2. TERM: The Agreement will commence on July 1, 2013 and will expire on June 30, 2014 (the "Term"). Subject to the Director's prior written authorization, the Contractor shall complete any work in progress as of the expiration date and the Term of the Agreement will extend until the work is completed or earlier terminated by the Director.

3. COORDINATION AND LIAISON: The Contractor will fully coordinate all services under the Agreement with the Director of Workforce Development, Office of Economic Development (the "Director" and the "Agency" respectively), or the Director's Designee.

4. SERVICES TO BE PROVIDED:

A. At the direction of the Director, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth on **Exhibit A, the Contractor's Work Statement (the "Services")**, to the City's satisfaction.

B. The Contractor is ready, willing, and able to provide the services required by this Agreement.

C. The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in the Agreement and in accordance with the terms of the Agreement.

5. COMPENSATION AND METHOD OF PAYMENT:

A. Budget: The City shall pay and the Contractor shall accept as the sole compensation for services rendered and costs incurred under the Agreement in accordance with the budget contained in **Exhibit B**.

B. Reimbursable Expenses: Except as set forth on **Exhibit B**, there are no reimbursable expenses allowed under the Agreement.

C. Invoices: Contractor shall provide the City with periodic invoices in a format and with a level of detail acceptable to the City in accordance with **Exhibit B**. The amounts invoiced by Contractor will be payable upon receipt and acceptance of designated work product as set forth herein and as fully documented by Contractor's periodic invoice. Funds payable by the City hereunder shall be distributed to the Contractor on a reimbursement basis only, for work performed during the prior month. Invoices submitted for services rendered that are submitted after such deadline are considered to be untimely, and must be submitted separately to be considered for payment. Payment for such late-submitted invoices shall be made only upon a showing of good cause for the late submission. Contractor's invoices will set forth the methodology used to determine costs for services invoiced. The City will have the right to dispute, and withhold payment for, any invoice that does not contain a sufficient statement of Contractor's methodology used to determine costs for services invoiced.

D. Budget modifications: Budget line items may only be modified by the written approval of the Director or the Director's designee, if in the sole judgment of the Director or the Director's designee such modification is reasonable and appropriate. However, such budget modifications will not alter the Maximum Contract Amount. Any modification to **Exhibit A** or **Exhibit B** shall not take effect until approved in writing. Any modification to **Exhibit A and/or B** agreed to by the parties that requires an increase in the Maximum Contract Amount shall be evidenced by a written Amendatory Agreement prepared and executed by both parties in the same manner as this Agreement.

E. Maximum Contract Amount:

(1) Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed Seven Hundred Sixty-Six Thousand and Seven Hundred Ninety-Two 00/100 Dollars (\$766,792.00) (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at Contractor's risk and without authorization under the Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to Federal Funds received and budgeted for the Program, appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by the Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

F. Recovery of incorrect payments: The City has the right to recover from the Contractor any and all incorrect payments issued to the Contractor due to any omission, error, fraud, and/or defalcation including but not limited to applying a deduction from subsequent payments under this Agreement or other means of recovery by the City as a debt due to the City or otherwise as provided by law. If, as a result of

any audit or program review relating to the performance of the Contractor or its officers, agents or employees under this Agreement, there are any irregularities or deficiencies in any audit or review, then the Contractor will, upon notice from the City, correct all identified irregularities or deficiencies within the time frames designated in the City's written notice. If corrections are not made by such date, then the final resolution of identified deficiencies or disputes shall be deemed to be resolved in the City's favor unless the Contractor obtains a resolution in its favor from the responsible official conducting the audit or review. In any event, the Contractor shall be responsible to indemnify, reimburse, and save harmless the City, its officers, agents and employees, from and against any and all disallowed costs.

G. Additional Program Conditions: If additional conditions are lawfully imposed on the Program and the City by the federal, state, or local law, executive order, rules and regulations, or other written policy instrument, the Contractor will comply with all such additional conditions. If the Contractor is unable or unwilling to accept any such additional conditions concerning the administration of the Program, the City may withhold payment to the Contractor of any unearned funds. If the City withholds payment for this reason, the City shall advise the Contractor and specify the actions that must be taken as a condition precedent to the resumption of payments.

H. Return of unexpended funds: In the event the City determines that the Contractor possesses an unexpended balance of funds from any advance payments made to the Contractor, then all such unexpended advanced funds will be returned to the City within ten (10) days written notice to the Contractor. The City's acceptance of any such amounts shall not constitute a waiver of any claim that the City may otherwise have arising out of this Agreement.

I. Federal Funds contingency: All payments under this Agreement, whether in whole or in part, are subject to and contingent upon the continuing availability of State or Federal Funds for the purposes of the Program. In the event that State or Federal Funds, or any part thereof, are not awarded to the City or are reduced or eliminated by the federal government or the State of Colorado, the City may reduce the total amount of compensation to be paid to the Contractor by revising **Exhibits A and B** or it may terminate this Agreement.

J. No duplication of funds for same services: The monies provided for and received under this Agreement are the only and sole funds received by the Contractor from or through the City and County of Denver for payment of the Services provided under this Agreement. In the event the Contractor shall receive any other monies from or through the City or any other party in order to provide the Services, then the compensation received hereunder may be reduced by such amount or amounts at the sole option of the City. The Contractor shall report promptly, in writing to the Director, all amounts received upon receipt.

6. STATUS OF CONTRACTOR: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of

time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

7. TERMINATION OF AGREEMENT:

A. The City has the right to terminate the Agreement with cause upon written notice effective immediately, and without cause upon twenty (20) days prior written notice to the Contractor. However, nothing herein shall be construed as giving the Contractor the right to perform services under this Agreement beyond the time when such services become unsatisfactory to the Director.

B. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kick backs, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

C. If a Colorado Works Program Memorandum of Understanding executed by the City and the State of Colorado or any subsequent such Memorandum of Understanding is terminated for any reason, the Director may terminate this Agreement effective as of the date of termination of such Memorandum of Understanding.

D. Further, the City may also suspend or terminate this Contract, in whole or in part, if Contractor becomes delinquent on any obligation to the City inclusive of any loan, contractual, and tax obligation as due, or with any rule, regulations, or provisions referred to herein; and the City may declare the Contractor ineligible for any further participation in City funding, in addition to other remedies as provided by law. In the event there is probable cause to believe the Contractor is non-compliant with any applicable rules, laws, regulations, or Contract terms, the City may withhold up to one hundred (100) percent of said Contract funds until such time as the Contractor is found to be in compliance by the City or is otherwise adjudicated to be in compliance, or to exercise the City's rights under any security interest arising hereunder.

E. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

F. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under the Agreement and all other items, materials and documents that have been paid

for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE".

8. EXAMINATION OF RECORDS:

A. Any authorized representative of the City, including the City Auditor or his or her representative, or any authorized representative of the State of Colorado or the federal government will have the right to access and the right to examine any pertinent books, documents, papers and records of the Contractor, involving transactions related to the Agreement until the latter of six (6) years after the final payment under the Agreement or expiration of the applicable statute of limitations whichever is longer.

B. The Contractor will keep true and complete records of all business transactions under this Agreement, will establish and maintain a system of bookkeeping satisfactory to the City's Auditor and give the City's authorized representatives access during reasonable hours to such books and records, except those matters required to be kept confidential by law. The Contractor agrees that it will keep and preserve for at least six (6) years all evidence of business transacted under this Agreement for such period.

C. The Contractor is subject to any and all applicable regulations or guidance of the United States Office of Management and Budget including, but not limited to, all applicable laws, rules, regulations, policy statements, and guidance issued by the Federal Government (including the United States Office of Management and Budget), regarding audit requirements.

9. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

10. INSURANCE:

A. If the Contractor is a "public entity" within the meaning of the Colorado Governmental Immunity Act, §24-10-101, *et seq.*, C.R.S., as amended ("Act"), the Contractor shall maintain insurance, by commercial policy or self-insurance, as is necessary to meet the Contractor's liabilities under the Act. Proof of such insurance shall be provided upon request by the City.

B. If the Contractor is not a "public entity" then, the following general conditions apply:

(1) **General Conditions:** Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-"VIII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

(2) **Proof of Insurance:** Contractor shall provide a copy of this Agreement to its insurance agent or broker. Contractor may not commence services or work relating to the Agreement prior to placement of coverage required under this Agreement. Contractor certifies that the certificate of insurance attached as **Exhibit C**, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

(3) **Additional Insureds:** For Commercial General Liability, Auto Liability and Excess Liability/Umbrella, Contractor and subcontractor's insurer(s) shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

(4) **Waiver of Subrogation:** For all coverages required under this Agreement, Contractor's insurer shall waive subrogation rights against the City.

(5) **Subcontractors and Subconsultants:** All subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. Contractor shall include all such subcontractors as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that all such subcontractors and subconsultants maintain the required coverages. Contractor agrees to provide proof of insurance for all such subcontractors and subconsultants upon request by the City.

(6) **Workers' Compensation/Employer's Liability Insurance:** Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date Contractor executes this Agreement.

(7) **Commercial General Liability:** Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

(8) **Business Automobile Liability:** Contractor shall maintain Business Automobile Liability with limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

(9) **Professional Liability:** Contractor shall maintain professional liability limits of \$1,000,000.00 per claim and \$1,000,000.00 aggregate policy limit.

(10) **Additional Provisions:**

(a) For Commercial General Liability, the policies must provide the following:

- (i) That this Agreement is an Insured Contract under the policy;
- (ii) Defense costs are outside the limits of liability;
- (iii) A severability of interests or separation of insureds provision (no insured vs. insured exclusion); and

- (iv) A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City; and
 - (v) Any exclusion for sexual abuse, molestation or misconduct has been removed or deleted.
- (b) For claims-made coverage:
- (i) The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier
- (c) Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

11. DEFENSE AND INDEMNIFICATION:

A. Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

B. Contractor’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.

C. Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City’s exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

12. TAXES, LATE CHARGES, AND PERMITS: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

13. ASSIGNMENT AND SUBCONTRACTING: The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations under the Agreement or subcontract performance obligations without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and shall be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

Services subcontracted under this Agreement shall be specified by written agreement and shall be subject to each applicable provision of this Agreement and any and all applicable Federal and State Laws with appropriate changes in nomenclature in referring to such subcontract. The Contractor shall submit proposed subcontract agreements to the Director for the Director's review and approval. Such consent of the City obtained as required by this paragraph shall not be construed to constitute a determination of approval of any cost under this Agreement, unless such approval specifically provides that it also constitutes a determination of approval of such cost.

14. INUREMENT: The rights and obligations of the parties to the Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

15. NO THIRD PARTY BENEFICIARY: Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

16. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

17. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

18. CONFLICT OF INTEREST:

A. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement; and the Contractor shall not hire, or contract for services with, any employee or officer of the City in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

B. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest which shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict. The Contractor will have thirty (30) days after the notice is received to eliminate or cure the conflict of interest in a manner which is acceptable to the City.

19. NOTICES: All notices required by the terms of the Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to Contractor at the address first above written, and if to the City at:

Director of Workforce Development or Designee
Office of Economic Development
City and County of Denver
201 West Colfax Avenue, Dept. 1011
Denver, CO 80202

With a copy of any such notice to:

Denver City Attorney's Office
1437 Bannock St., Room 353
Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

20. NO EMPLOYMENT OF ILLEGAL ALIENS TO PERFORM WORK UNDER THE AGREEMENT:

A. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the "Certification Ordinance").

B. The Contractor certifies that:

(1) At the time of its execution of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement.

(2) It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

C. The Contractor also agrees and represents that:

(1) It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(2) It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(3) It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.

(4) It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and that otherwise requires the Contractor to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(5) If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such subconsultant or subcontractor and the City within

three (3) days. The Contractor will also then terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with an illegal alien.

(6) It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S, or the City Auditor, under authority of D.R.M.C. 20-90.3.

D. The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

21. DISPUTES: All disputes between the City and the Contractor arising out of or regarding this Agreement will be resolved by administrative hearing pursuant to the procedure established by Denver Revised Municipal Code, § 56-106(b)-(f). For the purposes of that procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.

22. GOVERNING LAW; VENUE: The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District.

23. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under this Agreement, the Contractor agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, marital status, or physical or mental disability; and the Contractor further agrees to insert the foregoing provision in all subcontracts hereunder.

24. COMPLIANCE WITH APPLICABLE LAWS: The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations, and codes of the United States, State of Colorado, and with the Charter, ordinances, regulations, policies, and Executive Orders of the City and County of Denver whether or not specifically referenced herein. Any references to specific federal, state, or local laws or other requirements incorporated into this Agreement are not intended to constitute an exhaustive list of federal, state, and City requirements applicable to this Agreement. Applicable statutes, regulations and other documents pertaining to administration or enforcement of the services referenced in this Agreement and all other applicable provisions of federal, state or local law are deemed to be incorporated herein by reference. Compliance with all such statutes, regulations and other documents is the responsibility of the Contractor. Contractor shall ensure that any and all Subcontractors also comply with applicable laws. In particular, and not by way of limitation, the services shall be performed in strict compliance with all laws, executive orders, ordinances, rules, regulations, policies and procedures prescribed by the City, the State of Colorado, and the United States Government, and the following additional federal requirements:

A. The Federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 U.S.C. §601, *et seq.*;

B. The Colorado Works Program Act, C.R.S. §26-2-701, *et seq.*;

C. The Deficit Reduction Act of 2005, 109 P.L. 171;

D. The applicable terms and conditions of the Colorado Works Program Act Memorandum of Understanding, or any subsequent Memorandum of Understanding between the City and the State of Colorado, and as the same may be executed or amended from time to time;

E. Any and all applicable federal, state, or City rules and regulations relevant to the administration of the Program including but not limited to 45 C.F.R. 260, 45 C.F.R. 261, 45 C.F.R. 262, 45 C.F.R. 263, 45 C.F.R. 265; and 3 C.C.R. 3.600 *et seq.*;

F. For every subcontract in excess of \$2,000.00 which requires the performance of work involving drainage or involving construction, alteration, improvements, repairs, maintenance or demolition of any public building or public work, or which requires the performance of the work of a doorkeeper, caretaker, cleaner, window washer, porter, keeper, janitor, or similar custodial or janitorial work in connection with the operation of any such public building, or the prosecution of any such public work, the minimum wages to be paid for every class of labor, mechanics or work shall be not less than the scale of wages from time to time determined by said Career Service Board to be the prevailing wages under Section (D) hereof; no increase or increases in such minimum wages shall result in any increased liability on the part of the City, and the possibility and risk of any such increase or increases is assumed by the Contractor.

4. It shall be duty of said Career Service Board to determine, after hearing, the prevailing wages for the various classes of laborers, mechanics, and workers which will be required in the performance of the Subcontract, which determination shall be made periodically at least every six months, and as frequently as may be considered necessary by said Career Service Board in order that the determination which is currently in effect shall accurately represent the current prevailing rates of wages. Prior to making such determination, said Career Service Board shall give reasonable public notice of the time and place of the hearing concerning such proposal determination and shall afford to all interested parties the right to appear before it and to present evidence. "Prevailing Wages" shall mean, for each class of work, (a) the rate of pay currently and most commonly paid to laborers, mechanics and workers performing such classes of work in the City, and (b) the overtime and other benefits currently and most commonly granted to such workers, mechanics, and laborers in the City; except that where the work involved is that of construction, alteration, improvement, repair, maintenance or demolition of any public building or public work, "Prevailing Wages" shall mean, for each class of work, the rate of pay currently and most commonly paid and the overtime and other benefits currently and most commonly granted to such workers, mechanics and laborers in the construction industry of the City.

Further, the Contractor shall post in a prominent and easily accessible place at the site of the work the scale of wages to be paid by the Contractor and all Subcontractors working under it. In the event the Contractor or any Subcontractor shall

Further, the Contractor shall furnish to the Auditor of the City each week during which work is in progress under the Contract, a true and correct copy of the payroll records of all workers, laborers and mechanics employed under the Contract, either by the Contractor or Subcontractors. Such payroll records shall include information showing the number of hours worked by each worker, laborer or mechanic employed under the Contract, the hourly pay of each such worker, laborer or mechanic, any deductions made from pay, and the net amount of pay received by each worker, laborer or mechanic for the period covered by the payroll. Said copy of the payroll record shall be accompanied by a sworn statement of the Contractor that the copy is a true and correct copy of the payroll records of all mechanics, laborers and other workers working under the Contract either for the Contractor or Subcontractors, that payments were made to the workers, laborers, and mechanics as set forth in said payroll records, that no deductions were made other than those set forth in said records, and that all workers, mechanics and other laborers employed on work under the Contract, either by the Contractor or Subcontractor, have been paid the prevailing wages. In the event that any laborer, worker or mechanic employed by the Contractor or Subcontractor under the Contract has been or is being paid a rate of wages less than the rate of wages required by the Contract to be paid as aforesaid, the City may, by notice to the Contractor or Subcontractor, suspend or terminate its right to proceed with the work, or such part of the work as to which there has been a failure to pay said required wages, and in the event of termination, may prosecute the work to completion by contract or otherwise, and the Contractor and its sureties shall be liable to the State or City for any excess costs occasioned the City thereby.

Whenever Contract funds available for use in whole or in part for the purchase or construction (including rehabilitation) of property (other than office equipment, supplies, materials and other personal property used for the administration of the program), a title to said property shall not be transferred for a period of five (5) years from the date of purchase or completion of construction without the approval of the City. Should it be desirable to sell the property or otherwise transfer the ownership before expiration of the five-year period, a request must be submitted to the City for prior approval.

A. The Contractor agrees to use its best efforts to obtain all supplies and equipment for use in the performance of this Contract at the lowest practicable cost, in a way not inconsistent with Section 20-61 through 20-67 of the Revised Municipal Code. Any public Contractor may procure its supplies from State or local government sources without regard to any other provision of the Contract to the extent required by State or local law. The City will assist the Contractor and its subcontractors in the following procedures for procurement of supplies and equipment.

B. Title to all non-expendable personal property furnished by the City, if any, shall remain in the City. Title to other such property, the cost of which is to be reimbursed to the Contractor under this Contract, shall immediately vest in the City upon (i) issuance for use of such property in the performance of the Contract; or (ii) commencement of processing or use of such property in the performance of the Contract; or (iii) reimbursement of the cost thereof by the City, whichever first occurs. Title to the City property shall not be affected by the incorporation or attachment thereof if any part thereof be or become a fixture or lose its identity as personality by reason of affixation to any realty. All City-furnished property, and all property acquired by the Contractor, title to which vests in the City under this paragraph, are subject to the provisions of this clause and are herein collectively referred to as "City Property".

C. The Contractor agrees to accept as correct the records of the City relating to the identification and marking, segregation and co-mingling and taking of inventories of City property. The Contractor shall maintain and administer in accordance with sound business practice, a program for the maintenance, repair, protection and preservation of City property so as to assure its full availability and usefulness for the performance of the Contract. E. The Contractor shall not be liable for any loss of or damage to the City property, or for expenses incidental to such loss or damage, except that the Contractor shall be responsible for any loss or damage (including expenses incidental thereto):

1. Which results from willful misconduct or lack of good faith on the part of any one of the Contractor's directors or officers, or on the part of any of its managers, superintendents or other equivalent representatives;

2. Which results from a failure on the part of the Contractor, due to the willful misconduct or lack of good faith on the part of its directors, officers or other representatives mentioned in (1) above to maintain and administer, in accordance with sound business practice, the program for maintenance, repair, protection and preservation of City property as required by Paragraph (D) hereof, or to take all reasonable steps to comply with any appropriate written directions of the City under Paragraph (D) hereof;

3. For which the Contractor is otherwise responsible under the express terms of the Contract;

4. Which results from a risk required to be insured under the Contract;

or

5. Which results from a risk which is, in fact, covered by insurance or for which the Contractor is otherwise reimbursed, but only to the extent of such insurance or reimbursement.

The Contractor shall not be reimbursed for, and shall not include as an item of overhead, the cost of insurance, or any provision for a reserve, covering the risk of loss of or damage to the City property, except to the extent that the City may have required the Contractor to carry such insurance under any provisions of the Contract.

F. If the Contractor transfers City property to the possession and control of a subcontractor, the transfer shall not affect the liability of the Contractor for loss or destruction of or damage to the property as set forth in Paragraph (F) hereof. However, the Contractor shall require the subcontractor to assume the risk of, and be responsible for, any loss or destruction of or damage to the property while in the latter's possession or control, except to the extent that the subcontractor, with the prior approval of the City, provides for the relief of the Contractor from such liability. In the absence of such approval, the subcontractor shall maintain appropriate provisions requiring the return of all City property in as good condition as when received, except for reasonable wear and tear or for the utilization of the property in accordance with the provisions of the Contract.

G. In the event the Contractor is indemnified, reimbursed or otherwise compensated for any loss or destruction of or damage to the City property, it shall use the proceeds to repair, renovate or replace the City property involved, or shall credit such proceeds against the cost of the work covered by the Contract or shall otherwise reimburse the City, as directed by the City. The Contractor shall do nothing to prejudice the City's rights to recover against third parties for any such loss, destruction or damage and, upon the request of the City, shall, at the City's expense, furnish to the City all reasonable assistance and cooperation (including the prosecution of suit and the execution of instruments of assignment in favor of the City) in obtaining recovery. In addition, where the subcontractor has not been relieved from liability for any loss or destruction of or damage to City property, the Contractor shall enforce the liability of the subcontractor for such loss or destruction of or damage to the City property for the benefit of the City.

H. Upon the completion of the Contract, or at such earlier date as may be fixed by the City, the Contractor shall submit to the City in a form acceptable to it, inventory schedules covering either all items of City property, or all items of City property not theretofore delivered to the City, and shall deliver or make such other

disposal of such City property as may be directed or authorized by the City. The net proceeds of any such disposal shall be credited to the cost of the work covered by the Contract or shall be paid in such manner as the City may direct.

I. Unless otherwise provided herein, the City:

1. May abandon any City property in place, and thereupon all obligations of the City regarding such abandoned property shall cease; and

2. Shall not be under any duty or obligation to restore or rehabilitate, or to pay the costs of the restoration or rehabilitation of, the Contractor's plant or offices or any portion thereof which is affected by the abandonment or removal of any City property.
