2.2 **DDE Event Date.** Except as otherwise agreed in writing in accordance with this Section 2.2, the DDE Event will run for approximately sixty (60) days with approximately fifteen (15) days for Load-In and fifteen (15) days for Load-Out.

(a) The DDE Event for the winter of 2010-2011 shall take place from **November 15, 2010** through **February 15, 2011**, subject to modification as mutually agreed by the Manager and DDE in writing (“**DDE Event Date**”). The DDE Event Date shall include the necessary period for Load-In and Load-Out (see Section 2.4).

(b) The City agrees to reserve the DDE Event Date for the DDE Event Site (see Section 2.3) during the Term of this Agreement (see Section 7.1) unless the DDE Event Date is modified as provided in this Section 2.2. Any modification of DDE Event Date approved by the Manager shall be subject to terms and conditions the Manager deems necessary to accommodate and protect the rights of other scheduled permitted events in or near the DDE Event Site, and approval of any modification may be withheld until DDE cures any uncured Default by DDE (see Section 8.1) under this Agreement.

(c) There is no requirement that DDE present Permitted Activities (see Section 3.1) on each and every day during the DDE Event Date, but DDE shall provide prior written notification to the Manager if DDE intends not to present all or certain Permitted Activities or anticipates not being able to present all or certain Permitted Activities for reasons other than Force Majeure (see Section 1.17) for five (5) or more days during the DDE Event Date.

(d) The hours for public admission to the DDE Event Site for each day of an DDE Event shall be restricted to 6:00 a.m. through 11:00 p.m. during the DDE Event Date unless otherwise approved in writing and in advance by the Manager. Maintenance crews and watchmen and other security assigned to the DDE’s property situated in the DDE Event Site are allowed to be on site in the park during Parks Curfew (see Section 1.25) for that purpose.

2.3 **DDE Event Site.** Except as otherwise agreed in writing in accordance with this Section 2.3, the DDE Event will be held, during the Term of this Agreement (see Section 7.1), in Block 2 of Skyline Park (“**DDE Event Site**”).

(a) The specific location of the DDE Event Site within Skyline Park shall be as depicted in the drawing contained in Exhibit A attached hereto and incorporated herein by reference, subject to modification through a revised drawing as mutually agreed in writing by the Manager and DDE.

(b) Any modification of DDE Event Sites shall be subject to terms and conditions the Manager deems necessary to accommodate and protect the rights of other scheduled permitted events in or near the DDE Event Sites, and approval of any modification

may be withheld until DDE cures any uncured Default by DDE (see Section 8.1) under this Agreement.

2.4 Load-In and Load-Out. The dates and locations for delivering supplies, materials, and equipment on site and setting up for the DDE Event (“Load-In”) along with the dates and locations for dismantling, removing supplies, materials, and equipment, and cleaning up following the DDE Event Date (“Load-Out”), including access to and use of the DDE Event Site and the surrounding park during Load-In and Load-Out, shall be as prescribed in the Set Up Plan (see Section 12.3). Load-in and Load-Out may occur during Parks Curfew provided that prior written permission is obtained from the City Liaison (see Section 6.1(a)). All dates, times and locations for Load-In and Load-Out must reasonably accommodate, and protect the rights of, other scheduled permitted events in or near the DDE Event Site.

3. AUTHORIZATION.

3.1 Permit & Permitted Activities. By this Agreement, the City grants a permit to DDE for the right to install, operate and maintain a skating rink, related equipment and associated amenities, to conduct the DDE Event at the DDE Event Site during the DDE Event Date, to perform Load-In and Load-Out, and to engage in the activities and uses specified in this Article 3 (“Permitted Activities”) subject to the submittal and approval of the plans specified in Article 12 (collectively, the “DDE Event Permit”). No other permit otherwise issued by the Denver Department of Parks and Recreation shall be required. The DDE Event Permit is granted on the condition that DDE fully and faithfully performs all obligations specified in this Agreement. For the purposes of, and subject to, the DDE Event Permit, DDE shall assume possession and control of the DDE Event Site as of the date Load-In activities are authorized to start at the DDE Event Site subject to the City’s right to perform its services under Section 6.1 and take such actions as required by law.

3.2 Public Use. Access to and use of the skating rink shall be free to the public except for such sales and services as authorized in this Article 3. DDE shall regulate the public access and use to assure compliance with all occupancy and safety restrictions under Applicable Law. DDE may occasionally stage tournaments, fundraisers and other special activities where public access and use may be limited.

3.3 Concession. The DDE Event Permit includes the exclusive right of DDE to sell and serve, or contract with a Subcontractor to sell and serve, food, beverages and merchandise related to the DDE Event within the DDE Event Site during DDE Event Date (“Concession”). This “exclusive” right shall not limit the authority of the City to permit other concessions or privileges to sell and serve food, beverages and merchandise within Skyline Park but outside of the DDE Event Site. The sale of alcohol beverages of any kind is strictly prohibited in the DDE Event Site, and the service and consumption of alcohol beverages shall be prohibited in the DDE Event Site except as provided in Section 3.4. The DDE Event Permit shall be conditional on DDE conducting the Concession in accordance with the Concession Plan (see Section 12.7) and DDE or its Subcontractor obtaining and complying with all necessary permits and licenses required for such Concession, such as sales tax licenses, health and safety permits, and whatever other authorizations may be required for the Concession by Applicable Law. The Concession’s sales shall be conducted within an enclosed or partially enclosed tent or canopy structure of such

dimensions and at such location as depicted for the DDE Event in the Concession Plan (“**Concession Site**”). The secure storage for food and beverages is allowed outside of the Concession Site but within the DDE Event Site at a location depicted in the Concession Plan. The consumption of food and beverages may occur anywhere within the DDE Event Site except on the ice area of the skating rink. No glass bottles or containers are allowed with the service of food or beverages.

3.4 Service of Permitted Alcohol at the DDE Event Site.

(a) DDE shall have the right to engage in the service, but not the sale, of beer, wine, and hard liquor served as mixed drinks in a prepackaged or premixed form only for tournaments, fundraisers and other special activities (“**Permitted Alcohol**”). Otherwise, the sale and service of alcohol beverages of any kind at the DDE Event are strictly prohibited.

(b) The right of DDE to engage in the service of Permitted Alcohol to the public within the DDE Event Site shall be subject to DDE obtaining and complying with all relevant permits and approvals issued in accordance with Applicable Law and acting in accordance with this Section 3.4.

(c) DDE may enter into a separate agreement with a properly qualified Subcontractor to manage and operate service of Permitted Alcohol within the DDE Event Site during the DDE Event Date. DDE shall be responsible for monitoring the activities of its Subcontractor with respect to the service of Permitted Alcohol at the DDE Event and assuring compliance by the Subcontractor with Applicable Law.

(d) No service or consumption of Permitted Alcohol shall be allowed outside of the designated DDE Event Site, and DDE shall provide the security necessary to assure that the public complies with this restriction.

(e) DDE shall, or require its Subcontractor to, obtain and maintain liquor liability insurance for the service of Permitted Alcohol during the DDE Event (see Section 10.9).

3.5 Advertising, Sponsorship and Signage. The DDE Event Permit includes the right to permit and sell temporary advertising and sponsorship rights and install temporary signage related to the DDE Event during the DDE Event Date and within the DDE Event Site and such other locations as approved in advance and in writing by the Manager and in accordance with Applicable Law and the approved Sign Plan under Section 12.4. All advertising and other signage must be promptly removed at the end of the DDE Event. DDE agrees and covenants that, with respect to the DDE Event, DDE shall not permit any sponsorship, advertising, promotional products, and marketing materials in the DDE Event Site or associated with the DDE Event for the sale or promotion of any of the following: (i) firearms; (ii) fireworks; (iii) pornography; and (iv) tobacco. DDE shall provide, upon request, copies of any sponsorship agreements DDE enters.

3.6 Equipment Rental. The DDE Event Permit includes the right to engage in the rental of skates, skating equipment, and other equipment, materials or supplies appropriate to the public’s use of the skating rink.

4. **FEES AND DAMAGE DEPOSIT.**

4.1 **Fees.** In consideration of DDE offering the DDE Event free to the public, no fees typically charged by Parks and Recreation under section 39-121, DRMC, shall be charged to DDE. This waiver shall not be applicable to fee and charges imposed and collected by other City departments.

4.2 **Damage Deposit.** DDE agrees to deposit with the City no later than fifteen (15) calendar days prior to the first day of Load-In a damage deposit in the amount of five thousand dollars (\$5,000.00) ("**Damage Deposit**"). The Damage Deposit is intended to assure that the DDE Event Site and surrounding property is properly and timely cleaned up of all waste, stains, litter and debris and that all damages within or near the DDE Event Site resulting from or associated with the DDE Event are paid for, either by adequate and timely repairs or by timely replacement of damaged items with items of equal or better quality. DDE agrees to perform all clean-up, repairs, and replacement without requiring the City to resort to claiming the Damage Deposit. Should DDE fail to perform as specified herein by the end of last day of the Load-Out, the City shall be entitled to retain such portions of the Damage Deposit as reasonably necessary to perform the clean-up, repairs, and replacement, and if the City's costs for such work exceed the amount of the Damage Deposit, the City shall not be limited by the Damage Deposit in its claim for actual damages. If the City has no claim against the Damage Deposit, the Damage Deposit shall be returned to DDE within thirty (30) calendar days following the last day of Load-Out, or if the entire amount of the Damage Deposit is not required for the City to perform clean-up, repairs, or replacement, the remaining portion of the Damage Deposit shall be returned to DDE within sixty (60) calendar days following the last day of Load-Out.

4.3 **Walk-Through Inspections and Records.** DDE shall appoint a representative authorized to act on behalf of DDE with respect to the duties and actions under this **Section 4.3.** The DDE representative and the City Liaison (see **Section 6.1(a)**) or other representative of the City designated by the Manager shall arrange times for walk-throughs on the day before the first day of Load-In and on the last day of Load-Out for any DDE Event. A report of the condition of the DDE Event Site and the surrounding park and adjoining right of way (if any) before and after the DDE Event and Load-In and Load-Out, including contemporaneous pictures, shall be prepared and signed by both representatives. This report shall provide the basis for determining what clean-up, repairs and replacements are appropriate for DDE to perform or the City to seek reimbursement from the Damage Deposit under **Section 4.2.** In the event there is a dispute as to what clean-up, repairs and replacements are appropriate under **Sections 4.2,** the City and DDE may seek the opinion of an impartial but qualified third party to mediate the dispute. If that mediation should not resolve the dispute, the City and/or DDE may seek judicial recourse as provided in this Agreement.

4.4 **Payment Method.** The Damage Deposit shall be tendered by check made out to the Denver Manager of Finance and delivered to the Finance and Administration Division, Department of Parks and Recreation, 201 West Colfax, Department 602, Denver, Colorado 80202. The DDE Event Permit shall not be deemed to be in effect until the Damage Deposit has been submitted as required herein.

5. **DDE RESPONSIBILITIES.**

5.1 General. DDE shall be responsible for organizing, producing and holding the DDE Event and for the payment of all costs and expenses related thereto.

5.2 DDE Services. Except as expressly provided in Article 6, any service or action which is to be performed or taken in connection with the DDE Event shall be the responsibility of DDE. Without limiting and in furtherance of the foregoing, DDE shall be responsible, either directly or through its Subcontractor(s), for providing the following services related to or are associated with the DDE Event, in accordance with the approved Plans under Article 12 (“**DDE Services**”):

- (a) Promotion of the DDE Event, including advertising, sponsorships, and marketing;

- (g) Providing public access to toilets and water supplies necessary for the operation of the DDE Event;

- (i) Providing such security, public safety, crowd control, fire protection, and emergency medical services for the DDE Event and during Load-In and Load-Out;
- (j) Repair and/or replacement of any damaged real or personal property owned or leased by the City within or in the vicinity of the DDE Event Site and the Load-In and

Load-Out area, which damage was the result of or associated with the acts or omissions of DDE and/or its Subcontractor(s) with respect to the DDE Event; and

(k) Providing such other services, including guest services, as DDE shall deem desirable in conducting the DDE Event so long as the services support or directly relate to the Permitted Activities.

5.3 Costs and Expenses. Any cost or expense incurred by DDE in connection with the DDE Event shall be the responsibility of and paid by DDE, and shall be paid in a timely manner with documented evidence of such payment being provided to the City Liaison upon written request, including but not limited to the following:

- (a) Costs and expenses of performing DDE's Services and other obligations hereunder;
- (b) Charges and fees imposed by the City as provided in this Agreement; and
- (c) Costs associated with any necessary sidewalk, street or public lane closures; and
- (d) Costs associated with required police, fire, and medical services provided for the DDE Event.

5.4 Electrical Service and Water Supply.

(a) DDE shall have access to the existing electrical panel in Skyline Park and, at its own expense, DDE shall arrange for electrical connection to the electrical panel and for sub-metering all electrical usage for the DDE Event. DDE shall reimburse the City for the costs of electricity for the DDE Event provided through the electrical panel. If DDE has to provide some portion the required electrical needs for the DDE Event through generators or other electrical connections provided by DDE at its expense, they must be installed and operated in a manner so that they do not damage, or impact or impede the public use of, the park or the streets.

(b) At its own expense, DDE shall arrange for and supply water from existing water line outlets, including fire hydrants, in and near the DDE Event Site to provide a water supply for the purposes of the DDE Event.

(c) DDE hereby expressly waives any and all claims for compensation from the City and the Denver Water Board for any and all loss or damage sustained by reason of any defect, deficiency, failure or impairment of the water supply system, drainage system, or electrical system on, near or otherwise related to the DDE Event Site.

5.5 Reimbursement Obligations. From time to time, the Parties may mutually agree that the City will perform on behalf of DDE certain of DDE's services or provide other services requested by DDE which the Parties mutually agree that the City provide. DDE shall pay and/or reimburse the City, as mutually agreed upon, for performing such services.

5.6 Duty of Care. While exercising the rights granted herein, DDE shall use and occupy the DDE Event Site and the areas for Load-In and Load-Out in a safe and careful manner, follow all plans approved under Article 12, and shall comply with all Applicable Law. DDE shall not do any act or willfully suffer any act to be done during the Term of this Agreement that will in any way permanently damage any part of the park or other City-owned property or cause personal injury to, or damage the property of, attendees of the DDE Event, citizens utilizing the surrounding park or other City-owned property, or City employees.

5.7 Utility Locate. Prior to engaging in any earth-disturbing activity in or near the DDE Event Sites, DDE shall be responsible for arranging for utility locations, at its sole expense and in accordance with Applicable Law. DDE shall be liable for failure to comply with Applicable Law with respect to digging activities in or near utility locations.

The City agrees that during the term of this Agreement, it will act in good faith to assist DDE in obtaining permits and licenses necessary for DDE to take reasonable advantage of its rights under this Agreement; provided, however, that the assistance offered to DDE with respect to permitting and licensing does not constitute a waiver, limitation or restriction of the City's police and taxing powers.

7. **TERM, TERMINATION AND CANCELLATION**

7.1 **Term.** The term of this Agreement will commence on the Effective Date and expire on April 15, 2011 (the "**Term**"), unless sooner terminated in accordance with the terms of this Agreement, including without limitation those provisions set forth in Article 8 herein.

7.2 Termination for Convenience; Mutual Termination.

(b) This Agreement may be terminated at any time upon the written mutual agreement of DDE and the Manager.

7.3 Termination Due to Default. The City may, at its election, terminate this Agreement if DDE fails to cure a material breach or default as provided under Section 8.1 ("**Default by DDE**"). DDE may, at its election, terminate this Agreement if the City fails to cure a material breach or default by the City as provided under Section 8.2 ("**Default by City**"). Notice of termination under this Section 7.3 shall be sent to the defaulting or breaching Party as provided in Section 17.8.

7.4 Termination/Cancellation Due to Force Majeure. If the holding of the DDE Event, in whole or part, is not possible or if an DDE Event Site is damaged due to Force Majeure (see Section 1.17), the City and DDE are each hereby released from any damage so caused to the other party thereby, and the DDE Event scheduled may be cancelled or the DDE Event Date reduced in number of days, as warranted due to the Force Majeure. Either Party may elect to exercise this termination or cancellation upon written notice to other Party along with a statement as to the specific Force Majeure causing the termination or cancellation.

8. **DEFAULT AND REMEDIES**

8.1 Default by DDE. The following shall constitute a "**Default by DDE**" under this Agreement:

(a) A failure to timely deliver the Damage Deposit due under Section 4, and such failure is not cured within five (5) business days after written notice thereof;

(b) A failure to secure or maintain insurance as required under Article 10, if not cured within ten (10) business days of written notice but no later than five (5) business days prior to the start of the DDE Event;

(c) Any material violation of a requirement or specification contain in a Plan approved under Article 12, if not cured within ten (10) business days of written notice but no

(d) Any assignment of DDE's rights and obligations under this Agreement in violation of Section 17.5 (this is not curable);

(e) A material breach or default (other than relating to payments, insurance, Article 12 Plans, and assignment) by DDE under the Agreement or the occurrence of the events listed in items (f) through (i) of this Section 8.1 and, if curable, such breach or default is not cured by DDE within ten (10) business days after written notice thereof; provided, however, that if a curable breach cannot be reasonably cured during such ten (10) day period but DDE commences in good faith to make a timely effort to cure within said ten (10) day period, then the time for cure may be extended for such period of time mutually agreed by the Parties but, if there is no mutual agreement, no longer than twenty (20) calendar days after the original written notice of default; provided, further, that a material breach or default cannot be cured by the cure period extending beyond the end of the DDE Event Date and Load-Out;

(f) If DDE makes a general assignment for the benefit of creditors, or files for bankruptcy, reorganization or similar proceedings;

(g) A bankruptcy, reorganization or similar proceeding is filed by or against DDE and, if filed against DDE, is not vacated or discharged within forty-five (45) days after such filing;

(h) A receiver or trustee is appointed for all or any part of DDE's assets; or

(i) DDE or any of its officers are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty, or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature, in connection with DDE's business.

8.5 Non-Waiver. No Party shall be excused from complying with any provision of this Agreement by the failure of the other Party to insist upon or to seek compliance. No assent, expressed or implied, to any failure by a Party to comply with a provision of this Agreement shall be deemed or taken to be a waiver of any other failure to comply by said Party.

Unless otherwise specifically provided to the contrary, all decisions, approvals or consents shall be made in the reasonable discretion of the party making the same. Further, unless a specific time frame is provided herein, any approval or consent shall not be unreasonably withheld or delayed. Whenever under this Agreement "reasonableness" is the standard for the granting or denial of the consent or approval of either party hereto, such party shall be entitled to consider public and governmental policy, moral and ethical standards as well as business and economic considerations.

(f) Severability. It is understood and agreed by the Parties that if any part, term, or provision of this Agreement is held by a court of law (following all legal rights of appeal or the expiration of time therefore) to be illegal or in conflict with any law of the State of Colorado or the City Charter or City ordinance, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid; provided, however, if the invalidated term was a critical or material consideration of either Party in entering this Agreement, the Parties shall work together, in good faith, to come up with an amendment to this Agreement that substantially satisfies the previously intended consideration while being in compliance with any Applicable Law and the judgment of the court.

17.10 Agreement as Complete Integration; Amendments. This Agreement is intended as the complete integration of all understandings between the Parties pertaining to the subject matter of this Agreement. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect whatsoever, unless embodied herein in writing. No subsequent novation, renewal, addition, deletion or any other amendment hereto shall have any force or effect unless embodied in a written amendatory or other Agreement properly executed by the Parties. This Agreement and any amendments shall be binding upon the Parties, their successors and assigns.

17.11 Final Approval. This Agreement is expressly subject to and shall not be or become effective or binding on the City until approval by the City Council and fully executed by all signatures of the City and County of Denver.

17.12 Counterparts. This Agreement shall be executed in two (2) or more counterparts, each of which shall be deemed to be an original but all of which shall together constitute one and the same instrument.
