- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
 - a. Scope of Work**

The proposed ordinance is to renew the maintenance and support contract for the proprietary application software Jail Management System and its interfaces that supports the offender management services for Denver Sherriff Department. Through the maintenance and support contract the City receives regular updates to the software and receives support from the vendor.
 - b. Duration**

01/01/14 to 12/31/14
 - c. Location**

citywide
 - d. Affected Council District**

n/a
 - e. Benefits**

Jail Management Software along with its interfaces with other systems is used by the Denver Sherriff Department for managing offender records when the offenders are arrested and housed in the correctional facilities.
The maintenance contract for the software applications and related interfaces is essential to support proper functioning of the software and receiving support.
 - f. Costs**

\$209,332.00

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.

No.
