5. **General description or background of proposed request. Attach executive summary if more space needed:**
(who, what, why)

This contract amendment is to add \$2,242,346.66, and to modify the scope of the common use hardware and software support services to include coverage for the hardware and software in Concourses A and C, in addition to the equipment in the Great Hall at Denver International Airport

Approving this contract is necessary because the footprint of Common Use continues to expand as DEN adds more airlines. In alignment with Vision 100 and to ensure we can continue to maintain what we have and expand our global connections; the contract must account for the additional growth.

6. **City Attorney assigned to this request (if applicable):** Kevin Cain
