ORDINANCE NO. _____
SERIES OF 2025

COUNCIL BILL NO. CB 25-2009
COMMITTEE OF REFERENCE:
Transportation and Infrastructure

A BILL

For an ordinance amending Denver Revised Municipal Code Section 2-428 concerning the purposes and allowed uses of monies in the city disposable bag fee fund.

WHEREAS, Denver is committed to being a leader in waste prevention, diversion, and circularity;

WHEREAS, Denver's leadership in waste reduction through its passage of the Disposable Bag Fee policy has resulted in the avoidance of more than 50,000,000 plastic bags since 2021;

WHEREAS, Disposable Bag Fee Fund revenue generated by the \$0.10 fee on disposable bags has been used, to date, to administer the program, provide education, support community cleanups, help restaurants transition away from single-use service ware, and distribute free, reusable bags to the public; and

WHEREAS, updating and expanding the allowable uses of the Fund enables the ongoing and successful implementation of the Disposable Bag Fee Program, including single-use waste reduction efforts and communitywide waste reduction and circular economy priorities that further expedite progress towards Denver's citywide waste diversion goals.

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:

Section 1. That Section 2-428 of Denver Revised Municipal Code is amended by deleting the language stricken below and adding the language underlined below to read as follows:

Sec. 2-428. Purposes and allowed uses of monies in city disposable bag fee fund.

Monies from the disposable bag fee shall be used to defray the costs to the city for administering the disposable bag fee program and related activities, ~~which may include~~ including specifically the following ~~specific~~ uses:

(a) Administrative costs associated with developing, implementing, and administering the disposable bag fee;

(b) Costs to Provide reusable carryout bags to residents and visitors;

(c) Educate residents, businesses, and visitors about the requirements of the program and impact of disposable bags on the city's environmental health, the importance of reducing the number of disposable plastic bags and other single-use products entering the waste stream, and the expenses associated with mitigating the effects of disposable bags on the city's drainage system, transportation system, recycling system, wildlife, and environment;

(d) ~~Fund~~ Programs and infrastructure that allow the city to reduce waste associated with disposable bags and other single-use products;

(e) ~~Purchase and install~~ Equipment designed to minimize bag pollution, including, recycling containers, and waste receptacles associated with disposable bags and other single-use products;

(f) ~~Fund~~ Community cleanup events and other activities that reduce trash associated with disposable bags and single-use products;

(g) ~~Mitigate~~ Mitigation for the effects of disposable bags and single-use products on the city's drainage system, transportation system, recycling system, wildlife, and environment;

(h) ~~Conduct~~ Studies of disposable bag usage and the impact of the disposable bag fee in Denver;

(i) ~~Maintain a public website that educates residents on the progress of waste reduction efforts associated with disposable bags and single-use products; and~~

(j) ~~Develop a task force to analyze the data and impact, and to recommend improvements.~~

(i) Programs, policies, events, and infrastructure to advance Denver's circular economy, such as support to local and regional end markets and reuse and repair initiatives;

(j) Education, coordination, resources, and compliance-related support for citywide universal recycling and composting requirements impacting multi-family and commercial properties, permitted events, and construction and demolition projects; and

(k) Special or catalytic investments into the city's residential solid waste programs that support citywide waste diversion goals.
