In addition, the City shall have the right to terminate this Agreement immediately for cause if the Contractor or any of its officers or employees are convicted, plead nolo contendere, enter into a formal agreement in which they admit guilt, enter a plea of guilty, or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature, in connection with the Contractor's business. Nothing herein shall be construed as giving the Contractor the right to continue performing work under this Agreement beyond the time when the Manager notifies the Contractor that the Contractor's work has become unsatisfactory to the Manager and the Manager is terminating the Agreement, except to the extent that the Manager specifies certain work to be completed prior to terminating this Agreement.

C. Compensation: If this Agreement is terminated by the City for cause, the Contractor shall be compensated for all work satisfactorily completed and delivered to the City, and such compensation shall be limited to: (1) the sum of the amounts contained in invoices already submitted and approved by the Manager and (2) the cost of any work which the Manager authorizes in writing which the Manager determines is needed to accomplish an orderly

termination of the work. If this Agreement is terminated by the City without cause or by the Contractor with cause, the Contractor shall also be compensated for any reasonable costs the Contractor has actually incurred in performing authorized work hereunder prior to the date on which all work is terminated. Upon termination of this Agreement by the City, the Contractor shall have no claim of any kind whatsoever against the City by reason of such termination or by reason of any act incidental thereto, except for compensation for work satisfactorily performed as described herein.

5. RIGHTS AND REMEDIES NOT WAIVED: In no event shall any action or inaction, including any payments to the Contractor, by the City constitute or be construed to be a waiver by the City of any breach of covenant or default which may then exist on the part of the Contractor, and the City's action or inaction when any such breach or default shall exist shall not impair or prejudice any right or remedy available to the City with respect to such breach or default. No assent, expressed or implied, to any breach or default shall be deemed or taken to be a waiver of any other breach or default.

6. STATUS OF CONTRACTOR: The Contractor is an independent contractor retained on a contractual basis to perform professional or technical services for limited periods of time. Neither the Contractor nor the Contractor's employees or officers are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever. Without limiting the foregoing, the Contractor and the Contractor's employees and officers: a) are not entitled to workers' compensation benefits through the City; b) are not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by the Contractor or some other entity besides the City; and c) are obligated to pay federal and state taxes on any monies earned pursuant to this Agreement. A. General Conditions: The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for such time period specified in Section 33 of the Agreement. The

required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as “A-VIII” or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies are canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the notices section of the Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City’s contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

B. Proof of Insurance: The Contractor shall provide a copy of this Agreement to its insurance agent or broker. The Contractor may not commence services or work relating to the Agreement prior to placement of coverage required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit C**, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City’s contract number be referenced on the Certificate. The City’s acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor’s breach of this Agreement or of any of the City’s rights or remedies under this Agreement. The City’s Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

C. Additional Insureds: For Commercial General Liability, Business Auto Liability and Professional Liability, the Contractor and subcontractor’s insurer(s) shall name the

City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

E. Subcontractors and Subconsultants: All subcontractors and subconsultants (including suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor; unless the subcontractor or subconsultant is an independent contractor, then the independent contractor is required to carry personal or business auto insurance only, and shall be required to waive Workers' Compensation coverage from the Contractor, and shall be required to provide a waiver in the form provided in **Exhibit D** of this Agreement. The Contractor shall include all such subcontractors and subconsultants as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that all such subcontractors and subconsultants maintain the required coverages. The Contractor agrees to provide proof of insurance for all such subcontractors and subconsultants upon request by the City.

F. Workers' Compensation/Employer's Liability Insurance: The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. The Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date the Contractor executes this Agreement.

G. Commercial General Liability: The Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

H. Business Automobile Liability: The Contractor shall maintain Business Automobile Liability with limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

(ii) Defense costs are outside the limits of liability;

(iii) A severability of interests or separation of insureds (no insured vs. insured exclusion).

(iv) A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City; and

(v) No exclusion for sexual abuse, molestation, misconduct, or similar offenses.

(2) For claims-made coverage, the retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier.

(3) For claims-made coverage, the Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At the Contractor's own expense, where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor shall procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

8. DEFENSE & INDEMNIFICATION:

A. The Contractor hereby agrees to defend, indemnify, and hold harmless the City, its appointed and elected officials, agents and employees against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement ("Claims"), unless and until such Claims have been specifically determined by the trier of fact to be due to the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the Contractor or its subcontractors either passive or

active, irrespective of fault, including the City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.

B. The Contractor's duty to defend and indemnify the City shall arise at the time written notice of the Claim is first provided to the City regardless of whether an action has been filed in court on the Claim. The Contractor's duty to defend and indemnify the City shall arise even if the City is the only party sued and/or it is alleged that the City's negligence or willful misconduct was the sole cause of the alleged damages.

C. The Contractor shall defend any and all Claims which may be brought or threatened against the City and shall pay on behalf of the City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of the City shall be in addition to any other legal remedies available to City and shall not be considered the City's exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

9. PERSONAL PROPERTY: The City assumes no responsibility whatsoever for any Personal Property provided by the Contractor for the performance of this Agreement. City may provide certain City-owned Personal Property to the Contractor for the purposes of performing the Agreement. Contractor agrees he or she is solely responsible for the care and protection of the City-owned Personal Property while it is in the Contractor's possession and control. Contractor further agrees that City is not responsible for or obligated to defend, protect or indemnify the Contractor for any loss or damage caused by the Contractor. The City may, upon notice, hold Contractor responsible for the loss or damage of City-owned Personal Property in the Contractor's possession or control.

10. COLORADO GOVERNMENTAL IMMUNITY ACT: The Parties hereto understand and agree that the City is relying upon, and has not waived, the monetary limitations

and all other rights, immunities and protection provided by the Colorado Governmental Act, § 24-10-101, *et seq.*, C.R.S.

11. PERMITS, LICENSES, TAXES, CHARGES AND PENALTIES: The Contractor agrees to pay promptly all taxes, excises, license fees, and permit fees of whatever nature applicable to its operations or activities under this Agreement, and to take out and keep current all required licenses or permits (federal, state, or local) required for the conduct of its business hereunder, and further agrees not to permit any of said taxes, excises or license or permit fees to become delinquent. The Contractor further agrees to pay promptly when due all bills, debts and obligations incurred by it in connection with its operations and the performance of this Agreement and not to permit the same to be come delinquent. The City shall not be liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts which the City may be required to pay under § 20-107 to § 20-115, D.R.M.C. The City is a tax exempt entity.

12. EXAMINATION OF RECORDS: The Contractor agrees that any duly authorized representative of the City, including the City Auditor, shall, until the expiration of three (3) years after the final payment under this Agreement, have access to and the right to examine any books, documents, papers and records of the Contractor, involving transactions related to this Agreement.

13. ASSIGNMENT & SUBCONTRACT: Unless otherwise expressly provided in this Agreement, the Contractor covenants and agrees that the Contractor will not assign, transfer or subcontract the Contractor's rights and obligations under this Agreement without obtaining the prior written consent of the Manager. Such consent may be granted or denied at the sole and absolute discretion of said Manager. Any assignment or subcontract approved by the Manager may require new or extended insurance being provided by the Contractor or the Contractor's assignee or subcontractor, as specified in the Manager's written consent. Any attempt by the Contractor to assign, transfer or subcontract the Contractor's rights and obligations under this Agreement without such prior written consent of the Manager is ineffective and void, and in no way binding on the City. In such event, the Manager may elect, at the discretion of said Manager, to terminate this Agreement and all rights of the Contractor under this Agreement and/or to seek such other remedies available to the City under law.

14. NO THIRD-PARTY BENEFICIARY: Enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties. Nothing contained in this Agreement shall give or allow any such claim or right of action to or by any third person or entity. Any person other than the City or the Contractor receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

15. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor has no authority to bind the City on any contractual matters. Final approval of all contractual matters which purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

16. INTEGRATION & AMENDMENTS: This Agreement, including the exhibits and attachments hereto (each of which is specifically incorporated herein), is the complete integration of all understandings between the Parties. No prior or contemporaneous addition, deletion, or other modification hereto shall have any force or effect unless embodied in this Agreement in writing. No subsequent novation, renewal, addition, deletion, or other modification shall have any force of effect unless embodied in a written amendment to this Agreement properly executed by the Parties. Any oral representation by any officer or employee of the City at variance with terms and conditions of this Agreement or any written amendment to this Agreement shall not have any force or effect nor bind the City.

17. SEVERABILITY: If any provision of this Agreement or any portion thereof is held by a court of competent jurisdiction to be invalid, illegal, unenforceable, or in conflict with any law, except for the provisions of the Agreement requiring prior appropriation of funds and limiting the total amount payable by the City, the validity of the remaining portions or provisions shall not be affected, if the intent of the Parties can be fulfilled.

18. CONFLICT OF INTEREST:

A. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement; and the Contractor shall not hire, or contract for services with, any employee or officer of the City in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

B. The Contractor shall not engage in any transaction, activity or conduct which would result in a conflict of interest under this Agreement. The Contractor represents that

the Contractor has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. 22. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under this Agreement, the Contractor agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender variance, marital status, or physical or mental disability; and the Contractor further agrees to insert the foregoing provision in all subcontracts hereunder.

23. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS: The Contractor shall cooperate and comply with the provisions of Executive Order 94 and Attachment A concerning the use, possession or sale of alcohol or drugs. Violation of this provision or refusal to cooperate with implementation of the policy can result in the City barring the Contractor from City facilities and from participating in City operations.

24. EMPLOYEES & AGENTS: The Contractor shall not hire, retain, or use the services of any employee, agent, or subcontractor with a felony criminal conviction or convictions or who has been charged with a felony crime involving physical violence, sexual acts, or illegal drugs, including any criminal attempts, solicitations, trafficking, or conspiracies relating to the same, and any crime or crimes, whether a felony or a misdemeanor, that involve children. A “conviction” shall mean a plea of guilty, a plea of *nolo contendere*, a finding of guilt, a default judgment, or a deferred judgment and sentence. The Contractor shall use every reasonable means available to confirm that its employees, agents, or subcontractors have not been convicted or charged as set forth above and shall immediately and fully inform the City if the Contractor becomes aware of any such conviction or charge. If such a criminal conviction exists and the Contractor believes there are extenuating circumstances that should be considered, the Contractor may request, in writing, that the Manager waive the restrictions of this paragraph in light of policies set forth in C.R.S. Section 24-5-101, as amended, pertaining to the effect of criminal convictions on employment rights. Any waiver shall be in the absolute discretion of the Manager. Failure to comply with this paragraph or, at the City’s option, failure to promptly fire

The Contractor shall indemnify, hold harmless, and defend the City against any claims, actions, suits, damages, injuries, costs, penalties, judgments, awards, settlements, or other liability or expenses arising from or related to Contractor's failure to comply with this paragraph.

City Information: The Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, the Contractor may have access to proprietary data or confidential information that may be owned or controlled by the City, and that the disclosure of such proprietary data or confidential information may be damaging to the City or third parties. The Contractor agrees that all proprietary data or confidential information provided or otherwise disclosed by the City to the Contractor shall be held in confidence and used only in the performance of the Contractor's obligations under this Agreement. The Contractor shall exercise the same standard of care to protect such proprietary data and confidential information as a reasonably prudent contractor would to protect the Contractor's own proprietary data or confidential information. Proprietary data and confidential information shall include, but not limited to, any materials or information which is designated or marked "Proprietary" or "Confidential" by the City or its agents, provided to or made available to the Contractor by the City subject to a confidentiality agreement or notice of confidentiality, or used by the City under a licensing agreement or other authorization by the owner of the materials or information. Proprietary data and confidential information may be in hardcopy, printed, digital or electronic format.

(1) **Use of Proprietary Data or Confidential Information:** Except as expressly provided by the terms of this Agreement and subject to written permission of the Manager, the Contractor agrees that the Contractor shall not disclose, disseminate, transmit, license, sublicense, assign, lease, release, publish, post on the internet, transfer, sell, permit access to, distribute, allow interactive rights to, or otherwise make available the proprietary data or confidential information, or any part thereof, or any repackaged form of the proprietary data or confidential information, or any part thereof, to any other person, party or entity in any form or media for any purpose other than performing the Contractor's obligations under this

Agreement. The Contractor further acknowledges that by providing this proprietary data or confidential information, the City is not granting to the Contractor any right or license to use such data or information except as provided in this Agreement.

The Contractor agrees that any ideas, concepts, knowledge, computer programs, or data processing techniques developed by the Contractor or provided by the City in connection with this Agreement, including any proprietary data or any confidential information, shall be deemed to be the sole property of the City and all rights, including copyright, shall be reserved to the City. The Contractor agrees, with respect to the proprietary data and confidential information, that: (1) the Contractor shall not copy, recreate, reverse, engineer or decompile such data, in whole or in part, unless authorized in writing by the Manager; (2) the Contractor shall retain no copies, recreations, compilations, or decompilations, in whole or in part, of such data or information; (3) the Contractor shall, upon the expiration or earlier termination of the Agreement, destroy (and, in writing, certify destruction) or return all such data or information or work products incorporating such data or information to the City.

(2) **Employees and Subcontractors:** The Contractor shall inform the Contractor's employees and officers of the obligations under this Agreement, and all requirements and obligations of the Contractor under this Agreement shall survive the expiration or earlier termination of this Agreement. The Contractor shall not disclose proprietary data or confidential information to subcontractors unless such subcontractors are bound by non-disclosure and confidentiality provisions at least as strict as those contained in this Agreement.

(3) **Disclaimer:** Notwithstanding any other provision of this Agreement, **the City is furnishing proprietary data and confidential information on an "as is" basis, without any support whatsoever, and without representation, warranty or guarantee, including but not in any manner limited to, fitness, merchantability or the accuracy and completeness of the proprietary data or confidential information. The Contractor is hereby advised to verify the Contractor's work performed in reliance upon the proprietary data or confidential information. The City assumes no liability for any errors or omissions herein. Specifically, the City is not responsible for any costs including, but not limited to, those incurred as a result of lost revenues, loss of use of data, the costs of recovering such programs or data, the cost of any substitute program, claims by third**

parties, or for similar costs. If discrepancies are found, the Contractor agrees to contact the City immediately.

B. Contractor's Information: The Parties understand that all the material provided or produced under this Agreement may be subject to the Colorado Open Records Act., § 24-72-201, *et seq.*, C.R.S., and that in the event of a request to the City for disclosure of such information, the City shall advise the Contractor of such request in order to give the Contractor the opportunity to object to the disclosure of any of the Contractor's proprietary or confidential material. In the event of the filing of a lawsuit to compel such disclosure, the City will tender all such material to the court for judicial determination of the issue of disclosure and the Contractor agrees to intervene in such lawsuit to protect and assert the Contractor's claims of privilege and against disclosure of such material or waive the same. The Contractor further agrees to defend, indemnify and save and hold harmless the City, its officers, agents and employees, from any claim, damages, expense, loss or costs arising out of the Contractor's intervention to protect and assert the Contractor's claim of privilege against disclosure under this subsection including, but not limited to, prompt reimbursement to the City of all reasonable attorney fees, costs and damages that the City may incur directly or may be ordered to pay by such court.

26. ADVERTISING AND PUBLIC DISCLOSURE: The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Manager. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Manager in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

27. SOFTWARE PIRACY PROHIBITION: The Contractor shall perform no work under this Agreement that results in or from the acquisition, operation, maintenance, or use of computer software in violation of United States copyright laws or applicable licensing restrictions. The Contractor hereby covenants and agrees that, for the term of this Agreement and any extensions, the Contractor has in place appropriate systems and controls to prevent such violations of federal law and licensing restrictions. If the City determines that the Contractor is in violation of this provision, the City may exercise any remedy available at law or equity or under this Agreement, including immediate termination of the Agreement and any remedy consistent

with United States copyright laws or applicable licensing restrictions. The indemnification provision of this Agreement shall be applicable to any such violations by the Contractor.

B. The Contractor certifies that:

(1) At the time of its execution of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement.

(2) It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

C. The Contractor also agrees and represents that:

(1) It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(2) It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(3) It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.

(4) It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and it is required to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(5) If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor will also then terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with

the illegal alien, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with an illegal alien.

(6) It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S, or the City Auditor, under authority of D.R.M.C. § 20-90.3.

D. The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

29. LEGAL AUTHORITY: The Contractor assures and guarantees that the Contractor possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Agreement. The person or persons signing and executing this Agreement on behalf of the Contractor, do hereby warrant and guarantee that he/she or they have been fully authorized by the Contractor to execute this Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions herein set forth. The City shall have the right, at its option, to either temporarily suspend or permanently terminate this Agreement, if there is a dispute as to the legal authority of either the Contractor or the person(s) signing the Agreement to enter into this Agreement.

30. NO CONSTRUCTION AGAINST DRAFTING PARTY: The Parties acknowledge that each of them and their respective counsel have had the opportunity to review this Agreement and that this Agreement shall not be construed against any party merely because this Agreement or any of its provisions have been prepared by a particular party.

31. ORDER OF PRECEDENCE: In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement shall control.

32. SURVIVAL OF CERTAIN PROVISIONS: The terms and conditions of this Agreement, together with the exhibits and attachments hereto, that, by reasonable implication, contemplate continued performance, rights or compliance beyond the expiration or termination

of this Agreement, shall survive the Agreement and shall continue to be enforceable. Without limiting the generality of the foregoing, the Contractor's obligations to provide insurance and to indemnify the City shall survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

33. INUREMENT: The rights and obligations of the Parties herein set forth shall inure to the benefit of and be binding upon the Parties hereto and their respective successors and assigns, to the extent that such assignments are authorized under this Agreement.

34. CITY EXECUTION OF AGREEMENT: This Agreement shall not be effective or binding on the City until it has been fully executed by all signatories of the City and County of Denver and, if required by Charter, approved by City Council.

35. COUNTERPARTS OF THIS AGREEMENT: This Agreement may be executed in counterparts, each of which shall be deemed to be an original of this Agreement.

36. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS: The Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

EXHIBIT A
Scope of Work

A. PROJECT BACKGROUND:

The City and County of Denver Parks and Recreation Department (“DPR”) provides sports programs for both adults and youths, in the spring, summer, fall, and winter seasons. The venues for these leagues include approximately 12 recreation centers and 20 sports fields located through the City and County of Denver. DPR is planning to offer the following leagues:

ADULT SOFTBALL: ALL DIVISIONS
ADULT FLAG FOOTBALL: ALL DIVISIONS
ADULT SOCCER: ALL DIVISIONS
ADULT BASKETBALL: ALL DIVISIONS
YOUTH FLAG FOOTBALL: ALL AGE DIVISIONS
YOUTH BASKETBALL: ALL AGE DIVISIONS
YOUTH BASEBALL: ALL AGE DIVISIONS
YOUTH SOFTBALL: ALL AGE DIVISIONS

Both NSA and USSSA sanctioned leagues will be offered, depending upon demand. All sports officials assigned to work DPR games are expected to be well-versed in both USSSA and NSA rules, and also in the Denver “House Rules” detailed on www.denvercitywidesports.org. Denver “House Rules” supersede all other rules.

B. ESTIMATED NUMBER OF GAMES:

The number of games listed are the City’s best estimate and do not obligate DPR to order or accept more than the City’s actual requirements during the period designated, as determined by actual needs and availability of appropriated funds. It is expressly understood and agreed that the resulting contractual agreement is to supply the City with its complete actual requirement of the services specified in this proposal for the designated period.

NOTE: The City does not have estimated number of games for Adult Soccer; Adult Soccer is not currently offered, but the City anticipates launching the league in the future.

C. SPECIFIC REQUIREMENTS:

1. The contractor agrees to supply qualified sports officials/umpires in the officiating of **adult softball, basketball, soccer and/or flag football** as well as **youth baseball, basketball, softball and/or flag football**, all of which shall be conducted in accordance with the rules provided by the Citywide Sports Office. At the beginning of any league, the City shall designate the number of officials required to work each game of the league, and the contractor shall provide these officials at game times and locations designated by the City.
2. The City shall pay the contractor for the services of game officials/umpires at the rates quoted. Weekly invoices must include the following information:
 - a. Total games worked per day (listed by field)
 - b. Number of officials working each game
 - c. Applicable contract pricing
 - d. Total number of "show up" charges by date
 - e. Contract number (assigned at the time of award)
3. Official Game Cancellation: The City shall not be billed for officiating services for any games cancelled by the City prior to one (1) hour before the scheduled game time. The contractor will provide the City with one (1) contact number by which the City can alert them of any game cancellations due to weather or other conditions. This phone must be manned on game days and must also be equipped with voicemail. The City will also have a published "Weather Line" phone number for use by officials, players, and staff to obtain current field and game status. A one-game official/umpire "show up" charge may be billed to the City for games that are cancelled after the notification deadline has passed.
4. No Show/Late Officials Policy: If an official fails to show up for a schedule game, or shows up 15 minutes or more late for a game, the City will receive a credit of 50% of that official's fee against the contractor. Also, no additional charge shall be made to the City for any official who must work alone due to the non-appearance of another official/umpire. Any additional monies due to the official/umpire forced to work alone shall be the sole responsibility of the contractor.
5. Officials/umpires shall not be required to work forfeited games, and the contractor shall bill the City for officials assigned to work forfeited games as if the game had been played.

6. Officials shall arrive no later than 10 minutes prior to game time and in the appropriate uniform as outlined in the NSA or USSSA rule book.
7. The contractor and its staff shall take precautions to protect City property, including but not limited to remotes and portable scoreboards, which are only for use during officiating hours.

Officials/umpires shall provide professional and quality services, and shall be in good standing with the City; the City reserves the right to require the contractor to remove and/or replace an official/umpire for reasons including, but not limited to, misconduct or poor performance.

Separate Declaration Regarding Independent Status

It is understood and agreed by and between the City and _____ (“the Contractor”) that the status of the Contractor shall be that of an independent contractor and of a person retained on a contractual basis to perform professional or technical services for limited periods of time as described in Section 9.1.1(E)(x) of the Charter of the City and it is not intended, nor shall it be construed, that the Contractor or any employee or sub-consultant is an employee, officer, or agent of the City under Chapter 18 of the Denver Revised Municipal Code (“DRMC”) for purposes of unemployment compensation, workers’ compensation, or for any purpose whatsoever.

Without limiting the foregoing, the parties hereby specifically acknowledge that the Contractor is not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by the Contractor or some other entity besides the City, that the Contractor is not entitled to workers’ compensation benefits from the City, and that the Contractor is obligated to pay federal and state income taxes on any monies earned pursuant to this Agreement.

The parties recognize and agree that the Contractor is engaged in an independent occupation and profession and is free from control and direction in the performance of the services contracted for herein consistent with that mandated by C.R.S. §8-40-202(2)(a). It is understood and agreed by the parties that the City does not (a) require the Contractor to work exclusively for the City, provided that the Contractor may have elected to work for exclusively for the City for the period of time specified in the term of this Agreement; (b) establish a quality standard for the Contractor, provided that the parties agree that while the City may provide plans regarding its expectancy of the Work to be performed by the Contractor, the City will not oversee the actual work of the Contractor or instruct the Contractor as to how the Work will be performed; (c) pay a salary or hourly wage to the Contractor instead of the fixed contract rate stated herein; (d) terminate the work of the Contractor for cause during the term of this Agreement unless the Contractor violates the terms of this Agreement or fails to produce the Work or result that meets the specific terms provided in the Agreement; (e) provide any training for the Contractor other than minimal orientation to the site or other parameters of the Contractor activity; (f) provide tools or benefits to the Contractor; (g) dictate the time of performance, except that the Agreement completion date together with the range of negotiated and mutually agreeable work hours has been established herein; (h) pay the Contractor

personally instead of making City warrants payable to the professional name of the Contractor, except that in this Agreement the Contractor is an individual and sole proprietor; and (i) combine the regular operations of the City in any way with the professional or business operations of the Contractor instead of maintaining office operations separately and distinctly.
