3) The Contractor further understands that this Agreement is funded, in whole or in part, with federal funds as set forth in a federal financial assistance award, attached as **Exhibit E**. The Contractor expressly understands and agrees that its rights, demands, and claims to compensation arising under this Agreement are contingent upon the City's actual receipt of such federal funds and the continued funding by the federal government. If such funds or any part thereof are not received, appropriated, or allocated by the City, the City and the Contractor may mutually amend the Agreement, or the City may unilaterally terminate this Agreement. b. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead nolo contendere, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

Upon receiving a Notice to Stop Work, the Contractor shall cease all work under the Agreement immediately, or within the time set forth in the Notice. Contractor shall submit an invoice for all outstanding work as soon as possible, but no later than fifteen (15) days after the date of the Notice to Stop Work or as directed in the Notice. The Contractor shall not resume work under the Agreement until it receives a Notice to Proceed ("Notice to Proceed") from the City. A Notice to Stop Work does not terminate the Agreement.

7. **EXAMINATION OF RECORDS AND AUDIT:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent

Parties shall at all times comply with D.R.M.C. 20-276.

8. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

c. Additional Insureds: For Commercial General Liability, Business Auto Liability, Cyber (if required), and Excess Liability/Umbrella (if required), Contractor and subconsultant's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

Disclosure of Protected Information does not include disclosure to a third party under circumstances where the City retains primary responsibility for implementing and maintaining reasonable security procedures and practices appropriate to the nature of the Protected Information, and the City implements and maintains technical controls reasonably designed to safeguard Protected Information from unauthorized access, modification, disclosure, or destruction or effectively eliminate the third party's ability to access Protected Information, notwithstanding the third party's physical possession of Protected Information. If the Contractor has been contracted to maintain, store, or process personal information on the City's behalf, the Contractor is a “Third-Party Service Provider” as defined by § 24-73-103(1)(i), C.R.S., and shall maintain security procedures and practices consistent with §§24-73-101, *et seq.*, C.R.S.

The Contractor shall protect against threats or hazards to the security or integrity of data; protect against unauthorized disclosure, access to, or use of any data; restrict access to data as

necessary; and ensure the proper use of data. The Contractor shall not engage in “data mining” except as specifically and expressly required by law or authorized in writing by the City. All data and Protected Information shall be maintained and securely transferred in accordance with industry standards. Unless otherwise required by law, the City has exclusive ownership of all data it discloses under this Agreement, and the Contractor shall have no right, title, or interest in data obtained in connection with the services provided herein.

Upon termination of this Agreement, the Contractor shall securely delete or securely transfer all data, including Protected Information, to the City in an industry standard format as directed by the City; however, this requirement shall not apply to the extent the Contractor is required by law to retain data, including Protected Information. Upon the City’s request, the Contractor shall confirm the data disposed of, the date disposed of, and the method of disposal. With respect to any data in the Contractor’s exclusive custody, the City may request that the Contractor preserve such data outside of its usual record retention policies. The City will promptly coordinate with the Contractor regarding the preservation and disposition of any data and records relevant to any current or anticipated litigation, and the Contractor shall continue to preserve the records until further notice by the City. Unless otherwise required by law or regulation, when paper or electronic documents are no longer needed, the Contractor shall destroy or arrange for the destruction of such documents within its custody or control that contain Protected Information by shredding, erasing, or otherwise modifying the Protected Information in the paper or electronic documents to make it unreadable or indecipherable.

II. Services and Conditions

- A.** The Denver Ryan White Part A HIV AIDS Program Service Standards are the minimum requirements that subrecipients are expected to meet when providing HIV care and support services funded by the Denver Ryan White HIV/AIDS Part A grant. All subrecipients **must** follow the Universal Standards in the Service Standards. Subrecipients are also responsible for meeting the standards outlined for each service category for which they receive funding. DHR evaluates program adherence to Service Standards during site visits and during other contractual, technical assistance, and quality improvement processes. Subrecipients may exceed the requirements of the Service Standards, though this is not required and will not be evaluated during site visits. It is important that subrecipients are familiar with the Service Standards that apply to them. Denver HIV Resources Planning Council (DHRPC) initiatives and DHR programmatic updates may result in adjustments to the Service Standards during the Fiscal Year. DHR will inform subrecipients when changes are implemented and will provide subrecipients with an updated version of the Service Standards.

EXHIBIT A: Scope of Work

The Service Standards will be updated each fiscal year on an as-needed basis with each fiscal year’s updated version as the Service Standards to be followed. The updated version of the Service Standards will be provided by DDPHE and shall be effective immediately without requiring an amendment to the Agreement.

- B.** Vivent Health is to provide the following services to individuals living with HIV/AIDS in the Denver Transitional Grant Area (TGA), which includes and is limited to Adams, Arapahoe, Broomfield, Denver, Douglas, and Jefferson counties, in accordance with the Service Standards for the service categories listed in the table under Process and Outcome Measures.

* Reimbursement of all amounts is contingent upon the City’s receipt of the funds from the federal sponsor, HRSA.

These disallowances will be deducted from any payments due the Contractor, or if disallowed after contract termination, the Contractor shall remit the disallowed reimbursement to the City and County of Denver according to a schedule to be determined by the City and County of Denver at its sole discretion. Despite the City and County of Denver's approval of expenditures, if a review or an audit conducted by the City, State, or federal governments results in final disallowances of expenditures, the Contractor shall remit the amount of those disallowances to the City and County of Denver according to a schedule to be determined by the City and County of Denver at its sole discretion following written notice of disallowances to the Contractor.
