October 31, 2022

Madame President: I move that the Mayor's Proposed 2023 Budget be amended in the following particulars:

1. On page 717, in the section titled Denver Police Department, Appropriation 3510000, reduce the 2023 recommended Total General Fund expenditures by \$40,000,000.
2. On page 529, in the section titled Department of Housing Stability, in the line titled "Department of Housing Stability," Appropriation 0144000, increase the 2023 recommended total program expenditures column by \$40,000,000.
3. Make other appropriate adjustments to comments, tables, schedules, and figures in the Mayor's Proposed 2023 Budget as may be required to reflect the actions directed in this amendment.

Explanation: The City needs to dramatically increase the amount of housing options for people earning 0-40% AMI. This amendment would provide funding to acquire hotels for transitional and supportive housing for this income bracket.
