ORDINANCE NO. \_\_\_\_\_  
SERIES OF 2020

COUNCIL BILL NO. CB20-1178  
COMMITTEE OF REFERENCE:  
Safety, Housing, Education & Homelessness

**A BILL**

**For an ordinance amending the sentencing structure for violations of the Denver Revised Municipal Code, modifying the penalty for class 1 violations and making conforming amendments to DRMC sections referencing §1-13(e) for non-criminal violations.**

**WHEREAS**, in 2017, the Denver Revised Municipal Code (DRMC) was revised to create a tiered sentencing structure to promote greater proportionality in sentencing by providing for appropriate accountability for offenses that present an unacceptable risk of harm to the community while recognizing that some violations demand a lesser possible sentence; and

**WHEREAS**, this revised sentencing structure reduced the general penalty for violations of the DRMC from one year to 300 days, but provided for the possibility of a one-year jail sentence for Class 1 offenses that involve more significant injury or wrongdoing and present an unacceptable risk of harm to the community; and

**WHEREAS**, in 2019, the Colorado General Assembly enacted legislation in the form of House Bill 19-1148 reducing the maximum possible jail sentence for all municipal ordinance violations from one year to three hundred sixty-four days; and

**WHEREAS**, this bill is intended to amend the DRMC sentencing structure for Class 1 offenses to conform to the new maximum sentence allowed by state law.
