THE MILE HIGH CITY

**TO: City Council, Land Use, Transportation and Infrastructure Committee**  
**FROM:** Theresa Lucero, Senior City Planner  
**DATE:** December 29, 2011  
**RE: Zoning Map Amendment Application #2011I-00033**  
**4787 South Wadsworth Way**  
**Rezoning from PUD 321 to S-CC-3x**

**Staff Report and Recommendation**

Based on the criteria for review including legal basis evaluation and compliance with adopted City plans, Staff recommends approval for application #2011I-00033 for a rezoning from PUD 321 to S-CC-3x.

**I. Scope of Rezoning**

---

Application:	<b>#2011I-00033</b>
Address:	4787 South Wadsworth Way
Neighborhood/Council District:	Marston / Council District #2
RNOs:	Provincetown Landing VI HOA Inter-neighborhood Cooperation
Area of Property:	1.96 Acres / 85,311 SF
Current Zoning:	PUD 321
Proposed Zoning:	<b>S-CC-3x</b>
Applicant/Owner:	Halle Properties, LLC
Contact Person:	Alberto Castillo, Castillo Wyatt Architects

**II. Summary of Proposal and Existing Conditions**

---

This proposal will rezone the property from Planned Unit Development 321 (PUD 321) to Suburban, Commercial Corridor, three stories (S-CC-3x). The current land use of the property is a Discount Tire retail store. The property owner is proposing a 1,723 square feet addition to the existing commercial building for storage. The maximum building square feet allowed in the current PUD zoning allows only the square feet of the existing building (7,210 SF). The proposed addition to the building is the only proposed change. No change is proposed to the existing land use or the zone lot.

The site is located on South Wadsworth Way, southwest of the intersection of South Wadsworth Boulevard and West Quincy Avenue. In the vicinity are Marston Lake ½ mile to the east, and the Southwest Auto Park north of the site. East of the site is the Provincetown Landing Condominium project, and west of the site is a Sam's Club warehouse store. The existing structure was built in 2008. The site is surrounded on the east side of Wadsworth Way by medium density condominium projects and on the west side of Wadsworth Way by large scale auto-oriented retail land uses. The local block pattern consists primarily of large blocks of irregular shape formed by a curvilinear street pattern.

**III. Legal Justification for Rezoning**  
**Changed Conditions**

Rezoning to S-CC-3x will remove the existing square feet maximum in the PUD and allow the construction of a proposed 1,732 SF addition to the building.

## V. Summary of Legal Notice and Public Process

### Planning Board

Written notification of the Planning Board Meeting was sent to all affected Registered Neighborhood Associations and notification signs were posted on the property fifteen days prior to the meeting. By not removing this application from their consent agenda Planning Board unanimously recommended approval of the proposed rezoning.

### Land Use, Transportation and Infrastructure Committee

Electronic notification of the meeting was sent to all affected Registered Neighborhood Associations ten days prior to the meeting.

## VI. Summary of Agency Referral Responses

This rezoning has been reviewed concurrently within the context of the Denver Zoning Code and other applicable City Codes as utilized by the referral agencies listed below.

**Asset Management:** Approve – No Comments.

**Denver Fire Department:** Approve.

**Denver Parks and Recreation:** No Comments Received.

**Development Services – Project Coordination:** No Comments Received.

**Development Services – Transportation:** No Comments Received.

**Development Services – Wastewater:** No Comments Received.

**Public Works – City Surveyor:** Approve Rezoning Only – Land Survey Plat will be required at Site Plan Review Stage.

## VII. Community Response

The applicant contacted all affected Registered Neighborhood Associations. To date, no comment has been received from the community.

## VIII. Criteria for Review

The criteria for review of this rezoning application include conformance with adopted regulations, and with the Comprehensive Plan and applicable supplements. Applicable documents are:

- *Denver Comprehensive Plan 2000*
- *Blueprint Denver*
- *Denver Zoning Code*

### A. Denver Comprehensive Plan 2000

The proposal is consistent with and positively addresses many Denver Comprehensive Plan strategies, including:

- Economic Activity Chapter, Strategy 3-B is to “*Support retention and expansion of businesses in industries historically important to Denver, including small business, health care, manufacturing, and federal and state government*” (p. 133).
- Environmental Sustainability Chapter, Strategy 2-F is to “*Conserve land by:…Promoting infill development within Denver at sites where services and infrastructure are already in place*” (p. 39).
- Land Use Chapter, Strategy 3-B which is to “*Encourage quality infill development that is consistent with the character of the surrounding neighborhood; that offers opportunities for increased density and more amenities; and that broadens the variety of compatible uses*” (p. 60).

### B. Blueprint Denver

Blueprint Denver, the City’s Land Use and Transportation Plan, identifies the property as being within an Area of Stability with a land use recommendation of Commercial Corridor. The Blueprint Denver street type for South Wadsworth Way is Commercial Arterial and for West Layton Avenue is Undesignated Local.

The S-CC-3x zone district will allow the expansion of the existing structure. The use of the property will not change. The current PUD zoning does not allow the expansion of the existing structure.

### **C. Denver Zoning Code**

The Denver Zoning Code (Section 12.4.10) requires all Official Map Amendments to comply with the following criteria.

#### **1. General Review Criteria Applicable to All Zone Map Amendments (Section 12.4.10.13)**

As proposed, rezoning #2011I-00033 is consistent with the general review criteria outlined in this section of the Denver Zoning Code including:

**A. Consistency with Adopted Plans:** Rezoning #2011I-00033 implements and is consistent with recommendations in adopted plans.

**B. Uniformity of District Regulations and Restrictions:** Rezoning the site to S-CC-3x will have no effect on the uniformity of district regulations.

**C. Public Health, Safety and General Welfare:** The proposed map amendment furthers the public health, safety and general welfare of the City.

#### **2. Additional Review Criteria for Non-legislative Rezoning (Section 12.4.10.14)**

##### **A. Justifying Circumstances**

Denver Zoning Code criteria is that the land or its surrounding environs has changed to such a degree that it is in the public interest to encourage a redevelopment of the area or to recognize the changed character of the area. The proposed map amendment is in response to the changed circumstance of a needed addition to a successful business. The addition cannot be accommodated in the existing PUD zoning of the property. The proposed S-CC-3x zone district will allow the property owner to make the building addition.

##### **B. Consistency with Neighborhood Context Description, Zone District Purpose and Intent Statements**

Denver Zoning Code Criteria is that the proposed official map amendment should be consistent with the descriptions of the applicable neighborhood context, and with the stated purpose and intent of the proposed zone district. Overall, the proposed map amendment is consistent with the Suburban Neighborhood Context which is primarily single-unit and multi-unit residential uses and commercial strips and centers. Commercial buildings typically have varying orientation and typically have deep front and side setbacks. In addition, the proposal is consistent with the purpose of commercial corridor zone district which is:

- to balance the need for safe, active, and pedestrian-scaled, diverse areas with the need for convenient automobile access;
- to address development opportunities adjacent to the city's most auto-dominated corridors;
- to allow flexibility in building, circulation and parking lot layout and
- to ensure new development contributes positively to established residential neighborhoods and character, and improves the transition between commercial development and adjacent residential neighborhoods.

In addition, the proposal is consistent with the intent of the S-CC-3x zone district which applies to areas primarily served by auto-oriented arterial streets where a building scale of 1-3 stories is desired.

## **IX. Staff Recommendation**

---

Based on the criteria for review as defined above, Staff recommends **approval** for rezoning the property located at 4787 South Wadsworth Way (Application #20111-00033) to S-CC-3x.
