26 herein and in Section 102 of this Supplemental Subordinate Ordinance, except where the
27 context by clear implication otherwise requires.

28 **RECITALS**

29 (1) The City is a municipal corporation duly organized and existing as a home rule
30 city under Article XX, State Constitution, and under the Charter, and is a political subdivision of
31 the State.

1 (2) Subject to certain exceptions, all legislative powers possessed by the City,
2 conferred by Article XX, State Constitution, or contained in the Charter, as either has from time
3 to time been amended, or otherwise existing by operation of law, are vested in the City
4 Council.

5 (3) Pursuant to Article XX, State Constitution, the Charter, and the plenary grant of
6 powers as a home rule city, the City has acquired certain airport facilities constituting its Airport
7 System, the management, operation, and control of which is vested by the Charter in the
8 Department of Aviation. Pursuant to the Enterprise Ordinance, the City designated the
9 Department as an "enterprise" within the meaning of Section 20, Article X, State Constitution.
10 The Enterprise Ordinance provides that, the City owns the Department; the Manager of the
11 Department of Aviation is the governing body of the Department; and the Department has the
12 authority to issue its own bonds or other financial obligations in the name of the City, payable
13 solely from revenues derived or to be derived from the functions, services, benefits or facilities
14 of the Department or from any other available funds, as authorized by ordinance after approval
15 and authorization by the Manager.

16 (4) Pursuant to the General Bond Ordinance, there have been issued multiple series
17 of Senior Bonds and other Obligations in respect of the Airport System and such Senior Bonds
18 and Obligations are secured by an irrevocable and first lien (but not necessarily an exclusive
19 first lien) on the Net Revenues of the Airport System on a parity with the lien thereon in favor of
20 each other.

21 (5) Pursuant to the General Bond Ordinance, the City may issue bonds or incur
22 other additional obligations payable from the Net Revenues of the Airport System and having a
23 lien thereon subordinate to the lien thereon of the Senior Bonds. The City adopted the 1997
24 Subordinate Bond Ordinance pursuant to which the City issued various Subordinate Bonds
25 which have been paid or defeased prior to the date hereof and which are no longer
26 outstanding. Pursuant to the 1997 Subordinate Bond Ordinance, the City incurred certain
27 Subordinate Hedge Facility Obligations which remain outstanding.

28 (6) The City amended and restated the 1997 Subordinate Bond Ordinance in its
29 entirety pursuant to the provisions of the General Subordinate Bond Ordinance and the City

1 has issued Subordinate Bonds under the General Subordinate Bond Ordinance. The General
2 Subordinate Bond Ordinance also allows the City to incur Subordinate Obligations.

4 Ordinance, the City has adopted the General Junior Lien Bond Ordinance and, pursuant to the
5 General Junior Lien Bond Ordinance, the City has incurred the Hotel Junior Lien Obligation
6 and the Great Hall Junior Lien Obligation.

7 (8) None of the Net Revenues of the Airport System have been pledged to any
8 outstanding bonds or other obligations, except in respect of the Senior Bonds (and certain
9 Obligations relating thereto), the Subordinate Bonds (and certain Subordinate Credit Facility
10 Obligations relating thereto), certain Subordinate Hedge Facility Obligations incurred under the
11 1997 Subordinate Bond Ordinance, and the Hotel Junior Lien Obligation and the Great Hall
12 Junior Lien Obligation incurred under the General Junior Lien Bond Ordinance.

13 (9) On or about the date hereof, the City expects to adopt a Subordinate
14 Supplemental Ordinance authorizing the incurrence of a Subordinate Contract Obligation in the
15 maximum aggregate principal amount not to exceed \$150,000,000 at any one time in
16 connection with loans made under a revolving credit agreement.

17 (10) As contemplated by the Enterprise Ordinance, the Manager of the Department
18 has executed the Non-Revolving Credit Agreement Manager's Resolution approving,
19 authorizing and requesting the incurrence by the City, for and on behalf of the Department, of
20 the Non-Revolving Credit Agreement Subordinate Obligation as set forth herein, for the
21 purposes of (i) defraying the costs of the Approved Projects and (ii) paying certain Costs
22 relating to the incurrence of the Non-Revolving Credit Agreement Subordinate Obligation,
23 which includes the issuance of the Non-Revolving Notes and the execution and delivery of the
24 Non-Revolving Credit Agreement.

25 (11) The Non-Revolving Credit Provider has agreed to enter into the Non-Revolving
26 Credit Agreement under which the Non-Revolving Credit Provider will make certain Loans
27 evidenced by the Non-Revolving Notes in accordance with the terms of the Non-Revolving
28 Credit Agreement, which Loans shall not exceed the maximum aggregate principal amount of
29 \$300,000,000.

1 (12) The obligation of the City, for and on behalf of the Department, to make
2 payments under the Non-Revolving Credit Agreement, including payment of the Non-
3 Revolving Notes issued thereunder and the payment of fees and expenses thereunder, shall
4 constitute the Non-Revolving Credit Agreement Subordinate Obligation and is herein
5 designated a Subordinate Contract Obligation for purposes of the General Subordinate Bond
6 Ordinance.

7 (13) The Council has determined and does hereby declare:

8 A. The procedures and requirements of Article V, Chapter 20 of the Revised
9 Municipal Code of the City and County of Denver have been completely and timely met
10 in respect of the issuance of the Non-Revolving Notes under the Non-Revolving Credit
11 Agreement;

12 B. The Non-Revolving Credit Agreement Subordinate Obligation is to be
13 incurred pursuant to the Non-Revolving Credit Agreement Manager's Resolution and
14 the provisions of the General Subordinate Bond Ordinance (as supplemented hereby);

15 C. The Non-Revolving Credit Agreement Subordinate Obligation constitutes
16 a Subordinate Contract Obligation, and the Approved Projects constitute Subordinate
17 Bond Improvement Projects; and

18 D. All acts, conditions and things required by law and by the General
19 Subordinate Bond Ordinance to exist, have happened and have been performed as a
20 condition to the incurrence of the Non-Revolving Credit Agreement Subordinate
21 Obligation, do or will exist, and have been or will have been performed in regular and
22 due time, form and manner as required by law.

5 Note"), and with respect to the Taxable Note, "Airport System Non-Revolving Credit
6 Agreement Subordinate Obligation Note, Taxable Series B" (or such other appropriate
7 designation or designations as shall be determined by the Treasurer) (the "Taxable

9 Supplemental Subordinate Ordinance and the provisions of the Non-Revolving Credit
10 Agreement shall be in full force and effect from the effective date of the Non-Revolving
11 Credit Agreement until the Commitment Termination Date. Subject to the limitation
12 contained herein, the Non-Revolving Notes herein authorized shall be issued as a Tax-
13 Exempt Note or a Taxable Note, as the case may be, and dated as of their applicable
14 date of issuance (the "Note Date"), as determined by the Treasurer and shall bear
15 interest at such rate or rates, not exceeding the Maximum Rate, and in the manner set
16 forth in the Non-Revolving Credit Agreement. All Non-Revolving Notes authorized
17 herein shall mature and become due and payable on or before three (3) years from the

19 Non-Revolving Notes issued hereunder shall be subject to redemption or the
20 prepayment thereof prior to maturity as provided in the Non-Revolving Credit
21 Agreement and the form of Non-Revolving Notes set forth as an exhibit to the Non-
22 Revolving Credit Agreement.

23 The Non-Revolving Notes shall be numbered in ascending consecutive numerical order
24 in the order of their issuance. At the direction of the Treasurer, the numbers of the Non-
25 Revolving Notes may be prefixed or suffixed with a distinct letter or letters as
26 determined by the Treasurer. The Non-Revolving Notes shall be registered with the
27 Non-Revolving Notes Paying Agent/Registrar and shall be issued in certificated form.

28 Principal of and interest, if any, on the Non-Revolving Notes shall be payable on the
29 dates and in the amounts in accordance with the terms of the Non-Revolving Credit
30 Agreement.

1 The Non-Revolving Notes are authorized to be issued, sold, and delivered to the Non-
2 Revolving Credit Provider, in denominations as set forth in the Non-Revolving Credit
3 Agreement.

4 Provided the Subordinate Debt Service Requirements of the Non-Revolving Notes
5 satisfy the definition of a Balloon Maturity contained in the General Subordinate Bond
6 Ordinance, such requirements of the Non-Revolving Notes are hereby authorized to be
7 treated as Balloon Maturities at the election of the Treasurer for such purposes.

8 B. Non-Revolving Notes and Initial Loans. Subject to applicable terms,
9 limitations, and procedures contained herein and in the Non-Revolving Credit
10 Agreement, the Non-Revolving Notes shall be issued and the initial Loan under each of
11 the Non-Revolving Notes shall be funded in accordance with the terms hereof and the
12 terms of the Non-Revolving Credit Agreement. Upon compliance with the provisions
13 herein and in the Non-Revolving Credit Agreement, the Non-Revolving Notes shall be
14 completed and delivered by the Non-Revolving Notes Paying Agent/Registrar in
15 accordance with written instructions of the Treasurer and in the manner specified below.
16 The instructions shall include instructions regarding the disposition of the initial Loan
17 proceeds of the Non-Revolving Notes, subject to Section 401 hereof, and a request that
18 the Non-Revolving Notes Paying Agent/Registrar authenticate such Non-Revolving
19 Notes by countersignature of its authorized officer or employee and deliver them to the
20 Non-Revolving Credit Provider upon receipt of such proceeds. Furthermore, the Mayor,
21 Auditor, Clerk, Treasurer and Manager and other officers and employees of the City is
22 each hereby authorized and directed to furnish and execute such documents relating to
23 the City, for and on behalf of the Department, and its financial affairs as may be
24 necessary for the issuance of the Non-Revolving Notes to the Non-Revolving Credit
25 Provider in accordance with this Supplemental Subordinate Ordinance and the Non-
26 Revolving Credit Agreement.

27 C. Subsequent Loans under Non-Revolving Notes. In connection with the
28 funding of subsequent Loans (after the initial Loan under each of the Non-Revolving
29 Notes) or the conversion or continuation of Loans, the Treasurer is hereby authorized to
30 furnish and execute any documents necessary to satisfy any applicable conditions
31 precedent under the Non-Revolving Credit Agreement. Furthermore, the Mayor,

1 Auditor, Clerk, Treasurer and Manager and other officers and employees of the City is
2 each hereby authorized and directed to furnish and execute such documents relating to
3 the City, for and on behalf of the Department, and its financial affairs as may be
4 necessary for the funding of Loans or the conversion or continuation of Loans under the
5 Non-Revolving Notes to the Non-Revolving Credit Provider in accordance with this
6 Supplemental Subordinate Ordinance and the Non-Revolving Credit Agreement,
7 including, without limitation, delivering a Loan Notice.

8 D. Fees/Costs; Physical Form; Transfers. While the Non-Revolving Credit
9 Provider is committed to fund Loans under the Non-Revolving Credit Agreement and
10 the Non-Revolving Notes, the City, for and on behalf of the Department, agrees to pay
11 all applicable fees and costs that constitute Lender Obligations as described in the Non-
12 Revolving Credit Agreement and such obligation shall be considered part of the Non-
13 Revolving Credit Agreement Subordinate Obligation authorized to be incurred
14 hereunder. Such amounts shall be paid out of the subaccount created in the Interest
15 Account of the General Subordinate Bond Ordinance described in Section 303 hereof.
16 The Non-Revolving Notes shall be issued in physical, certificated definitive form. The
17 Non-Revolving Credit Provider shall not transfer or assign either of the Non-Revolving
18 Notes except in accordance with the Non-Revolving Credit Agreement.

19 **Section 303. Payment of Non-Revolving Notes.** The principal of and interest on the
20 Non-Revolving Notes and any other amounts which constitute Lender Obligations shall be
21 payable in lawful money of the United States of America. Principal of and interest on the Non-
22 Revolving Notes and any other amounts which constitute Lender Obligations shall be payable
23 to the Non-Revolving Credit Provider by wire transfer as designated by the Non-Revolving
24 Credit Provider or as otherwise provided in the Non-Revolving Credit Agreement. The City
25 hereby establishes and creates a subaccount within the Principal Account of the Subordinate
26 Bond Fund established and created under Section 502 of the General Subordinate Bond
27 Ordinance out of which the principal of the Non-Revolving Notes shall be paid, which
28 subaccount shall be designated as the "Non-Revolving Notes Principal Subaccount". The City
29 hereby establishes and creates a subaccount within the Interest Account of the Subordinate
30 Bond Fund established and created under Section 502 of the General Subordinate Bond
31 Ordinance out of which the interest on the Non-Revolving Notes shall be paid, which

1 subaccount shall be designated as the "Non-Revolving Notes Interest Subaccount". Any other
2 amounts which constitute Lender Obligations shall be payable from the Non-Revolving Notes
3 Interest Subaccount. All deposits of Net Revenues in the Non-Revolving Notes Principal
4 Subaccount and the Non-Revolving Notes Interest Subaccount shall be made pro rata with any
5 deposits in any other subaccounts in the Principal Account or Interest Account and the
6 accumulation and application of moneys in the General Subordinate Bond Ordinance for the
7 payment of, or the creation of reserves for, the Non-Revolving Credit Agreement Subordinate
8 Obligations shall be on a parity with the payment of, or the creation of reserves for,
9 Subordinate Bonds.

10 Section 304. Execution, Recordation and Authentication. The Non-Revolving Notes
11 shall be signed by the Mayor and countersigned by the Auditor, both of which signatures may
12 be by facsimile, and the Non-Revolving Notes shall bear the official seal of the City or a
13 facsimile thereof attested by the manual or facsimile signature of the Clerk. A record thereof
14 shall be made by the Auditor, in such record to show the date of issue, date of payment, and
15 date and amount of interest payments as the same shall accrue. The Non-Revolving Notes
16 shall have been approved by the Manager and shall be authenticated by the Non-Revolving
17 Notes Paying Agent/Registrar.

18 By authenticating the Non-Revolving Notes, the Non-Revolving Notes Paying
19 Agent/Registrar shall be deemed to have assented to the provisions of the General
20 Subordinate Bond Ordinance, as supplemented by this Supplemental Subordinate Ordinance.
21 If the Non-Revolving Notes Paying Agent/Registrar, or its duly appointed successor pursuant
22 to this section, shall resign, or if the City shall reasonably determine that such Non-Revolving
23 Notes Paying Agent/Registrar has become incapable of fulfilling its duties hereunder, the City
24 may, upon notice mailed to Non-Revolving Credit Provider at the address last shown on the
25 registration books, appoint a successor Non-Revolving Notes Paying Agent/Registrar.

26 Section 305. Note Form. Subject to the provisions of this Supplemental Subordinate
27 Ordinance, the Non-Revolving Notes shall be in substantially the form set forth in the exhibits
28 to the Non-Revolving Credit Agreement (provided that any of the text may, with appropriate
29 reference, be printed on the back of the Non-Revolving Notes), with such omissions,
30 insertions, endorsements, and variations as to any recitals of fact or other provisions as may
31 be required by the circumstances.

1 causes the Tax-Exempt Note to be "arbitrage bonds" within the meaning of § 148 of the
2 Tax Code.

3 B. Rebate. (1) Except as otherwise expressly provided therein, the City shall
4 pay to the United States in accordance with the requirements of § 148(f) of the Tax
5 Code an amount equal to the sum of (i) the excess of the amount earned on all
6 nonpurpose investments allocable to the Tax-Exempt Note (other than investments
7 attributable to such excess) over the amount that would have been earned if such
8 nonpurpose investments were invested at a rate equal to the yield on the Tax-Exempt
9 Note, plus (ii) any income attributable to such excess.

10 (2) The City shall maintain within the Airport System Fund a special and
11 separate account hereby created and to be known as the "City and County of Denver,
12 Colorado, for and on behalf of its Department of Aviation, Non-Revolving Notes Rebate
13 Fund" (the "Non-Revolving Credit Agreement Rebate Fund"). The City shall maintain
14 within the Non-Revolving Credit Agreement Rebate Fund such subaccounts as may be
15 necessary, and the City shall deposit to the credit of, and make disbursements to the
16 United States and otherwise from, the Non-Revolving Credit Agreement Rebate Fund
17 such amounts, at such times, as shall be necessary hereunder.

18 (3) Any amounts so deposited to the credit of the Non-Revolving Credit
19 Agreement Rebate Fund shall be derived from the Net Revenues of the Airport System
20 or from such other legally available sources as the City may determine; provided,
21 however, that the accumulation and application of Net Revenues for such purpose shall
22 be subordinate in priority to payment of principal of and interest on, when due, the Non-
23 Revolving Notes.

24 (4) Notwithstanding any provision of this Section 501B, if the Treasurer shall
25 obtain an opinion of an attorney or firm of attorneys whose experience in matters
26 relating to the issuance of obligations by states and their political subdivisions is
27 nationally recognized that any action required under this Section 501B is no longer
28 required or that some further action is required to maintain the exclusion from federal
29 income tax of interest on the Tax-Exempt Note, the City may rely conclusively on such

1 opinion in complying with the requirements of this Section 501B, and the covenants
2 contained herein shall be deemed to be modified to that extent.

3 C. Tax Certificate. The Treasurer is hereby authorized to execute one or
4 more tax certificates on behalf of the City in implementation of the covenants and
5 agreements set forth in this Section 501, or to make any election permitted by the Tax
6 Code and determined by the Treasurer to be to the advantage of the City; and the
7 representations, agreements, and elections set forth therein shall be deemed the
8 representations, agreements, and elections of the City, as if the same were set forth
9 herein.

10 **Section 502. Preservation of Enterprise Status.** The City hereby covenants that it shall
11 not take (or omit to take) any action with respect to the Department that would cause the
12 Department to lose its status as an "enterprise" within the meaning of Section 20, Article X,
13 State Constitution.

14 **Section 503. Applicability of General Subordinate Bond Ordinance.** Except as
15 otherwise provided herein, the provisions of the General Subordinate Bond Ordinance govern
16 the Non-Revolving Credit Agreement Subordinate Obligation, the Non-Revolving Notes, the
17 Approved Projects, and the Non-Revolving Credit Agreement. The rights, undertakings,
18 covenants, agreements, obligations, warranties, and representations of the City with respect to
19 Subordinate Obligations set forth in the General Subordinate Bond Ordinance shall in respect
20 of the Non-Revolving Credit Agreement Subordinate Obligation be deemed the rights,
21 undertakings, covenants, agreements, obligations, warranties, and representations of the City
22 for and on behalf of the Department.

23 **Section 504. Consent to Proposed Amendments.** By execution and delivery of the
24 Non-Revolving Credit Agreement and purchase and acceptance of the Non-Revolving Notes,
25 the Non-Revolving Credit Provider shall be deemed to have irrevocably (i) consented to the
26 adoption by Supplemental Ordinance of amendments to the General Bond Ordinance in
27 substantially the form of the Proposed Amendments and (ii) appointed the Consent Agent as
28 their agent, with irrevocable instructions to file a written consent to that effect with the Clerk as
29 provided in the final paragraph of Section 1303 of the General Subordinate Bond Ordinance.
30 In so acting, the Consent Agent (who shall be compensated by the City for such services) may

1 rely on an Attorney's Opinion, which shall be full and complete authorization and protection of
2 the Consent Agent in respect of any action taken or suffered by it under the General
3 Subordinate Bond Ordinance in good faith.

4 **Section 505. Endorsement of Non-Revolving Notes.** A notation in substantially the
5 following form shall be endorsed on the Non-Revolving Notes in respect of the Proposed
6 Amendments:

7 "By acceptance of this Non-Revolving Note, the Non-Revolving Credit
8 Provider is deemed to have irrevocably (i) consented to the adoption by
9 Supplemental Ordinance of amendments to the General Bond Ordinance in
10 substantially the form of the Proposed Amendments set forth in the writing
11 provided to the Non-Revolving Credit Provider and (ii) appointed the Consent
12 Agent as their agent, with irrevocable instructions to file a written consent to that
13 effect at the time and place and otherwise in the manner provided by the General
14 Subordinate Bond Ordinance."

15 In addition, copies of this notation, together with copies of the Proposed
16 Amendments, shall be filed with the Municipal Securities Rulemaking Board's Electronic
17 Municipal Market Access System.

(1) The City is a municipal corporation duly organized and existing as a home rule city under Article XX, State Constitution, and under the Charter, and is a political subdivision of the State.

(2) Subject to certain exceptions, all legislative powers possessed by the City, conferred by Article XX, State Constitution, or contained in the Charter, as either has from time to time been amended, or otherwise existing by operation of law, are vested in the City Council.

(3) Pursuant to Article XX, State Constitution, the Charter, and the plenary grant of powers as a home rule city, the City has acquired certain airport facilities constituting its Airport System, the management, operation, and control of which is vested by the Charter in the Department of Aviation. Pursuant to the Enterprise Ordinance, the City designated the Department as an "enterprise" within the meaning of Section 20, Article X, State Constitution. The Enterprise Ordinance provides that, the City owns the Department; the Manager of the Department of Aviation is the governing body of the Department; and the Department has the authority to issue its own bonds or other financial obligations in the name of the City, payable solely from revenues derived or to be derived from the functions, services, benefits or facilities of the Department or from any other available funds, as authorized by ordinance after approval and authorization by the Manager.

(4) Pursuant to the General Bond Ordinance, there have been issued multiple series of Senior Bonds and other Obligations in respect of the Airport System and such Senior Bonds and Obligations are secured by an irrevocable and first lien (but not necessarily an exclusive first lien) on the Net Revenues of the Airport System on a parity with the lien thereon in favor of each other.

(5) Pursuant to the General Bond Ordinance, the City may issue bonds or incur other additional obligations payable from the Net Revenues of the Airport System and having a lien thereon subordinate to the lien thereon of the Senior Bonds. The City

2 various Subordinate Bonds which have been paid or defeased prior to the date hereof
3 and which are no longer outstanding. Pursuant to the 1997 Subordinate Bond

24 747, Series of 2004, additionally providing for the administration of certain passenger
25 facility charges; (viii) Ordinance No. 470, Series of 2005, adopting certain amendments
26 to the General Bond Ordinance; (ix) Ordinance No. 494, Series of 2006, additionally

29 facility charges; (xi) Ordinance No. 578, Series of 2009, additionally providing for the

1 administration of certain passenger facility charges; and (xii) Ordinance No. 498, Series
2 of 2012, additionally providing for the administration of certain passenger facility
3 charges.

4 (9) None of the Net Revenues of the Airport System have been pledged to any
5 outstanding bonds or other obligations, except in respect of the Senior Bonds (and
6 certain Obligations relating thereto), the Subordinate Bonds (and certain Subordinate
7 Credit Facility Obligations relating thereto), certain Subordinate Hedge Facility
8 Obligations incurred under the 1997 Subordinate Bond Ordinance, and the Hotel Junior

16 Notwithstanding any other provision of the General Subordinate Bond Ordinance
17 or this Supplemental Subordinate Ordinance to the contrary, so long as any Series
18 2017C Subordinate Bond (other than any Series 2017C Subordinate Credit Facility
19 Bond, with respect to which the provisions, if any, of the Series 2017C Subordinate
20 Credit Facility shall control) is registered in the name of the Securities Depository, or
21 any nominee thereof, all payments with respect to the Redemption Price due in
22 connection with any Series 2017C Subordinate Bonds and all notices with respect to
23 such Series 2017C Subordinate Bonds shall be made and given, respectively, in the
24 manner provided in the letter of representation to the Securities Depository.

25 For so long as the Series 2017C Subordinate Bonds are held in book-entry only
26 form, and the Owners thereof may elect, or may be required, to tender such Series
27 2017C Subordinate Bonds for purchase pursuant to Article V hereof, the beneficial
28 owner of any such Series 2017C Subordinate Bond, or Participant, whether a direct
29 participant or an indirect participant within the meaning of the applicable procedures of
30 the Securities Depository, may submit on behalf of such beneficial owner any notice of

1 tender in connection with any such optional tender right pertaining to any Series 2017C
2 Subordinate Bond in which such beneficial owner has a beneficial ownership interest,
3 and such notice shall be given the same force and effect as a notice given by the
4 registered owner of such Series 2017C Subordinate Bond, if such notice is
5 accompanied by (i) a written certification by such beneficial owner affirming its beneficial
6 ownership interest in such Series 2017C Subordinate Bond, setting forth the principal
7 amount thereof, and identifying the Participant that has a record of such beneficial
8 owner's beneficial ownership interest therein, or (ii) a written certification by a
9 Participant affirming it is acting on behalf of the beneficial owner of such Series 2017C
10 Subordinate Bond (or, if a direct participant, affirming it is acting on behalf of an indirect
11 participant acting on behalf of such beneficial owner), affirming such beneficial owner
12 has such beneficial ownership interest in such Series 2017C Subordinate Bond, setting
13 forth the principal amount thereof (and, if applicable, identifying the indirect participant
14 that has a record of such beneficial owner's beneficial ownership interest).

15 With respect to any Series 2017C Subordinate Bonds held in book-entry only
16 form, delivery of such Series 2017C Subordinate Bonds to the Paying Agent in
17 connection with any optional or mandatory tender pursuant to Article V hereof shall be
18 effected by the transfer of a beneficial owner's beneficial ownership interest to the
19 account of the Paying Agent, or a Participant acting on behalf of the Paying Agent, on
20 the books of the Securities Depository or any Participant in accordance with the
21 procedures of the Securities Depository.

22 **Section 306. Execution, Recordation and Authentication.**

23 A. Execution and Recordation. The Series 2017C Subordinate Bonds shall
24 be signed by the Mayor and countersigned by the Auditor, both of which signatures may
25 be by facsimile, and the Series 2017C Subordinate Bonds shall bear the official seal of
26 the City or a facsimile thereof attested by the manual or facsimile signature of the Clerk.
27 A record thereof shall be made by the Auditor in books to be kept for that purpose, such
28 records showing the date of issue, date of payment, and date and amount of interest
29 payments as the same shall accrue. The Series 2017C Subordinate Bonds shall also

1 be authenticated by the Series 2017C Subordinate Bonds Registrar as provided in
2 Section 315 of the General Subordinate Bond Ordinance.

3 B. Authentication. By authenticating the Series 2017C Subordinate Bonds,
4 the Series 2017C Subordinate Bonds Registrar shall be deemed to have assented to
5 the provisions of the General Subordinate Bond Ordinance, as supplemented by this
6 Supplemental Subordinate Ordinance. If the Series 2017C Subordinate Bonds
7 Registrar, or its duly appointed successor pursuant to this Section, shall resign, or if the
8 City shall reasonably determine that such Series 2017C Subordinate Bonds Registrar
9 has become incapable of fulfilling its duties hereunder, the City may, upon notice mailed
10 to each owner of Series 2017C Subordinate Bonds at the address last shown on the
11 registration books, appoint a successor Series 2017C Subordinate Bonds Registrar.
12 Every such successor shall be a commercial bank.

13 Section 307. Bond Form. Subject to the provisions of this Supplemental
14 Subordinate Ordinance, the Series 2017C Subordinate Bonds shall be in substantially
15 the form set forth in Exhibit A hereto (provided that any of the text may, with appropriate
16 reference, be printed on the back of such Series 2017C Subordinate Bonds), with such
17 omissions, insertions, endorsements and variations as to any recitals of fact or other
18 provisions as may be required by the circumstances, be required or permitted by the
19 General Subordinate Bond Ordinance, or be consistent with the General Subordinate
20 Bond Ordinance.

21 Section 308. Tender of Series 2017C Subordinate Bonds upon the Occurrence of
22 Certain Events. During the Initial Term Rate Period, the Series 2017C Subordinate
23 Credit Facility Provider shall cause the Series 2017C Subordinate Bonds to be tendered
24 to the Series 2017C Subordinate Credit Facility Provider at a deemed purchase price
25 equal to 100% of the principal amount of such Series 2017C Subordinate Bonds upon
26 the occurrence of an Event of Default (as defined in the Series 2017C Subordinate
27 Credit Facility). In such an event, the Series 2017C Subordinate Credit Facility Provider
28 shall deliver an irrevocable written notice of tender to the Paying Agent, the City and the
29 owners of the Series 2017C Subordinate Bonds, shall state that the Series 2017C

1 Subordinate Bonds will be tendered in accordance with this provision, state the date on
2 which the Series 2017C Subordinate Bonds are to be tendered or deemed tendered
3 (which shall not be greater than three (3) Business Days after delivery of the tender
4 notice), and specify the Event of Default that has occurred under the Series 2017C
5 Subordinate Credit Facility. On and after the tender or deemed tender date provided for
6 in such notice, the Series 2017C Subordinate Bonds shall constitute Series 2017C
7 Subordinate Credit Facility Bonds under the Series 2017C Subordinate Credit Facility.
8 Promptly following the date of receipt of any notice of tender, the Paying Agent shall
9 notify the Treasurer of such tender. On the date of tender, the Paying Agent shall
10 register and deliver the Series 2017C Subordinate Bonds as provided under the terms
11 of the Series 2017C Subordinate Credit Facility. The Series 2017C Subordinate Bonds
12 shall be required to be delivered in accordance with the procedures of the Securities
13 Depository if held in book-entry form, and if the Series 2017C Subordinate Bonds are
14 not held in book-entry form, the Series 2017C Subordinate Bonds are required to be
15 delivered by physical delivery, accompanied by an instrument of transfer in form
16 satisfactory to the Paying Agent to the principal office of the Paying Agent at or before
17 12:00 noon, New York City time, on the tender date.

18 **ARTICLE IV**
19 **INTEREST RATES ON SERIES 2017C Subordinate BONDS**

20 **Section 401. Initial Interest Rates and Interest Payment Dates; Subsequent Rates.**

21 A. The Series 2017C Subordinate Bonds issued pursuant hereto initially shall
22 bear interest at a Term Rate, as provided in paragraph B hereof, for a Term Rate Period
23 With Liquidity commencing on the Issue Date and ending on the third (3rd) anniversary
24 of the Issue Date (or as otherwise set forth in a Pricing Certificate), as such ending date
25 may be extended from time to time in accordance with the terms of Section 1011 hereof
26 (the "Initial Term Rate Period").

27 B. The Term Rate for the Initial Term Rate Period shall accrue from the Issue
28 Date to, but not including, the next succeeding Interest Payment Date and thereafter
29 from and including each Interest Payment Date to but not including the next succeeding

1 Interest Payment Date at a per annum rate equal to the sum of (i) the Applicable Spread
2 and (ii) the product of (A) the LIBOR Index and (B) the Applicable Factor (the "LIBOR
3 Index Rate"). For purposes of the preceding sentence, except for the initial LIBOR
4 Index Rate which shall be set forth in the related Pricing Certificate, the interest rate
5 equal to the LIBOR Index Rate shall be determined by the Calculation Agent on the
6 second (2nd) London Business Day prior to the Rate Adjustment Date, and such rate
7 shall be in effect for purposes of computing interest from and including the Rate
8 Adjustment Date until the day immediately preceding the next Rate Adjustment Date.
9 The first Interest Payment Date with respect to the Series 2017C Subordinate Bonds
10 shall be as set forth in the initial Pricing Certificate. Interest is payable thereafter on the
11 first Business Day of each calendar month and will be due on the last day of the Initial
12 Term Rate Period.

13 **Section 402. Variable Rates; Conversion to Variable Rate Periods.**

14 **A. Determination by Remarketing Agent and Treasurer.**

15 (1) Subject to the further provisions of this Article with respect to
16 particular Variable Rates or conversions between Rate Periods, and subject to the
17 provisions of Section 505 with respect to any Series 2017C Subordinate Bond bearing
18 interest at a Term Rate during the Delayed Remarketing Period, the Variable Rate for
19 each Variable Rate Period shall be determined by the Remarketing Agent as the lesser
20 of (i) the Maximum Rate or (ii) the minimum rate of interest which, in the judgment of
21 such Remarketing Agent, would cause the Series 2017C Subordinate Bonds to have a
22 market value equal to the principal amount thereof, plus accrued interest, taking into
23 account prevailing market conditions as of the date of determination.

24 (2) If any Remarketing Agent fails for any reason to determine or notify
25 the Paying Agent of the Variable Rate for any Variable Rate Period when required
26 hereunder, the Rate Period for the Series 2017C Subordinate Bonds shall
27 automatically, without notice or mandatory tender, convert to a Weekly Rate Period and,
28 until the Weekly Rate is determined by the Remarketing Agent and notification thereof is
29 delivered to the Paying Agent, the Weekly Rate shall be equal to the Alternate Rate; but

1 in no event shall such Weekly Rate exceed the Maximum Rate. Notwithstanding the
2 foregoing, during any Delayed Remarketing Period pursuant to Section 505 hereof, the
3 Series 2017C Subordinate Bonds shall, subject to the provisions of Section 505 hereof,
4 bear interest at the Maximum Term Rate.

5 B. Daily Rates. The Daily Rate shall be determined as follows:

6 (1) While the Series 2017C Subordinate Bonds bear interest at the
7 Daily Rate, the Remarketing Agent shall establish the Daily Rate by 10:00 a.m., New
8 York City time, on each Business Day. The Daily Rate for any day which is not a
9 Business Day during the period that the Series 2017C Subordinate Bonds bear interest
10 at the Daily Rate shall be the Daily Rate established for the immediately preceding
11 Business Day.

12 (2) The Remarketing Agent shall make the Daily Rate available by
13 telephonic or electronic notice to the Treasurer, the Paying Agent and any Series 2017C
14 Subordinate Credit Facility Provider. On the last Business Day of each month during
15 which the Series 2017C Subordinate Bonds have borne interest at the Daily Rate, the
16 Remarketing Agent shall give notice to the Paying Agent by Electronic Means of the
17 Daily Rates that were in effect for each day of such month for which the Series 2017C
18 Subordinate Bonds bore interest at the Daily Rate.

19 C. Weekly Rates. A Weekly Rate shall be determined for each Weekly Rate
20 Period as follows:

21 (1) Weekly Rate Periods shall commence on a Wednesday and end on
22 Tuesday of the following week, and each Weekly Rate Period shall be followed by
23 another Weekly Rate Period until the Rate Period of the Series 2017C Subordinate
24 Bonds is converted to another Rate Period; provided that (i) in the case of a conversion
25 to a Weekly Rate Period from a different Variable Rate Period or a Flexible Rate Period,
26 the Weekly Rate Conversion Date shall be the last Interest Payment Date in respect of
27 the immediately preceding Rate Period and the Weekly Rate Period starting on such
28 date shall end on Tuesday of the following week; and (ii) in the case of a conversion

1 from a Weekly Rate Period to a different Rate Period, the last Weekly Rate Period prior
2 to conversion shall end on the last day immediately preceding the Conversion Date to
3 the new Rate Period.

4 (2) The Weekly Rate for each Weekly Rate Period shall be effective
5 from and including the commencement date of such period and shall remain in effect
6 through and including the last day thereof. Each Weekly Rate shall be determined by
7 the Remarketing Agent no later than the Business Day immediately preceding the
8 commencement date of the Weekly Rate Period to which it relates and shall be
9 provided to the Paying Agent by the Remarketing Agent by telephonic or electronic
10 notice by the close of business on such Business Day. The Paying Agent shall
11 promptly notify the Treasurer and any Series 2017C Subordinate Credit Facility Provider
12 by Electronic Means of the Weekly Rate so determined.

13 D. Monthly Rates. A Monthly Rate shall be determined for each Monthly
14 Rate Period as follows:

15 (1) Monthly Rate Periods shall commence on the first day of each
16 calendar month and shall be effective to but not including the first day of the following
17 calendar month; provided that (i) in the case of a conversion to a Monthly Rate Period
18 from a different Variable Rate Period or a Flexible Rate Period, the Monthly Rate
19 Conversion Date shall be the last Interest Payment Date in respect of the immediately
20 preceding Rate Period and the Monthly Rate Period starting on such date shall end on
21 the last day of the same calendar month; and (ii) in the case of a conversion from a
22 Monthly Rate Period to a different Rate Period, the last Monthly Rate Period prior to
23 conversion shall end on the last day immediately preceding the Conversion Date to the
24 new Rate Period. Each Monthly Rate Period shall be followed by another Monthly Rate
25 Period until the Rate Period of the Series 2017C Subordinate Bonds is converted to
26 another Rate Period.

27 (2) The Monthly Rate for each Monthly Rate Period shall be effective
28 from and including the commencement date of such period and shall remain in effect
29 through and including the last day thereof. Each Monthly Rate shall be determined by

1 the Remarketing Agent no later than the Business Day immediately preceding the
2 commencement date of the Monthly Rate Period to which it relates and shall be
3 provided to the Paying Agent by the Remarketing Agent by telephonic or electronic
4 notice by the close of business on such Business Day. The Paying Agent shall
5 promptly notify the Treasurer and any Series 2017C Subordinate Credit Facility Provider
6 by Electronic Means of the Monthly Rate so determined.

7 E. Semiannual Rates. A Semiannual Rate shall be determined for each
8 Semiannual Rate Period as follows:

9 (1) Semiannual Rate Periods shall (i) commence on a Semiannual
10 Rate Conversion Date and on each Interest Payment Date thereafter and (ii) end on the
11 day preceding either the commencement date of the following Semiannual Rate Period
12 or the Conversion Date on which a different type of Rate Period shall become effective.
13 Each Semiannual Rate Period shall be followed by another Semiannual Rate Period
14 until the Rate Period of the Series 2017C Subordinate Bonds is converted to another
15 Rate Period. The first Semiannual Rate Period which succeeds a Flexible, Weekly,
16 ARS, or Term Rate Period may be from one to five months shorter than the succeeding
17 Semiannual Rate Periods, as specified in the notice delivered by the Treasurer pursuant
18 to Section 402G(2) or 402H(2) hereof.

19 (2) The Semiannual Rate for each Semiannual Rate Period shall be
20 effective from and including the commencement date of such period and shall remain in
21 effect through and including the last day thereof. Each Semiannual Rate shall be
22 determined by the Remarketing Agent no later than the Business Day immediately
23 preceding the commencement date of the Semiannual Rate Period to which it relates
24 and shall be provided to the Paying Agent by the Remarketing Agent by telephonic or
25 electronic notice by the close of business on that same day. The Paying Agent shall
26 promptly notify the Treasurer and any Series 2017C Subordinate Credit Facility Provider
27 by Electronic Means of the Semiannual Rate so determined.

28 F. Term Rates. A Term Rate shall be determined for each Term Rate Period
29 as follows:

1 (1) Term Rate Periods shall, except to the extent determined as
2 provided in Section 401 hereof, (i) initially commence on a Term Rate Conversion Date
3 and end on any Interest Payment Date which is, except as otherwise provided in this
4 paragraph, specified in the notice delivered by the Treasurer pursuant to Section
5 402G(2) or 402H(2) hereof, and (ii) end on the day preceding either the commencement
6 date of the following Term Rate Period or the Conversion Date on which a different Rate
7 Period shall become effective. Except for the Initial Term Rate Period, each Term Rate
8 Period shall be followed by another Term Rate Period of the same duration as the
9 preceding Term Rate Period until the Rate Period of the Series 2017C Subordinate
10 Bonds is converted to another Rate Period or to a Term Rate Period of a different
11 duration; provided that the Initial Term Rate Period determined as provided in Section
12 401 hereof and the first Term Rate Period which succeeds a Flexible, Daily, Weekly,
13 Monthly, Auction or Semiannual Rate Period or a Term Rate Period may be of a
14 different duration than the succeeding Term Rate Periods, as specified in the Pricing
15 Certificate with respect to the Initial Term Rate Period or in the notice delivered by the
16 Treasurer pursuant to Section 402G(2) or 402H(2) hereof.

17 (2) The Term Rate for each Term Rate Period shall be effective from
18 and including the commencement date of such period and remain in effect through and
19 including the last day thereof. Each Term Rate shall be determined not later than the
20 Business Day immediately preceding the commencement date of the Term Rate Period
21 to which it relates and shall be provided to the Paying Agent by the Remarketing Agent
22 by telephonic or electronic notice by the close of business on that same day. The
23 Paying Agent shall promptly notify the Treasurer and any Series 2017C Subordinate
24 Credit Facility Provider by Electronic Means of the Term Rate so determined.

25 (3) Notwithstanding paragraphs (1) and (2) of this Section, with respect
26 to the initial issuance of the Series 2017C Subordinate Bonds at a Term Rate, the initial
27 Term Rate and the Initial Term Rate Period shall be determined as provided in Section
28 401 hereof, and neither the Remarketing Agent nor the Paying Agent shall be required
29 to give notice thereof as provided in this Section.

1 (4) Notwithstanding anything in this Section 402 to the contrary and
2 except with respect to the Initial Term Rate Period, if the Series 2017C Subordinate
3 Bonds have borne interest at a Term Rate and there has been a failure to pay the
4 Purchase Price of any Series 2017C Subordinate Bonds which have been tendered for
5 purchase at the end of a Term Rate Period, the Series 2017C Subordinate Bonds shall,
6 subject to the provisions of Section 505 hereof, bear interest at the Maximum Term
7 Rate to the date on which such Purchase Price has been paid in accordance with
8 Section 505 hereof. If there has been a failure to pay the Purchase Price of any Series
9 2017C Subordinate Bonds which has been tendered for purchase at the end of the
10 Initial Term Rate Period, such Series 2017C Subordinate Bonds shall be tendered to
11 the Series 2017 Subordinate Credit Facility Provider at a deemed purchase price equal
12 to 100% of the principal amount of such Series 2017C Subordinate Bonds and
13 thereafter shall constitute Series 2017C Subordinate Credit Facility Bonds under the
14 Series 2017C Subordinate Credit Facility.

15 G. Conversions Between Variable Rate Periods. By notifying the
16 Remarketing Agent, the Paying Agent and any Series 2017C Subordinate Credit Facility
17 Provider, the Treasurer may elect to convert the Series 2017C Subordinate Bonds from
18 one Variable Rate Period to another, as follows:

19 (1) The Conversion Date to a different Variable Rate Period shall be an
20 Interest Payment Date on which interest is payable for the Variable Rate Period from
21 which the conversion is to be made; provided, however, that, if the conversion is from a
22 Term Rate Period, the conversion may be made only on the last Interest Payment Date
23 for that Term Rate Period, and, unless the conversion is from one Term Rate Period to
24 another Term Rate Period, and except as provided in Sections 801 or 802, may be
25 made only if a Series 2017C Subordinate Credit Facility shall be in full force and effect
26 upon such conversion.

27 (2) The Treasurer shall give written notice of any such conversion to
28 the Paying Agent, the Remarketing Agent, and any Series 2017C Subordinate Credit
29 Facility Provider not fewer than 25 days (45 days in the case of a proposed Term Rate

1 Conversion Date, or three Business Days in the case of a conversion during any
2 Delayed Remarketing Period pursuant to Section 505 hereof) prior to the proposed
3 Conversion Date. Such notice shall specify (i) the proposed Conversion Date, (ii) the
4 type of Variable Rate Period to which the conversion will be made, (iii) in the case of
5 conversion to a Term Rate Period or from a Term Rate Period of one duration to a Term
6 Rate Period of another duration, the duration of the new Term Rate Period and (iv) in
7 the case of a conversion to a Semiannual or Term Rate Period, the first Interest
8 Payment Date following such conversion (which, except in the case of a Term Rate
9 Period during which the Term Rate is not fixed for the duration of the Term Rate Period,
10 shall be the 15th day of the first May or November after the proposed Conversion Date)
11 and any difference between the duration of the first Semiannual or Term Rate Period
12 commencing on such Conversion Date and subsequent Semiannual or Term Rate
13 Periods occurring prior to the next Conversion Date.

14 (3) Not fewer than 15 days (30 days in the case of a proposed Term
15 Rate Conversion Date or promptly following receipt of notice of a conversion, during any
16 Delayed Remarketing Period pursuant to Section 505 hereof) prior to the Conversion
17 Date, the Paying Agent shall mail (by first class mail) a written notice (or, in the case of
18 a conversion during any Delayed Remarketing Period pursuant to Section 505 hereof,
19 shall provide notice by Electronic Means) of the conversion to the owners of the Series
20 2017C Subordinate Bonds, as prepared and delivered by the City to the Paying Agent,
21 such notice shall contain (i) the information set forth in the notice described in
22 paragraph (2) of this subsection, (ii) the matters required to be stated pursuant to
23 Section 503 or Section 505 hereof with respect to purchases of Series 2017C
24 Subordinate Bonds governed by that Section and (iii) a description of the consequences
25 set forth in paragraph (6) of this subsection of the failure to obtain the Favorable
26 Opinion of Bond Counsel required by paragraph (5) of this subsection.

27 (4) The Variable Rate for the Variable Rate Period commencing on the
28 Conversion Date shall be established and notice thereof shall be given to the Paying
29 Agent, the Treasurer and any Series 2017C Subordinate Credit Facility Provider in the
30 manner and at the times provided in subsection B, C, D, E or F of this Section,

1 whichever is applicable to the Variable Rate Period to which the conversion shall be
2 made.

3 (5) With respect to a conversion from one Variable Rate Period to
4 another Variable Rate Period or from a Term Rate Period of one duration to a Term
5 Rate Period of another duration, on the proposed Conversion Date, the Paying Agent
6 and the Remarketing Agent shall have been provided with a Favorable Opinion of Bond
7 Counsel with respect to such conversion.

8 (6) If a Favorable Opinion of Bond Counsel is not provided, the Series
9 2017C Subordinate Bonds shall be purchased on the proposed Conversion Date,
10 however, the new Rate Period shall not take effect and the Series 2017C Subordinate
11 Bonds shall be remarketed in the Rate Period currently in effect.

12 (7) At the end of the Initial Term Rate Period, without the prior written
13 consent of the Initial Purchaser, no partial conversions can occur with respect to the
14 Series 2017C Subordinate Bonds.

15 H. Conversions to Variable Rate Periods from Flexible Rate Periods. By
16 notifying the Remarketing Agent, the Paying Agent and any Series 2017C Subordinate
17 Credit Facility Provider, the Treasurer may elect to convert the Series 2017C
18 Subordinate Bonds from Flexible Rate Periods to a Variable Rate Period, as follows:

19 (1) The Conversion Date shall be a day which is both (i) the
20 Conversion Date required with respect to the Rate Period to which the Series 2017C
21 Subordinate Bonds are to be converted and (ii) the last Interest Payment Date on which
22 interest is payable for any Flexible Rate Periods theretofore established pursuant to
23 Section 403 hereof for the Series 2017C Subordinate Bonds to be converted.

24 (2) The Treasurer shall give written notice of any such conversion to
25 the Remarketing Agent, the Paying Agent and any Series 2017C Subordinate Credit
26 Facility Provider no fewer than 25 days prior to the proposed Conversion Date. Such
27 notice shall specify (i) the proposed Conversion Date, (ii) the type of Rate Period to
28 which the conversion will be made, (iii) in the case of conversion to a Term Rate Period,

1 the duration of such Term Rate Period and (iv) in the case of a conversion to a
2 Semiannual or Term Rate Period, the first Interest Payment Date following such
3 conversion (which, except in the case of a Term Rate Period during which the term rate
4 is not fixed for the duration of the Term Rate Period, shall be the 15th day of the first
5 May or November after the proposed Conversion Date) and any difference between the
6 duration of the Semiannual or Term Rate Period commencing on such Conversion Date
7 and subsequent Semiannual or Term Rate Periods occurring prior to the next
8 Conversion Date.

9 (3) The Paying Agent shall give notice of conversion to the owners of
10 the Series 2017C Subordinate Bonds prior to the Conversion Date in the manner
11 prescribed by Section 402G(3) hereof not fewer than 15 days (30 days in the case of a
12 proposed Term Rate conversion date) prior to the Conversion Date. Notwithstanding
13 the foregoing, no conversion shall be effected unless, prior to the date on which such
14 notice is required to be given, the Paying Agent shall have received written confirmation
15 from the Remarketing Agent to the effect that it has not established and will not
16 establish any Flexible Rate Periods extending beyond the Conversion Date; provided,
17 however, that this sentence shall not prohibit the conversion of the Series 2017C
18 Subordinate Bonds to new Flexible Rate Periods commencing after the expiration of a
19 Variable Rate Period pursuant to Section 403 hereof.

20 (4) The Variable Rate for the Variable Rate Period commencing on the
21 Conversion Date shall be established and notice thereof shall be given as is provided
22 for conversions from one Variable Rate Period to another pursuant to Section 402G(4)
23 hereof.

24 (5) On the proposed Conversion Date, the Paying Agent and the
25 Remarketing Agent shall have been provided with a Favorable Opinion of Bond Counsel
26 with respect to such conversion.

27 (6) If a Favorable Opinion of Bond Counsel is not provided, the Series
28 2017C Subordinate Bonds shall be purchased on the proposed Conversion Date,

1 however, the new Rate Period shall not take effect and the Series 2017C Subordinate
2 Bonds shall be remarketed in the Rate Period currently in effect.

3 **Section 403. Flexible Rates and Flexible Rate Periods; Conversions to Flexible Rate**
4 **Periods.**

5 A. **Flexible Rates and Flexible Rate Periods.**

6 (1) The Remarketing Agent shall determine the Flexible Rate and the
7 Flexible Rate Period for each bond of the Series 2017C Subordinate Bonds at such rate
8 and for such period as they deem advisable in order to minimize the expected interest
9 cost on the Series 2017C Subordinate Bonds, net of remarketing costs, over the longest
10 period for which a Flexible Rate Period may be established on the date of
11 determination, taking into account prevailing market conditions as of the date of
12 determination; provided that (i) the Flexible Rate for each Series 2017C Subordinate
13 Bond shall be the lesser of (A) the Maximum Rate or (B) the minimum rate of interest
14 which, in the judgment of the Remarketing Agent, would cause such Series 2017C
15 Subordinate Bond to have a market value equal to the principal amount thereof, plus
16 accrued interest, if any, taking into account prevailing market conditions as of the date
17 of determination and (ii) each Flexible Rate Period (a) shall not exceed the lesser of 270
18 days or 5 days fewer than the maximum number of days of interest for which the Paying
19 Agent may request funds in accordance with the Series 2017C Subordinate Credit
20 Facility or, if any Remarketing Agent has received notice of any conversion to a Variable
21 or Fixed Rate Period, the remaining number of days prior to the Conversion Date and
22 (b) shall commence on either a Flexible Rate Conversion Date or the last day of the
23 immediately preceding Flexible Rate Period and end on a Business Day.

24 (2) The Remarketing Agent shall promptly notify the Paying Agent, and
25 the Paying Agent shall promptly notify the Treasurer and any Series 2017C Subordinate
26 Credit Facility Provider by Electronic Means of each Flexible Rate and Flexible Rate
27 Period determined pursuant to this subsection.

1 (3) If the Remarketing Agent fails for any reason to determine or notify
2 the Paying Agent of the Flexible Rate and the Flexible Rate Period for any Series
3 2017C Subordinate Bond while the Series 2017C Subordinate Bonds are to be bearing
4 interest at Flexible Rates, the Series 2017C Subordinate Bond shall be deemed to be in
5 a Flexible Rate Period of a period equal to a Weekly Rate Period in duration and the
6 Flexible Rate for which shall be equal to the Weekly Rate determined on such day as
7 provided in Section 402A hereof, which Flexible Rate Period will be followed by Flexible
8 Rate Periods established as provided in this subsection, unless otherwise converted to
9 a different Interest Period.

10 B. Conversions to Flexible Rate Periods from Variable Rate Periods. By
11 notifying the Remarketing Agent, the Paying Agent and any Series 2017C Subordinate
12 Credit Facility Provider, the Treasurer may elect to convert the Series 2017C
13 Subordinate Bonds to Flexible Rate Periods from a Variable Rate Period, as follows:

14 (1) The Flexible Rate Conversion Date shall be an Interest Payment
15 Date on which interest is payable for the Variable Rate Period from which the
16 conversion is to be made; provided, however, that in the case of a conversion from a
17 Term Rate Period, the Conversion Date shall be the last Interest Payment Date for that
18 Term Rate Period.

19 (2) The Treasurer shall give written notice of any such conversion to
20 the Remarketing Agent, the Paying Agent and any Series 2017C Subordinate Credit
21 Facility Provider, in the manner and at the times specified in Section 402G(2) hereof,
22 which notice shall also identify any Series 2017C Subordinate Credit Facility Provider to
23 be applicable on and after such conversion.

24 (3) Not fewer than 15 days (or promptly following receipt of notice of a
25 conversion during a Delayed Remarketing Period pursuant to Section 505 hereof) prior
26 to the Conversion Date, the Paying Agent shall mail (by first class mail) a written notice
27 (or, in the case of a conversion during any Delayed Remarketing Period pursuant to
28 Section 505 hereof, shall provide notice by Electronic Means) of the conversion to the
29 owners of all Series 2017C Subordinate Bonds, as prepared and delivered by the City

1 to the Paying Agent, specifying the Conversion Date, setting forth the matters required
2 to be stated pursuant to Section 503 hereof with respect to purchases of Series 2017C
3 Subordinate Bonds governed by that Section and describing the consequences set forth
4 in paragraph (5) of this subsection of the failure to obtain the Favorable Opinion of Bond
5 Counsel required by paragraph (4) of this subsection.

6 (4) On the proposed Conversion Date, the Paying Agent and the
7 Remarketing Agent shall have been provided with a Favorable Opinion of Bond Counsel
8 with respect to such conversion.

9 (5) If a Favorable Opinion of Bond Counsel is not provided, the new
10 Rate Period shall not take effect and the Series 2017C Subordinate Bonds shall remain
11 in the Rate Period currently in effect.

12 **Section 404. Fixed Rate Conversion.** By notifying the Remarketing Agent or the
13 Broker-Dealer, as the case may be, the Paying Agent and any Series 2017C
14 Subordinate Credit Facility Provider, the Treasurer may elect to convert the Series
15 2017C Subordinate Bonds bearing interest at a Variable Rate or Flexible Rate to bear
16 interest at a Fixed Rate, as hereinafter provided. Any such conversion shall be made
17 as follows:

18 (1) The Fixed Rate Conversion Date shall be: (i) in the case of a
19 conversion from a Variable Rate Period other than a Term Rate Period, a regularly
20 scheduled Interest Payment Date on which interest is payable for the Variable Rate
21 Period from which the conversion is to be made; (ii) in the case of a conversion from a
22 Term Rate Period, the last Interest Payment Date for that Term Rate Period, except as
23 otherwise provided in Section 505 hereof; and (iii) in the case of a conversion from a
24 Flexible Rate Period, a day which is the last regularly scheduled Interest Payment Date
25 on which interest is payable for any Interest Period theretofore established for the
26 Series 2017C Subordinate Bonds to be converted. The Treasurer shall give written
27 notice of any such conversion, specifying the proposed Fixed Rate Conversion Date
28 and the first Interest Payment Date following such conversion (which shall be the 15th
29 day of the first May or November after the proposed Fixed Rate Conversion Date), to

1 any Remarketing Agent, the Paying Agent and any Series 2017C Subordinate Credit
2 Facility Provider, not fewer than 45 days prior to the proposed Fixed Rate Conversion
3 Date.

4 (2) The Remarketing Agent shall determine the Fixed Rate, which shall
5 be no greater than the lesser of (i) the Maximum Rate and (ii) the lowest rate of interest
6 for each maturity of the Series 2017C Subordinate Bonds which, in the judgment of
7 such Remarketing Agent, taking into account prevailing market conditions as of the date
8 of determination, would cause the Series 2017C Subordinate Bonds to have a market
9 value equal to the principal amount thereof plus accrued interest, if any. The
10 Remarketing Agent shall promptly notify the Paying Agent, and the Paying Agent shall
11 promptly notify the Treasurer by Electronic Means of the Fixed Rate so determined.

12 (3) Notice of conversion shall be given by first class mail by the Paying
13 Agent to the owners of the Series 2017C Subordinate Bonds not fewer than 30 days
14 prior to the Fixed Rate Conversion Date, except, in the case of a conversion during any
15 Delayed Remarketing Period pursuant to Section 505 hereof, the Paying Agent shall
16 provide notice by Electronic Means. Such notice, as prepared and delivered by the City
17 to the Paying Agent, shall inform the owners of the Series 2017C Subordinate Bonds of:

18 (i) the proposed Fixed Rate Conversion Date;

19 (ii) the conditions to the conversion pursuant to paragraph (5) of
20 this Section;

21 (iii) the matters required to be stated pursuant to Section 504
22 hereof with respect to purchases of Series 2017C Subordinate Bonds governed
23 by that Section;

24 (iv) the consequences described in the last sentence of
25 paragraph (5) of this subsection of failure to satisfy the conditions set forth in the
26 first sentence of paragraph (5) of this subsection; and

1 (v) the rights of the Treasurer pursuant to paragraph (6) of this
2 subsection and the consequences of the Treasurer's exercise of such rights.

3 (4) Not later than noon, New York City time, on the Business Day prior
4 to the Fixed Rate Conversion Date, the Remarketing Agent shall determine the Fixed
5 Rate for the Series 2017C Subordinate Bonds. If the Remarketing Agent fails for any
6 reason to determine the Fixed Rate when required hereunder, such rate shall be
7 established by the Treasurer.

8 (5) Any conversion to a Fixed Rate pursuant to this Section shall be
9 subject to the following conditions: (i) on the proposed Fixed Rate Conversion Date,
10 the Paying Agent and the Remarketing Agent shall have received a Favorable Opinion
11 of Bond Counsel with respect to such conversion; and (ii) on the proposed Fixed Rate
12 Conversion Date, sufficient funds shall be available to purchase Series 2017C
13 Subordinate Bonds which are then required to be purchased pursuant to Section 504
14 hereof. If the conditions set forth in the preceding sentence are not met for any reason,
15 the new Rate Period shall not take effect and the Series 2017C Subordinate Bonds
16 shall remain in the Rate Period currently in effect.

17 (6) At any time prior to the Fixed Rate Conversion Date, the Treasurer
18 may elect, by notice in writing to any Remarketing Agent, any Series 2017C
19 Subordinate Credit Facility Provider and the Paying Agent, not to convert to the Fixed
20 Rate but rather to convert on the proposed Fixed Rate Conversion Date to a Variable
21 Rate or a Flexible Rate following the conversion procedures for such Rate Periods set
22 forth herein; provided, however, no additional notice of the conversion need to be given
23 to the owners of the Series 2017C Subordinate Bonds in connection with such
24 conversion.

25 (7) After the Series 2017C Subordinate Bonds are converted to a Fixed
26 Rate Period, the Series 2017C Subordinate Bonds may not be converted to another
27 Rate Period.

1 **Section 405. Determinations of Interest Rates and Rate Periods Conclusive and**
2 **Binding.** All determinations of Interest Rates and Rate Periods pursuant to this Article
3 shall be conclusive and binding upon the City, the Paying Agent, any Series 2017C
4 Subordinate Credit Facility Provider and the owners of the Series 2017C Subordinate
5 Bonds to which such rates are applicable.

6 **Section 406. Effect of Failure to Give or Receive Notices.** Except for notices by the
7 Treasurer to the Paying Agent pursuant to Sections 402G, 403B and 404(1) hereof, the
8 failure of any person to give any notice, or the failure of any owner of any Series 2017C
9 Subordinate Bond or any other person to receive any notice, provided for in this Article
10 shall not affect the event to which such notice relates nor shall it result in any liability by
11 the City, the Paying Agent or the Remarketing Agent to any owner of Series 2017C
12 Subordinate Bonds to whom such notice was to have been given.

13 **Section 407. Interest on Series 2017C Subordinate Credit Facility Bonds.**
14 Notwithstanding any provision to the contrary in this Supplemental Subordinate
15 Ordinance, each Series 2017C Subordinate Credit Facility Bond shall bear interest at
16 the Series 2017C Subordinate Credit Facility Rate, payable on the dates, and otherwise
17 as provided in the Series 2017C Subordinate Credit Facility.

18 **ARTICLE V**
19 **TENDER AND PURCHASE OF SERIES 2017C SUBORDINATE BONDS**

20 **Section 501. Optional Tenders During Variable Rate Periods.**

21 A. **Purchase Dates.** The owners of Series 2017C Subordinate Bonds (and,
22 for purpose of this Section 501 and as applicable, the beneficial owners of the Series
23 2017C Subordinate Bonds determined under the rules of the Securities Depository)
24 bearing interest at Variable Rates, other than Term Rates, may elect to have their
25 Series 2017C Subordinate Bonds (or portions thereof in amounts equal to
26 denominations then authorized pursuant to Section 303 hereof) purchased at a
27 purchase price equal to 100% of the principal amount of such Series 2017C
28 Subordinate Bonds (or portions), plus, in the case of Series 2017C Subordinate Bonds
29 bearing interest at Daily, Weekly or Monthly Rates, accrued interest to the purchase

1 date (in this Section the "Purchase Price"), on the following purchase dates and upon
2 the giving of irrevocable written notice as specified below (provided that such notice
3 meets the further requirements of subsection B of this Section):

4 (1) Series 2017C Subordinate Bonds bearing interest at Daily Rates,
5 Weekly Rates or Monthly Rates may be tendered for purchase, at the applicable
6 Purchase Price payable in immediately available funds, on any Business Day prior to
7 conversion from a Daily Rate Period, Weekly Rate Period or Monthly Rate Period, as
8 applicable, to a different Rate Period upon delivery of an irrevocable written notice of
9 tender to the Remarketing Agent and the Paying Agent (i) not later than 11:00 a.m.,
10 New York City time, on a Business Day when the Series 2017C Subordinate Bonds
11 bear interest at a Daily Rate, or (ii) not later than 5:00 p.m., New York City time, on a
12 Business Day which is not fewer than seven days prior to the purchase date when the
13 Series 2017C Subordinate Bonds bear interest at a Weekly Rate or a Monthly Rate.

14 (2) Series 2017C Subordinate Bonds bearing interest at a Semiannual
15 Rate may be tendered for purchase on the commencement date of the succeeding Rate
16 Period for such Series 2017C Subordinate Bonds, at the Purchase Price payable in
17 immediately available funds, upon delivery of an irrevocable written notice of tender to
18 the Remarketing Agent and the Paying Agent not later than 5:00 p.m., New York City
19 time, on a Business Day which is not fewer than 10 days prior to the purchase date.

20 B. Notice of Tender. Each irrevocable written notice of tender given pursuant
21 to subsection A of this Section:

22 (1) shall be delivered to the Remarketing Agent and the Paying Agent,
23 shall be given in accordance with the procedures established by the Securities
24 Depository while the book-entry only system remains in effect for the Series 2017C
25 Subordinate Bonds, and shall be in form satisfactory to the Remarketing Agent and the
26 Paying Agent;

27 (2) shall state (i) the principal amount of the Series 2017C Subordinate
28 Bond to which such irrevocable written notice relates, (ii) that the owner demands

1 purchase of such Series 2017C Subordinate Bond or a specified portion thereof in an
2 amount equal to the lowest denominations then authorized pursuant to subsection C of
3 Section 303 hereof, (iii) the date on which such Series 2017C Subordinate Bond or
4 portion is to be purchased, and (iv) payment instructions with respect to the Purchase
5 Price; and

6 (3) shall automatically constitute (i) an irrevocable offer to sell the
7 Series 2017C Subordinate Bond (or portion thereof) to which the notice relates on the
8 purchase date at the Purchase Price, (ii) an irrevocable authorization and instruction to
9 the Paying Agent to effect transfer of such Series 2017C Subordinate Bond (or portion
10 thereof) upon payment of the Purchase Price to the Remarketing Agent on the purchase
11 date, (iii) an irrevocable authorization and instruction to the Paying Agent to effect the
12 exchange of the Series 2017C Subordinate Bond to be purchased in whole or in part for
13 other Series 2017C Subordinate Bonds in an equal aggregate principal amount so as to
14 facilitate the sale of such Series 2017C Subordinate Bond (or portion thereof to be
15 purchased) and (iv) an acknowledgment that such owner will have no further rights with
16 respect to such Series 2017C Subordinate Bond (or portion thereof) upon payment of
17 the Purchase Price thereof by the Paying Agent to the owner thereof on the purchase
18 date, upon surrender of such Series 2017C Subordinate Bond to the Paying Agent,
19 except that after the purchase date such owner will hold any undelivered certificate as
20 agent for the Paying Agent. The determination of the Paying Agent as to whether a
21 notice of tender has been properly delivered pursuant to the foregoing shall be
22 conclusive and binding upon the owner of the Series 2017C Subordinate Bonds to
23 which the notice relates.

24 C. Series 2017C Subordinate Bonds to be Remarketed. Promptly following
25 the date of receipt of any notice of tender, the Paying Agent shall notify by Electronic
26 Means the Treasurer and any Series 2017C Subordinate Credit Facility Provider of the
27 principal amount of Series 2017C Subordinate Bonds (or portions thereof) to be
28 purchased and the date of purchase.

1 D. Remarketing of Tendered Series 2017C Subordinate Bonds. Unless
2 otherwise instructed by the Treasurer, the Remarketing Agent shall offer for sale at the
3 applicable Purchase Price and use its best efforts to find purchasers for all of the Series
4 2017C Subordinate Bonds, or portions thereof for which notice of tender has been
5 received pursuant to subsection B of this Section. In remarketing the Series 2017C
6 Subordinate Bonds which are subject to purchase under this Section, the Remarketing
7 Agent shall offer and accept purchase commitments for the Series 2017C Subordinate
8 Bonds for applicable rate periods and rates provided for in this Section as it deems
9 advisable in order to minimize the expected interest cost on the Series 2017C
10 Subordinate Bonds, net of remarketing costs, over the longest period for which an
11 applicable rate period may be established on the first day of such rate period, taking into
12 account prevailing market conditions as of such date. While the Series 2017C
13 Subordinate Bonds are held in book-entry form, the Paying Agent, upon receipt of 100%
14 of the aggregate Purchase Price of the tendered Series 2017C Subordinate Bonds from
15 the Remarketing Agent pursuant to Section 501(E)(2), will make payment of the
16 Purchase Price for tendered Series 2017C Subordinate Bonds in immediately available
17 funds in accordance with the procedures established by the Securities Depository. If
18 the book-entry only system is not in effect, the terms of any sale by the Remarketing
19 Agent shall provide for the payment of the Purchase Price for tendered Series 2017C
20 Subordinate Bonds by the Remarketing Agent to the Paying Agent in immediately
21 available funds at or before 2:30 p.m., New York City time, on the purchase date, in the
22 case of Series 2017C Subordinate Bonds bearing interest at Daily, Weekly, Monthly or
23 Semiannual Rates. Notwithstanding the foregoing, the Remarketing Agent shall not sell
24 any Series 2017C Subordinate Bond as to which (i) an Event of Default has occurred
25 and is continuing or (ii) a notice of redemption, acceleration, or conversion from one
26 type of Variable Rate Period to another, to Flexible Rate Periods or to a Fixed Rate
27 Period has been given unless the Remarketing Agent has advised the person to whom
28 the sale is made of the redemption, acceleration, or conversion.

1 E. Purchase of Tendered Series 2017C Subordinate Bonds.

2 (1) Notice. At or before 12:00 noon, New York City time, on the
3 Business Day immediately preceding the date fixed for purchase of tendered Series
4 2017C Subordinate Bonds, the Remarketing Agent shall give notice by Electronic
5 Means to the Paying Agent of the principal amount of tendered Series 2017C
6 Subordinate Bonds which were remarketed and of the principal amount of tendered
7 Series 2017C Subordinate Bonds which were not remarketed. Not later than 12:30
8 p.m., New York City time, on the date of receipt of such notice the Paying Agent shall
9 give notice by Electronic Means to the Treasurer and any Series 2017C Subordinate
10 Credit Facility Provider, specifying the principal amount of tendered Series 2017C
11 Subordinate Bonds for which the Remarketing Agent has not found a purchaser at that
12 time. No later than 1:00 p.m., New York City time, on the date fixed for purchase, the
13 Remarketing Agent shall give notice to the Paying Agent and the Series 2017C
14 Subordinate Bonds Registrar by Electronic Means of such purchaser information as
15 may be necessary to re-register and deliver the Series 2017C Subordinate Bonds to be
16 delivered to each purchaser and, if available, payment instructions for regularly
17 scheduled interest payments, or of any changes in any such information previously
18 communicated.

19 (2) Sources of Payments. The Remarketing Agent shall cause to be
20 paid to the Paying Agent, by no later than 12:30 p.m., New York City time, on the date
21 fixed for purchase of tendered Series 2017C Subordinate Bonds, all amounts
22 representing proceeds of the remarketing of such Series 2017C Subordinate Bonds,
23 which payment shall be made in the manner specified in subsection D of this Section;
24 provided, however, that such payment to the Paying Agent shall not be made if such
25 amounts are not sufficient to pay the Purchase Price thereof unless any such deficiency
26 is satisfied as provided herein. If such amounts are not sufficient to pay the Purchase
27 Price thereof, the Paying Agent shall give to the Series 2017C Subordinate Credit
28 Facility Provider, if any, notice by Electronic Means, promptly confirmed by written
29 notice, and otherwise request purchase under the Series 2017C Subordinate Credit
30 Facility, if any, in accordance with the terms thereof, by no later than 12:30 p.m., New

1 York City time, on the dates fixed for purchase of tendered Series 2017C Subordinate
2 Bonds, and shall immediately provide such notice to the Treasurer. If the amounts
3 available from the proceeds of the remarketing together with amounts available under
4 the Series 2017C Subordinate Credit Facility, if any, are not sufficient to pay any
5 deficiency, the Paying Agent shall immediately notify the Treasurer, and, except as
6 provided in Section 505C hereof, the City shall deliver or cause to be delivered to the
7 Paying Agent, Net Revenues of the Airport System, to the extent permitted by the
8 General Subordinate Bond Ordinance and this Supplemental Subordinate Ordinance,
9 for payment of any deficiency in the Purchase Price. All moneys received by the Paying
10 Agent from the sources specified in this paragraph shall be used solely for the payment
11 of the Purchase Price of tendered Series 2017C Subordinate Bonds and shall not be
12 commingled with other funds held by the Paying Agent. In the event that moneys
13 received are not sufficient to pay the Purchase Price thereof, the Paying Agent shall
14 return all moneys in accordance with Section 507 hereof.

15 (3) Payments by the Paying Agent. At or before the close of business
16 in New York City on the date set for purchase of tendered Series 2017C Subordinate
17 Bonds and upon receipt by the Paying Agent of 100% of the aggregate Purchase Price
18 of the tendered Series 2017C Subordinate Bonds, and delivery to the Paying Agent of
19 the Series 2017C Subordinate Bonds subject to tender by the times specified in
20 subsection E(6) of this Section, the Paying Agent shall pay the Purchase Price of such
21 Series 2017C Subordinate Bonds to the owners thereof. Such payments shall be made
22 by wire transfer of immediately available funds. The Paying Agent shall apply in order
23 (i) moneys paid to it by the Remarketing Agent as proceeds of the remarketing of such
24 Series 2017C Subordinate Bonds by the Remarketing Agent, (ii) moneys paid to it for
25 such purpose by the Series 2017C Subordinate Credit Facility Provider, if any, under
26 the terms of the Series 2017C Subordinate Credit Facility, and (iii) other moneys made
27 available by the City. If sufficient funds are not available for the purchase of all
28 tendered Series 2017C Subordinate Bonds, no purchases shall be consummated, all as
29 further set forth in Section 507 hereof, and with respect to Series 2017C Subordinate
30 Bonds bearing interest at a Term Rate, as set forth in Section 505C hereof.

1 (4) Registration and Delivery of Tendered or Purchased Series 2017C
2 Subordinate Bonds. On the date of purchase, the Paying Agent shall register and
3 deliver (or hold) or cancel all Series 2017C Subordinate Bonds purchased on any
4 purchase date as follows: (i) Series 2017C Subordinate Bonds purchased or
5 remarketed by the Remarketing Agent shall be registered and made available to the
6 Remarketing Agent by 3:00 p.m., New York City time, in accordance with the
7 instructions of such Remarketing Agent; (ii) Series 2017C Subordinate Bonds
8 purchased with amounts provided by any Series 2017C Subordinate Credit Facility
9 Provider under the terms of a Series 2017C Subordinate Credit Facility unless such
10 amounts due to the Series 2017C Subordinate Credit Facility Provider in respect of
11 such purchase shall have theretofore been reimbursed by the City in accordance with
12 the Series 2017C Subordinate Credit Facility, shall be, at the written direction of the
13 Series 2017C Subordinate Credit Facility Provider, credited immediately to the
14 participant account maintained by the Paying Agent with the Securities Depository for
15 the account and benefit of the Series 2017C Subordinate Credit Facility Provider as
16 beneficial owner of such Series 2017C Subordinate Bonds or delivered to or for the
17 account and benefit of the Series 2017C Subordinate Credit Facility Provider; (iii) Series
18 2017C Subordinate Bonds purchased by the City with amounts paid by the City, or in
19 respect of which reimbursements have been made by the City to the Series 2017C
20 Subordinate Credit Facility Provider as described in (ii) above, ("City Bonds") shall be
21 registered in the name of the City, shall be held in trust by the Paying Agent on behalf of
22 the City and shall not be released from such trust unless the Paying Agent shall have
23 received written instructions from the Treasurer.

24 (5) Resale of Series 2017C Subordinate Credit Facility Bonds or City
25 Bonds. Series 2017C Subordinate Credit Facility Bonds may be sold as provided in the
26 Series 2017C Subordinate Credit Facility; provided, however, the Paying Agent may not
27 release Series 2017C Subordinate Credit Facility Bonds until it has received written
28 confirmation from the Series 2017C Subordinate Credit Facility Provider that the Series
29 2017C Subordinate Credit Facility has been reinstated to include the remarketed Series
30 2017C Subordinate Credit Facility Bonds. The Remarketing Agent shall offer for sale
31 and use its best efforts to sell City Bonds at a price equal to the principal amount

1 thereof, plus accrued interest thereon, unless it is requested not to do so by the
2 Treasurer. City Bonds shall cease to be City Bonds upon the sale and delivery thereof
3 to a third party and payments of principal and interest accrued thereon to the City.
4 Notwithstanding any other provision hereof, no City Bond shall be remarketed unless
5 the Paying Agent and the Remarketing Agent has received a Favorable Opinion of
6 Bond Counsel with respect to such remarketing and unless, to the extent such a Series
7 2017C Subordinate Credit Facility is required as provided herein, the Series 2017C
8 Subordinate Credit Facility will thereafter be in effect with respect to such Series 2017C
9 Subordinate Bonds and the consent of the Series 2017C Subordinate Credit Facility
10 Provider shall have been received.

11 (6) Delivery of Series 2017C Subordinate Bonds; Effect of Failure to
12 Surrender Series 2017C Subordinate Bonds. All Series 2017C Subordinate Bonds to
13 be purchased on any date shall be required to be delivered in accordance with the
14 procedures of the Securities Depository if held in book-entry form, and with respect to
15 any Series 2017C Subordinate Bonds that are not held in book-entry form, such Series
16 2017C Subordinate Bonds to be purchased are required to be delivered by physical
17 delivery, accompanied by an instrument of transfer in form satisfactory to the Paying
18 Agent to the principal office of the Paying Agent at or before (i) 12:00 noon, New York
19 City time, on the purchase date in the case of Series 2017C Subordinate Bonds bearing
20 interest at Daily Rates, Weekly Rates or Monthly Rates; or (ii) 5:00 p.m., New York City
21 time, on the second Business Day prior to the purchase date in the case of Series
22 2017C Subordinate Bonds bearing interest at Semiannual or Term Rates. If the owner
23 of any Series 2017C Subordinate Bond (or portion thereof) that is subject to optional or
24 mandatory purchase pursuant to this Article fails to deliver such Series 2017C
25 Subordinate Bond to the Paying Agent for purchase on the purchase date, such Series
26 2017C Subordinate Bond (or portion thereof) shall nevertheless be deemed purchased
27 on the day fixed for purchase thereof and ownership of such Series 2017C Subordinate
28 Bond (or portion thereof) shall be transferred to the purchaser thereof as provided in
29 subsection E(4) of this Section. Any owner of a Series 2017C Subordinate Bond who
30 fails to deliver such Series 2017C Subordinate Bond for purchase shall have no further
31 rights thereunder except the right to receive the Purchase Price thereof upon

1 presentation and surrender of such Series 2017C Subordinate Bond to the Paying
2 Agent. The Paying Agent shall, as to any tendered Series 2017C Subordinate Bonds
3 which have not been delivered to it, (A) promptly notify the Remarketing Agent of such
4 nondelivery and (B) place a stop transfer against an appropriate amount of Series
5 2017C Subordinate Bonds registered in the name of such owner(s) on the registration
6 books. The Paying Agent shall place such stop(s) commencing with the lowest serial
7 number Series 2017C Subordinate Bond registered in the name of such owner(s) until
8 stop transfers have been placed against an appropriate amount of Series 2017C
9 Subordinate Bonds until the appropriate tendered Series 2017C Subordinate Bonds are
10 delivered to the Paying Agent. Upon such delivery, the Paying Agent shall make any
11 necessary adjustments to the registration books kept by the Series 2017C Subordinate
12 Bonds Registrar.

13 (7) Notwithstanding the foregoing, if the purchase date is an Interest
14 Payment Date, the Purchase Price shall not include accrued interest.

15 **Section 502. Mandatory Tender on the Day Succeeding the Last Day of Each**
16 **Flexible Rate Period.**

17 A. **Purchase Dates.** Each Series 2017C Subordinate Bond bearing interest
18 at a Flexible Rate shall be subject to mandatory tender for purchase, on the day
19 succeeding the last day of each Flexible Rate Period applicable to such Series 2017C
20 Subordinate Bond at a purchase price equal to 100% of the principal amount thereof
21 plus accrued interest thereon to the purchase date (in this Section, the "Purchase
22 Price"). Each Flexible Rate, Flexible Rate Period and mandatory tender date for a
23 Series 2017C Subordinate Bond shall be established on the date of purchase of such
24 Series 2017C Subordinate Bond as hereinafter provided. The owner of any Series
25 2017C Subordinate Bond bearing interest at a Flexible Rate and tendered for purchase
26 as provided in this Section shall provide the Paying Agent with payment instructions for
27 the Purchase Price of its Series 2017C Subordinate Bond on or before tender thereof to
28 the Paying Agent.

1 B. Remarketing of Tendered Series 2017C Subordinate Bonds and
2 Establishment of Flexible Rate Periods. Not later than 12:00 noon, New York City time,
3 on the purchase date, the Remarketing Agent shall offer for sale and use its best efforts
4 to find purchasers for all Series 2017C Subordinate Bonds bearing interest at Flexible
5 Rates required to be purchased on such date. In remarketing the Series 2017C
6 Subordinate Bonds, the Remarketing Agent shall offer and accept purchase
7 commitments for the Series 2017C Subordinate Bonds for such Flexible Rate Periods
8 and at such Flexible Rates provided for in Section 403A hereof as it deems to be
9 advisable in order to minimize the expected interest cost on the Series 2017C
10 Subordinate Bonds, net of remarketing costs, over the longest period for which a
11 Flexible Rate Period may be established on the first day of each such Flexible Rate
12 Period, taking into account prevailing market conditions as of such date. The terms of
13 any sale by the Remarketing Agent shall provide for the authorization of the payment of
14 the Purchase Price by the Remarketing Agent to the Paying Agent, or in accordance
15 with the procedures established by the Securities Depository while the book-entry only
16 system remains in effect for the Series 2017C Subordinate Bonds, in immediately
17 available funds in exchange for Series 2017C Subordinate Bonds registered in the
18 name of the new owner delivered by the Paying Agent to the Remarketing Agent at or
19 before 2:15 p.m., New York City time, on the purchase date. If the book-entry system is
20 not in effect, the terms of any sale by the Remarketing Agent shall provide for the
21 payment of the Purchase Price for tendered Series 2017C Subordinate Bonds by the
22 Remarketing Agent to the Paying Agent in immediately available funds at or before 2:15
23 p.m., New York City time on the purchase date. Such payment by the Remarketing
24 Agent to the Paying Agent pursuant to authorization shall be made no later than 12:30
25 p.m., New York City time, on such date. Notwithstanding the foregoing, the
26 Remarketing Agent shall not sell any Series 2017C Subordinate Bond as to which (i) an
27 Event of Default has occurred and is continuing or (ii) a notice of redemption,
28 acceleration, or conversion has been given unless the Remarketing Agent has advised
29 the person to whom the sale is made of the redemption, acceleration, or conversion.

1 C. Purchase of Tendered Series 2017C Subordinate Bonds. The provisions
2 of Section 501E shall apply to tenders pursuant to this Section, except that, for the
3 purpose of applying such provisions:

4 (1) The notices required pursuant to Section 501E(1) hereof shall be
5 given on the date of purchase at or before (i) 12:00 noon, New York City time, in the
6 case of the notice from the Remarketing Agent as to the principal amount of Series
7 2017C Subordinate Bonds remarketed, (ii) 12:30 p.m., New York City time, in the case
8 of the notice from the Paying Agent to the Treasurer and the Series 2017C Subordinate
9 Credit Facility Provider of the principal amount of Series 2017C Subordinate Bonds
10 remarketed, and (iii) 1:00 p.m., New York City time, in the case of the notice from the
11 Remarketing Agent to the Paying Agent and the Series 2017C Subordinate Bonds
12 Registrar providing information concerning the purchasers of the Series 2017C
13 Subordinate Bonds;

14 (2) The manner and time of payment of remarketing proceeds shall be
15 as specified in subsection B of this Section;

16 (3) All payments to tendering owners of Series 2017C Subordinate
17 Bonds shall be paid in immediately available funds in accordance with the procedures of
18 the Securities Depository if held in book-entry form, and, with respect to Series 2017C
19 Subordinate Bonds that are not held in book-entry form, by 12:00 noon, New York City
20 time, on the purchase date, provided the Series 2017C Subordinate Bonds are tendered
21 by such time; and

22 (4) If the Series 2017C Subordinate Bonds are held in book-entry only
23 form, the Paying Agent shall transfer beneficial ownership interests in Series 2017C
24 Subordinate Bonds purchased or remarketed by the Remarketing Agent in accordance
25 with the written instructions of the Remarketing Agent in accordance with the
26 procedures of the Securities Depository. If the Series 2017C Subordinate Bonds are
27 not held in book-entry only form, Series 2017C Subordinate Bonds purchased or
28 remarketed by the Remarketing Agent shall be registered and made available to the

1 Remarketing Agent by 2:15 p.m., New York City time, in accordance with the
2 instructions of the Remarketing Agent, on such purchase date;

3 (5) The deliveries to the Paying Agent of Series 2017C Subordinate
4 Bonds, or the new owners thereof if the Series 2017C Subordinate Bonds are not held
5 in book-entry only form, to be purchased shall be required to be made by the close of
6 business in New York City on the purchase date.

7 **Section 503. Mandatory Tender on Variable and Flexible Conversion Dates.**

8 A. Conversions from Term Rate Periods. Series 2017C Subordinate Bonds
9 to be converted from a Term Rate Period to a different Variable Rate Period, a Flexible
10 Rate Period, or to a Fixed Rate shall be subject to tender, remarketing and purchase as
11 provided in Section 505 hereof.

12 B. Conversions to Variable Rate Periods. Except as provided in
13 Subparagraph A above, Series 2017C Subordinate Bonds to be converted pursuant to
14 subsection G or H of Section 402 hereof to a Variable Rate Period are subject to
15 mandatory tender for purchase on the Conversion Date at a purchase price equal to
16 100% of the principal amount thereof plus, in the case of Series 2017C Subordinate
17 Bonds bearing interest at a Daily Rate, Weekly Rate or Monthly Rate, accrued interest
18 to the purchase date (in this Section, the "Purchase Price").

19 C. Conversion to Flexible Rate Periods. Except as provided in Subparagraph
20 A above, Series 2017C Subordinate Bonds to be converted pursuant to Subsection B of
21 Section 403 hereof to a Flexible Rate Period are subject to mandatory tender for
22 purchase on the applicable Conversion Date at a Purchase Price equal to 100% of the
23 principal amount thereof.

24 D. Notice to Owners. Any notice of a Conversion Date given to owners of
25 Series 2017C Subordinate Bonds in accordance with this Section shall state that the
26 Series 2017C Subordinate Bonds to be converted will be subject to mandatory tender
27 for purchase on the Conversion Date, the time at which Series 2017C Subordinate

1 Bonds are to be tendered for purchase and the address to which Series 2017C
2 Subordinate Bonds must be delivered.

3 E. Remarketing. Prior to each Conversion Date in accordance with this
4 Section, the Remarketing Agent shall offer for sale and use its best efforts to find
5 purchasers for Series 2017C Subordinate Bonds which are subject to purchase under
6 this Section. In remarketing the Series 2017C Subordinate Bonds which are subject to
7 purchase under this Section, the Remarketing Agent shall offer and accept purchase
8 commitments for the Series 2017C Subordinate Bonds for applicable rate periods and
9 rates provided for in this Section as it deems advisable in order to minimize the
10 expected interest cost on the Series 2017C Subordinate Bonds, net of remarketing
11 costs, over the longest period for which an applicable rate period may be established on
12 the first day of such rate period, taking into account prevailing market conditions as of
13 such date. While the Series 2017C Subordinate Bonds are held in book-entry only
14 form, the Paying Agent, upon receipt of 100% of the aggregate Purchase Price of the
15 tendered Series 2017C Subordinate Bonds from the Remarketing Agent, will make
16 payment of the Purchase Price for tendered Series 2017C Subordinate Bonds in
17 immediately available funds in accordance with the procedures established by the
18 Securities Depository. If the book-entry only system is not in effect, the terms of any
19 sale by the Remarketing Agent shall provide for the payment of the Purchase Price of
20 tendered Series 2017C Subordinate Bonds by the Remarketing Agent to the Paying
21 Agent in immediately available funds at or before 2:30 p.m., New York City time, on the
22 Conversion Date. Notwithstanding the foregoing, the Remarketing Agent shall not sell
23 any Series 2017C Subordinate Bond as to which (i) an Event of Default has occurred
24 and is continuing or (ii) a notice of redemption, acceleration, or conversion has been
25 given unless the Remarketing Agent has advised the person to whom the sale is made
26 of the redemption, acceleration, or conversion.

1 F. Purchase of Tendered Series 2017C Subordinate Bonds.

2 (1) The provisions of Section 501E hereof shall apply to tenders and
3 payments pursuant to this Section with respect to Series 2017C Subordinate Bonds
4 bearing interest at Variable Rates or Auction Period Rates, except that, for the purpose
5 of applying such provisions:

6 (i) the notices required pursuant to Section 501E(1) hereof shall
7 be given as therein described, except that, in the case of a conversion to a
8 Semiannual Rate Period or a Term Rate Period, the notice required by the last
9 sentence of Section 501E(1) hereof shall be given two Business Days prior to the
10 Conversion Date;

11 (ii) the manner of payment of remarketing proceeds referred to
12 in Section 501E(2) hereof shall be as specified in subsection E of this Section;
13 and

14 (iii) all payments to tendering owners of Series 2017C
15 Subordinate Bonds referred to in Section 501E(3) hereof shall be made in
16 immediately available funds.

17 (2) The provisions of Section 502C hereof shall apply to tenders
18 pursuant to this Section with respect to Series 2017C Subordinate Bonds bearing
19 interest at Flexible Rates.

20 **Section 504. Mandatory Tender on Fixed Rate Conversion Date.**

21 A. Mandatory Tender Upon Conversion. Any Series 2017C Subordinate
22 Bonds to be converted to bear interest at the Fixed Rate pursuant to Section 404 hereof
23 shall be subject to mandatory tender for purchase on the Fixed Rate Conversion Date at
24 a purchase price equal to 100% of the principal amount thereof (in this Section, the
25 "Purchase Price").

26 B. Remarketing. Prior to a Fixed Rate Conversion Date, the Remarketing
27 Agent shall offer for sale and use its best efforts to find purchasers for Series 2017C

1 Subordinate Bonds which are subject to purchase under this Section; provided that, in
2 no event shall the Remarketing Agent sell any such Series 2017C Subordinate Bond to
3 any person unless the Remarketing Agent has provided to such person information, in
4 form and substance satisfactory to the City, regarding the terms of and security for such
5 Series 2017C Subordinate Bond on and after the Fixed Rate Conversion Date. In
6 remarketing the Series 2017C Subordinate Bonds which are subject to purchase under
7 this Section, the Remarketing Agent shall offer and accept purchase commitments for
8 the Series 2017C Subordinate Bonds for applicable rate periods and rates provided for
9 in this Section as it deems advisable in order to minimize the expected interest cost on
10 the Series 2017C Subordinate Bonds, net of remarketing costs, over the longest period
11 for which an applicable rate period may be established on the first day of such rate
12 period, taking into account prevailing market conditions as of such date. While the
13 Series 2017C Subordinate Bonds are held in book-entry only form, the Paying Agent,
14 upon receipt of 100% of the aggregate purchase price of the tendered Series 2017C
15 Subordinate Bonds from the Remarketing Agent, will make payment of the Purchase
16 Price for tendered Series 2017C Subordinate Bonds in immediately available funds in
17 accordance with the procedures established by the Securities Depository. If the book-
18 entry only system is not in effect, the terms of any sale by the Remarketing Agent shall
19 provide for the payment to the Paying Agent by the Remarketing Agent of the Purchase
20 Price of the tendered Series 2017C Subordinate Bonds in immediately available funds
21 or before 2:30 p.m., New York City time, on the Fixed Rate Conversion Date.
22 Notwithstanding the foregoing, the Remarketing Agent shall not sell any Series 2017C
23 Subordinate Bond as to which (i) an Event of Default has occurred and is continuing or
24 (ii) a notice of redemption, acceleration, or conversion has been given unless the
25 Remarketing Agent has advised the person to whom the sale is made of the
26 redemption, acceleration, or conversion.

27 C. Purchase of Tendered Series 2017C Subordinate Bonds.

28 (1) The provisions of Section 501E hereof shall apply to mandatory
29 tenders pursuant to this Section with respect to Series 2017C Subordinate Bonds

1 bearing interest at Variable Rates, except that, for the purpose of applying such
2 provisions:

3 (i) the notices required pursuant to Section 501E(1) hereof shall
4 be given as therein described, except that, in the case of a conversion from a
5 Semiannual Rate Period or a Term Rate Period, the notice required by the last
6 sentence of Section 501E(1) hereof shall be given two Business Days prior to the
7 Conversion Date; and

8 (ii) the manner of payment of remarketing proceeds referred to
9 in Section 501E(2) shall be as specified in subsection B of this Section.

10 (2) The provisions of Section 502C shall apply to tenders pursuant to
11 this Section with respect to Series 2017C Subordinate Bonds bearing interest at
12 Flexible Rates.

13 **Section 505. Mandatory Tender on the Last Interest Payment Date of Each Term**
14 **Rate Period.**

15 A. **Purchase Dates.** At the end of each Term Rate Period and at the time of
16 any conversion from a Term Rate to a different Interest Rate, each Series 2017C
17 Subordinate Bond bearing interest at a Term Rate shall be subject to mandatory tender
18 for purchase on the last Interest Payment Date of the Term Rate Period (except in the
19 case of the Initial Term Rate Period for which the Series 2017C Subordinate Bonds are
20 subject to mandatory tender for purchase on the last day of the Initial Term Rate Period,
21 as such date may be extended from time to time in accordance with the terms of
22 Section 1011 hereof) applicable to the Series 2017C Subordinate Bonds at a purchase
23 price equal to 100% of the principal amount thereof plus accrued interest thereon to the
24 purchase date (in this Section 505A, the "Purchase Price"). If the Series 2017C
25 Subordinate Bonds are not held in book-entry form, the owner of any Series 2017C
26 Subordinate Bond of a Subseries bearing interest at a Term Rate and tendered for
27 purchase as provided in this Section shall provide the Paying Agent with payment

1 instructions for the Purchase Price of its Series 2017C Subordinate Bond on or before
2 tender thereof to the Paying Agent.

3 B. Notice to Owners. Except as otherwise provided in Section 505C(3)
4 hereof, no later than 30 days prior to the date on which the Series 2017C Subordinate
5 Bonds are to be purchased pursuant to subsection A of this Section, notice to owners of
6 the Series 2017C Subordinate Bonds of the mandatory tender for purchase pursuant to
7 this Section shall be given by the Paying Agent stating that the Series 2017C
8 Subordinate Bonds to be tendered will be subject to mandatory tender on the last
9 Interest Payment Date for the current Term Rate Period, the time at which the Series
10 2017C Subordinate Bonds are to be tendered for purchase and the address to which
11 the Series 2017C Subordinate Bonds must be delivered.

12 C. Remarketing.

13 (1) Prior to the date on which the Series 2017C Subordinate Bonds are
14 subject to mandatory tender for purchase pursuant to subsection A of this Section or
15 pursuant to Section 503 or 504 hereof, the Remarketing Agent shall use its best efforts
16 to find purchasers for the Series 2017C Subordinate Bonds which are subject to
17 purchase. In remarketing such Series 2017C Subordinate Bonds, the Remarketing
18 Agent shall establish the Term Rate and Term Rate Period as provided in Section 402F
19 hereof, as applicable. While the Series 2017C Subordinate Bonds are held in book-
20 entry only form, the Paying Agent, upon receipt of 100% of the aggregate purchase
21 price of the tendered Series 2017C Subordinate Bonds from the Remarketing Agent,
22 will make payment of the Purchase Price for tendered Series 2017C Subordinate Bonds
23 in accordance with the procedures established by the Securities Depository. If the
24 book-entry only system is not in effect, the terms of any sale by the Remarketing Agent
25 shall provide for the payment to the Paying Agent of the Purchase Price of the tendered
26 Series 2017C Subordinate Bonds in immediately available funds at or before 2:30 p.m.
27 New York City time, on the purchase date. Notwithstanding the foregoing, the
28 Remarketing Agent shall not sell any Series 2017C Subordinate Bond as to which (i) an
29 Event of Default has occurred and is continuing or (ii) a notice of redemption,

1 acceleration, or conversion has been given unless the Remarketing Agent has advised
2 the person to whom the sale is made of the redemption, acceleration, or conversion.

3 (2) If moneys derived from the proceeds of the remarketing of Series
4 2017C Subordinate Bonds bearing interest at a Term Rate which are tendered pursuant
5 to subsection A of this Section or pursuant to Section 503 or Section 504 hereof,
6 together with any moneys drawn under the applicable Series 2017C Subordinate Credit
7 Facility, if any, in an amount sufficient to pay the Purchase Price of the Series 2017C
8 Subordinate Bonds shall not be held by the Paying Agent by the required time therefor,
9 on the date such Series 2017C Subordinate Bonds are to be purchased, (a) no
10 purchase shall be consummated on such purchase date and the Paying Agent shall
11 immediately, (i) return all tendered Series 2017C Subordinate Bonds to the owners
12 thereof, (ii) return to the applicable Series 2017C Subordinate Credit Facility Provider all
13 moneys drawn under the applicable Series 2017C Subordinate Credit Facility, if any,
14 with respect to such payment, and (iii) return all remarketing proceeds to the
15 Remarketing Agent for return to the persons providing such moneys and return to the
16 City any amounts paid by the City, and (b) such Series 2017C Subordinate Bonds shall
17 bear interest at the Maximum Term Rate during the period of time from and including
18 the applicable purchase date to (but not including) the conversion date described in
19 Subparagraph (3) below (the "Delayed Remarketing Period"). Notwithstanding the
20 forgoing, if there has been a failure to pay the Purchase Price of any Series 2017C
21 Subordinate Bonds which has been tendered for purchase at the end of the Initial Term
22 Rate Period, there shall be no Delayed Remarketing Period and such Series 2017C
23 Subordinate Bonds shall be tendered to the Series 2017 Subordinate Credit Facility
24 Provider at a deemed purchase price equal to 100% of the principal amount of such
25 Series 2017C Subordinate Bonds and thereafter shall constitute Series 2017C
26 Subordinate Credit Facility Bonds under the Series 2017C Subordinate Credit Facility.

27 (3) On each Business Day during the Delayed Remarketing Period, the
28 Remarketing Agent shall continue to use its best efforts to remarket the Series 2017C
29 Subordinate Bonds into the Rate Period designated by the Treasurer (or such other
30 Rate Period as the Treasurer shall thereafter designate to the Remarketing Agent and

1 the prospective holders thereof). The Remarketing Agent shall promptly advise the
2 Treasurer of any determination by the Remarketing Agent that it can remarket all of the
3 Series 2017C Subordinate Bonds on a particular date, into a designated Rate Period,
4 and, in connection therewith, the Remarketing Agent, subject to the prior written
5 consent of the Treasurer, shall establish the applicable Conversion Date and shall
6 provide to the Paying Agent not less than three Business Days prior written notice of
7 such Conversion Date. Promptly following receipt of any such notice, the Paying Agent
8 shall give notice by Electronic Means to the owners of the Series 2017C Subordinate
9 Bonds of the mandatory tender of the Series 2017C Subordinate Bonds on such
10 Conversion Date, which notice will state (a) that the interest rate on the Series 2017C
11 Subordinate Bonds will continue to be a Term Rate or will be adjusted to a Daily Rate,
12 Weekly Rate, Monthly Rate, Semiannual Rate, Flexible Rate or Fixed Rate on and after
13 such Conversion Date; (b) that the Series 2017C Subordinate Bonds will be subject to
14 mandatory tender for purchase on such Conversion Date at a Purchase Price equal to
15 100% of the principal amount thereof plus accrued interest thereon to the purchase
16 date; (c) the procedures for such mandatory tender; and (d) the consequences of a
17 failed conversion.

18 (4) During the Delayed Remarketing Period, the Paying Agent may,
19 upon direction of the Treasurer, apply any legally available moneys to the redemption of
20 the applicable Series 2017C Subordinate Bonds as a whole or in part on any Business
21 Day during the Delayed Remarketing Period at a redemption price equal to 100% of the
22 principal amount thereof, together with interest accrued thereon to the date fixed for
23 redemption, without premium. Such redemption shall be accomplished in accordance
24 with Article VI hereof.

25 (5) During the Delayed Remarketing Period, interest on such Series
26 2017C Subordinate Bonds shall be paid to the Owners thereof on the first Business Day
27 of each month in the case of Series 2017C Subordinate Bonds which prior to the
28 Delayed Remarketing Period bore interest for a Term Rate Period during which the
29 Term Rate was not fixed for the duration of the Term Rate Period occurring during the
30 Delayed Remarketing Period, and (b) on the last day of the Delayed Remarketing

1 Period. Payment of such interest shall be made by the Paying Agent pursuant to this
2 Supplemental Subordinate Ordinance and in the manner set forth in this Supplemental
3 Subordinate Ordinance and the Pricing Certificate, if applicable.

4 D. Purchase of Tendered Series 2017C Subordinate Bonds.

5 (1) The provisions of Section 501E hereof shall apply to mandatory
6 tenders pursuant to this Section with respect to Series 2017C Subordinate Bonds
7 bearing interest at Term Rates, except that for purposes of applying those provisions:

8 (i) the notices required pursuant to Section 501E(1) hereof shall
9 be given as therein described, except that the notice required by the last
10 sentence of Section 501E(1) hereof shall be given two Business Days prior to the
11 mandatory purchase date; and

12 (ii) the manner and time of payment of remarketing proceeds
13 referred to in Section 501E(2) shall be as specified in subsection C of this
14 Section.

15 Section 506. Mandatory Tender upon Termination or Substitution of a Series 2017C
16 Subordinate Credit Facility or on any other Date Required By a Series 2017C
17 Subordinate Credit Facility.

18 A. Mandatory Tender. The Series 2017C Subordinate Bonds shall be
19 subject to mandatory tender for purchase at a Purchase Price equal to 100% of the
20 principal amount thereof plus accrued interest to the purchase date (i) on the fifth day
21 immediately preceding the day on which a Series 2017C Subordinate Credit Facility
22 providing liquidity support with respect to the Series 2017C Subordinate Bonds expires
23 in accordance with its terms and is not replaced by a Substitute Series 2017C
24 Subordinate Credit Facility which is effective on or before such termination date; (ii) on
25 the fifth day immediately preceding a Credit Facility Substitution Date; (iii) on the
26 Business Day following the day on which the Paying Agent receives from the Series
27 2017C Subordinate Credit Facility Provider, in accordance with a Series 2017C
28 Subordinate Credit Facility providing liquidity support with respect to the Series 2017C

1 Subordinate Bonds, notice that a termination event or default (as defined in the Series
2 2017C Subordinate Credit Facility) has occurred which permits such Series 2017C
3 Subordinate Credit Facility to terminate; and (iv) on any other day, or, if such day is not
4 a Business Day, on the Business Day immediately following any other day, on which the
5 Series 2017C Subordinate Bonds are otherwise required to be purchased pursuant to
6 the Series 2017C Subordinate Credit Facility then in effect.

7 B. Remarketing. Prior to the date on which the Series 2017C Subordinate
8 Bonds are subject to mandatory tender for purchase pursuant to subsection A of this
9 Section, the Remarketing Agent shall use its best efforts to find purchasers for Series
10 2017C Subordinate Bonds which are subject to purchase under this Section; provided
11 that, in no event shall the Remarketing Agent sell any such Series 2017C Subordinate
12 Bond to any person unless such Remarketing Agent has provided to such person
13 information, in form and substance satisfactory to the City, regarding the terms of and
14 security for Series 2017C Subordinate Bond after it is purchased by such person. In
15 remarketing the Series 2017C Subordinate Bonds which are subject to purchase under
16 this Section, the Remarketing Agent shall offer and accept purchase commitments for
17 the Series 2017C Subordinate Bonds for applicable rate periods and rates provided for
18 in this Section as it deems advisable in order to minimize the expected interest cost on
19 the Series 2017C Subordinate Bonds, net of remarketing costs, over the longest period
20 for which an applicable rate period may be established on the first day of such rate
21 period, taking into account prevailing market conditions as of such date. While the
22 Series 2017C Subordinate Bonds are held in book-entry only form, the Paying Agent,
23 upon receipt of 100% of the aggregate purchase price of the tendered Series 2017C
24 Subordinate Bonds from the Remarketing Agent, will make payment of the Purchase
25 Price for tendered Series 2017C Subordinate Bonds in immediately available funds in
26 accordance with the procedures established by the Securities Depository. If the book-
27 entry only system is not in effect, the terms of any sale by the Remarketing Agent shall
28 provide for the payment to the Paying Agent by the Remarketing Agent of the Purchase
29 Price of the tendered Series 2017C Subordinate Bonds in immediately available funds
30 at or before 2:30 p.m., New York City time, on the purchase date. Notwithstanding the
31 foregoing, the Remarketing Agent shall not sell any Series 2017C Subordinate Bond as

1 to which (i) an Event of Default has occurred and is continuing or (ii) a notice of
2 redemption, acceleration, or conversion has been given unless the Remarketing Agent
3 has advised the person to whom the sale is made of the redemption, acceleration, or
4 conversion.

5 C. Purchase of Tendered Series 2017C Subordinate Bonds. The provisions
6 of Section 504C shall apply to mandatory tenders pursuant to this Section, except that
7 references therein to the "Conversion Date" shall be interpreted to mean "the date on
8 which the Series 2017C Subordinate Bonds are subject to mandatory tender for
9 purchase pursuant to Section 506 hereof."

10 D. Notice to Owners. No later than (A) 15 days prior to the date on which the
11 Series 2017C Subordinate Bonds are to be purchased pursuant to clause (i) of
12 subsection A of this Section or (B) the Business Day preceding the day on which the
13 Series 2017C Subordinate Bonds are to be purchased pursuant to clause (ii) or (iii) of
14 subsection A of this Section, the Paying Agent shall give notice to the owners of the
15 Series 2017C Subordinate Bonds by Electronic Means or, if none of the foregoing is
16 practicable, by first-class mail, stating that the Series 2017C Subordinate Bonds will be
17 subject to mandatory purchase pursuant to subsection A of this Section, the purchase
18 date, the time at which the Series 2017C Subordinate Bonds are to be tendered for
19 purchase and the address to which the Series 2017C Subordinate Bonds are to be
20 delivered.

21 **Section 507.** Inadequate Funds for Tenders. Except as set forth in Section 505
22 hereof with respect to Series 2017C Subordinate Bonds bearing interest at a Term
23 Rate, if the funds available for purchases of Series 2017C Subordinate Bonds pursuant
24 to this Article are inadequate for the purchase of all Series 2017C Subordinate Bonds
25 tendered on any purchase date, the Paying Agent shall on the purchase date: (i) return
26 all tendered Series 2017C Subordinate Bonds to the owners thereof; (ii) return all
27 moneys received for the purchase of such Series 2017C Subordinate Bonds to the
28 persons providing such moneys, including, as applicable, the Remarketing Agent, any
29 Series 2017C Subordinate Credit Facility Provider and the City; and (iii) notify the City

1 and the Remarketing Agent of the return of such Series 2017C Subordinate Bonds and
2 moneys and the failure to make payment for tendered Series 2017C Subordinate

4 **Section 508.** Owners Limited to Purchase Price on Deposit with Paying Agent. If
5 sufficient moneys to pay the Purchase Price of Series 2017C Subordinate Bonds
6 tendered pursuant to this Article shall be held by the Paying Agent, each owner of such

13 thereof which remain unclaimed for a period of two years after the date on which the

15 **Section 509.** Series 2017C Subordinate Credit Facility Bonds. Except to the extent

17 respect to Series 2017C Subordinate Credit Facility Bonds.

21 principal amount thereof, plus accrued interest, if any, to the redemption date.

22 E. After conversion to the Fixed Rate Period, or if the Series 2017C

28 below; provided, however, that the City may substitute another redemption date

1 schedule for such schedule effective on the Fixed Rate Conversion Date or any Term
 2 Rate Conversion Date if a Favorable Opinion of Bond Counsel is provided to the Paying
 3 Agent and, notwithstanding any other provision hereof or of the General Subordinate

4 the smallest denomination then authorized); provided, however, that Series 2017C
5 Subordinate Credit Facility Bonds shall be redeemed prior to any other Series 2017C
6 Subordinate Bonds. In the event a portion of any Series 2017C Subordinate Bond is so
7 redeemed, the Series 2017C Subordinate Bonds Registrar shall, without charge to the
8 owner of such Series 2017C Subordinate Bond, authenticate a replacement Series

11 **Section 604. Redemption Procedure.** Except as otherwise provided herein, the
12 Series 2017C Subordinate Bonds shall be called for prior redemption and shall be paid
13 by the Paying Agent upon notice as provided in Section 605 hereof. The Series 2017C
14 Subordinate Bonds Registrar shall not be required to transfer or exchange any Series
15 2017C Subordinate Bond after published notice of the redemption of such Series 2017C
16 Subordinate Bond has been given (except the unredeemed portion of such Series
17 2017C Subordinate Bond, if redeemed in part) or to transfer or exchange any Series
18 2017C Subordinate Bond during the period of 15 days (30 days if such Series 2017C
19 Subordinate Bond bears interest at a Semiannual or Term Rate or the Fixed Rate) next
20 preceding the day such notice is given.

21 In addition, the Series 2017C Subordinate Bonds Registrar is hereby authorized
22 to comply with any operational procedures and requirements of the Securities
23 Depository relating to redemption of Series 2017C Subordinate Bonds and notice
24 thereof. The City and the Series 2017C Subordinate Bonds Registrar shall have no
25 responsibility or obligation with respect to the accuracy of the records of the Securities
26 Depository or a nominee therefor or any Participant (as defined herein) with respect to
27 any ownership interest in the Series 2017C Subordinate Bonds or the delivery to any
28 Participant, beneficial owner or any other person (except to a registered owner of the
29 Series 2017C Subordinate Bonds) of any notice with respect to the Series 2017C
30 Subordinate Bonds, including any notice of redemption.

1 **Section 605. Notice of Redemption.**

2 A. **Redemption Procedure.**

3 (1) Except as otherwise provided herein, the Series 2017C
4 Subordinate Bonds shall be called for prior redemption and shall be paid by the Paying
5 Agent upon such notice and otherwise in the manner provided in this Section 605 and,
6 to the extent applicable, by the General Subordinate Bond Ordinance. The Series
7 2017C Subordinate Bonds Registrar shall not be required to transfer or exchange any
8 Series 2017C Subordinate Bond after notice of the redemption of such Series 2017C
9 Subordinate Bond has been given (except the unredeemed portion of such Series
10 2017C Subordinate Bond, if redeemed in part) or to transfer or exchange any Series
11 2017C Subordinate Bond during the period of 15 days next preceding the day such
12 notice is given.

13 (2) In addition, the Series 2017C Subordinate Bonds Registrar is
14 hereby authorized to comply with any operational procedures and requirements of the
15 Securities Depository relating to redemption of Series 2017C Subordinate Bonds and
16 notice thereof. The City and the Series 2017C Subordinate Bonds Registrar shall have
17 no responsibility or obligation with respect to the accuracy of the records of the
18 Securities Depository or a nominee therefor or any Participant with respect to any
19 ownership interest in the Series 2017C Subordinate Bonds or the delivery to any
20 Participant, beneficial owner or any other person (except to a registered owner of the
21 Series 2017C Subordinate Bonds) of any notice with respect to the Series 2017C
22 Subordinate Bonds, including any notice of redemption..

23 B. **Notice of Redemption.**

24 (1) Notice of the prior redemption of any Series 2017C Subordinate
25 Bonds shall be given by the Series 2017C Subordinate Bonds Registrar in the name of
26 the City by mailing a copy of the redemption notice by certified or first-class postage
27 prepaid mail, not more than 60 nor less than 20 days prior to the redemption date to the
28 owners of the Series 2017C Subordinate Bonds to be redeemed at their addresses as

1 shown on the registration records kept by the Series 2017C Subordinate Bonds
2 Registrar, or in the event that the Series 2017C Subordinate Bonds to be redeemed are
3 registered in the name of the Securities Depository, such notice may, in the alternative,
4 be given by electronic means in accordance with the requirements of the Securities
5 Depository. Failure to give such notice as aforesaid or any defect therein shall not
6 affect the validity of the proceedings for the redemption of any other Series 2017C
7 Subordinate Bonds.

8 (2) Such notice shall specify the Series 2017C Subordinate Bonds to
9 be redeemed, the Redemption Price to be paid and the redemption date. Such notice
10 shall further specify any condition to such redemption and shall state that, upon the
11 satisfaction of any such condition, on the redemption date there will become and will be
12 due and payable upon each Series 2017C Subordinate Bond or portion thereof (in
13 integral multiples of authorized denominations) so to be redeemed at the principal
14 corporate trust office of the Paying Agent, the applicable Redemption Price and accrued
15 interest to the redemption date, and that from and after such date, interest on the Series
16 2017C Subordinate Bonds (or portions thereof) called for redemption will cease to
17 accrue. Notice having been given in the manner hereinabove provided and upon
18 satisfaction of any condition to such redemption, the Series 2017C Subordinate Bond or
19 Series 2017C Subordinate Bonds so called for redemption shall become due and
20 payable on the redemption date so designated and, upon presentation thereof at the
21 principal corporate trust office of the Paying Agent, the City will pay the Series 2017C
22 Subordinate Bond or Series 2017C Subordinate Bonds so called for redemption. No
23 further interest shall accrue on the principal of any such Series 2017C Subordinate
24 Bond (or portion thereof) called for redemption from and after the redemption date,
25 provided sufficient funds are on deposit at the place of payment on the redemption date.
26 Upon surrender of any Series 2017C Subordinate Bond redeemed in part only, the
27 Series 2017C Subordinate Bonds Registrar shall execute and deliver to the owner
28 thereof, at no expense to such owner, a new Series 2017C Subordinate Bond or Series
29 2017C Subordinate Bonds of the same maturity and interest rate and of authorized
30 denominations equal in aggregate principal amount to the unredeemed portion of the
31 Series 2017C Subordinate Bond surrendered.

1 (3) Any notice of redemption may contain a statement that the
2 redemption is conditioned upon the receipt by the Paying Agent of funds on or before
3 the redemption date sufficient to pay the principal of, interest on and any redemption
4 premium due on the Series 2017C Subordinate Bonds so called for redemption, and
5 that if such funds are not available, such redemption shall be cancelled by written notice
6 to the owners of the Series 2017C Subordinate Bonds called for redemption.

7 (4) A certificate by the Series 2017C Subordinate Bonds Registrar that
8 notice has been given as required by Section 605 hereof shall be conclusive against all
9 parties and no owner may object thereto or may object to the cessation of interest on
10 the Redemption Date on the ground that such owner failed to actually receive such
11 notice.

12 **Section 606. Redemption of Series 2017C Subordinate Credit Facility Bonds.** The
13 City shall redeem outstanding Series 2017C Subordinate Credit Facility Bonds as
14 provided in the Series 2017C Subordinate Credit Facility.

15 **Section 607. Defeasance of Series 2017C Subordinate Bonds Bearing Interest at a**
16 **Variable Rate.** Notwithstanding the provisions of Section 1101 of the General
17 Subordinate Bond Ordinance, if the Series 2017C Subordinate Bonds are defeased
18 while such Series 2017C Subordinate Bonds bear interest at a Variable Rate, the
19 defeasance period shall end upon the first tender or redemption date for the Series
20 2017C Subordinate Bonds or the City shall receive written evidence from each rating
21 agency then maintaining a rating on the Series 2017C Subordinate Bonds that the
22 ratings on the Series 2017C Subordinate Bonds following such defeasance will not be
23 withdrawn or reduced below the ratings on the Series 2017C Subordinate Bonds
24 immediately prior to such defeasance.

25 **ARTICLE VII**
26 **USE OF BOND PROCEEDS**

27 **Section 701. Disposition of Series 2017C Subordinate Bond Proceeds.** The net
28 proceeds of the Series 2017C Subordinate Bonds, upon the receipt thereof, shall be
29 deposited in the following accounts and applied for purposes thereof:

1 A. Series 2017C Subordinate Bonds Project Account. To the Project Fund
2 for credit to a special and separate subaccount hereby created therein and designated
3 as the "City and County of Denver, Colorado, for and on behalf of its Department of
4 Aviation, Airport System Subordinate Revenue Bonds, Series 2017C Subordinate
5 Bonds Project Account," (the "Series 2017C Subordinate Bonds Project Account"), such
6 amount as the Treasurer determines to be necessary for the payment of the Costs of
7 the Series 2017C Subordinate Bonds Improvement Project, and costs of issuance for
8 the Series 2017C Subordinate Bonds.

3 **ARTICLE VIII**
4 **SERIES 2017C SUBORDINATE CREDIT FACILITY**

5 **Section 801. Series 2017C Subordinate Credit Facility.**

6 A. No Series 2017C Subordinate Credit Facility is required for Series 2017C
7 Subordinate Bonds bearing interest at a Term Rate or at a Fixed Rate. Except as
8 provided in Section 802 hereof, at all times during which the Series 2017C Subordinate
9 Bonds bear interest at a Variable Rate (other than Series 2017C Subordinate Bonds
10 bearing interest at a Term Rate) or Flexible Rate, the City shall maintain one or more
11 Series 2017C Subordinate Credit Facilities to provide credit and/or liquidity support with
12 respect to such Series 2017C Subordinate Bonds. The City shall have the option, but
13 shall not be required, to maintain one or more Series 2017C Subordinate Credit
14 Facilities to provide credit and/or liquidity support with respect to any Series 2017C
15 Subordinate Bonds bearing interest at a Term Rate. To the extent such Series 2017C
16 Subordinate Credit Facility consists of a liquidity facility or a direct-pay letter of credit, it
17 shall provide that the Paying Agent is authorized to draw moneys sufficient to pay all of:
18 (A) if such Series 2017C Subordinate Credit Facility is to provide liquidity support, the
19 principal portion of the Purchase Price of the Series 2017C Subordinate Bonds due or
20 to become due through the next date on which all of the Series 2017C Subordinate
21 Bonds are subject to purchase pursuant to Article V hereof and any interest portion of
22 the Purchase Price of the Series 2017C Subordinate Bonds due or to become due
23 through the next Interest Payment Date and such additional number of days after such
24 date as required by any rating agency then rating the Series 2017C Subordinate Bonds;
25 and (B) if such Series 2017C Subordinate Credit Facility is a direct-pay letter of credit, in
26 addition to amounts as described in clause (A) above, the principal of the Series 2017C
27 Subordinate Bonds and interest thereon to become due through the next Interest
28 Payment Date and such additional number of days after such date as required by any
29 rating agency then rating the Series 2017C Subordinate Bonds. In addition, the City
30 covenants and agrees that, except as provided in Section 802 hereof, at all times while
31 any Series 2017C Subordinate Bonds are outstanding and bear interest other than at a

1 Term Rate or a Fixed Rate, if the rating of the Series 2017C Subordinate Credit Facility
2 Provider Bonds shall (if rated by the same) be lowered by any of Moody's Investor
3 Services, Inc., Standard & Poor's Ratings Services, or Fitch, Inc. below the top two
4 short-term rating categories assigned by such rating agency (without giving effect to
5 numeric or other qualifiers), then the City shall obtain a Substitute Series 2017C
6 Subordinate Credit Facility for such Bonds meeting such rating requirement.

7 B. Upon the receipt by the Paying Agent of a written request of the City,
8 stating that the amount available under the Series 2017C Subordinate Credit Facility
9 may be reduced in compliance with this Supplemental Subordinate Ordinance, the
10 Paying Agent shall direct or send appropriate notice to the Series 2017C Subordinate
11 Credit Facility Provider requesting or directing that such amount be reduced and
12 specifying the amount that shall thereafter be available under the Series 2017C
13 Subordinate Credit Facility, subject to any requirements of the Series 2017C
14 Subordinate Credit Facility. In no event shall the Series 2017C Subordinate Credit
15 Facility be reduced to an amount less than the principal amount of the Series 2017C
16 Subordinate Bonds outstanding, plus an amount equal to interest thereon at the Interest
17 Rate then required by any rating agency then rating the Series 2017C Subordinate
18 Bonds and the number of days then required by any rating agency then rating the
19 Series 2017C Subordinate Bonds, unless the City has deposited a Substitute Series
20 2017C Subordinate Credit Facility with the Paying Agent in accordance with the terms
21 of this Section, or unless the requirements set forth in Section 802 of this Supplemental
22 Subordinate Ordinance are satisfied. In no event shall any Substitute Series 2017C
23 Subordinate Credit Facility replace only in part any then current Series 2017C
24 Subordinate Credit Facility. Notwithstanding the foregoing, immediately after payment
25 in full has been made on any Series 2017C Subordinate Bond, either at its maturity
26 date, by optional redemption or otherwise, the Paying Agent shall direct or send
27 appropriate notice to the applicable Series 2017C Subordinate Credit Facility Provider
28 requesting or directing that the amount available under the applicable Series 2017C
29 Subordinate Credit Facility be reduced by an amount equal to such principal so paid
30 plus the amount of interest theretofore provided for under the Series 2017C Subordinate
31 Credit Facility on such principal amount.

1 C. Prior to the Fixed Rate Conversion Date for the Series 2017C Subordinate
2 Bonds, subject to the terms and provisions set forth in the Series 2017C Subordinate
3 Credit Facility, a Substitute Series 2017C Subordinate Credit Facility for such Bonds
4 may become effective on any Business Day (referred to herein as a "Credit Facility
5 Substitution Date"). The City shall cause a draft of any Substitute Series 2017C
6 Subordinate Credit Facility in substantially final form and a commitment letter with
7 respect thereto to be delivered to the Paying Agent, the owners of the Bonds and the
8 Remarketing Agent not less than 15 days prior to the proposed Credit Facility
9 Substitution Date. On each Credit Facility Substitution Date, the City, the Remarketing
10 Agent and the Paying Agent shall also receive (i) an opinion of counsel for the
11 Substitute Series 2017C Subordinate Credit Facility Provider regarding the
12 enforceability of the Substitute Series 2017C Subordinate Credit Facility in substantially
13 the form delivered to the Paying Agent upon execution and delivery of the Series 2017C
14 Subordinate Credit Facility then in effect, and (ii) a Favorable Opinion of Bond Counsel
15 to the effect that the substitution of the Series 2017C Subordinate Credit Facility then in
16 effect will not adversely affect the validity of the Series 2017C Subordinate Bonds or
17 any exclusion from gross income for federal income tax purposes to which interest on
18 the Series 2017C Subordinate Bonds would otherwise be entitled. Five days before the
19 Credit Facility Substitution Date, the Series 2017C Subordinate Bonds shall be subject
20 to mandatory tender in accordance with Section 506 hereof.

21 D. On any Credit Facility Substitution Date on which a Substitute Series
22 2017C Subordinate Credit Facility becomes effective in accordance with the provisions
23 of this Section, the Paying Agent shall take such action as is required under the Series
24 2017C Subordinate Credit Facility then in effect to cause the cancellation of the Series
25 2017C Subordinate Credit Facility then in effect, provided that all requests for the
26 purchase of Series 2017C Subordinate Bonds tendered but not remarketed have been
27 honored.

28 E. Immediate notice shall be given by the Paying Agent to the Series 2017C
29 Subordinate Credit Facility Provider, the City, the Remarketing Agent and each rating
30 agency then maintaining a rating on the Series 2017C Subordinate Bonds if no

1 satisfactory Substitute Series 2017C Subordinate Credit Facility shall be furnished to
2 the Paying Agent in accordance with this Section on or prior to the expiration date of the
3 then current Series 2017C Subordinate Credit Facility, unless the requirements of
4 Section 802 of this Supplemental Subordinate Ordinance are satisfied

5 F. Each Substitute Series 2017C Subordinate Credit Facility shall provide for
6 the submission of requests for the purchase of Series 2017C Subordinate Bonds
7 tendered but not remarketed, and the payment of properly submitted requests, with
8 comparable timing as that of the Series 2017C Subordinate Credit Facility being
9 replaced, unless each rating agency then maintaining a rating on the Series 2017C
10 Subordinate Bonds accepts some other timing without reducing or withdrawing the then
11 existing ratings on the Series 2017C Subordinate Bonds.

12 Section 802. Series 2017C Subordinate Credit Facility Not Required in Certain
13 Circumstances.

14 A. Notwithstanding Section 801 hereof, the Series 2017C Subordinate Bonds
15 are not under any circumstances required to have the benefit of a Series 2017C
16 Subordinate Credit Facility with respect to the payment of the outstanding principal
17 amount of, or interest on, such Series 2017C Subordinate Bonds if, prior to the
18 expiration or termination of the Series 2017C Subordinate Credit Facility then in effect,
19 or prior to conversion of such Bonds from a Term Rate to either a Variable Rate (other
20 than a Term Rate) or a Flexible Rate, there is delivered to the City, the Remarketing
21 Agent and the Paying Agent (i) a Favorable Opinion of Bond Counsel to the effect that
22 the expiration or termination of the Series 2017C Subordinate Credit Facility then in
23 effect, or the proposed conversion of such Subseries as described above, will not
24 adversely affect the validity of the Series 2017C Subordinate Bonds or any exclusion
25 from gross income for federal income tax purposes to which interest on the Series
26 2017C Subordinate Bonds would otherwise be entitled, (ii) written evidence from each
27 rating agency then maintaining a rating on the Series 2017C Subordinate Bonds that
28 the ratings on the Series 2017C Subordinate Bonds following the expiration or
29 termination of the Series 2017C Subordinate Credit Facility, or the proposed conversion

1 of such Bonds as described above, will not be reduced or withdrawn from the ratings on
2 the Series 2017C Subordinate Bonds immediately prior to such expiration or termination
3 or such conversion; and (iii) due notice of such circumstance is given by the Paying
4 Agent to the Holders of the Series 2017C Subordinate Bonds. Series 2017C
5 Subordinate Bonds bearing interest at a Term Rate shall not be required to have the
6 benefit of a Series 2017C Subordinate Credit Facility, and Series 2017C Subordinate
7 Bonds bearing interest at a Fixed Rate shall not be required to have the benefit of a
8 Series 2017C Subordinate Credit Facility after the Fixed Rate Conversion Date
9 applicable to such Series 2017C Subordinate Bonds.

10 B. Upon satisfaction of the requirements described in subparagraph A above,
11 (i) if a Series 2017C Subordinate Credit Facility is then in effect, the Paying Agent, upon
12 receipt of a written request of the City, shall direct or send appropriate notice to the
13 Series 2017C Subordinate Credit Facility Provider requesting or directing the
14 cancellation of such Series 2017C Subordinate Credit Facility on the date (the "Series
15 2017C Subordinate Credit Facility Cancellation Date") requested by the City in such
16 written request, which date may not be less than 30 days, or such longer or shorter
17 period as is required by the Series 2017C Subordinate Credit Facility for its termination
18 at the request of the City, from the date the Paying Agent receives such written request,
19 and (ii) following the date of such cancellation, or following the date of the conversion of
20 the Bonds without the benefit of a Series 2017C Subordinate Credit Facility as
21 described in Subparagraph A above, all tendered Series 2017C Subordinate Bonds of
22 such Bonds may be remarketed by the Remarketing Agent pursuant to the Remarketing
23 Agreement without the benefit of a Series 2017C Subordinate Credit Facility until such
24 time, if any, as the Series 2017C Subordinate Bonds of such Bonds are thereafter
25 entitled to the benefits of a Series 2017C Subordinate Credit Facility pursuant to the
26 provisions of Section 801 of this Supplemental Subordinate Ordinance, but only if there
27 is delivered to the City, the Paying Agent and the Remarketing Agent a Favorable
28 Opinion of Bond Counsel to the effect that the execution and delivery of a Series 2017C
29 Subordinate Credit Facility will not adversely affect the validity of the Series 2017C
30 Subordinate Bonds or any exclusion from gross income for federal income tax purposes
31 to which interest on the Series 2017C Subordinate Bonds would otherwise be entitled.

1 If at any time no Series 2017C Subordinate Credit Facility is required on the Series
2 2017C Subordinate Bonds, the Paying Agent shall affix a legend on the face of each
3 Series 2017C Subordinate Bond authenticated on or after the date on which a Series
4 2017C Subordinate Credit Facility is no longer required in substantially the following
5 form: "A Series 2017C Subordinate Credit Facility is not required with respect to this
6 Series 2017C Subordinate Bond. If a Series 2017C Subordinate Credit Facility is
7 currently provided, it may be discontinued at any time without prior notice to the
8 Bondholder."

9 C. Notwithstanding anything else herein to the contrary, in no event shall any
10 Series 2017C Subordinate Bond owned by the City be entitled to the benefit of the
11 tender provisions hereof, and, consequently, in no event shall proceeds of the Series
12 2017C Subordinate Credit Facility, including any bond insurance policy, ever be applied
13 to the payment of City Bonds (and, as such, the Paying Agent shall make no requests
14 for the purchase of Series 2017C Subordinate Bonds tendered and not remarketed
15 under the Series 2017C Subordinate Credit Facility or claims under any bond insurance
16 policy with respect thereto).

17 **Section 803. Payment of Series 2017C Subordinate Credit Facility Obligations.**

18 A. Series 2017C Subordinate Credit Facility Obligations Account. There is
19 hereby established within the Subordinate Bond Fund a special and separate
20 subaccount, which shall be under the control of the City, designated the "City and
21 County of Denver, Colorado, for and on behalf of its Department of Aviation, Airport
22 System Subordinate Revenue Bonds, Series 2017C Subordinate Credit Facility
23 Obligations Account" (the "Series 2017C Subordinate Credit Facility Obligations
24 Account").

25 B. Deposits. From any moneys remaining in the Revenue Fund after the
26 application of Gross Revenues of the Airport System by Section 511 of the General
27 Bond Ordinance, there shall be credited to the Series 2017C Subordinate Credit Facility
28 Obligations Account, not later than the Business Day next preceding the date on which
29 such amounts are due under the Series 2017C Subordinate Credit Facility, an amount

1 sufficient to pay the Series 2017C Subordinate Credit Facility Obligations. Such
2 accumulation and application of Net Revenues shall be on a parity with the
3 accumulation and application of Net Revenues required by Section 502 of the General
4 Subordinate Bond Ordinance.

5 C. Expenditure. Amounts deposited in the Series 2017C Subordinate Credit
6 Facility Obligations Account shall be expended to pay the Series 2017C Subordinate
7 Credit Facility Obligations, as the same become due under the Series 2017C
8 Subordinate Credit Facility.

9 D. Security. Amounts credited to the Series 2017C Subordinate Credit
10 Facility Obligations Account shall be set aside and held in trust for the Series 2017C
11 Subordinate Credit Facility Provider and shall be used to pay the Series 2017C
12 Subordinate Credit Facility Obligations without requisition, voucher, warrant, further
13 order, or authority (other than is contained herein), or any other preliminaries.

14 Section 804. Paying Agent to Request Payment Under Series 2017C Subordinate
15 Credit Facility.

16 A. Draws. If a Series 2017C Subordinate Credit Facility consists of a direct-
17 pay letter of credit, the Paying Agent is hereby authorized and directed, and by agreeing
18 to act as such hereunder agrees:

19 (1) to draw under such Series 2017C Subordinate Credit Facility, in
20 accordance with its terms, on or prior to the date on which the principal or Redemption
21 Price of or interest on the Series 2017C Subordinate Bonds are due, an amount which
22 is sufficient to pay the principal or Redemption Price of or interest on the Series 2017C
23 Subordinate Bonds due on such date; and

24 (2) if and to the extent it has not theretofore received from the
25 Remarketing Agent proceeds of the remarketing of the Series 2017C Subordinate
26 Bonds sufficient to make Purchase Price Payments, to draw under such Series 2017C
27 Subordinate Credit Facility, in accordance with its terms, on or prior to the date on which

1 such Purchase Price Payments are due, an amount which is sufficient to pay the
2 Purchase Price Payments due on such date.

3 B. Purchase Requests. If a Series 2017C Subordinate Credit Facility
4 provides only liquidity support with respect to the Series 2017C Subordinate Bonds, the
5 Paying Agent is hereby authorized and directed, and by agreeing to act as such
6 hereunder, agrees if and to the extent it has not theretofore received from the
7 Remarketing Agent proceeds of the remarketing of the Series 2017C Subordinate
8 Bonds sufficient to make Purchase Price Payments, to make purchase requests under
9 the Series 2017C Subordinate Credit Facility, in accordance with its terms, on or prior to
10 the date on which such Purchase Price Payments are due, an amount which is
11 sufficient to pay the Purchase Price Payments due on such date.

12 C. Notice. The Paying Agent shall notify the Treasurer of each drawing or
13 purchase request under the Series 2017C Subordinate Credit Facility immediately after
14 making such drawing or purchase request.

15 D. No Purchase Requests for Series 2017C Subordinate Credit Facility
16 Bonds. Notwithstanding anything to the contrary contained in this Supplemental
17 Subordinate Ordinance, (i) in computing the amount requested under the Series 2017C
18 Subordinate Credit Facility on account of the payment of principal of, interest on or
19 Purchase Price on Series 2017C Subordinate Bonds, the Paying Agent shall exclude
20 any such amounts in respect of any Series 2017C Subordinate Bonds which are Series
21 2017C Subordinate Credit Facility Bonds on the date such payment is due, and (ii)
22 amounts requested by the Paying Agent under the Series 2017C Subordinate Credit
23 Facility shall not be applied to any payment in respect of Series 2017C Subordinate
24 Credit Facility Bonds on the date such payment is due.

25 Section 805. City Not Liable for Failure to Demand Payment Under Series 2017C
26 Subordinate Credit Facility or Failure to Purchase Series 2017C Subordinate Bonds.
27 The City shall not be liable hereunder to any owner of any Series 2017C Subordinate
28 Bond or any other person for any failure of the Paying Agent to seek payment pursuant
29 to the Series 2017C Subordinate Credit Facility as required hereunder or thereunder or

1 for any failure of the Series 2017C Subordinate Credit Facility Provider to pay the
2 Purchase Price of tendered Series 2017C Subordinate Bonds following a demand for
3 payment by the Paying Agent, except that the City shall continue to be liable to the
4 owners of the Series 2017C Subordinate Bonds in respect of the Purchase Price
5 Payment, which would have been paid for the Series 2017C Subordinate Bonds, to the
6 extent provided in this Supplemental Subordinate Ordinance.

7 **ARTICLE IX**
8 **REMARKETING AGENTS**

9 **Section 901. The Remarketing Agent.** No Remarketing Agent is required for Series
10 2017C Subordinate Bonds that bear interest at a Fixed Rate (except as may be required
11 to convert to such a Fixed Rate). At all times during which the Series 2017C
12 Subordinate Bonds bear interest at a Variable Rate or Flexible Rate, the City shall
13 maintain a Remarketing Agent for such Bonds. With respect to the Series 2017C
14 Subordinate Bonds that upon initial issuance bear interest at a Term Rate as provided
15 in Section 401 hereof, the City shall appoint and engage a Remarketing Agent and
16 enter into a Remarketing Agreement as necessary no later than 90 days prior to the end
17 of the Initial Term Rate Period. The City shall enter into a Remarketing Agreement in
18 the form approved by the Treasurer in accordance with Section 1011 hereof. The
19 Remarketing Agent shall designate its principal office to the Paying Agent and signify its
20 acceptance of the duties and obligations imposed upon it hereunder by a written
21 instrument of acceptance delivered to the City and the Paying Agent under which the
22 Remarketing Agent will agree to:

23 (1) determine the Flexible Rate, Variable Rate, and Fixed Rate and
24 any Flexible Rate Period and give notice of such rates and periods in accordance with
25 Article IV hereof;

26 (2) keep such books and records with respect to its duties as
27 Remarketing Agent as shall be consistent with prudent industry practice;

28 (3) use its best efforts to remarket Series 2017C Subordinate Bonds in
29 accordance with this Supplemental Subordinate Ordinance; and

1 (4) hold all moneys delivered to it hereunder for the purchase of Series
2 2017C Subordinate Bonds for the benefit of the person which shall have so delivered
3 such moneys until the Series 2017C Subordinate Bonds purchased with such moneys
4 shall have been delivered to or for the account of such person.

5 **Section 902. Qualifications of Remarketing Agent.**

6 A. Qualification. Any successor to the initial Remarketing Agent shall be one
7 or more persons authorized by law to perform all the duties imposed upon it by this
8 Supplemental Subordinate Ordinance. The Remarketing Agent may at any time resign
9 and be discharged of the duties and obligations created hereby by giving at least 10
10 days' notice to the Treasurer, the Paying Agent, and any Series 2017C Subordinate
11 Credit Facility Provider. The Remarketing Agent may be removed at any time at the
12 direction of the City upon not less than three Business Days' notice, by an instrument
13 filed with the Remarketing Agent, the Paying Agent and any Series 2017C Subordinate
14 Credit Facility Provider. The City may agree to limit its rights under this subsection in
15 the Series 2017C Subordinate Credit Facility and by agreement with the Remarketing
16 Agent.

17 B. Removal. In the event of the resignation or removal of the Remarketing
18 Agent, such Remarketing Agent shall pay over, assign and deliver any moneys and
19 Series 2017C Subordinate Bonds held by it in such capacity to its successor or, if there
20 is no successor, to the Paying Agent.

21 C. Failure to Appoint. If the City shall fail to appoint a Remarketing Agent
22 hereunder, or if the Remarketing Agent shall resign or be removed, or be dissolved, or if
23 the property or affairs of the Remarketing Agent shall be taken under the control of any
24 state or federal court or administrative body because of bankruptcy or insolvency or for
25 any other reason, and the City shall not have appointed a successor remarketing agent,
26 the Paying Agent, notwithstanding subsection A of this Section, shall automatically be
27 deemed to be the Remarketing Agent for all purposes of this Supplemental Subordinate
28 Ordinance until the appointment by the City of the Remarketing Agent or successor
29 remarketing agent, as the case may be; provided, however, that the Paying Agent, in its

1 capacity as Remarketing Agent, shall not be required to sell Series 2017C Subordinate
2 Bonds or determine the Fixed Rate or Variable Rate on the Series 2017C Subordinate
3 Bonds or to perform the duties set forth in Section 403 hereof.

4 **Section 903. Maintenance of Remarketing Agent.** The City shall maintain a
5 Remarketing Agent hereunder for the Series 2017C Subordinate Bonds bearing interest
6 at a Variable Rate (other than a Term Rate) or Flexible Rate through the Fixed Rate
7 Conversion Date.

8 **ARTICLE X**
9 **MISCELLANEOUS**

10 **Section 1001. Tax Covenants.** In furtherance of Section 1013 of the General
11 Subordinate Bond Ordinance, the City represents and specifically agrees as follows:

12 A. **General Covenants.**

13 (1) The City hereby covenants that it shall not (i) make any use of the
14 proceeds of the Series 2017C Subordinate Bonds, any funds reasonably expected to be
15 used to pay the principal of or interest on such Series 2017C Subordinate Bonds, or any
16 other funds of the City; (ii) make or permit any use of the Airport Facilities financed with
17 the Series 2017C Subordinate Bonds; or (iii) take (or omit to take) any other action with
18 respect to such Series 2017C Subordinate Bonds, the proceeds thereof, or otherwise, if
19 such use, action or omission would, under the Tax Code, cause the interest on the
20 Series 2017C Subordinate Bonds to be included in gross income for federal income tax
21 purposes.

22 (2) In particular, without limitation, the City hereby covenants that it
23 shall not take (or omit to take) or permit or suffer any action to be taken if the result of
24 the same causes the Series 2017C Subordinate Bonds to be "arbitrage bonds" within
25 the meaning of Section 148 of the Tax Code or to be "private activity bonds" or than
26 "qualified bonds" within the meaning of Section 103 of the Tax Code.

27 B. **Rebate**

1 (1) Except as otherwise expressly provided therein, the City shall pay
2 to the United States in accordance with the requirements of Section 148(f) of the Tax
3 Code an amount (the "Rebate Amount") equal to the sum of (i) the excess of the
4 amount earned on all nonpurpose investments allocable to the Series 2017C
5 Subordinate Bonds (other than investments attributable to such excess) over the
6 amount that would have been earned if such nonpurpose investments were invested at
7 a rate equal to the yield on the Series 2017C Subordinate Bonds, plus (ii) any income
8 attributable to such excess.

9 (2) The City shall maintain within the Airport System Fund a special
10 and separate account hereby created and to be known as the "City and County of
11 Denver, Colorado, for and on behalf of its Department of Aviation, Airport System
12 Subordinate Revenue Bonds, Series 2017C Rebate Fund" (the "Series 2017C
13 Subordinate Bonds Rebate Fund"). The City shall maintain within the Series 2017C
14 Subordinate Bonds Rebate Fund such subaccounts as may be necessary, and the City
15 shall deposit to the credit of, and make disbursements to the United States and
16 otherwise from, the Series 2017C Subordinate Bonds Rebate Fund such amounts, at
17 such times, as shall be necessary hereunder.

18 (3) Any amounts so deposited to the credit of the Series 2017C
19 Subordinate Bonds Rebate Fund shall be derived from the Net Revenues of the Airport
20 System or from such other legally available sources as the City may determine;
21 provided, however, that the accumulation and application of Net Revenues for such
22 purpose shall be subordinate in priority to payment of the principal of and interest on,
23 when due, the Series 2017C Subordinate Bonds.

24 (4) Notwithstanding any provision of this Section 1001B, if the
25 Treasurer shall obtain an opinion of an attorney or firm of attorneys whose experience in
26 matters relating to the issuance of obligations by states and their political subdivisions is
27 nationally recognized that any action required under this Section 1001B is no longer
28 required or that some further action is required to maintain the exclusion from federal
29 income tax of interest on the Series 2017C Subordinate Bonds, the City may rely

1 conclusively on such opinion in complying with the requirements of this Section 1001B,
2 and the covenants contained herein shall be deemed to be modified to that extent.

3 C. Tax Certificate. The Treasurer is hereby authorized to execute a tax
4 certificate on behalf of the City in implementation of the covenants and agreements set
5 forth in this Section 1001, or to make any election permitted by the Tax Code and
6 determined by the Treasurer to be to the advantage of the City; and the representations,
7 agreements, and elections set forth therein shall be deemed the representations,
8 agreements, and elections of the City, as if the same were set forth herein.

9 Section 1002. Preservation of Enterprise Status. The City hereby covenants that it
10 shall not take (or omit to take) any action with respect to the Department that would
11 cause the Department to lose its status as an "enterprise" within the meaning of Section
12 20, Article X, State Constitution.

13 Section 1003. Applicability of General Subordinate Bond Ordinance. Except as
14 otherwise provided herein, the provisions of the General Subordinate Bond Ordinance
15 govern the Series 2017C Subordinate Bonds and the Series 2017C Subordinate Bond
16 Improvement Project. The rights, undertakings, covenants, agreements, obligations,
17 warranties, and representations of the City set forth in the General Subordinate Bond
18 Ordinance shall in respect of the Series 2017C Subordinate Bonds be deemed the
19 rights, undertakings, covenants, agreements, obligations, warranties, and
20 representations of the City for and on behalf of the Department.

21 Section 1004. Additional Events of Default in Respect of Series 2017C Subordinate
22 Bonds. In addition to the events of default set forth in Section 1203 of the General
23 Subordinate Bond Ordinance, an event of default shall occur in respect of the Series
24 2017C Subordinate Bonds (i) if payment of the Purchase Price by the City in respect of
25 any Series 2017C Subordinate Bond is not made within 10 days after the date when the
26 same becomes due and payable hereunder (other than upon a failed remarketing of
27 Series 2017C Subordinate Bonds bearing interest at a Term Rate as provided in
28 Section 505C hereto); or (ii) upon the receipt by the Paying Agent, the City and the
29 Remarketing Agent of a written notice from the Series 2017C Subordinate Credit Facility

1 Provider stating that a termination under the applicable Series 2017C Subordinate
2 Credit Facility has occurred and declaring an event of default with respect to the Series
3 2017C Subordinate Bonds under the General Subordinate Bond Ordinance.

4 **Section 1005. Payment Due on Days Which Are Not Business Days.** If any payment
5 of principal or Purchase Price of or premium, if any, or interest on any Series 2017C
6 Subordinate Bond is due on a day which is not a Business Day, such payment may be
7 made, and shall not accrue additional interest if made, on the next succeeding Business
8 Day.

9 **Section 1006. Certain References Ineffective.** Except as provided in the Series
10 2017C Subordinate Credit Facility, references herein to the Series 2017C Subordinate
11 Credit Facility Provider shall be ineffective during any period for which there is no Series
12 2017C Subordinate Credit Facility. References herein to the Remarketing Agent shall
13 be ineffective during any period for which there is no Remarketing Agent.

14 **Section 1007. Maintenance of Paying Agent and Series 2017C Subordinate Bonds**
15 **Registrar.** The City shall maintain an independent Paying Agent and an independent
16 Series 2017C Subordinate Bonds Registrar (which may but need not be the same
17 entity) through the Fixed Rate Conversion Date. Any successor Paying Agent or Series
18 2017C Subordinate Bonds Registrar shall be a commercial bank with trust powers.

19 **Section 1008. Consent to Proposed Amendments.** By the purchase and acceptance
20 of the Series 2017C Subordinate Bonds from time to time, the owners and any bond
21 insurer and any Series 2017C Subordinate Credit Facility Provider (including without
22 limitation Participants in the Securities Depository and beneficial owners) thereof, shall
23 be deemed to have irrevocably (i) consented to the adoption by Supplemental
24 Ordinance of amendments to the General Bond Ordinance in substantially the form of
25 the Proposed Amendments and (ii) appointed the Consent Agent as their agent, with
26 irrevocable instructions to file a written consent to that effect with the Clerk as provided
27 in the final paragraph of Section 1303 of the General Subordinate Bond Ordinance. A
28 notation to this effect, shall be printed on the Series 2017C Subordinate Bonds. In so
29 acting, the Consent Agent (who shall be compensated by the City for such services)

1 may rely on an Attorney's Opinion, which shall be full and complete authorization and
2 protection of the Consent Agent in respect of any action taken or suffered by it under
3 the General Subordinate Bond Ordinance in good faith.

4 **Section 1009. Endorsement on Bonds.** A notation in substantially the following form
5 shall be endorsed on the Series 2017C Subordinate Bonds in respect of the Proposed
6 Amendments:

7 "By the purchase and acceptance of this Series 2017C Subordinate Bond from
8 time to time, the owners and any bond insurer and any Series 2017C Subordinate
9 Credit Facility Provider (including without limitation Participants in the Securities
10 Depository and beneficial owners) hereof are deemed to have irrevocably (i) consented
11 to the adoption by Supplemental Ordinance of amendments to the General Bond
12 Ordinance in substantially the form of the Proposed Amendments set forth in the
13 applicable appendix to the City's Official Statement and relating to the Series 2017A-B
14 Senior Bonds, and (ii) appointed the Consent Agent as their agent, with irrevocable
15 instructions to file a written consent to that effect at the time and place and otherwise in
16 the manner provided by the General Subordinate Bond Ordinance."

17 In addition, copies of this notation, together with copies of the Proposed
18 Amendments, shall be filed in one or more Nationally Recognized Municipal Securities
19 Information Repository.

20 **Section 1010. Notice to Rating Agencies.** To the extent not provided herein, in the
21 event of an extension, expiration, termination, or substitution of the Series 2017C
22 Subordinate Credit Facility, any redemption, mandatory tender, or defeasance of the
23 Series 2017C Subordinate Bonds, any change in Rate Period, any amendments to this
24 Supplemental Bond Ordinance or to the Series 2017C Subordinate Credit Facility, or
25 the removal or resignation of the Paying Agent, or Remarketing Agent (as the case may
26 be), the Treasurer promptly will give notice of the occurrence of such event to each
27 rating agency then maintaining a rating on the Series 2017C Subordinate Bonds.

1 **Section 1011. Authorization to Execute, Extend, Modify or Replace Certain**
2 **Agreements and Other Matters.** The Treasurer is hereby authorized, without further
3 approval of the Council, to (i) extend or modify the terms of any Series 2017C
4 Subordinate Credit Facility, bond insurance policy, Paying Agent and Bonds Registrar
5 Agreement, Bond Purchase Agreement or other agreement approved hereby; and (ii)
6 execute and deliver any additional agreements, including, but not limited to, one or
7 more Series 2017C Subordinate Credit Facilities or substitute Series 2017C
8 Subordinate Credit Facilities, Remarketing Agreement, Paying Agent and Bonds
9 Registrar Agreement, Bond Purchase Agreement, continuing disclosure agreement, any
10 agreement with any bond insurer or other agreement approved hereby or required in
11 connection with the Series 2017C Subordinate Bonds; provided that any such modified,
12 extended, additional, or substitute agreement (i) shall be entered into for and on behalf
13 of the Department, (ii) shall obligate only Airport System funds, (iii) shall be with
14 existing parties or parties selected in accordance with the Treasurer's established
15 policies, and (iv) shall, in the judgment of the Treasurer, be in commercially customary
16 form. The effectiveness of any execution, extension, modification or replacement of any
17 agreement or instrument as contemplated in this Section 1011 shall be contingent upon
18 the receipt by the Treasurer and Paying Agent of a Favorable Opinion of Counsel with
19 respect to such proposed action. The Treasurer is hereby authorized, in connection
20 with any remarketing or conversion of the Series 2017C Subordinate Bonds and without
21 further approval of the Council, to approve one or more preliminary official statements
22 and one or more official statements in substantially the form of the preliminary official
23 statement as filed with the Clerk in connection with the Series 2017A-B Senior Bonds,
24 with the necessary omissions, insertions, endorsements and variations as may be
25 required by the circumstances. The Treasurer is hereby authorized, without further
26 approval of the Council, to extend, from time to time, the Initial Term Rate Period by
27 executing a supplemental Pricing Certificate, with the applicable pricing information
28 contained therein, if the Treasurer finds that such an extension is in the best financial
29 interest of the City and the Initial Purchaser has consented to such extension. The
30 effectiveness of any execution, extension, modification or replacement of any
31 agreement or instrument as contemplated in this Section 1011 shall be contingent upon

- 1 the receipt by the Treasurer and Paying Agent of a Favorable Opinion of Counsel with
- 2 respect to such proposed action.

17 **SECURITY**

18 The Series 2017C Subordinate Bonds are special obligations of the City, equally
19 and ratably secured by an irrevocable lien on the Net Revenues and certain funds and
20 accounts to the extent provided in the General Subordinate Bond Ordinance. The
21 Series 2017C Subordinate Bonds may be from time to time secured by moneys
22 available under a Series 2017C Subordinate Credit Facility. The Series 2017C
23 Subordinate Bonds do not constitute a debt or an indebtedness of the City, for and on
24 behalf of the Department, within the meaning of any constitutional, Charter or statutory
25 provision or limitation, and shall not be considered or held to be general obligations of
26 the City, for and on behalf of the Department. The City, for and on behalf of the
27 Department, has not pledged its full faith and credit for the payment of the Series 2017C
28 Subordinate Bonds.

1 When the Series 2017C Subordinate Bonds bear interest at a Daily, Weekly,
2 Monthly, Semiannual or Flexible Rate, the City, for and on behalf of the Department, is

6 Subject to the terms of the General Subordinate Bond Ordinance relating to
7 mandatory tender upon the termination of a Series 2017C Subordinate Credit Facility,
8 the City at any time may, after written notice to the Paying Agent and subject to the
9 receipt of a Favorable Opinion of Bond Counsel and any required consents and subject
10 to the terms and provisions of the applicable Series 2017C Subordinate Credit Facility,
11 replace such Series 2017C Subordinate Credit Facility with a Substitute Series 2017C
12 Subordinate Credit Facility meeting the requirements set forth in the General
13 Subordinate Bond Ordinance.

14 AFTER CONVERSION TO A FIXED RATE OR WHEN THE BONDS BEAR
15 INTEREST AT A TERM RATE, THE SERIES 2017C SUBORDINATE BONDS WILL
16 NOT BE SECURED BY A SUBORDINATE CREDIT FACILITY; PROVIDED,
17 HOWEVER, THAT THE CITY AT ITS OPTION MAY MAINTAIN ONE OR MORE
18 SERIES 2017C SUBORDINATE CREDIT FACILITIES TO PROVIDE CREDIT AND/OR
19 LIQUIDITY SUPPORT WITH RESPECT TO ANY SERIES 2017C SUBORDINATE
20 BONDS.

6 Registrar duly executed by the owner or his or her duly authorized attorney, this Bond
7 may, at the option of the owner or his or her duly authorized attorney, be exchanged for
8 an equal aggregate principal amount of Series 2017C Subordinate Bonds of the same
9 maturity of other authorized denominations, subject to such terms and conditions as are
10 set forth in the General Subordinate Bond Ordinance.

11 **INTEREST ON SERIES 2017C SUBORDINATE BONDS**

12 **Initial Interest Rate**

13 The Series 2017C Subordinate Bonds initially shall bear interest at a Term Rate,
14 as provided herein, for a Term Rate Period With Liquidity commencing on the Issue
15 Date and ending on third (3rd) anniversary of the Issue Date, or as otherwise set forth in
16 a Pricing Certificate (the "Initial Term Rate Period"). The Term Rate for the Initial Term
17 Rate Period shall accrue from the Issue Date to, but not including, the next succeeding
18 Interest Payment Date and thereafter from and including each Interest Payment Date to,
19 but not including, the next succeeding Interest Payment Date at a per annum rate equal
20 to the sum of (i) the Applicable Spread and (ii) the product of (A) the LIBOR Index and
21 (B) the Applicable Factor (the "LIBOR Index Rate"). For purposes of the preceding
22 sentence, except for the initial LIBOR Index Rate which shall be set forth in the related
23 Pricing Certificate, the interest rate equal to the LIBOR Index Rate shall be determined
24 by Calculation Agent on the second (2nd) London Business Day prior to the Rate
25 Adjustment Date, and such rate shall be in effect for purposes of computing interest
26 from and including such Rate Adjustment Date until the day immediately preceding the

2 a failure to pay the Purchase Price of any Series 2017C Subordinate Bonds which has

11 the first Business Day of each calendar month following a month in which interest at
12 such rate has accrued; (ii) with respect to any Series 2017C Subordinate Bonds bearing

26 applicable thereto; and (vii) with respect to any Series 2017C Subordinate Credit Facility
27 Bonds, the dates specified in the Series 2017C Subordinate Credit Facility.

1 **Flexible Rates and Conversions to Flexible Rates**

2 *Flexible Rates and Flexible Rate Periods.* When the Series 2017C Subordinate
3 Bonds bear interest at Flexible Rates, the interest rate for the Series 2017C
4 Subordinate Bond will be determined and will remain in effect from and including the
5 commencement date of the Flexible Rate Period to, but not including, the last date
6 thereof. The Flexible Rate and Flexible Rate Period for the Series 2017C Subordinate
7 Bond shall be determined by a Remarketing Agent at such rate and for such period as it
8 deems advisable in order to minimize the expected interest cost on the Series 2017C
9 Subordinate Bonds, net of remarketing costs, over the longest period for which a
10 Flexible Rate may be established on the date of determination, taking into account
11 prevailing market conditions as of the date of determination; provided that the Flexible
12 Rate for each Series 2017C Subordinate Bond shall be the lesser of (i) the Maximum
13 Rate or (ii) the rate of interest which, in the judgment of the Remarketing Agent, would
14 cause such Series 2017C Subordinate Bonds to have a market value equal to the
15 principal amount thereof, plus accrued interest, if any, taking into account prevailing
16 market conditions as of the date of determination, and the Flexible Rate shall
17 commence on either a Flexible Rate Conversion Date or the last day of the immediately
18 preceding Flexible Rate Period and end on a Business Day. If the Remarketing Agent
19 fails for any reason to determine or notify the Paying Agent of the Flexible Rate and the
20 Flexible Rate Period for the Series 2017C Subordinate Bond, such Series 2017C
21 Subordinate Bond shall be deemed to be in a Flexible Rate Period of a period equal to a
22 Weekly Rate Period in duration and the Flexible Rate for which shall be equal to the
23 Weekly Rate determined on such day as described below, which Flexible Rate Period
24 will be followed by Flexible Rate Periods established as described in this paragraph,
25 unless otherwise converted to a different Interest Period.

26 *Conversions to Flexible Rates from Daily, Weekly, Monthly, Semiannual or Term*
27 *Rate.* The Treasurer may, subject to the receipt of a Favorable Opinion of Bond
28 Counsel, elect to convert the Interest Rate on the Series 2017C Subordinate Bonds to
29 Flexible Rates from a Daily, Weekly, Monthly, Semiannual or Term Rate on an Interest
30 Payment Date on which interest accruing at the Daily, Weekly, Monthly, Semiannual or

1 Term Rate from which the conversion is to be made is payable; provided that, in the
2 case of a conversion from a Term Rate Period, the conversion may be made only on
3 the last Interest Payment Date for the Term Rate Period then in effect. If a Favorable
4 Opinion of Bond Counsel is not provided, the new Rate Period shall not take effect and
5 the Series 2017C Subordinate Bonds shall remain in the Rate Period previously in
6 effect.

7 **Daily, Weekly, Monthly, Semiannual and Term Rates and Conversions to Daily,**
8 **Weekly, Monthly, Semiannual and Term Rates**

9 *Determination of Daily, Weekly, Monthly, Semiannual and Term Rates.* Except
10 for the Series 2017C Subordinate Bonds bearing interest at the Term Rate during the
11 Initial Term Rate Period, the Daily, Weekly, Monthly, Semiannual or Term Rate for each
12 respective Daily, Weekly, Monthly, Semiannual or Term Rate Period shall be
13 determined by the Remarketing Agent as the lesser of the Maximum Rate or the rate of
14 interest which, in the judgment the Remarketing Agent, would cause the Series 2017C
15 Subordinate Bonds to have a market value equal to the principal amount thereof, plus
16 accrued interest, taking into account prevailing market conditions as of the date of
17 determination. In the event, following a mandatory tender of Series 2017C Subordinate
18 Bonds bearing interest at a Term Rate, such Series 2017C Subordinate Bonds are not
19 successfully remarketed, such Series 2017C Subordinate Bonds shall remain in the
20 Term Rate and shall bear interest at the Maximum Term Rate during the Delayed
21 Remarketing Period as provided in the General Subordinate Bond Ordinance. If the
22 Remarketing Agent fails for any reason to determine or notify the Paying Agent of any
23 Daily, Weekly, Monthly, Semiannual or Term Rate, the Rate Period for the Series
24 2017C Subordinate Bonds will automatically, without notice or mandatory tender,
25 convert to a Weekly Rate Period and, until the Weekly Rate is determined by the
26 Remarketing Agent and notification thereof is delivered to the Paying Agent, the Weekly
27 Rate will be equal to the Alternate Rate. Notwithstanding the foregoing, during any
28 Delayed Remarketing Period, the Series 2017C Subordinate Bonds of such Subseries
29 shall, subject to the provisions of the General Subordinate Bond Ordinance, bear
30 interest at the Maximum Term Rate.

1 *Daily Rates.* When the Series 2017C Subordinate Bonds bear interest at a Daily
2 Rate, the rate of interest on the Series 2017C Subordinate Bonds will be determined on
3 each Business Day. The Daily Rate for any day which is not a Business Day during the
4 period that the Series 2017C Subordinate Bonds bear interest at a Daily Rate shall be
5 the Daily Rate established for the immediately preceding Business Day.

6 *Weekly Rates and Weekly Rate Periods.* When the Series 2017C Subordinate
7 Bonds bear interest at a Weekly Rate, the rate of interest on the Series 2017C
8 Subordinate Bonds will be determined weekly to be effective for a seven-day period
9 commencing on Wednesday of the week of determination and ending on Tuesday of the
10 following week.

11 *Monthly Rates and Monthly Rate Periods.* When the Series 2017C Subordinate
12 Bonds bear interest at a Monthly Rate, the rate of interest on the Series 2017C
13 Subordinate Bonds will be determined for each calendar month to be effective from the
14 first day of the calendar month to but not including the first day of the following calendar
15 month.

16 *Semiannual Rates and Semiannual Rate Periods.* When the Series 2017C
17 Subordinate Bonds bear interest at a Semiannual Rate, the rate of interest on the
18 Series 2017C Subordinate Bonds will be determined for an initial period of not more
19 than six months, as determined by the City, commencing on the date on which the
20 Interest Rate is converted to the Semiannual Rate.

21 *Term Rates and Term Rate Periods.* Except for the Initial Term Rate Period,
22 when the Series 2017C Subordinate Bonds bear interest at a Term Rate, the rate of
23 interest on the Series 2017C Subordinate Bonds will be determined for an initial period
24 of at least twelve months, as determined by the City, commencing on the date on which
25 the Interest Rate is converted to the Term Rate.

26 *Conversions between Daily, Weekly, Monthly, Semiannual or Term Rates.* The
27 Treasurer may, subject to the receipt of a Favorable Opinion of Bond Counsel, elect to
28 convert the Interest Rate on the Series 2017C Subordinate Bonds between Daily,

1 Weekly, Monthly, Semiannual or Term Rates (or from a Term Rate for a Term Rate
2 Period of one duration to a Term Rate for a Term Rate Period of another duration) on
3 an Interest Payment Date on which interest is payable for the Rate Period from which
4 the conversion is to be made; provided that, if the conversion is from a Term Rate
5 Period, the conversion may be made only on the last Interest Payment Date for that
6 Term Rate Period. SERIES 2017C SUBORDINATE BONDS IN A TERM RATE WILL
7 NOT BE SECURED BY A SUBORDINATE CREDIT FACILITY; PROVIDED,
8 HOWEVER, THAT THE CITY AT ITS OPTION MAY MAINTAIN ONE OR MORE
9 SERIES 2017C SUBORDINATE CREDIT FACILITIES TO PROVIDE CREDIT AND/OR
10 LIQUIDITY SUPPORT WITH RESPECT TO ANY SERIES 2017C SUBORDINATE
11 BONDS. If a Favorable Opinion of Bond Counsel is not provided, the Series 2017C
12 Subordinate Bonds will be purchased on the proposed conversion date; however, the
13 new Rate Period shall not take effect and the Series 2017C Subordinate Bonds will be
14 remarketed in the Rate Period currently in effect.

15 *Conversions to Daily, Weekly, Monthly, Semiannual or Term Rates from Flexible*
16 *Rates.* The Treasurer may, subject to the receipt of a Favorable Opinion of Bond
17 Counsel, convert the Interest Rate on the Series 2017C Subordinate Bonds from a
18 Flexible Rate to a Daily, Weekly, Monthly, Semiannual or Term Rate on a day which is
19 both the proper conversion date required with respect to the Rate Period to which the
20 Series 2017C Subordinate Bonds are to be converted and the last Interest Payment
21 Date on which interest is payable for any Flexible Rate Period. If a Favorable Opinion
22 of Bond Counsel is not provided, the Series 2017C Subordinate Bonds will be
23 purchased on the proposed conversion date; however, the new Rate Period shall not
24 take effect and the Series 2017C Subordinate Bonds shall be remarketed in the Rate
25 Period previously in effect.

1 **Fixed Rates and Conversions to Fixed Rates**

2 The Treasurer may convert the Interest Rate on the Series 2017C Subordinate
3 Bonds to a Fixed Rate on any regularly scheduled Interest Payment Date on which
4 interest is payable for the interest at a Variable Rate Period from which the conversion
5 is to be made; provided that, in the case of a conversion from a Term Rate Period, the
6 conversion may be made only on the last Interest Payment Date for that Term Rate
7 Period, in the case of a conversion from a Flexible Rate Period, the conversion may be
8 only on the last regularly scheduled Interest Payment Date on which interest is payable
9 for any Interest Period to be converted. Upon conversion to a Fixed Rate, the maturity
10 dates of the Series 2017C Subordinate Bonds will be changed as provided in the
11 General Subordinate Bond Ordinance.

12 AFTER CONVERSION TO A FIXED RATE, THE SERIES 2017C Subordinate
13 BONDS WILL NO LONGER BE SECURED BY A SUBORDINATE CREDIT FACILITY.

14 At the end of the Initial Term Rate Period, without the prior written consent of the
15 Initial Purchaser, no partial conversions can occur with respect to the Series 2017C
16 Subordinate Bonds. If there has been a failure to pay the Purchase Price of any Series
17 2017C Subordinate Bonds which has been tendered for purchase at the end of the
18 Initial Term Rate Period, such Series 2017C Subordinate Bonds shall be tendered to
19 the Series 2017 Subordinate Credit Facility Provider at a deemed purchase price equal
20 to 100% of the principal amount of such Series 2017C Subordinate Bonds and
21 thereafter shall constitute Series 2017C Subordinate Credit Facility Bonds under the
22 Series 2017C Subordinate Credit Facility.

23 **Series 2017C Subordinate Credit Facility Bonds**

24 Series 2017C Subordinate Credit Facility Bonds, if any, will bear interest at the
25 rates, payable on the dates, and otherwise as provided in the applicable Series 2017C
26 Subordinate Credit Facility.
