AGREEMENT WITH
STERLING INFOSYSTEMS, INC.**

THIS FIRST AMENDMENT TO AGREEMENT with STERLING INFOSYSTEMS, INC. is made and entered into by and between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (“City”), and **Sterling Infosystems, Inc.**, a Delaware corporation whose address is One State Street, 24th Floor, New York, New York, 10004 (the “Consultant”), collectively the “Parties”.

WITNESSETH:

WHEREAS, the Parties entered into an Agreement dated December 23, 2021, identified by the City’s Contract number CSAHR-202160650-00 (“**Agreement**”); and

WHEREAS, the City updated this legacy contract control number to “CSAHR-202265113-01” for this first amendment; and

WHEREAS, This amendment adds a new Exhibit A-2 to the Agreement to add new global product codes for employment hiring background screenings.

NOW, THEREFORE, in consideration of the premises, the mutual agreements herein contained, and subject to the terms and conditions hereinafter stated, the Parties agree as follows:

1. That Exhibit A-2 attached hereto is hereby added to the Agreement.
2. This First Amendment may be executed in counterparts, each of which shall be deemed to be an original, and all of which, taken together, shall constitute one and the same instrument.
3. Except as herein amended, the Agreement is affirmed and ratified in each and every particular.

STERLING GLOBAL SCREENING SOLUTION

Overview: A globally networked employment screening ordering, fulfillment and service offering. Client may place orders and receive screening results for 190 plus geographies. See General Product Descriptions below for a description of Sterling's common product types. Fulfillment method and product availability varies by country and is subject to change. Sterling encourages Client to periodically review Sterling's monthly global product updates and country fact sheets (available upon request) for more information regarding country-specific offerings. Please contact Sterling with any questions regarding availability of global services by country.

Pricing: Pricing for global services varies by country. For country-specific pricing, consult the Global Product Toolkit (available upon request). As Sterling adds new services to its global screening solution, such services shall be made available to Client on an a la carte basis at Sterling's then-current list price.

General Product Descriptions:

PRODUCT NAME AND DESCRIPTION
Identity Authentication
Passport Validation Where an individual resides outside of a given country such as an Expatriate (One who has taken up residence in a foreign country), Sterling can identify fraudulent or tampered passports by cross-referencing the details contained within against our Personal Identity Authentication (PIA™) System and the International Civil Aviation Organization's (ICAO) standards for Machine Readable Travel Documents (MRTDs). US checks will be launched and fulfilled through a separate search, specific to the US market, when applicable. The applicable international search will be closed as complete with the following text - 'The verified results can be found under the header of the appropriate jurisdiction on this report.'
National Identity Validation Authentication of an individual's identity.
Right to Work Validation Document validation of candidate's visa / work permit documents through document examination and coordination with local immigration and citizenship authorities as required.
Driver's License Check Driver's License Verification provides verification and validity of driver's license information. US checks will be launched and fulfilled through a separate search, specific to the US market, when applicable. The applicable international search will be closed as complete with the following text - 'The verified results can be found under the header of the appropriate jurisdiction on this report.'
Address Verification Address Verification provides verification and addresses.
Criminal Records
Comprehensive Criminal A search direct to local agency source (where available/permissible) at either the national, regional, district, city police, or local criminal court level. The scope will vary depending on local permissibility and availability of local criminal data maintained by local agencies. US checks will be launched and fulfilled through a separate search, specific to the US market, when applicable. The applicable international search will be closed as complete with the following text - 'The verified results can be found under the header of the appropriate jurisdiction on this report.'
Police Clearance Authentication Authentication of applicant obtained/provided Criminal Record Certificate. Examination of document security measures of criminal disclosure certificates (foreign police certificates, good conduct certificates, etc.) provided by a candidate. When necessary, confirmation of issuance and authenticity via issuing body.

<p>GlobeX™ GlobeX™ criminality database searches over 200 million records worldwide and is sourced from foreign governments, global and local news media sources, courts, regulatory enforcement, law enforcement agencies and other public and proprietary data sources around globe.</p>
