

**MEMORANDUM**

**TO:** Members of City Council

**FROM:** General Services Contracts Office

**DATE:** June 29, 2022

**SUBJECT:** Department of General Services – Waste Management of Colorado, Inc. GENRL-202263556-03 [GENRL-201842725-03] Third Amendatory Agreement

**Purpose of Amendment**

The purpose of this amendment is to extend the contract end date to July 31, 2023. All other terms and condition will remain the same.

**Contract Description**

Waste Management of Colorado, Inc. (Waste Management) provides trash removal and disposal services at various Citywide facilities, excluding Denver International Airport. Trash is collected in commercial size trash compactors, large roll off type dumpsters and other large capacity enclosures. The services provide by Waste Management have historically been provided by a third-party vendor. Due to the lack of proper commercial equipment to remove trash from 30-yard compactors and varied sized roll-off dumpsters, the City’s in-house Solid Waste Management is unable to service the city owned buildings. In addition, Solid Waste emphasis is solely concentrated on residential service.

**Service Locations**

Services are provided at the following City owned/operated facilities. However, additional service locations are added on a as needed basis as the need for services is identified by City Facility Managers.
