9. **General description or background of proposed request. Attach executive summary if more space needed:**

Denver International Airport (DEN) conducted a competitive Request for Proposal (RFP) selection process for an operator to design, build, and manage a Food & Beverage location on Concourse C, Mezzanine level featuring a Casual Dining with Bar. To accommodate an airline, the opportunity was moved to the concourse level in Concourse B, center core in a location with a naturally expiring contract. The term for this opportunity is twelve (12) years, to allow the concessionaire to amortize their capital investment to build out this 3,823.6 square foot location. No funding or capital investment is required by DEN, as the space will be turned over as is. DEN conducted outreach events on June 13, 2024, and July 11, 2024, totaling 536 attendees for all events. After submittal and evaluation of responsive proposals, the Independent Evaluation panel recommended that SSP America DEN C Center West, LLC d/b/a Broncos Mile High Grill be selected for negotiations.

This agreement supports Vision 100's goal of "Growing Our Infrastructure" by adding new concession opportunities to meet future passenger demands, which will enhance the customer experience and increase non-aeronautical revenue.
