5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved

a. Scope of Work

6. General description of proposed ordinance including contract scope of work if applicable: The city has several non-grant special revenue funds that are no longer being used and that have a zero cash balance. Some of these supported programs or projects that were completed years ago, or the activities were transferred to another fund— however, because they were created by ordinance, they need to be closed by ordinance. While some may have budget balances, they do not have cash.
