

### THIRD AMENDATORY AGREEMENT

**THIS THIRD AMENDATORY AGREEMENT** is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **CENTURY HELICOPTERS, INC.**, a Colorado corporation, whose address is 2001 Airway Avenue, Fort Collins Colorado 80524 (the “Contractor”), collectively (“the Parties”).

#### WITNESSETH:

**WHEREAS**, the City and the Contractor entered into an Agreement dated September 5, 2006, and amended with a First Amendatory Agreement dated August 7, 2007 and a Second Amendatory Agreement dated June 16, 2009, relating to scheduled and non-scheduled maintenance of the Denver Police Department’s helicopter for the purpose of maintaining optimal air worthiness status (the “Agreement”); and

**WHEREAS**, the Parties wish to amend the Agreement, to extend the term, increase the compensation to the Contractor and update other contract language as follows; and

**NOW, THEREFORE**, in consideration of the premises and the mutual covenants and obligations herein set forth, the Parties agree as follows:

1. Article 1 of the Agreement, **WORK TO BE PERFORMED**, is amended by the addition of the following paragraph at the end of the Article:

In addition to the services previously described herein, for the period of time from May 31, 2011 through May 31, 2013, the Contractor agrees to provide the services set out in Exhibit A-3 attached to this Amendment at the rates and costs set out therein. The Contractor agrees to provide these services in a workman like manner, consistent with the manufacturer’s instructions and recommendations and the terms and conditions of this Agreement as amended.

2. Article 3 of the Agreement, entitled “**TERM OF AGREEMENT**”, is hereby amended to read as follows:

“**3. TERM OF AGREEMENT**: The term of the Agreement shall commence on June 1, 2006 and terminate on May 31, 2013 unless otherwise terminated earlier under the terms of this Agreement.”

3. The first, second, third and fourth sentences of Article 5 of the Agreement, entitled “**COMPENSATION AND PAYMENT**,” are hereby amended to read as follows:

“**5. COMPENSATION AND PAYMENT**: The Contractor agrees to accept, and the City agrees to pay, as full and complete compensation for completion of all the items of work contained in the Agreement and the Exhibits attached thereto, and for the period of time from June 1, 2006 through May 31,

2013, a total sum not to exceed Two Million Four Hundred Seventy One Thousand Five Hundred Eighty Two Dollars and Seventy Nine Cents (\$2,471,582.79) (“**Maximum Contract Amount**”) which for this amendment is funded through the City’s receipt of a grant (DOJ-JAG Formula grant FY2010 #2010-DJ-BX-0510) and yearly appropriation requests are subject to the City’s receipt of said grant funds. Compensation shall be payable at the rate of Eighty-Five Dollars (\$85.00) per hour regular rate (**work performed on Monday through Friday, 8:00 A.M to 5:00 P.M., excluding federal holidays**) or One Hundred Twenty-Seven Dollars and Fifty Cents (\$127.50) per hour overtime rate (**work performed at all other days and times**), as applicable, for services, and on the basis of Bell Helicopter price lists approved by the City for parts and materials, payable upon receipt and approval by the City of complete and satisfactory invoices from the Contractor, demonstrating performance of services. It is understood and agreed that the process specified in the Bell Helicopter Textron 2011, 2012 and 2013 price list shall apply to those respective years. The 2011, 2012 and 2013 price lists are incorporated into this Agreement by reference.”

4. A new paragraph 35 is hereby added to the Agreement reading as follows:

**35. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS:**

Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

5. Except as herein amended, this Third Amendatory Agreement is affirmed and ratified in each and every particular.

6. This Third Amendatory Amendment may be executed in two (2) counterparts, each of which is an original and constitute the same instrument.
