This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Borrower or its subcontractors either passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

B. Borrower's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Borrower's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/ or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

C. 3. Borrower becomes delinquent to the City with respect to this Loan, contractual, or tax obligations as due, or with any rule, regulation or provision referred to in this Loan Agreement.

B. Cure Period. Upon a default, the City shall give written notice of the default to Borrower and other persons entitled to notice of a default pursuant to Section 35. After Borrower's receipt of the written notice, Borrower or a person on behalf of Borrower shall have ten (10) calendar days to cure any monetary default and thirty (30) calendar days to cure any nonmonetary default (collectively, the "Cure Period"). If a nonmonetary default is not a type which can be cured within the Cure Period and Borrower or a person on behalf of Borrower gives written notice that a cure is actively and diligently being pursued, the City shall allow a reasonable period of time given the nature of the default following the end of the Cure Period, provided that at all times within such additional time period a cure is actively and diligently being pursued. Upon the existence of a default and the failure to cure within the Cure Period, and without necessity of further notice, presentment, demand, protest, or notice of protest of any kind, all of which are expressly waived by the Borrower, the City shall have the right to accelerate any outstanding obligations of the Borrower, which shall be immediately due and payable, including payments under the Promissory Note, to foreclose upon the Property, and to enforce or assign its rights under the Deed of Trust. Upon default and if the default remains after the Cure Period, the principal shall draw interest at the rate of fifteen percent (15%) per annum. If any of the Loan funds have not been disbursed to Borrower, the City may suspend or terminate the Loan Agreement, in whole or in part, and withhold one hundred percent (100%) of any undisbursed funds.

D. Effect of Default on Eligibility for Further Funding. If Borrower is in default, the City may declare the Borrower ineligible for any further participation in City funding, in addition to other remedies as provided by law.

EXHIBIT B

FINANCIAL ADMINISTRATION:

1.1 Compensation and Methods of Payment

- 1.1.1 Disbursements shall be processed through the Department of Housing Stability (HOST) and the City and County of Denver's Department of Finance.
- 1.1.2 The method of payment to the Contractor by HOST shall be in accordance with established HOST procedures for line-item reimbursements. The Contractor must submit expenses to HOST on or before the last day of each month for the previous month's activity. Voucher requests for reimbursement of costs should be submitted on a regular and timely basis in accordance with HOST policies. Vouchers should be submitted within thirty (30) days of the actual service, expenditure or payment of expense.
- 1.1.3 The Contractor shall be reimbursed for services provided under this Agreement according to the approved line-item reimbursement budget attached to and made a part of this Agreement (Exhibit A).

1.2 Vouchering Requirements

- 1.2.1 In order to meet Government requirements for current, auditable books at all times, it is required that all vouchers be submitted monthly to HOST in order to be paid. Expenses cannot be reimbursed until the funds under this contract have been encumbered.
- 1.2.2 No more than four (4) vouchers may be submitted per contract per month, without prior approval from HOST.
- 1.2.3 All vouchers for all Agreements must be correctly submitted within thirty (30) days of the Agreement end date to allow for correct and prompt closeout.
- 1.2.4 City and County of Denver Forms shall be used in back-up documents whenever required in the Voucher Processing Policy.
- 1.2.5 For contracts subject to Federal Agreements, only allowable costs determined in accordance with 2 CFR Chapter I, Chapter II, Parts 200, 215, 220, 225 and 230, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" (the "OMB Omni Circular") applicable to the organization incurring the cost will be reimbursed.
- 1.2.6 The reimbursement request, or draw request, for personnel and non-personnel expenses should be submitted to the City on a monthly basis, no later than the last day of the following month for expenses incurred in the prior month. The request for reimbursement should include:

- a. Amount of the request in total and by line item;
 - b. Period of services for current reimbursement;
 - c. Budget balance in total and by line item;
 - d. Authorization for reimbursement by the contract signatory (i.e., executive director or assistant director).
- 1.2.7 If another person has been authorized by the Contractor to request reimbursement for services provided by this contract, then the authorization should be forwarded in writing to HOST prior to the draw request.
- 1.2.8 The standardized HOST “Expense Certification Form” should be included with each payment request to provide the summary and authorization required for reimbursement.

1.3 Payroll

- 1.3.1 A summary sheet should be included to detail the gross salary of the employee, amount of the salary to be reimbursed, the name of the employee, and the position of the employee. If the employee is reimbursed only partially by this contract, the amount of salary billed under other contracts with the City or other organizations should be shown on the timesheet as described below. Two items are needed for verification of payroll: (1) the amount of time worked by the employee for this pay period; and (2) the amount of salary paid to the employee, including information on payroll deductions.
- 1.3.2 The amount of time worked will be verified with timesheets. The timesheets must include the actual hours worked under the terms of this contract, and the actual amount of time worked under other programs. The total hours worked during the period must reflect all actual hours worked under all programs including leave time. The employee’s name, position, and signature, as well as a signature by an appropriate supervisor, or executive director, must be included on the timesheets. If an electronic time system is used, signatures are not required. If the timesheet submitted indicates that the employee provided services payable under this contract for a portion of the total time worked, then the amount of reimbursement requested must be calculated and documented in the monthly reimbursement request.
- 1.3.3 A payroll register or payroll ledger from the accounting system will verify the amount of salary. Copies of paychecks are acceptable if they include the gross pay and deductions.

1.4 Fringe Benefits

- 1.4.1 Fringe benefits paid by the employer can be requested by applying the FICA match of 7.65 percent to the gross salary -less pre-tax deductions, if applicable,

paid under this contract. Fringe benefits may also include medical plans, retirement plans, worker's compensation, and unemployment insurance. Fringe benefits that exceed the FICA match may be documented by 1) a breakdown of how the fringe benefit percentage was determined prior to first draw request; or, 2) by submitting actual invoices for the fringe benefits. If medical insurance premiums are part of the estimates in item #1, one-time documentation of these costs will be required with the breakdown. Payroll taxes may be questioned if they appear to be higher than usual.

1.5 General Reimbursement Requirements

- 1.5.1 **Invoices**: All non-personnel expenses need dated and readable invoices. The invoices must be from a vendor separate from the Contractor, and must state what goods or services were provided and the delivery address. Verification that the goods or services were received should also be submitted, this may take the form of a receiving document or packing slips, signed and dated by the individual receiving the good or service. Copies of checks written by the Contractor, or documentation of payment such as an accounts payable ledger which includes the check number shall be submitted to verify that the goods or services are on a reimbursement basis.
- 1.5.2 **Mileage**: A detailed mileage log with destinations and starting and ending mileage must accompany mileage reimbursement. The total miles reimbursed and per mile rate must be stated. Documentation of mileage reimbursement to the respective employee must be included with the voucher request.
- 1.5.3 **Cell Phone**: If the monthly usage charge is exceeded in any month, an approval from the Executive Director or designee will be required.
- 1.5.4 **Administration and Overhead Cost**: Other non-personnel line items, such as administration, or overhead need invoices, and an allocation to this program documented in the draw request. An indirect cost rate can be applied if the Contractor has an approved indirect cost allocation plan. The approved indirect cost rate must be submitted to and approved by HOST.
- 1.5.5 **Service Period and Closeout**: All reimbursed expenses must be incurred during the time period within the contract. The final payment request must be received by HOST within thirty (30) days after the end of the service period stated in the contract.

2.1 Program Income

- 2.1.1 For contracts subject to Federal Agreements, program income includes, without limitation, income from fees for services performed, from the use or rental of real or personal property acquired with contract funds, from the sale of commodities or items fabricated under a contract agreement, and from payments of principal and interest on loans made with contract funds.

- 2.1.2 Program income may be deducted from total allowable costs to determine net allowable costs and may be used for current reimbursable costs under the terms of this contract. Program income which was not anticipated at the time of the award may be used to reduce the award contribution rather than to increase the funds committed to the project. ALL PROGRAM INCOME GENERATED DURING ANY GIVEN PERIOD SUBMITTED FOR PAYMENT SHALL BE DOCUMENTED ON THE VOUCHER REQUEST.
- 2.1.3 The Contractor, at the end of the program, may be required to remit to the City all or a part of any program income balances (including investments thereof) held by the Contractor (except AS PRE-APPROVED IN WRITING BY HOST, INCLUDING those needed for immediate cash needs).

Accounting records shall provide accurate, separate, and complete disclosure of fund status.
- 3.1.3 Effective internal controls and accountability must be maintained for all contract cash, real and personal property, and other assets. Adequate safeguards must be provided on all property and it must be assured that it is used solely for authorized purposes.
- 3.1.4 Actual expenditures or outlays must be compared with budgeted amounts and financial information must be related to performance or productivity data, including the development of cost information whenever appropriate or specifically required.
- 3.1.5 For contracts subject to Federal Agreements, applicable OMB Omni Circular cost principles, agency program regulations, and the terms of the agreement will be followed in determining the reasonableness, allowability and allocability of costs.
- 3.1.6 Source documents such as cancelled checks, paid bills, payrolls, time and attendance records, contract documents, etc., shall be provided for all disbursements. The Contractor will maintain auditable records, i.e., records must be current and traceable to the source documentation of transactions.

- 3.1.7 For contracts subject to Federal Agreements, the Contractor shall maintain separate accountability for HOST funds as referenced in 24 C.F.R. 85.20 and the OMB Omni Circular.
- 3.1.8 The Contractor must properly report to Federal, State, and local taxing authorities for the collection, payment, and depositing of taxes withheld. At a minimum, this includes Federal and State withholding, State Unemployment, Worker's Compensation (staff only), City Occupational Privilege Tax, and FICA.
- 3.1.9 A proper filing of unemployment and worker's compensation (for staff only) insurance shall be made to appropriate organizational units.
- 3.1.10 The Contractor shall participate, when applicable, in HOST provided staff training sessions in the following financial areas including, but not limited to (1) Budgeting and Cost Allocation Plans; (2) Vouchering Process.

4.1 Audit Requirements

- 4.1.1 For contracts subject to Federal Agreements, if the Contractor expends seven hundred and fifty thousand dollars (\$750,000) or more of federal awards in the Contractor's fiscal year, the Contractor shall ensure that it, and its sub recipients(s), if any, comply with all provisions of the OMB Omni Circular.
- 4.1.2 A copy of the final audit report must be submitted to the HOST Financial Manager within the earliest of thirty (30) calendar days after receipt of the auditor's report; or nine (9) months after the end of the period audited.
- 4.1.3 A management letter, if issued, shall be submitted to HOST along with the reporting package prepared in accordance with the Single Audit Act Amendments and the OMB Omni Circular. If the management letter is not received by the subrecipient at the same time as the Reporting Package, the Management Letter is also due to HOST within thirty (30) days after receipt of the Management Letter, or nine (9) months after the end of the audit period, whichever is earlier. If the Management Letter has matters related to HOST funding, the Contactor shall prepare and submit a Corrective Action Plan to HOST in accordance with the Single Audit Act Amendments and the OMB Omni Circular, as set forth in 24 C.F.R. Part 45 for each applicable management letter matter.
- 4.1.4 All audit related material and information, including reports, packages, management letters, correspondence, etc., shall be submitted to **HOST Financial Services Team**.
- 4.1.5 The Contractor will be responsible for all Questioned and Disallowed Costs.
- 4.1.6 The Contractor may be required to engage an audit committee to determine the services to be performed, review the progress of the audit and the final audit

findings, and intervene in any disputes between management and the independent auditors. The Contractor shall also institute policy and procedures for its sub recipients that comply with these audit provisions, if applicable.

5.1 Budget Modification Requests

- 5.1.1 HOST may, at its option, restrict the transfer of funds among cost categories, programs, functions or activities at its discretion as deemed appropriate by program staff, HOST executive management or its designee.
- 5.1.2 Minor modifications to the services provided by the Contractor or changes to each line item budget equal to or less than a ten percent (10%) threshold, which do not increase the total funding to the Contractor, will require notification to HOST program staff and upon approval may be submitted with the next monthly draw. Minor modifications to the services provided by Contractor, or changes to each line item budget in excess of the ten percent (10%) threshold, which do not increase the total funding to Contractor, may be made only with prior written approval by HOST program staff. Such budget and service modifications will require submittal by Contractor of written justification and new budget documents. All other contract modifications will require an amendment to this Agreement executed in the same manner as the original Agreement.
- 5.1.3 The Contractor understands that any budget modification requests under this Agreement must be submitted to HOST prior to the last Quarter of the Contract Period, unless waived in writing by the HOST Director.

6.1 Procurement

- 6.1.1 The Contractor shall follow the City Procurement Policy to the extent that it requires that at least three (3) documented quotations be secured for all purchases or services (including insurance) supplies, or other property that costs more than ten thousand dollars (\$10,000) in the aggregate.
- 6.1.2 The Contractor will maintain records sufficient to detail the significant history of procurement. These records will include, but are not limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.
- 6.1.3 For contracts subject to federal agreements, If there is a residual inventory of unused supplies exceeding five thousand dollars (\$5,000) in total aggregate upon termination or completion of award, and if the supplies are not needed for any other federally sponsored programs or projects the Contractor will compensate the awarding agency for its share.

7.1 Bonding

- 7.1.1 For contracts subject to federal agreements, HOST may require adequate fidelity bond coverage, in accordance with 24 C.F.R. 84.21 (d), where the subrecipient lacks sufficient coverage to protect the Federal Government's interest.

8.1 Records Retention

- 8.1.1 The Contractor must retain for seven (7) years financial records pertaining to the contract award. The retention period for the records of each fund will start on the day the single or last expenditure report for the period, except as otherwise noted, was submitted to the awarding agency.
- 8.1.2 The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access, upon reasonable notice, to any pertinent books, documents, papers, or other records which are pertinent to the contract, in order to make audits, examinations, excerpts, and transcripts.

9.1 Contract Close-Out

- 9.1.1 All Contractors are responsible for completing required HOST contract close-out forms and submitting these forms to their appropriate HOST Contract Specialist within sixty (60) days after the Agreement end date, or sooner if required by HOST in writing.
- 9.1.2 Contract close out forms will be provided to the Contractor by HOST within thirty (30) days prior to end of contract.
- 9.1.3 HOST will close out the award when it determines that all applicable administrative actions and all required work of the contract have been completed. If Contractor fails to perform in accordance with this Agreement, HOST reserves the right to unilaterally close out a contract, "unilaterally close" means that no additional money may be expended against the contract.

10.1 Collection of amounts due

- 10.1.1 Any funds paid to a Contractor in excess of the amount to which the Contractor is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government and the City. If not paid within a reasonable period after demand, HOST may 1) Make an administrative offset against other requests for reimbursements, 2) Withhold advance payments otherwise due to the Contractor, or 3) other action permitted by law.

EXHIBIT C
(Affirmative Marketing)

City and County of Denver
Affirmative Marketing Program

The City and County of Denver is committed to the goal of adequate housing for all its citizens and to affirmatively furthering fair housing opportunities. The City has developed written material explaining the City's Housing Programs for dissemination and will inform the public, owners, and potential tenants about Federal fair housing laws. These materials will display the "equal housing opportunity" slogan and logo. The City will also publicize its Housing programs through press releases, solicitations to property owners and written communications to fair housing groups and local lenders. The City will display the "equal housing opportunity" slogan on all such communications.

All contracts, grant agreements and/or loan agreements between the City or its agents and property owners executed in connection with the Housing Programs will:

- (1) prohibit discrimination in the rental of housing rehabilitated through the City's Housing programs on the basis of race, color, religion, sex, national origin, age, handicap, or household composition;
- (2) require compliance with all applicable fair housing and equal opportunity laws, and
- (3) include a copy of our Affirmative Marketing Program and require compliance with all procedures contained herein for the period of affordability of the term of the loan, whichever is greater.

In the City's Housing Loan Program, the objective of the Affirmative Marketing Program and a project's Affirmative Marketing Plan will be to increase the racial/ethnic diversity of the project's tenant population so that the tenant population is not made up exclusively of persons of one race/ethnicity.

In order to accomplish this, owners will be required to adopt a plan that will inform and solicit applications from persons in the housing market who are least likely to apply for the housing without special outreach. In general, persons who are not of the race/ethnicity of the majority of the residents of the neighborhood in which the property is located will be considered as persons least likely to apply.

The City will work with the project owner to identify which racial/ethnic groups in the population are least likely to apply for housing in each project without special outreach. The City will assist the owner in developing a project specific Affirmative Marketing Plan which includes special outreach efforts and the City will approve the Plan. The property manager or rental agent will be required to maintain records enabling the City to assess the results of the owner's actions to affirmatively market units. These records will include rental applications, all vacancy notices, and rental receipts. The City or its agent will review the owner's records and these records must be made available to

the City. Additionally, the City will require the owner to submit annual tenant reports that will include tenant characteristics including race/ethnicity. The project's Plan will identify specific actions the owner must take when becoming aware of an impending vacancy. In some cases the owner will also be required to advertise the vacancy in a general circulation newspaper.

Owners who rent exclusively to one segment of the population to the exclusion of applicants from other segments will be notified of potential noncompliance. The City will provide technical assistance to the owners in expanding outreach efforts. If necessary, specific corrective actions will be required.

Owners who discriminate or who fail to comply with the requirements of this Affirmative Marketing Program may be found in breach of contract or in default on their grant or loan agreement, and the City may take action to recover all funds made available to the owner by the City plus applicable penalties.

The City has adopted a policy to aggressively encourage landlords to rehabilitate units that are accessible to persons with physical disabilities.

Colorado Finance and Housing Authority, a body corporate and political subdivision of the State of Colorado (“CHFA”) has or will issue its Colorado Housing and Finance Authority Multifamily Housing Revenue Bond (Renaissance Legacy Lofts Project 2020) in the maximum principal amount of \$[Max Par Amount] (as extended, amended, restated, modified or supplemented from time to time, “Bond) which will be purchased by Senior Lender and the proceeds of which will be used to fund a loan to the Project Partnership in the maximum principal amount of \$[MAX PAR AMOUNT] (as extended, amended, restated, modified or supplemented from time to time “Bond Loan,” together with the Bond, the “Senior Loan”) to finance costs of construction of the Project and costs of issuance of the Bonds. The Bond Loan is evidenced by, *inter alia*, a Promissory Note payable by the Project Partnership to CHFA and assigned to the Senior Lender (as extended, amended, restated, modified or supplemented from time to time, “Senior Note”). Among other collateral security, the Bond, Senior Note, Senior Loan and all other obligations of the Project Partnership to the Senior Lender are secured by a Deed of Trust, Security Agreement and Fixture Filing and Assignment of Leases, Rents and Other Rights each executed by the Project Partnership to or for the benefit of the Senior Lender recorded in the Records on [INSERT RECORDING DATE OF DEED OF TRUST] at Reception No. [INSERT RECEPTION NUMBER] and at Reception No. [INSERT RECEPTION NUMBER], respectively, encumbering the Mortgaged Property (collectively, as each is extended, amended, restated, modified or supplemented from time to time, “Senior Deed of Trust”). All documents evidencing or securing the Senior Loan, including the Senior Note and the Senior Deed of Trust as each such document is extended, amended, restated, modified or supplemented from time to time, are collectively hereafter referred to as the “Senior Loan Documents”.

E. It is the desire of the parties and to the mutual benefit of all parties that the obligations of the Project Partnership to the Borrower and/or the Junior Lender and the lien of the Partnership Deed of Trust be subordinated to the obligations of the Project Partnership to the Senior Lender and the lien of the Senior Deed of Trust, and, additionally to recognize that the Covenant is junior and subordinate to the lien of the Senior Deed of Trust and terminates upon foreclosure.

AGREEMENT

For and in consideration of the mutual benefits accruing to the parties hereto, and the promises set forth, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meanings given such terms in the Senior Deed of Trust. As used herein, the following terms shall have the meanings assigned to them:

"Junior Obligations" means each and every debt, liability, covenant, and obligation of every type and description that the Project Partnership may have to Borrower or that Borrower or the Project Partnership may now or at any time hereafter owe to the Junior Lender in connection with the Junior Lender Loan, whether such debt, liability or obligation now exists or is hereafter assumed, created or incurred and whether

it is or may be direct or indirect, due or to become due, or absolute or contingent, including the Partnership Note as collaterally assigned pursuant to the Collateral Assignment and all obligations under the Covenant, and any deed of trust or other mortgage, lien or encumbrance made by the Borrower to and for the benefit of the Junior Lender, including, without limitation, the Partnership Deed of Trust as assigned by the Collateral Assignment and the Covenant.

"Senior Obligations" means each and every debt, liability, covenant, and obligation of every type and description that the Project Partnership may now or at any time hereafter owe to the Senior Lender in connection with the Senior Loan, whether such debt, liability or obligation now exists or is hereafter assumed, created or incurred and whether it is or may be direct or indirect, due or to become due, or absolute or contingent, including the Senior Loan and the Senior Note and any deed of trust or other mortgage, lien or encumbrance made by the Borrower to and for the benefit of the Junior Lender, including, without limitation, the Senior Deed of Trust.

2. Subordination. All Junior Obligations are hereby expressly subordinated to the extent and in the manner hereinafter set forth to the payment in full of the Senior Obligations. Each the Junior Lender and Borrower hereby agree, respectively for themselves, that (regardless of any priority otherwise available to the Junior Lender by law or by agreement) any security interest or liens that the Junior Lender or Borrower, respectively, might now or hereafter hold in the Mortgaged Property and the Covenant, are fully subordinate and junior to any security interest or liens that the Senior Lender may now or hereafter hold in the Mortgaged Property.

3. Collateral and Security Interest. Until all of the Senior Obligations have been paid in full, neither the Junior Lender nor the Borrower shall demand, receive or accept (except as described herein, in the Partnership Deed of Trust as collaterally assigned, and the Covenant) (i) a pledge of any of the Mortgaged Property as security for the Junior Obligations, or (ii) a grant of any security interest or any other right or interest in any of the Mortgaged Property.

4. Payments Before Default Under Senior Loan Documents. Until the Junior Lender receives notice from the Senior Lender that a default has occurred in connection with the Senior Loan Documents ("Default Notice") as set forth in Section 8 herein, each the Junior Lender and Borrower (as each shall be entitled) shall be entitled to retain for its own account all payments made by the Project Partnership in connection with the Junior Obligations ("Permitted Payments"). From and after delivery a Default Notice, neither Borrower nor Junior Lender shall accept Permitted Payments from the Project Partnership.

5. Waiver and Consent. Senior Lender shall have no obligation to the Junior Lender or Borrower with respect to the Mortgaged Property or the Senior Obligations. Senior Lender may in accordance with the Senior Deed of Trust (a) exercise collection rights, (b) take possession of, sell or dispose of, and otherwise deal with, the Mortgaged Property, (c) in the Senior Lender's name, the Junior Lender's or Borrower's name or in the Project Partnership's name, demand, sue for, collect or receive any money or Mortgaged Property at any time payable or receivable on account of, the Mortgaged Property; (d) prosecute, settle and receive proceeds on any insurance claims relating to the Mortgaged Property, and (e) and enforce any right or remedy available to the Senior Lender with respect to the Mortgaged Property, whether available

before or after the occurrence of any default; all without notice to or consent by anyone except as specifically required by law. Senior Lender may apply the proceeds of the Mortgaged Property in any order the Senior Lender deems appropriate in its sole discretion, except as required by law.

6. No Action. Except to the extent that Junior Lender or Borrower, as applicable, obtains Senior Lender's permission pursuant to the following sentence, neither Junior Lender nor Borrower will commence any action or proceeding with respect to the Mortgaged Property or against the Project Partnership, will not take possession of, sell or dispose of, or otherwise deal with, the Mortgaged Property, and will not exercise or enforce any other right or remedy that may be available to the Junior Lender or Borrower, respectively, against the Project Partnership or with respect to the Mortgaged Property upon the Project Partnership's or Borrower's default with respect to the Junior Obligations, without the Senior Lender's prior written consent, which shall not be unreasonably withheld or delayed. In addition, and without limiting the generality of the foregoing, if the Project Partnership is in default under any of the Senior Loan Documents and the Senior Lender intends to sell any part of the Mortgaged Property to an unrelated third party, the Junior Lender and Borrower shall each, upon the Senior Lender's request, promptly execute and deliver to such purchaser such instruments as may reasonably be necessary to terminate and release any security interest, lien or other right the Junior Lender might have in the Mortgaged Property, including releasing the Partnership Deed of Trust as assigned and terminating the Covenant. Each of the Partnership Deed of Trust and the Covenant shall be deemed terminated and released upon Senior Lender obtaining legal title the Mortgaged Property by foreclosure, deed in lieu, or otherwise.

7. Notice of Default to Senior Lender. Any notice provided to Borrower by the Junior Lender of any default under the Partnership Deed of Trust shall also be sent to Senior Lender.

8. Notice of Default to Junior Lender. Senior Lender shall deliver to the Junior Lender a default notice within ten (10) business days in each case where Senior Lender has given a default notice to the Project Partnership, though failure to deliver such notice shall not affect the Senior Lender's rights and remedies under the Senior Loan Documents. The Junior Lender shall have the right, but not the obligation, to cure any default under the Senior Loan Documents within the same time, and the same manner, as the Project Partnership pursuant to the Senior Loan Documents. All amounts paid by the Junior Lender to Senior Lender to cure a default under the Senior Loan Documents shall be deemed to have been advanced by the Junior Lender pursuant to, and shall be secured by the lien of, the Partnership Deed of Trust. Notwithstanding the foregoing, Junior Lender shall not acquire by subrogation, contract or otherwise, any lien upon or any other right or interest in the Mortgaged Property which is or may be prior in right to Senior Lender's security interest in the Mortgaged Property.

9. No Representations or Warranties. Neither the Junior Lender nor the Senior Lender (i) makes any representation or warranty concerning the Mortgaged Property or the validity, perfection or (except as to the subordination effected hereby) priority of any security interest therein, or (ii) shall have any duty to preserve, protect, care for, insure, take possession of, collect, dispose of or otherwise realize upon any of the Mortgaged Property.

10. Binding Effect; Miscellaneous. This Agreement shall be binding upon the Junior Lender, Borrower, and each of their respective successors and assigns and shall inure to the benefit of the Senior Lender and its participants, successors and assigns, but neither the Project Partnership nor any other secured party shall be entitled to rely on or enforce this Agreement. This Agreement shall be irrevocable and shall continue effective until the Senior Loan has been paid in full and all financing arrangements between Project Partnership and the Senior Lender relating to the Senior Loan have been terminated. This Agreement cannot be waived or changed or ended, except by a writing signed by the party to be bound thereby. This Agreement shall be governed by and construed in accordance with the substantive laws of the State of Colorado. Each party consents to the personal jurisdiction of the state and federal courts located in the State of Colorado in connection with any controversy related to this Agreement, waives any argument that venue in any such forum is not convenient, and agrees that any litigation initiated by either of them in connection with this Agreement shall be venued in the City and County of Denver. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument. The Junior Lender waives notice of the Senior Lender's acceptance hereof.

11. Notice. Any notice required under this Agreement shall be deemed to have been given when mailed by certified mail, return receipt requested, or by overnight express mail or courier service, to the addresses of the Junior Lender or the Senior Lender, as the case may be, set out in the first paragraph of this Agreement.

B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall

complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Sec. 116. Patents. Any discovery or invention arising out of or developed in the course of work under this Agreement shall be promptly and fully reported to HUD for determination as to whether patent protection on such invention or discovery should be sought, and how the rights under any patent shall be allocated and administered in order to protect the public interest.

Sec. 117. Program Income. Unless otherwise specified in Part I of this Agreement, all program income as defined by HUD at 24 CFR 92.2. shall be returned to the City. Any program income on hand when this Agreement expires, or received after this Agreement expires shall be paid to the City.

ARTICLE II

DISBURSEMENTS AND ACCOUNTING

Sec. 201. Eligible and Ineligible Costs. Costs under this Agreement are governed by the OMB Omni Circular as applicable. All costs incurred by the Contractor using monies under this Agreement must be reasonable and relate clearly to the specific purposes and end product of the Agreement. To be eligible for reimbursement, expenditures must: (A) Be necessary and reasonable for proper and efficient performance of the contractual requirements and in accordance with the approved budget; (B) Be allocable to Federal awards under the provisions of the OMB Omni Circular; (C) Be authorized or not prohibited under State or local laws or regulations; (D) Conform to any limitations or exclusions set forth in these principles, Federal laws, terms and conditions of the Federal award, or other governing regulations as to types of amounts of cost items; (E) Be consistent with policies, procedures and practices applied uniformly to activities of the City, both Federally assisted and non-Federally assisted; (F) Be accorded consistent treatment—a cost may not be assigned to a Federal award as a direct cost if any other cost incurred for the same purpose

in like circumstances has been allocated to the Federal award as an indirect cost; (G) Be determined in accordance with generally accepted accounting principles; (H) Not be allocable to or included as a cost of any other Federally financed program; (I) Be net of all applicable credits, such as purchase discounts, rebates or allowances, sales of publications or materials, or other income or refunds; and (J) Be fully documented.

The following costs or expenditures by the Contractor are specifically ineligible for reimbursement: bad debts, contingency reserves, contributions and donations, entertainment and fines and penalties.

Sec. 202. Documentation of Costs. All costs must be supported by properly executed payrolls, time records, invoices, contracts or vouchers, or other documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be clearly identified and readily accessible.

Sec. 203. Charges Against Project Account.

A. Payments under the Agreement shall be made on an actual basis for services that are performed and fully documented as having been performed. The City shall not reimburse or pay any expenditures, costs or payments that are inconsistent with the last approved budget. The budget for this Agreement may be revised upon written request of the Contractor, and written approval from the Community Development Administration.

B. At any time prior to final payment, the City may have the invoices and statements of costs audited. Each payment shall be subject to reduction for amounts which are found by the City not to constitute allowable costs. Any payment may be reduced for overpayments, or increased for underpayments, on preceding invoices or vouchers.

C. In the absence of error or manifest mistake, all payments when approved shall be evidence of the services performed, except that all payments made by the City to the Contractor are subject to correction in accordance with the audit findings of the City or HUD. The Contractor shall promptly repay the City the amounts determined to be due on the basis of such audit.

D. Prior to final payment, the Contractor shall first furnish the City evidence in affidavit form that all claims, liens, or other obligations incurred by it and all of its subcontractors or agents in connection with the performance of their services have been properly paid and settled.

E. Contract funds remaining unspent by the Contractor at the termination of the Agreement for any cause shall be returned to the City within the time specified by the City. Interest shall accrue in the favor of the City at the rate of eight percent (8%) per annum on such funds thereafter.

F. Unless otherwise specified in this Contract or the exhibits hereto, the effective indirect cost rate shall be at a rate of zero percent (0.00%) per annum.

Sec. 204. Method of Payment and Disbursements. The Contractor must submit properly executed invoices and requests for payment to HOST. The City agrees to establish a payment procedure that will provide funds in a timely and regular manner. When disbursing funds for construction, the City may withhold the final ten percent (10%) of the money made available under the Agreement pending final payment. The Contractor agrees to disburse funds within seventy-two (72) hours of receiving payment from the City.

Sec. 205. Travel Expenses. Reimbursement for travel and related subsistence, local mileage and parking, is limited to those costs and amounts for which the City reimburses City employees for official travel. First class air-fare is not allowable. Any travel outside of the Denver metropolitan area must be specifically authorized in advance by the City.

Sec. 206. Designation of Depository. The Contractor shall designate a commercial bank which is a member of the Federal Deposit Insurance Corporation (“FDIC”) for deposit of funds under this Agreement. Any balance deposited in excess of FDIC insurance coverage must be collaterally secured. The Contractor is encouraged to use minority or female-owned banks.

Sec. 207. Refunds. The Contractor agrees to refund to the City any payment or portions of payments which HUD and/or the City determine were not properly due to the Contractor.

ARTICLE III

CONSTRUCTION CONTRACTS AND LABOR STANDARDS

Sec. 301. Lead-Based Paint Hazards. The construction or rehabilitation of residential structures with assistance provided under this Agreement is subject to the HUD Lead-Based Paint Regulations, 24 C.F.R. 92.355. The Contractor is responsible for the inspections and certifications required.

Sec. 302. Davis-Bacon Act. Except for the construction or rehabilitation of residential property that contains less than twelve (12) HOME units, the Contractor and all subcontractors hired under contracts for more than \$2,000.00 for the construction or repair of any building or work financed in whole or in part with assistance provided under this Agreement, shall comply with the Davis-Bacon Act, 40 U.S.C. 276a to 276a-5, and applicable regulations of the Department of Labor under 29 C.F.R. Part 5, requiring the payment of wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor. The current Davis-Bacon wage rate schedule must be included in all bid and contract documents, as well as the “Federal Labor Standards Provisions,” Form HUD-4010.

Sec. 303. Contract Work Hours and Safety Standards Act. All federally assisted construction contracts of more than \$2,000.00 and all other contracts employing mechanics or laborers of more than \$2,500.00 must comply with the Contract Work Hours and Safety Standards Act of 1962 (40 U.S.C. 327, *et seq.*) and Department of Labor regulations (29 C.F.R. 5), requiring

that wages be paid at not less than one and one-half times the basic wage rates for all hours worked in excess of forty in a work week. No mechanic or laborer shall be required to work under conditions which are unsanitary, hazardous or dangerous to health and safety.

Sec. 304. Anti-Kickback Act. If this Agreement involves construction or repair, then it is subject to the Copeland “Anti-Kickback” Act of 1934 (40 U.S.C. 276c) and Department of Labor regulations (29 C.F.R. Part 5), prohibiting and prescribing penalties for “kickbacks” of wages. Wages must be paid at least once a week in accordance with the requirements of 29 C.F.R. 5.5.

Sec. 305. Equal Employment Opportunity Under Executive Order No. 11246, as Amended. If this Agreement involves a federally assisted construction project in excess of \$10,000.00 then it is subject to Executive Order No. 11246, as amended by Executive Orders 11375 and 12086, HUD regulations at 24 C.F.R. Part 130, and the Department of Labor Regulations at 41 C.F.R. Chapter 60.

The Contractor agrees that it will be bound by the equal opportunity clause set forth below and other provisions of 41 C.F.R. Chapter 60, with respect to its own employment practices when it participates in federally assisted construction work, provided that if the Contractor so participating is a State or local government, the equal opportunity clause set forth below is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Agreement.

The Contractor agrees that it will incorporate into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained pursuant to this Agreement, the following equal opportunity clause:

“During the performance of this Agreement, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all employment is without regard to race, color, religion, sex or national origin.

(3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement, or other contract or understanding, a notice to be provided by the Contract Compliance Officer advising the said labor union or workers' representatives of the Contractor's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and the rules, regulations and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the Department and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations or orders, this Agreement may be cancelled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contract procedures authorized in Executive Order No. 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions or paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The subcontract or purchase orders shall include such terms and conditions as the Department may direct as a means of enforcing such provisions including sanctions for non-compliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

The Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work; provided, that if the Contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government, which does not participate in work on or under the Agreement.

The Contractor agrees that it will assist and cooperate actively with the Department and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations and relevant orders of the Secretary of Labor; that it will furnish the Department and the Secretary of Labor such information as they may require for the supervision of such compliance; and that it will otherwise assist the Department in and the discharge of its primary responsibility for securing compliance.

The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order No. 11246 of September 24, 1965, with a contractor debarred from or who has not demonstrated eligibility for Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontracts by the Department or the Secretary of Labor pursuant to Part II, Subpart D, of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with the requirements contained herein, the City may take any or all of the following actions: Cancel, terminate or suspend, in whole or in part this grant, contract, agreement or loan; refrain from extending any further assistance to the Contractor under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from such Contractor; and refer the case to the Department of Justice for appropriate legal proceedings.”
