

**Amendment to CR15-0933 concerning
An agreement with Costco Wholesale Corporation**

Councilmember Brooks

December 21, 2015

Councilmembers,

I move to amend **CR15-0933** as follows:

- 1) On page 1, line 13, strike “**No. 201524655-**” and replace with “**No. 201525975-**”.

PURPOSE OF THE AMENDMENT

The proposed amendment changes the contract number for Council Resolution 933. The updated contract corrects the date Costco can begin petitioning for funds and extends the maturity date so that the Contract will terminate after the last date Costco can request funds. The change does not affect any substantive portions of the resolution.
