As part of the Mayor's initiative to expand housing vouchers and day shelter services, the Department of Housing Stability (HOST) is looking to create new partnerships with philanthropic, nonprofit and service provider communities. The Colorado Health Foundation is awarding this grant to HOST under the following expected intermediate milestones:

- HOST to secure \$500,000 in matching funds from the business community
- Provide 400 bridge housing vouchers for hardest to shelter residents
- Provide increased case management services and supports for people experiencing homelessness
- Provide expanded options for day shelter for people experiencing homelessness
- Report on all evaluation findings, including the number of individuals reached by this initiative and the human impacts of the strategy
- Report on plans for program scalability and sustainability

This three-year \$1,500,000 grant is intended to serve a total of 400 households and expand options for day shelter services.
