Executive Summary

Public Infrastructure (38th and Blake Station) TOD-Blake Street Bridge Ordinance Request

This project will replace the bridge at the above site which will improve vehicular safety and pedestrian access along the Blake near the new RTD Lightail Station for the East Line.

This project will require the acquisition through a negotiated purchase or condemnation of Temporary Construction Easements and Permanent Easement interests from five (5) owners.

Property acquisition will begin in January of 2014

Public Works anticipates a starting date for construction in July of 2015.
