15 Services) of Chapter 28 (Human Rights) of the DRMC. The failure to comply with any such provision
16 shall be a proper basis for revocation of the Encroachment(s).

17 (n) The right to revoke the Permit at any time for any reason and require the removal of
18 the Encroachment(s) is expressly reserved to the City.

19 (o) By Permittee's use of this Permit and the Encroachment Area, Permittee agrees to the
20 following:

21 i. Permittee agrees to defend, indemnify, reimburse and hold harmless City, its
22 appointed and elected officials, agents and employees for, from and against all liabilities, claims,

26 passive or active, irrespective of fault, including City's negligence whether active or passive.

27 ii. Permittee's duty to defend and indemnify City shall arise at the time written notice
28 of the Claim is first provided to City regardless of whether claimant has filed suit on the Claim.
29 Permittee's duty to defend and indemnify City shall arise even if City is the only party sued by
30 claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of
31 claimant's damages.

32 iii. Permittee will defend any and all Claims which may be brought or threatened
33 against City and will pay on behalf of City any expenses incurred by reason of such Claims including,

1 but not limited to, court costs and attorney fees incurred in defending and investigating such Claims
2 or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition
3 to any other legal remedies available to City and shall not be considered City's exclusive remedy.

4 iv. Insurance coverage requirements specified in this Encroachment Permit shall in no
5 way lessen or limit the liability of Permittee under the terms of this indemnification obligation.
6 Permittee shall obtain, at its own expense, any additional insurance that it deems necessary for the
7 City's protection.

8 v. This defense and indemnification obligation shall survive the expiration or
9 termination of this Permit.

10 (p) Pursuant to Chapter 49 of the DRMC, DOTI is authorized to remove or to order the
11 removal of any article, vehicle, object or thing whatsoever encroaching into any street, alley,
12 Sidewalk, or other public way or place.

13 (q) No third party, person or agency, except for an authorized Special District, may place
14 the Encroachment(s) in front of a property without written permission of the adjacent property owner.

15 (r) Permittee's use of the ROW for placement of the Encroachment(s) does not create a
16 property right or ownership interest of any kind in the Encroachment Area to the Permittee.

17 (s) All Encroachment(s) in Amenity Zones containing existing Public Trees and/or with the
18 potential to impact tree roots or tree canopy must be pre-approved by the Office of the City Forester
19 (OCF), by contacting them at forestry@denvergov.org or 720-913-0651. Encroachment(s) cannot
20 be attached to or damage any Public Tree, and any damage shall be reported to the OCF
21 immediately for mitigation. All trenching, excavation and grading activities within the Dripline of any
22 Public Tree must be pre-approved by the OCF. City permits are required for the planting or removal
23 of any Public Trees and can be obtained by emailing forestry@denvergov.org.

24 (t) All disturbances associated with construction of the Encroachment(s) shall be
25 managed as required by City standards for erosion control which may require standard notes or
26 CASDP permitting depending on location and scope of project.

27 (u) Encroachment(s) proposed adjacent to a designated park or within a dedicated
28 parkway shall require the City's Department of Parks and Recreation approval prior to installation.

29 (v) Encroachment(s) attached to a building may require building and/or zoning permits
30 from the City's Department of Community Planning and Development.

31 (w) Encroachment(s) in the regulatory floodplain shall require a SUDP and comply with
32 Chapter 4 Floodplain Regulations of the "Storm Drainage Design and Technical Criteria", Chapter
33 12 Floodplain Management of the "DOTI Rules and Regulations Governing Sewerage Charges and

1 Fees and Management of Wastewater” and the City Floodplain Ordinance in DRMC Section 56-200
2 through 56-206. Above ground Encroachment(s) in a Floodway require a No-Rise Certification
3 sealed and signed by a Professional Engineer licensed in the State of Colorado. If there is any rise
4 in Base Flood Elevations, a Conditional Letter of Map Revision (CLOMR) and LOMR will be required.

5 (x) Only clean soil may be brought onto an Encroachment Area. Verification of soil quality
6 must be provided if requested. Material removed from an Encroachment Area must be properly
7 disposed and is the responsibility of the Permittee.

8 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council
9 of the City and County of Denver shall determine that the public convenience and necessity or the
10 public health, safety or general welfare require such revocation, and the right to revoke the same is
11 hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council
12 action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its
13 successors and assigns, to be present at a hearing to be conducted by the City Council upon such
14 matters and thereat to present its views and opinions thereof and to present for consideration action
15 or actions alternative to the revocation of such Permit.
