Has this contractor provided these services to the City before? Yes.

Term/Duration of contract/project: 10 Years

Is this a new contract?  Y  An amendment?  N  How many amendments?

Renewal terms: None

Purpose: Installation and maintenance of a Verizon Cellular In-Building Enhancement for the Wellington E Webb Municipal Building

Scope of services with performance bench marks: At no cost to the City, Verizon Wireless will install a new cellular in-building enhancement system for Verizon devices used in the WMB. Verizon refers to the system as their "Spider Cloud" technology which consists of a "Headend" that connects to the Verizon Wireless network through Century Link fiber and distributes signals to each floor where it branches out to approximately 84 wireless access points throughout the building. As required by the FCC for E911 services, a GPS antenna will be installed on the roof of the building for connection to the "Headend."

Cost/value: No cost to the City/Unknown value

Source of funds: NA

Benefit: Verizon Cellular In-Building Enhancement for the Wellington E Webb Municipal Building

Termination provision for City and for contractor: Y
