Classification Notice No. 1837

To: Agency Heads and Employees
From: Kathy Nesbitt, Executive Director of the Office of Human Resources
Date: October 4, 2024
Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by changing the classification titles and pay grades of Forestry Inspector to Forestry Inspector I, and Forestry Inspector Senior to Forestry Inspector II, and changing the pay grades of Park Horticulturist, Arborist Technician I, and Arborist Technician II.

Denver Parks and Recreation (DPR) requested a review of five DPR-specific classifications within its Parks and Forestry divisions to restore internal alignment and to ensure market competitiveness due to recent pay grade changes for Utility Worker I and II classifications. These five classifications entail advanced requirements specific to their fields of expertise, which, along with associated higher-level responsibilities, distinguish them from Utility Workers. Based on market data and internal structure, pay grades changes are recommended for the five DPR specific classifications. It is recommended to amend the Forestry Inspector and Forestry Inspector Senior titles to align with OHR’s classification titling standards.
