

EXECUTIVE SUMMARY – *Denver – dba MCITPMCTS Computer & Limousine Services, S-Corp*

Background:

In January 2022, Denver Arts & Venues (DAV) submitted a request to enable *Denver – dba MCITP/MCTS Computer & Limousine Services, S-Corp* (Denver-DBA) at Red Rocks Amphitheatre to allow for an additional 12 (twelve) months.

Contracting with Denver-DBA for an additional 12 (twelve) months, starting April 1, 2022 through March 31, 2023, is the most efficient means of operation since they have done previous work and provide project continuity. In the interim of this allowable extension, a Request for Proposal bidding process will be conducted to allow for a proper review of alternate providers.

Current Request:

DAV is seeking City Council approval of an ordinance that will authorize Denver Arts & Venues to extend an existing Agreement with Denver-DBA for 12 (twelve) months, taking the original Agreement past the typical allowable 5 (five) year maximum and adding \$125,000 to the allowable spend.

- The agreement will allow for continued operations for Red Rocks patrons to be provided needed transportation to and from parking areas around the amphitheater
- Denver-DBA is a certified SBE, MWBE, and DBE business and current rates will apply
- The vendor lost all business for the calendar year in 2020 due to the pandemic
