Skills

Very much a people person. I ran crews of up to 25 electricians when I was a project manager in the San Francisco bay area and now have 85 employees at the Argonaut. I am currently responsible for promoting and marketing for the Argonaut and we are enjoying our best year ever. I am involved in Colorado politics as President of Coloradans For Safety promoting an independent market and supporting Colorado business. I have been a part of a Colfax business for 22 years and have seen the good and the bad. I think the future looks bright for redevelopment on this corridor which we have done by example, building three new buildings and remodeling a fourth. I think I have the skill set to make a difference in the future of Colfax Ave.
