

Amendment to 16-0625 related to creating dedicated funding streams from property taxes and commercial and residential linkage fees to be used for affordable housing programs.

By: Councilmember Black

September 19, 2016

Mr. President,

I move to amend **Council Bill 16-0625** in the following particulars:

- 1) On page 21, line 9 add the following language:

Division 4. Sunset Provision

Sec. 27-170. Repealer. This Article V shall be repealed effective December 31, 2026.

Explanation of Amendment

This amendment would have the effect of repealing the provisions of the bill establishing the permanent funds, the linkage fee, the dedicated property tax revenues, and the affordable housing advisory committee ten years from now, unless further legislative action is taken in the future to extend these provisions.
