- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
 - a. Scope of Work**

The current Concession License with Pahaska Tepee Concessions, LLC began on October 01, 2006 and ran through December 31, 2012. The first of two – one year extensions provided for in the Agreement has been approved by the Manager of Parks and Recreation moving the expiration date to December 31, 2013. The second extension, if approved, would move the expiration date to December 31, 2014. This amendment request represents changes to the Concession License that both parties have agreed to. The changes are as follows:

 - The Concessionaire name is changing from Pahaska Tepee Concessions, LLC to Pahaska Tepee Concessions, LLC, by H.W. Stewart, Inc.
 - Extend the expiration date to December 31, 2015.
 - Multiple tasks and costs that are currently the City's responsibility are being shifted to the Concessionaire. These include trash removal; snow removal on all sidewalks, stairs & paths; paying 50% of the water bill; paying 50% of the cost to service the septic system; paying for fire suppression system inspections; paying for fire extinguisher inspections and service; and paying the first \$1,000 for each repair to the facility.
 - Eliminating the \$250 per month payment from the Concessionaire to the City for water, sewer & trash removal.
 - Adding a requirement that the Concessionaire remit \$17,500 to the City upon execution of the Amendment. These funds will be used for capital improvements at the facility.

b. Duration

12/31/2013 through 12/31/2015

c. Location

Mountain Parks – Lookout Mountain

d. Affected Council District

N/A

e. Benefits

This amendment shifts the cost and responsibility for a number of tasks from the City to the Concessionaire. This frees up the limited resources (both staff and financial) in Mountain Parks to perform other necessary tasks. The amendment also provides for needed funds to perform capital improvements at the facility. The current Concessionaire has been an outstanding partner both in their care of the facility as well as their consistent compliance with all contractual terms and conditions.

f. Costs

This amendment will reduce costs to the City.

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.
