City may inspect all goods/services prior to acceptance. Payment does not constitute acceptance. Vendor shall bear the cost of any inspection/testing that reveal goods/services that are defective or do not meet specifications. City's failure to accept or reject goods/services shall not relieve Vendor from its responsibility for such goods/services that are defective or do not meet specifications nor impose liability on City for such goods/services. If any part of the goods/services are not acceptable to City, City may, in addition to any other rights it may have at law or in equity: (1) make a warranty claim; (2) repair and/or replace the goods or substitute other services at Vendor's expense; or reject and return the goods at Vendor's cost and/or reject the services at Vendor's expense for full credit. The Supplier acknowledges that any goods/services provided beyond those specifically described in **Exhibit A** are performed at Contractor's risk and without authorization from the City. City's payment obligations hereunder, whether direct or contingent, shall extend only to funds appropriated by the Denver City Council for the purpose of this Master Purchase Order, encumbered by the City after receipt of Supplier's invoice and paid into the Treasury of City. Supplier acknowledges that: (i) City does not by this Master Purchase Order, irrevocably pledge present cash reserves for payments in future fiscal years; and (ii) this Master Purchase Order is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of City. City may set off against any payments due to Supplier any claims and/or credits it may have against Supplier under this Master Purchase Order.

11. Amendments/Changes:

Only the Executive Director of General Services or his/her delegate is authorized to change or amend this Master Purchase Order by a formal written change order. Any change or amendment that would cause the aggregate payable under this Master Purchase Order to exceed the amount appropriated and encumbered for this Master Purchase Order is expressly prohibited and of no effect. Supplier shall verify that the amount appropriated and encumbered is sufficient to cover any increase in cost due to changes or amendments. Goods/services provided without such verification are provided at Supplier's risk. The Supplier has no authority to bind City on any contractual matters.

- b. Services. Supplier shall promptly investigate, repair, replace or otherwise correct any of its workmanship and any parts, materials, components, equipment, or other items in the Work which contain faults or defects whether such failures are observed by the City or Supplier at any time during the period services are rendered or for a one-year period following completion of the applicable services. Supplier shall bear all costs of investigating and correcting, which includes the design efforts necessary to correct such services covered by the warranties and guarantees described in this section or elsewhere in this Master Purchase Order. In the event of such a termination, City's sole liability shall be limited to payment of the amount due for the goods/services accepted by City. Supplier acknowledges the risks inherent in this termination for convenience and expressly accepts them. Termination by City shall not constitute a waiver of any claims City may have against Supplier.

15. Interference:

Supplier shall notify the Director of Purchasing immediately of any condition that may interfere with the performance of Supplier's obligations under this Master Purchase Order and confirm such notification in writing within twenty-four (24) hours.
